### Management of Serious Incidents at ABMU Health Board

Identification of the quality & safety arrangements across the Health Board in relation to the management of SI's and how these provide the Board with assurance.

Recommendation	Issue	Actions	Target Date	Progress	Lead
Recommendation 1: To make certain that patient safety is central to the HB's business, the entire Board membership should ensure that learning from Concerns and the understanding of potential risks are used to inform priorities and drive change.	Review of the Board assurance structures relating to quality & safety matters, strengthening the Health Boards approach to scrutiny and challenge.	1.1 The Board Committee structure and membership to be reviewed and revised to strengthen the approach to scrutiny and challenge.	Mar-18	Actioned	Director of Corporate Governance
		1.2 Wales Audit Office to deliver a session on scrutiny and challenge for the Board.	Mar-18	Arrangements taking place to find a suitable date.	Director of Corporate Governance
		1.3 Kings Fund Leadership Programme 2018/19 for Non Officer Members, Executive Directors and Unit Directors.	Apr-19	Leadership programme underway and will be complete by April 2019.	Director of Corporate Governance
		1.4 Head of Patient Experience, Risk & Legal Services to deliver a Putting Things Right Regulations Board development session.	Apr-18	Actioned - 26th April 2018	Director of Nursing & Patient Experience
		1.5 Review process of patient stories to the Board to ensure learning is included.	May-18	Actioned	Director of Nursing & Patient Experience

Review of the membership of the Quality & Safety Committee, with a view to enable a more integrated and holistic approach to quality & safety issues	1.6 Review the membership of the Quality and Safety Committee has been completed.	Aug-18	Actioned - Completed, agreed at Quality and Safety Committee in August 2018.	Director of Corporate Governance
Establishing clearer pathways for how learning from SI's is shared, in particular clarifying the roles of the Assurance & Learning Group and Quality & Safety Forum in this regard.	1.7 Review of reports submitted to Quality and Safety Committee has been completed. A report on SI's/NE's identifying the issues and learning will now be a separate report reviewed at each meeting.	May-18	Actioned	Director of Corporate Governance
	1.8 Process to be established to issue a Local Safety Notice following the identification of a never event and shared Health Board wide. On completion of the investigation 7 minute briefing to be issued.	Jan-19	Previous separate SOP's relating to Serious Incidents and Never Event incidents have been combined into a new SOP entitled, Significant Incident Review & Learning Process. The new SOP details the issuing of a Local Patient Safety Notice either Corporately by the Serious Incident Team or the relevant Hospital Managed Unit when a significant Incident occurs. Revised SOP to be approved by Quality & Safety Forum. Local Patient Safety Notices have been issued for several incidents. In addition, Significant Incident Learning Briefs are now being developed for corporately investigated incidents. To be approved by Quality and Safety Forum in January 2019	Director of Nursing & Patient Experience

	1.9 Review the role of the Assurance & Learning Group and Quality & Safety Forum to be considered.	Sep-18	Actioned: A review of the role of the Assurance and Learning Group has been carried out by the Director of Governance and Director of Therapies and Health Sciences in light of the establishment of the Risk Management Group and the strengthening of the Quality Forum. The Assurance and Learning Group has been replaced by a learning Group and the Q&S Forum will meet monthly. A review is currently in progress of the Q&S Forum and will be completed end of Q2.	Director of Corporate Governance
A strengthened approach to ensuring connectivity between Board members and operational clinical staff. Also increased triangulation of information and data relating to risk, quality & safety and performance.	1.10 Ward to Board reporting to be piloted in NPTH and evaluated.	Sep-18	Presentation to Quality & Safety Committee in June 2018 which approved the pilot. Ward to Board Quality Dashboard Pilot underway in NPT Unit. As well as ward staff, the system was being used by site and department managers, from whom feedback had positive. Agreement had been received for Singleton Services Delivery Unit to be the next unit for implementation. - Widespread usage was not quite where it needed to be, but it was hoped this would increase once confidence grew - A promotional video is to be developed to outline the benefits of the system. One of the tabs included on the Ward to Board Dashboard is Quality Assurance Framework/ 15 Steps Challenge. Regular updates of progress at the following meetings - Q&S Committee (June, August, December 2018), Board Development (September 2018), Executive Team (October 2018, April 2019).	Director of Nursing & Patient Experience
Standardised reports and templates, including reporting by exception.	1.11 A review of report template has been completed and new templates have been issued.	Apr-18	Actioned	Director of Corporate Governance

The senior management teams in the six operational Units' collective governance, and the structures and processes that underpin the management and investigation of Sis

<p>Recommendation 8: Further work is required to address risks concerning the safety culture within Morriston Unit's theatres and the interface with the Trauma &amp; Orthopaedics department. The work should include OD approaches and cross professional boundaries ensuring a whole system approach involving all staff.</p>	<p>NE investigations demonstrate that the themes and trends identified were related to systemic issues. It was clear from the DU review that whilst clinical staff were working hard to deliver the best outcomes for patients the lack of an effective managerial response to these systemic issues was not resulting in sufficient timely improvement to patient safety. A Theatres Improvement Plan and separate nursing workforce redesign work are underway but it was evident that more work needs to be done with an increased pace to foster a better 'safety culture'[1] in Morriston theatres.</p>	<p>8.1 Theatre Management Restructure with enhanced senior leadership following full consultation.</p>	<p>Oct-18</p>	<p>Actioned: Senior Theatre Matron 8b &amp; two Matrons 8a appointed and commenced Full workforce plan developed – workforce reconfiguration underway (ongoing grievance re T&amp;O theatre element of revised structure)</p>	<p>Unit Medical and Nurse Directors - Morriston</p>

The systems and processes in place, including monitoring, to ensure that there is learning and improvement from Sis that results in organisational wide sustained improvements in patient safety and quality of care.

Recommendation	Issue	Action Taken	Target Date	Progress	Lead
Recommendation 9: The Health Board should develop an organisational learning strategy. The strategy should clearly demonstrate how the learning from Concerns is disseminated across the organisation and how the Board assures itself that actions are implemented to completion and are being sustained.	Quality Strategy does not refer to how concerns will be learned from following investigation.	9.1 Quality Strategy to be updated to include how learning from concerns will be disseminated across the Health Board.	Jan-19	The Quality and Safety forum will discuss concerns and identify areas for learning and these will be fed through to new learning group to focus on key areas. This to be included in Terms of reference for Q&PSF which is being refreshed.	Director of Therapies & Health Science
	Health Board does not have an organisational learning strategy	9.2 Task & Finish Group to be established chaired by Director of Workforce & OD	01/09/2018 July 2019	ToR for the Task and Finish Group have been developed. The Group will be chaired by the Director of Workforce and OD but will include representation from a wide range of professions. The meeting schedule has been established for the group to undertake the work required. First meeting of the T&F group took place in October 2018. An organisational learning strategy will be developed as part of the overarching Workforce and OD Strategy which is being developed in Spring 2019.	Director of Workforce and OD

<p>Recommendation 10: The Health Board should review and strengthen its approaches to corporate support.</p>	<p>Business Intelligence information, to enable accurate and intelligent data interpretation and analysis which is consistently presented across all units.</p>	<p>10.1 Ward to Board reporting, including 15 Step Challenge, to be implemented.</p>	<p>Sep-18</p>	<p>Actioned: Letter has been sent to all Unit Nurse Directors informing them to implement Quality Assurance Framework/ 15 steps challenge. Units have sent schedule of proposed visits for 2018/19 back to DoNPE which will be shared with Q&amp;S committee as required. A system is being developed to enable outcome of visits to feed into Ward to Board Quality Dashboard. During interim this feedback is collected by Corporate Nursing Business Manager on a monthly basis. Service Delivery Units are now required to feedback details of visits and improvements to Quality and Safety Committee through their Unit Excpetion Reports. Corporate Business Manager is working with MH&amp;LD, Distract Nursing and Prision Healthcare Service to adapt toolkits for use in specialist areas.</p>	<p>Director of Nursing &amp; Patient Experience</p>
	<p>Quality Improvement, ensuring that learning from Concerns is a primary driver for organisational QI work.</p>	<p>10.2 Health Board to consider proposal for a Quality Improvement Hub</p>	<p>Sep-18</p>	<p>Health Board has included the requirement of a Quality Improvement Hub within the IMTP and has requested support from Welsh Government to support the establishment of the framework for the Quality Improvement Hub as part of Targeted Intervention support. <b>Update September 2018:</b> Not being progressed as part of T.I support but now is integrated within Clinical Services Plan and Transformation - details will be within IMTP.</p>	<p>Director of Therapies &amp; Health Science</p>
	<p>Clinical and professional networks which span the Unit boundaries and enable sharing of information and learning across the HB</p>	<p>10.3 Review of Health Boards position on the re establishment of the Health Professional Forum and seek a view from each professional Group.</p>	<p>Sep-18</p>	<p>Nominations for the Health Professional Forum have been sought and the next meeting is planned to take place on 30/10/2018.</p>	<p>Director of Corporate Governance</p>
