WORKFORCE METRICS

1. INTRODUCTION

There is a standard workforce metrics report that is developed on a monthly basis and submitted to both the WF&ODC and the Performance and Finance Committee. This is the July 2019 report.

2. BACKGROUND

There have been no changes to the standard format for the workforce metrics report since the last meeting. Commentary on actions and key outputs/activity are set out in the body of the report.

3. GOVERNANCE AND RISK ISSUES

The monthly metrics report forms part of the governance arrangements for reporting on key workforce activity and key corporate performance targets.

4. FINANCIAL IMPLICATIONS

There are no specific financial implications associated with this report for information.

5. RECOMMENDATION

The Committee is asked to note the contents of the report.
