Cyflwyniad / Introduction

-
- **2025-26 has been a year of both progress and continued challenge.**
 - **Key Highlights:**
 - Improvement seen, but more progress needed
 - High deprivation impacts health and service demand
 - Strategic priorities shaped by population needs
 - Strong leadership, governance, and accountability₃

Cyflwyniad / Introduction

Key Areas of Improvement

- Maternity & Neonatal Services
 - Accepted Independent Review findings
 - Approved Perinatal Improvement Plan
- Mental Health & Learning Disability
- Urgent & Emergency Care
- Strengthened Board Governance & Oversight

Cyflwyniad / Introduction

Key Priorities:

- Improve patient flows
- Reduce financial deficit – urgent action needed
- Board oversight & collective responsibility
- Strengthen partnerships with Hywel Dda UHB, local authorities, and the Third Sector
- Collaborate to address health system challenges

Cyflwyniad / Introduction

In Summary:

- Thank you to staff, partners, and stakeholders.
- Board's leadership and commitment to improvement.
- Grateful for colleagues' support and guidance.
- Next - Chief Executive, Abi Harris on her reflections of the year.

Myfyrdodau ar 2025-26

Reflections on 2025-26

Abi Harris
Prif Weithredwr / Chief
Executive

Cyflwyniad / Introduction

Achievements:

- Strength in organization, big challenges ahead
- Dedicated teams driving improvements
- Planned care: shorter waits, better access
- 25,000+ extra outpatient appointments
- Waiting lists down 90% in some specialties
- Earlier diagnosis and treatment for serious conditions

Cyflwyniad / Introduction

Urgent & Emergency Care: Progress & Challenges:

- Quality & safety actions taken
- System under sustained pressure
- Recent changes → measurable improvement
- Fewer ambulance handover & bed wait delays
- Discharge delays still impact patients
- Improving flow & patient experience remains critical

Cyflwyniad / Introduction

Financial Sustainability Shift:

- Embedding new ways of working
- Focus on quality care for patients
- Reduce variation and avoid harm
- Improve service flow, cut avoidable costs
- Disciplined prioritization and delivery
- System-wide action for lasting change

Cyflwyniad / Introduction

The Journey Ahead:

- Transitioning from Preparation to Delivery and measurable impacts.
- Organisational strategy, **A Healthier Swansea Bay**, and **Transforming for the Future**, our new Strategic Clinical Services Plan will outline service evolution.
- Focus shifts toward sustainable, long-term transformation of services.
- Deep gratitude for staff dedication to patients and communities.
- Continued collaboration with local government, third sector, and Welsh Government to overcome challenges and improve population health.

Our Mission

Better Health, Better Care, Better Lives

- Better Health means focusing on prevention, education, and early intervention. We work alongside our partners and communities to tackle the root causes of poor health supporting people to make informed choices, promoting mental wellbeing, and reducing health inequalities.
- Better Care is about putting people at the heart of everything we do. We aim to deliver safe, timely, and personalised care that reflects what matters most to each individual.
- Whether at home, in the community, or in hospital, we strive to ensure every patient experience is grounded in dignity, respect, and excellence.
- Better Lives reflects our wider commitment to supporting wellbeing beyond healthcare. By collaborating with social care, education, housing, and voluntary sectors, we aim to create the conditions where people can thrive physically, mentally, and socially.

Our Priorities – The Five Ms

Key Service Improvements:

- **M**aternity & Neonatal Care: Progressing improvements
- **M**ental Health: Digital records & £3m ward upgrades
- **M**aintaining Improvements in Planned Care: No long waits, focus on diagnostics
- **E**mergency Care: Improved, but not consistent
- **M**oney: Tougher this year

Gwasanaethau Mamolaeth / Newyddenedigol / Maternity / Neonatal Services

Midwifery & Neonatal Services Review - Progress & Next Steps

- Final report received July 2025
- Unreserved and full apology to families for failings
- All recommendations accepted
- Ongoing improvements
- Progress report & updated plan at next Board meeting

Delivering Performance

In line with the Ministerial Priorities, we have baselines and trajectories for our key services that reflect our resources (workforce, finance and capacity) and ambition to deliver in 2025/26.

Mental Health Services in 25/26

- We will maintain 80% target of mental health assessments undertaken within (up to and including) 28 days from the date of receipt of referral
- We will maintain 80% target of therapeutic interventions started within (up to and including) 28 days following an assessment by LPMHSS
- We will support the continued delivery of national mental health and learning disabilities performance targets
- We will appropriately develop the facilities across our mental health services with the support of capital projects and implement recommendations where possible.

Population health and prevention

- We will achieve the vaccination targets outlined in the NHS performance Framework (2025-26)
- We will increase the % of patients (aged 12 years and over) with diabetes who received all eight NICE recommended care processes

Building Community Capacity

- 100% of GP practices achieving all National Access Standards for In-hours GMS
- We will support the increase in number of people accessing Pharmacist Independent Prescribing Service for acute minor conditions and routine contraception services where the patient reports they would have otherwise visited their GP

Quality & Safety in 25/26:

- We will focus on the reduction of cases of HCAI across the Health Board and evidence continuous improvement accompanied by a strong QI approach
- We will continue to implement our duty of quality
- We will monitor delivery of the quality priorities through the Quality digital dashboard

Transforming Mental Health Services

Mental Health Update:

- Reviewed interim and long-term solutions
- Ongoing Welsh Government discussions about capital availability
- Digital upgrades underway
- Progress on recommendations – work remains

Delivering Performance

In line with the Ministerial Priorities, we have baselines and trajectories for our key services that reflect our resources (workforce, finance and capacity) and ambition to deliver in 2025/26.

Planned Care delivery in 25/26: These trajectories are predicated on the receipt of the Planned Care Monies from Welsh Government (£5.2M).

- We will maintain zero 104 week waits for treatment, as achieved by 31st March 2025
- We will maintain our 'best in Wales' position on 0 patients waiting over 52 weeks for a first outpatients' appointment
- We will work towards reducing the number of patients waiting over 8 weeks for a diagnostic endoscopy, and continue to maintain our current position of patients waiting over 8 weeks for all other diagnostics (80% TI target)

Unscheduled Care Delivery

- We will reduce ambulance patient handovers >1 hr
- We will reduce ED waits >12 hrs
- We will deliver a 12-month reduction trend in Number of people who are delayed in hospital as measured by the Delayed Pathways of Care Dashboard

Cancer Care Delivery in 2025/26

- We will deliver a 12-month improvement trend, patients starting first definitive cancer treatment within 62 days from point of suspicion (regardless of the referral route), building toward achieving the national target of 80% by 31 March 2026.
- We will reduce wait times across the following pathways:

Time to Radiotherapy -

- Scheduled - % within 21 days, % within 28 days
- Urgent SC - % within 7 days, % within 14 days
- Emergency - % within 1 day, % within 2 days
- Elective delay - % within 21 days, % within 28 days

Time to SACT

- Priority 1 (Emergency -within 48 hours)
- Urgent/Priority 2 - within 14 days (for Curative, Palliative/Disease Control, Haematology remission and Neoadjuvant intent)
- Routine/Priority 3 - within 21 days (for adjuvant intent)

/ Urgent and Emergency Care

Urgent & Emergency Care 2025-26

Continued performance pressures

Improved ambulance handovers (MAG targets)

Operational changes: revised assessment, 7-day SDEC, “Your Next Patient” model

Gofal wedi'i gynllunio / Planned Care

Planned Care – Key Achievements & Focus Areas

- No patients waiting >2 years by end 2024-25
- Maintained progress in 2025-26
- Increased activity & targeted initiatives
- Use of insourcing/outourcing
- Focus: Productivity & maximizing capacity

Cancer Care Progress to Date:

- Delivery of Single Cancer Pathway remains a significant challenge
- Recovery now seen in most tumour groups
- Imbalance between seasonal demand and capacity
- Performance: 52%-65% (Target: 75%)
- 40% decision to treat within 31 days
- Sustained focus: patients being seen within 2 weeks of referral
- Diagnostic constraints

Dyletswyddau Ariannol / Financial Duties

Health Board Financial Duties 2025-26:

- Did not meet break-even duty (2023-26)
- No approved financial plan
- Strategy needed for compliance and healthcare improvement
- Plan to be submitted to Welsh Government

Edrych ymlaen at 2026-27

Look Forward to 2026-27

Un Bae Ar y Cyd

One Bay Way

Edrych ymlaen at 2026-27 / Look Forward to 2026-27

-
- Our main challenges in 2026-27 follow on from our progress in the past year and are:
 - Developing a population health focus in all we do
 - Improving access for our patients to the treatment they need, be that in urgent and emergency care, waiting for appointments, tests, treatments and operations.
 - Transforming the services where our patients are not receiving the care or outcomes they should, in particular:

- Maternity and Neonatal care
- Mental Health services

Edrych ymlaen at 2026-27 / Look Forward to 2026-27

-
- Ensuring our staff are supported to do their jobs effectively and efficiently, focusing on every patient / client as an individual
 - Renewing our organisation to focus on long-term financial sustainability, improved delivery and outcomes in all that we do
 - Moving towards financially sustainable services and financial balance, spending every penny of public money wisely

Datganiad o Gyfrifoldebau'r Prif Weithredwr fel Swyddog Atebol

Mae Gweinidogion Cymru wedi cyfarwyddo y dylai'r Prif Weithredwr fod yn swyddog atebol i'r Bwrdd Iechyd.

Mae cyfrifoldebau perthnasol swyddogion atebol – gan gynnwys eu cyfrifoldeb am briodoldeb a rheoleidd-dra'r cyllid cyhoeddus y maent yn atebol amdano, ac am gadw cofnodion priodol – wedi'u nodi ym memorandwm y swyddog atebol a gyhoeddwyd gan Lywodraeth Cymru.

Gallaf gadarnhau:

Hyd eithaf fy ngwybodaeth a'm cred, nid oes unrhyw wybodaeth archwilio berthnasol nad yw archwilwyr y Bwrdd Iechyd yn ymwybodol ohoni, ac rwyf wedi cymryd pob cam y dylid ei fod wedi'i gymryd i ymgyswddo ag unrhyw wybodaeth archwilio berthnasol ac i sicrhau bod yr archwilwyr yn ymwybodol o'r wybodaeth honno.

Mae'r adroddiad blynyddol a'r cyfrifon yn eu cyfarwydd yn deg, yn gytbwys ac yn ddealladwy, ac rwy'n cymryd cyfrifoldeb personol am yr adroddiad blynyddol a'r cyfrifon, ac am y barnau sy'n angenrheidiol i benderfynu eu bod yn deg, yn gytbwys ac yn ddealladwy.

Hyd eithaf fy ngwybodaeth a'm cred, rwyf wedi cyflawni'n briodol y cyfrifoldebau a nodwyd yn y llythyr sy'n fy mhenodi fel Swyddog Atebol. Mae'r Swyddog Atebol yn gyfrifol am awdurdodi cyhoeddi'r datganiadau ariannol ar y dyddiad y cawsant eu hardystio gan Archwilydd Cyffredinol Cymru.

Dyddiad: 25.06.26

Prif
Weithredwr:

Datganiad o Gyfrifoldebau'r Cyfarwyddwr mewn Perthynas â Chyfrifon

Mae'n ofynnol i'r cyfarwyddwyr, o dan Ddeddf Gwasanaeth Iechyd Gwladol (Cymru) 2006, baratoi cyfrifon ar gyfer pob blwyddyn ariannol. Mae Gweinidogion Cymru, gyda chymeradwyaeth y Trysorlys, yn cyfarwyddo bod y cyfrifon hyn yn rhoi darlun gwir a theg o gyflwr materion y Bwrdd Iechyd ac o incwm a gwariant y Bwrdd Iechyd am y cyfnod hwnnw.

Wrth baratoi'r cyfrifon hyn, mae'n ofynnol i'r cyfarwyddwyr wneud y canlynol:

- cymhwyso ar sail gyson egwyddorion cyfrifyddu a osodwyd gan Weinidogion Cymru gyda chymeradwyaeth y Trysorlys;
- gwneud dyfarniadau ac amcangyfrifon sy'n gyfrifol ac yn ddarbodus;
- datgan a ddilynwyd safonau cyfrifyddu, yn ddarostyngedig i unrhyw wyriadau sylweddol a ddatgelwyd ac a eglurwyd yn y cyfrifon.

Mae'r cyfarwyddwyr yn cadarnhau eu bod nhw wedi cydymffurfio â'r gofynion uchod wrth baratoi'r cyfrifon.

Mae'r cyfarwyddwyr yn gyfrifol am gadw cofnodion cyfrifyddu priodol sy'n dangos sefyllfa ariannol y Bwrdd Iechyd gyda chywirdeb rhesymol ar unrhyw adeg, ac sy'n eu galluogi i sicrhau bod y cyfrifon yn cydymffurfio â'r gofynion a nodir yn y cyfarwyddyd uchod gan Weinidogion Cymru.

Ar orchymyn y bwrdd, arwyddwyd:

Dyddiad: 25.06.26

Ynglŷn â'r Bwrdd Iechyd

Mae Bwrdd Iechyd Prifysgol Bae Abertawe yn cynllunio, yn comisiynu ac yn darparu gwasanaethau gofal iechyd i bobl Castell-nedd Port Talbot ac Abertawe, ac yn gweithio i wella eu hiechyd a'u lles. Rydym yn gwasanaethu poblogaeth o tua 400,000, mae gennym gyllideb o tua £1.8 biliwn ac rydym yn cyflogi dros 14,000 o staff.

Mae gennym dri phrif ysbyty sy'n darparu ystod o wasanaethau: Ysbytai Treforys a Singleton yn Abertawe ac Ysbyty Castell-nedd Port Talbot ym Maglan, Port Talbot. Mae gennym hefyd ysbyty cymunedol yng Ngorseionon, darpariaeth iechyd meddwl arbenigol i gleifion mewnol yn Ysbyty Tonna, a chanolfannau adnoddau gofal sylfaenol sy'n darparu gwasanaethau clinigol a lles y tu allan i'r prif ysbytai.

Rydym yn darparu mwy na 70 o wasanaethau arbenigol i boblogaethau de-orllewin Cymru a de Cymru, ac ar gyfer rhai gwasanaethau – ar sail Cymru gyfan a'r DU. Caiff y rhain eu comisiynu gan y Byrddau Iechyd eraill yng Nghymru, naill ai drwy Cydbwyllgot Comisiynu GIG Cymru neu'n uniongyrchol.

Mae contractwyr annibynnol gofal sylfaenol yn chwarae rhan hanfodol yng ngofal ein poblogaeth, ac mae'r bwrdd iechyd yn comisiynu gwasanaethau gan 44 o bractisau meddygon teulu, 32 o bractisau optometreg, 63 o bractisau deintyddol (gan gynnwys darparwyr orthodontig ac arbenigol) a 90 o fferyllfeydd cymunedol ar draws ein rhanbarth.

Darperir gwasanaethau iechyd meddwl ac anabledd dysgu mewn lleoliadau ysbyty a chymunedol i drigolion rhanbarth Bae Abertawe, ac rydym yn darparu gwasanaeth rhanbarthol ar gyfer gwasanaethau anabledd dysgu ac iechyd meddwl fforensig.

Mae pedwar gwasanaeth Cymru-gyfan yn cael eu cynnal gan y Bwrdd Iechyd:

- Gwasanaeth Casglu a Throsglwyddo Meddygol Brys (EMRTS) – yn darparu gwasanaethau gwneud penderfyniadau uwch a gofal critigol ar gyfer argyfyngau sy'n bygwth bywyd neu aelodau o'r corff, ac sy'n gofyn am drosglwyddo ar gyfer triniaeth sy'n dibynnu ar amser mewn cyfleuster priodol;
- Rhwydwaith Cyflawni Gweithredol y Rhwydwaith Trawma Mawr – yn darparu'r swyddogaeth reoli sy'n goruchwyllo'r rhwydwaith trawma mawr, yn cydlynu trosglwyddiadau cleifion rhwng y ganolfan trawma mawr, yr unedau trawma ac ysbytai lleol, ac yn gwella dysgu ym maes trawma mawr er mwyn gwella canlyniadau i gleifion, profiad y claf a safonau ansawdd o'r adeg y cafwyd yr anaf hyd at adferiad;
- Rhwydwaith Lymffoedema – yn rheoli Tîm Cenedlaethol Rhwydwaith Lymffoedema Cymru;
- Rhwydwaith Cyflawni Gweithredol ar gyfer y Asgwrn Cefn – y swyddogaeth reoli ar gyfer y rhwydwaith, cydlynu llif cleifion ar hyd y llwybr gofal ar gyfer yr asgwrn cefn, arwain y gwaith o ddatblygu safonau a llwybrau, a chydlynu eu gweithredu a'u cyflawni.

Mae gan y Bwrdd bwrpas ac uchelgais clir, ac mae nodau ac amcanion strategol wedi'u datblygu i gyflawni ein cyfrifoldebau dinesig drwy wella iechyd cymunedau, lleihau anghydraddoldebau iechyd a darparu gofal iechyd darbodus lle mae cleifion a defnyddwyr gwasanaethau yn teimlo eu bod yn cael eu gofalu amdanynt, ac yn teimlo'n hyderus ac yn ddiogel. Mae'r rhain wedi'u nodi yn ein [Cynllun Blynyddol](#).

Er bod ein hamcanion yn sicrhau ein bod yn bodloni blaenoriaethau cenedlaethol a lleol yn ogystal â safonau proffesiynol, mae ein dulliau gweithio yn seiliedig ar fframwaith gwerthoedd ac ymddygiad; datblygwyd hwn yn dilyn nifer o sgysiau gyda staff, cleifion a defnyddwyr gwasanaeth, perthnasau a gofalwyr. Mae'r rhain wrth wraidd popeth a wnawn.

Rhagair: Jan Williams CBE, Cadeirydd y Bwrdd

Ar ran y Bwrdd, mae'n bleser gennyf gyflwyno Adroddiad Blynyddol Bwrdd Iechyd Prifysgol Bae Abertawe ar gyfer 2025-26.

Mae hwn wedi bod yn flwyddyn o gynnydd a her barhaus. Mae aelodau'r Bwrdd yn glir, er bod gwelliannau wedi'u gwneud mewn nifer o feysydd, nad oes gennym unrhyw gam-syniadau ynghylch maint y cynnydd pellach sydd ei angen.

Mae'r Bwrdd yn ymwybodol iawn o'r lefelau sylweddol o amddifadedd ymhlith y boblogaeth rydym yn ei gwasanaethu, a'r effaith y mae hyn yn ei chael ar ganlyniadau iechyd, y galw am wasanaethau ac anghydraddoldebau parhaus. Y cyd-destun hwn yw sylfaen hanfodol ein rôl fel Bwrdd—gan lunio ein blaenoriaethau strategol, llywio ein hasesiad o risg, ac atgyfnerthu pwysigrwydd gweithio mewn partneriaeth i wella iechyd y boblogaeth.

Drwy gydol y flwyddyn, mae'r Bwrdd wedi cynnal ffocws cryf a chyson ar ei brif gyfrifoldebau o ran arweinyddiaeth, llywodraethu, goruchwyllo ac atebolrwydd. Mae hyn wedi cynnwys craffu manwl ar berfformiad, ansawdd a diogelwch, ynghyd â dull cryfach o reoli risg a darparu sicrwydd. Pan nad yw gwasanaethau wedi bodloni'r safonau disgwyliedig, nid yw'r Bwrdd wedi oedi cyn cyflawni ei rôl o ran herio priodol, gan sicrhau tryloywder a chytuno ar gamau gweithredu.

Mae aelodau'r bwrdd wedi canolbwyntio'n benodol ar feysydd sy'n achosi pryder hysbys, gan gynnwys gwasanaethau mamolaeth a newyddenedigol, gwasanaethau iechyd meddwl ac anabledd dysgu, a gofal brys ac argyfwng. Derbynasom a chymeradwyasom ganlyniad yr Adolygiad Annibynnol o Wasanaethau Mamolaeth a Newyddenedigol, a chymeradwyasom hefyd, mewn egwyddor, Gynllun Gwella Amenedigol, gan gydnabod pwysigrwydd adfer hyder a sicrhau gofal diogel o ansawdd uchel i bob claf a theulu.

Mae rôl y Bwrdd fel y Corff Llywodraethu hefyd wedi'i chryfhau'n glir ac yn angenrheidiol, drwy wella'r dull o oruchwyllo perfformiad a materion ariannol, gwella systemau, a chyflwyno llinellau atebolrwydd cliriach

ynghyd â dull mwy disgybledig o lywodraethu. Mae'r datblygiadau hyn yn cynrychioli cynnydd pwysig yn aeddfedrwydd y Bwrdd ei hun a'r sefydliad.

Mae'r Bwrdd yn cydnabod bod heriau sylweddol yn parhau. Yn benodol, mae oedi wrth i gleifion symud ar hyd y llwybrau gofal yn ein hysbytai – gan gynnwys niferoedd uchel o gleifion sydd wedi cyrraedd y cam clinigol gorau posibl (y rhai nad oes angen triniaeth glinigol barhaus arnynt bellach) – yn parhau i effeithio ar brofiad y claf, diogelwch a pherfformiad y system. Rydym hefyd yn cydnabod bod angen i'r sefydliad wneud y cynnydd gofynnol o hyd wrth leihau'r diffyg ariannol a llunio'r llwybr yn ôl i gydbwysedd ariannol a chynaliadwyedd. Mae'r materion hyn yn parhau i fod yn ganolog i oruchwyliaeth y Bwrdd, ac maent yn galw am berchnogaeth ar y cyd, ffocws di-ildio a chymau gweithredu brys gan bob un ohonom ar draws y system ehangach.

Mae gweithio mewn partneriaeth yn parhau i fod yn hanfodol. Mae'r Bwrdd wedi cryfhau ei ymgysylltiad â phartneriaid allweddol – gan gynnwys Bwrdd Iechyd Prifysgol Hywel Dda drwy'r Cydbwyllgor Rhanbarthol, awdurdodau lleol Castell-nedd Port Talbot ac Abertawe, a'r Trydydd Sector – gan gydnabod na allwn fynd i'r afael ar ein pennau ein hunain â llawer o'r heriau sy'n wynebu'r system iechyd.

Mae aelodau'r bwrdd yn cydnabod ac yn ysgwyddo cyfrifoldeb am raddfa'r her a'r angen am gynnydd parhaus. Dros y flwyddyn ddiwethaf, ac oherwydd angen, rydym wedi canolbwyntio ar gryfhau elfennau sylfaenol llywodraethu, perfformiad ac atebolrwydd. Mae hyn yn darparu sylfaen gadarn ar gyfer cam nesaf y gwelliant.

Ar ran y Bwrdd, hoffwn ddatgan ein diolch diffuant i'r staff am eu proffesiynoldeb, eu tosturi a'u hymrwymiad parhaus. Maen nhw'n gwneud mwy na'r disgwyl bob dydd wrth ofalu am gleifion, defnyddwyr gwasanaethau, teuluoedd a chymunedau. Hoffwn hefyd ddiolch i bartneriaid a rhanddeiliaid am eu cefnogaeth a'u cydweithrediad.

Mae'n ffrind gennyf wasanaethu fel Cadeirydd Bwrdd Iechyd Prifysgol Bae Abertawe, ac rwy'n hyderus y bydd y Bwrdd yn parhau i ddarparu'r arweinyddiaeth, y llywodraethu, y goruchwyliaeth a'r sicrwydd sydd eu hangen i gefnogi gwelliant parhaus yn y blynyddoedd i ddod. Rwyf yn ddiolchgar iawn i holl gyd-aelodau'r Bwrdd am eu cyfraniadau, eu cyngor a'u harweiniad trwy gydol y flwyddyn.

Jan Williams, CBE

Cyflwyniad: Trosolwg y Prif Weithredwr

Rwyf yn falch o gyflwyno'r Adroddiad Blynyddol hwn, sy'n amlinellu'r cynnydd rydym wedi'i wneud dros y flwyddyn ddiwethaf, ynghyd â'r heriau rydym yn parhau i'w hwynebu fel sefydliad. Ar ôl cwblhau fy mlwyddyn gyntaf fel Prif Weithredwr, rwyf wedi gweld drosof fy hun gryfder ein sefydliad a maint y gwaith sydd ei angen o hyd.

Yn ystod y flwyddyn, mae ein timau wedi gweithio gydag ymroddiad ac ymrwymiad i gyflawni gwelliannau ar draws nifer o feysydd allweddol. O ran gofal wedi'i gynllunio, rydym wedi gwneud cynnydd sylweddol wrth leihau cyfnodau aros hir a gwella mynediad i gleifion. Mae hyn wedi cynnwys darparu miloedd o apwyntiadau cleifion allanol ychwanegol – hyd at 25,000 o apwyntiadau ychwanegol – a gostyngiadau sylweddol yn y rhestrau aros ar draws nifer o arbenigeddau, o hyd at 90% mewn rhai achosion. Mae mynediad cynharach yn galluogi diagnosis a thriniaeth gynt, gan gynnwys ar gyfer cleifion â chyflyrau difrifol, gan wella canlyniadau ar gam hollbwysig.

Rydym hefyd wedi cymryd camau pwysig i gryfhau ansawdd a diogelwch ein gwasanaethau. Rydym wedi bwrw ymlaen â'r Adolygiad Annibynnol o Wasanaethau Mamolaeth a Newyddenedigol mewn modd tryloyw a thosturiol, drwy ddatblygu Cynllun Gwella Amenedigol clir i ysgogi'r newidiadau sydd eu hangen. Rydym wedi rhoi mwy o sylw i lywodraethu a pherfformiad, gan gymryd camau lle bo angen i fynd i'r afael â meysydd sy'n achosi pryder. Mae trawsnewid gwasanaethau iechyd meddwl hefyd wedi bod yn brif flaenoriaeth, gyda ffocws cryfach ar ofal sy'n canolbwyntio ar y claf, ansawdd y gwasanaeth, diogelwch a llywodraethu ar draws gwasanaethau iechyd meddwl ac anableddau dysgu.

Er gwaethaf y cynnydd hwn, mae heriau sylweddol yn parhau.

Rydym yn gwasanaethu poblogaeth sy'n wynebu rhai o'r lefelau uchaf o amddifadrwydd yng Nghymru, ac mae hyn yn cael effaith ddofn ar y galw am ein gwasanaethau, cymhlethdod yr anghenion, a'r canlyniadau y mae ein cymunedau'n eu profi. Adlewyrchir anghydraddoldebau iechyd mewn cyfraddau uwch o gyflyrau hirdymor, cyflwyno'n hwyrach a mwy o ddibyniaeth ar ofal brys ac argyfwng. Mae'r cyd-destun hwn yn ffactor hollbwysig o ran y pwysau rydym yn eu hwynebu a'r ffordd y mae'n rhaid i ni ymateb—gan gryfhau ein ffocws ar atal, ymyrryd yn gynnar a gweithio mewn partneriaeth ar draws y system.

Mae ein system gofal brys ac argyfwng yn parhau i weithredu dan bwysau parhaus. Fodd bynnag, mae'r newidiadau a weithredwyd yn ystod y

flwyddyn yn dechrau arwain at welliant mesuradwy. Hyd yn oed ar adegau o alw brig, mae perfformiad mewn meysydd allweddol wedi gwella o gymharu â chyfnodau blaenorol, gan gynnwys gostyngiadau mewn oedi wrth drosglwyddo cleifion o ambiwlansys ac yn yr amser y mae cleifion yn aros am wely. Er gwaethaf hyn, mae gormod o gleifion yn dal i wynebu oedi, yn enwedig pan nad yw'n bosibl eu rhyddhau o'r ysbyty mewn modd amserol. Mae hyn yn parhau i fod yn fater hollbwysig o ran profiad cleifion, diogelwch a llif y system.

Rydym hefyd yn wynebu heriau ariannol parhaus. Er ein bod wedi cryfhau ein dull o reoli cyllid ac wedi cyflawni yn unol â'n sefyllfa arfaethedig, nid ydym eto wedi lleihau ein diffyg sylfaenol. Bydd mynd i'r afael â hyn yn gofyn am ffocws parhaus, disgyblaeth a chymau gweithredu ar draws y system gyfan. Yn y bôn, mae ein llwybr at gynaliadwyedd ariannol yn dibynnu ar wella ansawdd a gwneud y pethau cywir i gleifion yn gyson, a hynny ar y tro cyntaf. Drwy leihau amrywiadau diangen, osgoi niwed a gwella llif drwy ein gwasanaethau, byddwn yn gwella canlyniadau a phrofiadau, gan wneud y defnydd gorau o'n hadnoddau a lleihau costau y gellir eu hosgoi. Dyma'r newid rydym bellach yn ei wreiddio ar draws y sefydliad.

Fel ymateb, rydym wedi canolbwyntio ar gryfhau sylfeini'r sefydliad—gan wella llywodraethu, egluro atebolrwydd a meithrin mwy o gysondeb yn y ffordd rydym yn rheoli perfformiad.

Mae'r flwyddyn hon yn cynrychioli newid clir yn y ffordd rydym yn gweithredu. Nid mater o wneud mwy o'r un peth ydyw, ond o wneud pethau'n wahanol—bod yn fwy disgybledig yn y ffordd rydym yn blaenoriaethu, yn fwy cyson yn y ffordd rydym yn cyflawni, ac yn fwy canolbwyntiedig ar y newidiadau a fydd yn cael yr effaith fwyaf ar ein cleifion a'n cymunedau.

Ochr yn ochr â hyn, rydym wedi adnewyddu ein strategaeth, *Bae Abertawe Iachach*, ac yn datblygu ein Cynllun Strategol ar gyfer Gwasanaethau Clinigol, a fydd yn darparu map ffordd clir o sut y bydd gwasanaethau'n esblygu dros y blynnyddoedd i ddod. Caiff hyn ei ategu gan ein rhaglen ailgynllunio *Yn Drefnus ar gyfer Llwyddiant*, sy'n cryfhau ein strwythur sefydliadol, ein diwylliant a'n dull o wella.

Mae gennym ddealltwriaeth glir o gam nesaf ein taith. Ar ôl canolbwyntio ar gryfhau'r sylfeini eleni, byddwn nawr yn symud i gyfnod pontio yn 2026/27—gan newid o baratoi i gyflawni, ac o fwriad i effaith y gellir ei mesur, cyn symud ymlaen i drawsnewidiad hirdymor i sicrhau cynaliadwyedd ein gwasanaethau.

Ni fyddai dim o hyn yn bosibl heb ein staff. Bob dydd, mae'r proffesiynoldeb, y drugaredd a'r gwydnwch a ddangosir ar draws ein

sefydliad yn parhau i gael argraff arnaf. Rwy'n hynod ddiolchgar am bopeth maen nhw'n ei wneud i'n cleifion a'n cymunedau.

Byddwn yn parhau i gydweithio'n agos â'n partneriaid ar draws llywodraeth leol, y trydydd sector a Llywodraeth Cymru i fynd i'r afael â'r heriau a wynebwn ac i wella iechyd a lles y boblogaeth rydym yn ei gwasanaethu.

Abigail Harris
Prif Weithredwr

Nid i'w gyhoeddi

Adroddiad Perfformiad 2025-26

Nid i'w gynnwedu

Crynodeb o'n Perfformiad

Roedd y flwyddyn ariannol 2025-26 yn flwyddyn arall o bwysau mawr. Yn ystod y flwyddyn, cafodd y Bwrdd Iechyd ei fonitro yn erbyn ei statws uwchgyfeirio, ac arhosodd o dan y drefn Ymyrraeth wedi'i Thargeddu ar gyfer Gofal Brys ac Argyfwng, Canser a rhai elfennau o reoli heintiau. Arhosodd y Bwrdd Iechyd hefyd o dan y drefn Monitro Estynedig ar gyfer CAMHS a Gofal wedi'i Gynllunio. Mae cynnydd sylweddol wedi'i wneud ym maes gofal wedi'i gynllunio, ac mae cynnydd da wedi'i weld drwy gydol Chwarter 2 a Chwarter 3 o ran gofal heb ei gynllunio.

Ym mis Tachwedd 2024, codwyd statws y camau gweithredu ar gyfer cyllid a chynllunio o fonitro uwch i ymyrraeth wedi'i thargeddu oherwydd y sefyllfa ariannol heriol.

Ar 12 Ebrill 2024, cynhaliodd y Bwrdd Iechyd ei gyfarfod cychwynnol gyda chydweithwyr o Lywodraeth Cymru, ac ar 24 Ebrill 2024 cynhaliwyd y cyfarfod chwarterol cyntaf gyda Phrif Weithredwr GIG Cymru. Yn dilyn hynny, mae cyfarfodydd chwarterol yn cael eu cynnal yn eu tro gyda chyfarfodydd ffurfiol y Cyd-dîm Gweithredol (JET). Cynhelir cyfarfodydd adolygu misol gyda swyddogion Llywodraeth Cymru, gan ganolbwyntio ar ddiweddariadau allweddol yn ymwneud â'r meysydd sydd wedi'u huwchraddio. Y Prif Swyddog Gweithredu yw'r Uwch-swyddog Cyfrifol (SRO) ar gyfer arloesi wedi'i dargeddu, ac mae pob rhaglen waith yn cael ei chefnogi gan uwch-reolwyr ac arweinwyr clinigol. Darperir diweddariadau cryno yn unol â'r lefelau dwysáu drwy gydol yr adroddiad hwn.

Yn dilyn y cyfarfod Teirochrog ym mis Chwefror 2025, mae'r lefelau dwysáu wedi'u hadolygu a'u diweddarau fel a ganlyn;

- Cafodd Gwasanaethau Iechyd Meddwl Plant a'r Glasoed eu symud i lawr o lefel 4 (ymyriad wedi'i dargeddu) i lefel 3 (monitro uwch).
- Cafodd gofal wedi'i gynllunio ei isgyfeirio o lefel 4 (ymyriad wedi'i dargeddu) i lefel 3 (monitro uwch).

Yn dilyn cyhoeddi'r Adolygiad Annibynnol o Wasanaethau Mamolaeth a Newyddenedigol ar 15 Gorffennaf 2025, penderfynwyd uwchraddio statws y gwasanaethau hyn o Lefel 3 (Monitro Uwch) i Lefel 4 (Ymyrraeth wedi'i Thargeddu). Cyhoeddwyd meini prawf diweddaraf ar gyfer lleihau lefelau ymateb mewn perthynas â Gwasanaethau Mamolaeth a Newyddenedigol ym mis Medi 2025, ac maent wedi'u cynnwys yn yr adroddiad hwn.

Meysydd Perfformiad Uwchgyfeirio

Roedd y meysydd uwchgyfeirio yn ffocws ar gyfer perfformiad y Bwrdd Iechyd yn 2025-26. Isod ceir crynodeb o'n sefyllfa ar ddiwedd y flwyddyn i ddangos cynnydd yn erbyn y ffigurau terfynol ar gyfer 2025-26.

Perfformiad yn erbyn meysydd monitro uwch (Lefel 3)

Mesur	Targed Isgyfeirio	Mawrth 2025	Mawrth 2026
Gofal a Gynlluniwyd			
Nifer y cleifion sy'n aros llai na 52 wythnos am apwyntiad claf allanol	Rhaid i 100% o lwybrau cleifion allanol agored fod yn aros llai na 52 wythnos, a rhaid cynnal y sefyllfa honno am 3 mis.	100%	100%
Nifer y cleifion sy'n aros llai na 104 wythnos ym mhob cam	Rhaid i 100% o lwybrau gofal agored fod yn aros llai na 104 wythnos, a rhaid cynnal y sefyllfa honno am 3 mis.	100%	100%

Mesur	Targed Isgyfeirio	Mawrth 2025	Mawrth 2026
Gofal a Gynlluniwyd			
Nifer y cleifion sy'n aros llai na 26 wythnos am apwyntiad claf allanol	Gwelliant parhaus tuag at gael 75% o'r holl lwybrau cleifion allanol agored yn aros llai na 26 wythnos	71.63%	86.90%
Nifer y cleifion sy'n aros llai na 36 wythnos ym mhob cam	Gwelliant parhaus tuag at gael 80% o'r holl lwybrau agored yn aros llai na 36 wythnos	73.13%	78.53%

Mesur	Targed Isgyfeirio	Mawrth 2025	Mawrth 2026
Gofal a Gynlluniwyd			
Nifer y cleifion y cafwyd oedi o 100% yn eu hachos ar gyfer eu hapwyntiad dilynol	Gostyngiad o 12% yn nifer y cleifion sydd wedi wynebu oedi o 100% ar gyfer eu hapwyntiad dilynol dros dri mis yn olynol, gyda'r gostyngiad hwnnw'n cael ei gynnal am 3 mis (yn seiliedig ar y gwerth sylfaenol ar gyfer mis Tachwedd 2024, gan ostwng nifer y cleifion sy'n aros i lai na 26,194)	4.23% (cynnydd yn erbyn y gwerth sylfaen, Ebrill 2025)	20.29% (cynnydd o gymharu â'r llinell sylfaen)
R1 Rhaid i lwybrau cleifion offthalmoleg aros o fewn, neu beidio â mynd dros 25% y tu hwnt i, eu dyddiad targed ar gyfer apwyntiad cleifion allanol.	Rhaid i 68% o lwybrau cleifion offthalmoleg R1 fod yn aros o fewn eu dyddiad targed ar gyfer apwyntiad claf allanol, neu heb fod yn hwy na 25% y tu hwnt iddo, a rhaid cynnal y sefyllfa hon am 3 mis	74.38%	71.03%
Nifer y cleifion sy'n aros llai nag 8 wythnos am brawf diagnostig	Sicrhau bod 85% o gleifion sy'n aros am brawf diagnostig yn aros llai nag wyth wythnos, a chynnal y sefyllfa honno am dri mis.	82.08%	93.11%

Nifer y cleifion sy'n aros llai nag wyth wythnos am endosgopi diagnostig	Bod 85% o gleifion sy'n aros am endosgopi diagnostig yn aros llai nag 8 wythnos, a bod hyn yn cael ei gynnal am 3 mis.	40.78%	83.14%
Mesur	Targed Isgyfeirio	Mawrth 2025	Mawrth 2026
Gofal a Gynlluniwyd			
Nifer y cleifion sy'n aros llai na 9 wythnos am NOUS** ac MRI nad yw'n ymwneud â'r galon	Bod 85% o gleifion sy'n aros am NOUS ac MRI nad yw'n ymwneud â'r galon yn aros llai nag 8 wythnos, a bod hyn yn cael ei gynnal am 3 mis.	99.96%	92.80%
Nifer y cleifion sy'n aros llai na 14 wythnos am therapïau	Bod 90% o gleifion sy'n aros am therapïau yn aros llai na 14 wythnos, a bod hynny'n cael ei gynnal am 3 mis.	100%	100%

Mae'r meini prawf ar gyfer lleihau lefel y gweithgaredd mewn gofal wedi'i gynllunio wedi'u bodloni am dri mis yn olynol yn y meysydd canlynol:

- Nifer y cleifion sy'n aros llai na 52 wythnos am apwyntiad cleifion allanol (Targed wedi'i gyrraedd ers mis Hydref 2023)
- Nifer y cleifion sy'n aros llai na 104 wythnos ym mhob cam (Targed wedi'i gyrraedd ers mis Mawrth 2025)
- Nifer y cleifion sy'n aros llai na 26 wythnos am apwyntiad claf allanol (Targed wedi'i gyrraedd ers mis Medi 2025)
- R1 Llwybrau cleifion offthalmoleg: aros o fewn y dyddiad targed ar gyfer apwyntiad claf allanol, neu beidio â mynd dros 25% y tu hwnt iddo (Targed wedi'i gyrraedd ers mis Mai 2024)
- Nifer y cleifion sy'n aros llai na 14 wythnos am therapïau (Targed wedi'i gyrraedd ers mis Gorffennaf 2025)

Gwasanaethau Iechyd Meddwl Plant a'r Glasoed

Nifer yr asesiadau iechyd meddwl LPMHSS* a gynhaliwyd o fewn 28 diwrnod i dderbyn atgyfeiriad	80% o asesiadau iechyd meddwl LPMHSS wedi'u cynnal o fewn 28 diwrnod i ddyddiad derbyn y cyfeiriad.	75%	82%
Gwasanaethau Iechyd Meddwl Plant a'r Glasoed			
Nifer yr ymyriadau therapiwtig a ddechreuwyd o fewn 28 diwrnod yn dilyn asesiad LPMHSS	Dechreuodd 70% o ymyriadau therapiwtig o fewn 28 diwrnod yn dilyn asesiad gan LPMHSS.	100%	81%
Nifer y preswylwyr yn y BI sy'n derbyn gwasanaeth iechyd meddwl eilaidd ac sydd â chynllun gofal a thriniaeth dilys	85% o drigolion y Bwrdd Iechyd sy'n derbyn gwasanaethau iechyd meddwl eilaidd ac sydd â chynllun gofal a thriniaeth dilys.	98%	90%

Noder: Mae meini prawf isgyfeirio CAMHS wedi'u bodloni a'u cynnal ers mis Rhagfyr 2025.

Ein Adroddiad Perfformiad

Mae'r Pwyllgorau [Perfformiad ac Ariannu](#) ac [Ansawdd a Diogelwch](#) yn derbyn yr adroddiad perfformiad integredig ym mhob cyfarfod er mwyn olrhain a monitro cynnydd drwy gydol y flwyddyn. Mae'r Pwyllgor Perfformiad a Chyllid hefyd yn derbyn dadansoddiadau manwl o'r tri maes sy'n peri'r risg uchaf – gofal brys ac argyfwng, gofal wedi'i gynllunio a chanser. Yn ogystal, mae'r Bwrdd yn derbyn yr adroddiad hwn bob deufis, ynghyd ag adroddiad manwl gan y Prif Weithredwr sydd nid yn unig yn rhoi'r wybodaeth ddiweddaraf am berfformiad, ond hefyd am feysydd allweddol eraill, megis ansawdd, y gweithlu a chyflawniadau. Gan fod yr adroddiadau hyn ar gael yn hawdd ar ein gwefan ac yn cynnwys llawer o fanylion, mae ein hadroddiad blynyddol yn rhoi cipolwg ar rywfaint o'r gwaith a wnaed yn ystod y flwyddyn.

Gofal Brys ac Argyfwng

Parhaodd Gofal Brys ac Argyfwng (UEC) yn faes a wynebodd heriau sylweddol drwy gydol 2025–26, gan barhau â'r pwysau ar berfformiad a welwyd yn y blynyddoedd blaenorol. Arhosodd y Bwrdd Iechyd o dan *Ymyrraeth wedi'i Thargedu* yn unol â Fframwaith Uwchraddio ac Ymyrraeth Llywodraeth Cymru. Er gwaethaf y pwysau hyn, gwelwyd cyfnodau o welliant sylweddol yn ystod y flwyddyn, yn enwedig o ran perfformiad trosglwyddo cleifion ambiwlans yn dilyn y targedau 45 munud a 15 munud a bennwyd gan y Grŵp Cyngori Gweinidogol. Cefnogwyd y gwelliannau hyn gan waith gweithredol sylweddol.

Cefndir a Gwelliannau Cynnar

Yn ystod 2024–25, darparodd yr adolygiad GIRFT adborth hollbwysig a amlygodd bryderon mawr ynghylch perfformiad yr Adran Achosion Brys (ED). Dechreuodd y Bwrdd Iechyd raglen wella â ffocws, gan gynnwys:

- Lansio'r Uned Asesu Pobl Hŷn (OPAU)
- Presenoldeb gwell o uwch-benderfynwyr a rhestrau dyletswydd meddygol gwell
- Aildrefnu mân rannau o'r ystâd i wneud y gorau o'r gofod a'r llif

Er i'r camau hyn arwain at rai manteision cynnar, cafodd y system ei gorlethu'n rheolaidd gan bwysau galw sylfaenol.

Profion Newid ac Effaith ar Berfformiad

Yn 2025–26, gweithredwyd cyfres o brofion newid yn seiliedig ar y dull Cynllunio-Gweithredu-Astudio-Gweithredu (PDSA) er mwyn gwella prosesau asesu, llif a derbyn. Roedd y rhain yn cynnwys:

1. Asesiad yn yr Adran Achosion Brys a chyfeirio at feddygaeth
2. Model asesu meddygol diwygiedig ar gyfer yr Uned Feddygol Acíwt (AMU)
3. Asesiad arbenigol a dyrannu cleifion i arbenigedd neu i gronfa welyau Meddygaeth Fewnol Gyffredinol (GIM)
4. Cyflwyno model Gofal Brys ar yr Un Diwrnod (SDEC) saith niwrnod yr wythnos
5. Gweithredu'r meini prawf preswyllo, a
6. model llif parhaus "Eich Claf Nesaf" ar draws unedau gwelyau arbenigol, gan gynnwys ardaloedd llawfeddygol

Agorwyd capasiti ychwanegol ar wardiau meddygol cyffredinol i leihau'r pwysau ar yr Adran Achosion Brys.

Erbyn diwedd yr ail chwarter, dangosodd mesurau allweddol welliant sylweddol, er gwaethaf y ffaith bod y galw am ambiwlansys wedi cynyddu o 9%. Roedd gwelliannau'n cynnwys:

- **Gostyngiad o 155%** yn yr oedi wrth drosglwyddo cleifion ambiwlans sy'n para mwy na 45 munud
- **Gwelliant o 82.2%** yn yr amser trosglwyddo cyfartalog
- **Gostyngiad o 77%** yn yr oriau a gollwyd wrth drosglwyddo cleifion ambiwlans
- **Gwelliant o 23%** yn amser troi o gwmpas yr Adran Achosion Brys
- **Gostyngiad o 38.7%** yn nifer y cleifion sy'n aros i gael eu derbyn am 9 a.m.
- Lleihad yn nifer y cleifion sydd wedi cyrraedd y cyflwr clinigol gorau posibl (COP) ac sy'n meddiannu gwelyau gofal acíwt
- Roedd lefelau Statws Uwchgyfeirio Cenedlaethol yn aml yn gwella o SL4 (y pwysau uchaf) i SL3 ac SL2.
- Lleihwyd nifer y marwolaethau yn yr Adran Achosion Brys o 31 cyn y prawf i 13 erbyn diwedd yr Ail Chwarter.

Pwysau Cynyddol yn Ch3 a Ch4

Dirywiodd perfformiad yn y trydydd a'r pedwerydd chwarter, gyda chyfnodau o bwysau sylweddol a oedd yn gofyn am drefniadau parhad busnes. Er i'r galw cyffredinol aros yn sefydlog, dirywiodd y llif oherwydd:

- Difrifoldeb cyflwr cleifion ar gynnydd
- Lefelau rhyddhau wedi lleihau
- Cynnydd yn niferoedd y cleifion sydd wedi'u hoptimeiddio'n glinigol (COP) a'r rhai sy'n glinigol ddiogel i'w trosglwyddo (CSFT)
- Cyfyngiadau rheoli heintiau a gyfyngodd ar y capasiti

- Lefelau meddiannaeth mewn arbenigeddau meddygol yn aml yn uwch na **130%**

Effeithiodd y cyfuniad hwn yn sylweddol ar y llif yn yr Adran Achosion Brys ac ar y gallu i ddadlwytho ambiwlansys.

Rhaglen Defnyddwyr Dwysedd Uchel

Er mwyn lleihau nifer yr ymweliadau y gellid eu hosgoi, cynhaliodd y Bwrdd Iechyd brawf o rôl 'Defnyddiwr Dwysedd Uchel', a gynlluniwyd i weithio ar draws asiantaethau ac i gefnogi unigolion yr oedd eu hanghenion yn rhai cymdeithasol yn hytrach na rhai meddygol. Nod y rôl oedd ailgyfeirio cleifion at wasanaethau cymorth mwy priodol nad oeddent yn rhai meddygol.

Dull System Gyfan ac Aliniad Strategol

Cydnabu'r Bwrdd Iechyd fod oedi i ambiwlansys yn adlewyrchu pwysau ar draws y system gyfan, y tu hwnt i brosesau'r Adran Achosion Brys. Ymdrechion gwella sy'n cyd-fynd â thair prif flaenoriaeth ar gyfer system UEC:

- Llwybrau cyn-ysbyty a gwasanaethau mynediad cyntaf
- Gwella llif
- Optimeiddio rhyddhau

Symleiddiwyd a chryfhawyd strwythurau llywodraethu, gan integreiddio ochr yn ochr â Phartneriaeth Ranbarthol Gorllewin Morgannwg i sicrhau dull rhanbarthol sy'n cwmpasu'r system gyfan.

Roedd holl weithgareddau'r UEC yn cyd-fynd â thri egwyddor graidd:

1. Cadw pobl yn ddiogel ac yn iach gartref
2. Darparu triniaeth ddiogel yn y gymuned lle bynnag y bo'n briodol
3. Darparu gofal ysbyty o ansawdd uchel dim ond pan fo angen, a galluogi rhyddhau cleifion yn amserol.

Cleifion sydd wedi'u Optimeiddio'n Glinigol (COP)

Cleifion sydd wedi'u Optimeiddio'n Glinigol y mae eu gofal aciwt wedi'i gwblhau ond na ellir eu rhyddhau oherwydd oedi ym maes gofal cymdeithasol – parhaodd y rhain i fod yn gyfyngiad sylweddol drwy gydol 2025–26. Erbyn Chwarter 4:

- Cynyddodd pob un o'r tri dangosydd COP (cyfanswm y dyddiau gwely, cyfartaledd y cleifion dyddiol, a chanran y defnydd o welyau).
- Parhaodd y pwysau COP yn Ysbyty Treforys, lle roedd y cleifion hyn yn cyfrif am **15.5–16%** o'r gwelyau a oedd yn cael eu defnyddio, cynnydd o gymharu â ffigwr sylfaenol o 13–14% yng nghanol y flwyddyn.

Rhoddodd y cynnydd hwn bwysau sylweddol ar wasanaethau mynediad cyntaf, gan gynnwys yr Adran Achosion Brys (ED), Gofal Brys yr Un Diwrnod, Uned Feddygol Acíwt ac Uned Asesu Pobl Hŷn.

Galw ac Osgoi Derbyniadau

Arhosodd nifer yr ymweliadau â'r Adran Achosion Brys yn uchel:

- 84,000 yn 2023–24
- 85,500 yn 2024–25
- 82,200 yn 2025–26

Mae'r Uned Mân Anafiadau (MIU) yn Ysbyty Castell-nedd Port Talbot wedi parhau i chwarae rhan hanfodol wrth osgoi derbyn cleifion i'r ysbyty, gyda nifer yr ymweliadau'n uwch na 52,000 y flwyddyn, ac mae'n parhau i fod yn un o'r unedau prysuraf o'i bath yn y DU.

Roedd mentrau pellach i osgoi derbyniadau yn cynnwys:

- Treial **Pwynt Mynediad Unigol (SPOA)** ar gyfer brysbennu, cyngor ac ailgyfeirio
- Integreiddio â llwybrau cwympiadau yn y gymuned
- Llwybrau ailgyfeirio i Ganolfannau Gofal Sylfaenol Brys (UPCCs), Unedau Mân Anafiadau (MIU), Wardiau Rhithwir a gwasanaethau cymunedol eraill
- "Sgwrs glinigol cyn cludo" gydag Ymddiriedolaeth Gwasanaethau Ambiwlans Cymru (WAST) er mwyn osgoi galwadau diangen am ambiwlans, yn enwedig o gartrefi gofal

Gwasanaeth Cwympiadau

Cafodd dau lefel o wasanaethau cwympiadau yn y gymuned eu profi:

- **Lefel 1 (cwympiadau heb anafiadau):** Ymateb cynnar i atal cymhlethdodau sy'n deillio o orwedd am gyfnod hir
- **Lefel 2 (ymateb gwell i gwympiadau):** Cymorth i bobl sydd wedi cwmpo ac sydd ag anafiadau mân ac anghenion clinigol cymharol isel, a ddarperir gan dîm therapi ar gyfer rhyddhau cynnar gyda chymorth, sydd wedi'i ail-gyfeirio at y diben hwn.

Edrych Ymlaen: 2026–27

Ar gyfer 2026–27, mae'r blaenoriaethau'n cynnwys gweithredu newid sy'n cwmpasu'r system gyfan, cryfhau'r gallu i ryddhau cleifion i'r gymuned, cynnal llif cleifion er mwyn diogelu gweithrediadau'r Adran Achosion Brys a'r gwasanaeth ambiwlans, a lleihau gorlenwi ac oedi i gleifion sydd angen gofal brys.

Gofal a Gynlluniwyd

Parhaodd y Bwrdd Iechyd i weld gwelliant parhaus yn yr amseroedd aros ar gyfer gofal wedi'i gynllunio yn ystod 2025-26. Fe wnaethom gynnal y targed Gweinidogol o sicrhau nad oedd unrhyw gleifion yn aros mwy na 52 wythnos am apwyntiad cleifion allanol drwy gydol y flwyddyn, gan barhau i berfformio'n gryf o gymharu â'r sefyllfa genedlaethol, er gwaethaf y cynnydd parhaus yn nifer y cyfeiriadau.

Gan adeiladu ar y cynnydd a wnaed y flwyddyn flaenorol, dileodd y Bwrdd Iechyd hefyd yr holl achosion o gleifion yn aros mwy na 104 wythnos am driniaeth erbyn mis Mawrth 2026. Mae'r garreg filltir hon yn cynrychioli cyflawniad sefydliadol sylweddol ac yn adlewyrchu ymdrech ar y cyd timau clinigol a gweithredol ar draws y Bwrdd Iechyd. Cefnogwyd y cynnydd hwn drwy gyfuniad o fwy o weithgarwch, mentrau yn ymwneud â rhestrau aros, a defnydd wedi'i dargedu o fewn-gontractio ac all-gontractio. Er bod y gweithgaredd ychwanegol hwn wedi cefnogi'r broses adfer yn ystod y flwyddyn, mae'r Bwrdd Iechyd yn canolbwyntio fwyfwy ar wella cynhyrchiant a gwneud y defnydd gorau o'n capasiti presennol er mwyn cynnal gwelliannau yn y tymor hwy. Mae'r Bwrdd Iechyd wedi parhau i weithio mewn partneriaeth â Bwrdd Iechyd Prifysgol Hywel Dda i ddatblygu dulliau rhanbarthol o leihau amseroedd aros ar gyfer orthopaedeg. Yn lleol, mae gwaith wedi parhau i ehangu'r ystod a chymhlethdod y cleifion sy'n cael eu trin yn Ysbyty Castell-nedd Port Talbot, gan gefnogi llif gwell o gleifion ar draws ein safleoedd ysbyty.

Mae datblygiadau strategol pellach i gryfhau llif cleifion yn Ysbyty Castell-nedd Port Talbot yn parhau i fod yn flaenoriaeth, ochr yn ochr â gwaith i wella'r defnydd o theatrau, cynhyrchiant ac effeithlonrwydd ar draws ein safleoedd ysbyty er mwyn cefnogi sefyllfa gynaliadwy o ran gofal wedi'i gynllunio yn y blynyddoedd i ddod.

Roedd mentrau allweddol yn ystod y flwyddyn yn cynnwys:

- Cryfhau gwasanaethau dan arweiniad meddygon teulu i atal atgyfeiriadau diangen i ofal eilaidd, gan alluogi diagnosis a thriniaeth yn nes at adref, gan gynnwys llwybrau fel y gwasanaeth pesari ym maes Gynaecoleg.
- Datblygu dulliau o reoli'r galw ar draws gofal sylfaenol, gofal cymunedol a gofal eilaidd er mwyn rheoli'n well y galw

cynyddol am atgyfeiriadau.

- Cynyddu capasiti triniaeth drwy ddefnyddio gwasanaethau mewnol a darpariaeth y sector annibynnol yn strategol i gefnogi adferiad o ran amseroedd aros.
- Parhau â rhaglenni addysg a ffordd o fyw dan arweiniad therapyddion ar gyfer cleifion sy'n aros am lawdriniaeth arthroplasti, er mwyn cefnogi paratoi ac adferiad.
- Adolygu rhestrau aros i sicrhau bod cleifion yn parhau i fod yn addas yn glinigol ar gyfer llawdriniaeth, gan dynnu rhai cleifion oddi ar y rhestrau aros lle roedd symptomau wedi gwella.
- Cefnogi cleifion i wneud y gorau o'u cyflwr corfforol cyn llawdriniaeth, gan wella canlyniadau a lleihau'r risg o gymhlethdodau.
- Lansio pecyn cymorth cynhyrchedd ar gyfer theatrau llawdriniaethau dewisol y Bwrdd Iechyd, er mwyn cefnogi safoni

prosesau a mabwysiadu arferion gorau ar draws timau llawfeddygol. • Adnewyddu'r rhaglen gwella gwasanaethau cleifion allanol i ganolbwyntio ar leihau amseroedd aros ar gyfer apwyntiadau dilynol a moderneiddio llwybrau cleifion allanol.	

Canser
Mae cyflawni'r Llwybr Canser Unigol (SCP) (62 diwrnod) yn parhau i fod yn her sylweddol, yn unol â'r sefyllfa ledled Cymru. Mae'r Bwrdd Iechyd yn parhau o dan Ymyrraeth wedi ei Thargedu o ran perfformiad ym maes cancer. Cynyddodd nifer y tasgau heb eu cwblhau yn sylweddol ar ddechrau'r flwyddyn, gyda gwelliant i'w weld hyd at ddiwedd yr haf. Arweiniodd anghydbwysedd rhwng y galw tymhorol a'r capasiti sydd ar gael—yn enwedig o ran clefydau croen—at gynnydd newydd yn nifer y cleifion ar restrau aros wedi hynny. Mae adferiad bellach yn amlwg unwaith eto ar draws y rhan fwyaf o grwpiau tiwmorau. O fis Ebrill 2025 ymlaen, amrywiodd y perfformiad rhwng 52% a 65% yn erbyn y targed o 75%; mae angen cyrraedd lefel o 60% am dri mis yn olynol er mwyn symud i ffwrdd o statws Ymyrraeth wedi'i Thargedu. Mae ffocws parhaus ar sicrhau bod cleifion yn cael eu gweld o fewn pythefnos i gael eu hatgyfeirio wedi cefnogi perfformiad, gyda thua 40% o gleifion yn cyrraedd y cam o wneud penderfyniad i drin o fewn 31 diwrnod. Fodd bynnag, mae'r Bwrdd Iechyd yn parhau i wynebu cyfyngiadau diagnostig sylweddol, yn enwedig o ran cyflawni amseroedd troi o gwmpas amserol ar gyfer histopatholeg. Mae hyn er gwaethaf amrywiaeth o gamau gwella a weithredwyd yn ystod y flwyddyn a defnyddio capasiti allanol. Er bod gwelliannau wedi'u cyflawni yn ystod y flwyddyn, mae'r Bwrdd Iechyd yn cydnabod bod angen camau pellach parhaus i gyrraedd y targed cydymffurfio o 75%.

Y prif flaenoriaethau ar gyfer 2026/27 yw:

- Parhau i ganolbwyntio ar sicrhau bod cleifion yn cael eu gweld o fewn pythefnos i gael eu cyfeirio oherwydd amheuaeth o ganser brys.
- Lleihau amseroedd aros am ddiagnosis, gan ganolbwyntio'n benodol ar histopatholeg.
- Cynyddu cyfran y cleifion sy'n cael penderfyniad i gael triniaeth o fewn 31 diwrnod.
- Cynyddu capasiti triniaeth i gyd-fynd yn well â'r galw.

Gan gydnabod cymhlethdod yr SCP a darpariaeth ehangach gwasanaethau cancer, cynigiwyd Rhaglen Gwella Canser â ffocws ac o dan arweiniad clinigol i gefnogi datblygu Cynllun Cyflawni Canser unedig ar gyfer y Bwrdd Iechyd. Cynhaliwyd gweithdy amlddisgyblaethol ar wella gwasanaethau cancer ym mis Mawrth 2026 i lunio blaenoriaethau ac alinio camau gweithredu.

Mae'r camau nesaf ar unwaith i'r Bwrdd Iechyd yn cynnwys:

- **Ffurfioli llywodraethu a strwythur y rhaglen**, gan gynnwys arweinyddiaeth, adrodd ac atebolrwydd clir.
- **Lansio cyfnodau cyflawni 90 diwrnod** i gyflymu gweithredu gwelliannau blaenoriaeth.
- **Cynnal dadansoddiadau manwl o ddata** i nodi cyfyngiadau, amrywiadau a chyfleoedd yn ôl grŵp tiwmor a cham y llwybr.
- **Gweithredu cynllun ymgysylltu â rhanddeiliaid** ar draws gofal sylfaenol, diagnosteg, gwasanaethau triniaeth a sefydliadau partner.
- **Cyflwyno dull cyfathrebu clir** i gefnogi negeseuon cyson a gwelliant parhaus.

Gwasanaethau Sylfaenol, Cymunedol a Therapïau

Yn ystod y flwyddyn, parhaodd y Bwrdd Iechyd i gynyddu darpariaeth gofal yn nes at adref. Cefnogodd y gwaith gyda'r Awdurdod Lleol, Gofal Cymdeithasol a phartneriaid y trydydd sector ymdrechion atal, ymyrryd yn gynnar a gwell mynediad i'r boblogaeth leol. Gofal Sylfaenol yw'r pwynt cyswllt cyntaf i'r rhan fwyaf o gleifion, ac mae'n chwarae rhan ganolog wrth gefnogi atal, ymyrryd yn gynnar a rheoli cyflyrau hirdymor. Mae'r gwasanaethau'n cynnwys darpariaeth feddygol, optometrig, ddeintyddol a fferyllol.

Prif weithgaredd a pherfformiad (Ebrill–Rhagfyr 2025)

- Aeth dros 54,000 o gleifion i fferyllfeydd i gael cymorth gydag anhwylderau cyffredin (dros 10,000 yn fwy na'r flwyddyn flaenorol).
- Darparwyd dros 33,000 o apwyntiadau deintyddol brys.
- Darparwyd 14,500 o apwyntiadau cleifion newydd mewn Gofal Sylfaenol.
- Cynhaliwyd dros 24,500 o archwiliadau iechyd llygaid gan optometryddion mewn Gofal Sylfaenol.
- Erbyn diwedd y flwyddyn, disgwylir i bractisau meddygon teulu lleol fod wedi darparu dros 2,000,000 o apwyntiadau drwy

gysylltiadau ffôn, digidol ac wyneb yn wyneb, gan adlewyrchu'r galw cynyddol.

- Parhaodd y Ganolfan Gofal Sylfaenol Brys a'r gwasanaeth Meddyg Teulu y Tu Hwnt i Orlau Arferol (GPOOH) i ddarparu cymorth gwell yn ystod y dydd ac ar hyd y nosweithiau a'r penwythnosau, gyda dros 13,000 a dros 55,000 o gysylltiadau â chleifion yn y drefn honno hyd at ddiwedd mis Rhagfyr 2025.

Ystadau

Parhaodd y gwaith gyda chydweithwyr meddygon teulu i wella'r stoc eiddo gofal sylfaenol. Cefnogwyd dros 20 o grantiau gwella yn 2025/26, gan helpu i gynnal amgylcheddau priodol, diogel ac effeithiol ar gyfer darparu gwasanaethau.

Clystyrau a gweithio mewn partneriaeth

Parhaodd wyth Clwstwr Lleol y Bwrdd Iechyd i weithredu'r Rhaglen Datblygu Clwstwr Cyflym (ACDP), a yrrir ar lefel genedlaethol. Cefnogwyd y gwaith o ddarparu gwasanaethau drwy Gydweithfeydd Proffesiynol (Deintyddiaeth, Optometreg, Fferylliaeth Gymunedol, Gweithwyr Proffesiynol Perthynol i Iechyd (AHPs), Gwyddonwyr Clinigol Gofal Iechyd (HCSs) a Meddygon Teulu) a'r Gydweithfa Trydydd Sector gyntaf yng Nghymru, gan gefnogi cynllunio a darparu gwasanaethau dan arweiniad clinigol. Cefnogodd y gwaith hwn ddatblygiadau parhaus ym maes seicoleg gymunedol, gan gynnwys darpariaeth ar gyfer gofalwyr, gwasanaethau gofal sylfaenol a phobl ag anabledd dysgu.

Arloesedd a gwelliant lleol

- Cynhaliwyd digwyddiadau lles ar gyfer cymunedau lleol ar draws yr wyth Clwstwr i gyd.
- Symudodd yr wyth Clwstwr ymlaen â gwaith ar gam-drin domestig, gan gefnogi gwelliannau o ran adnabod achosion a chryfhau llwybrau atgyfeirio.
- Datblygwyd canllawiau pwrpasol ar ragnodi gwrthficrobau mewn deintyddiaeth.
- Parhaodd y gwaith i wella iechyd meddwl y boblogaeth, gan gynnwys prosiectau penodol i glystyrau fel model Iechyd Meddwl Cwmtawe.

Datblygu'r gweithlu

Parhaodd yr Academi Gofal Sylfaenol a Chymunedol i ddatblygu, gan weithio gyda chontractwyr gofal sylfaenol i gefnogi'r gweithlu presennol a chynllunio'r gweithlu.

Llif a rhyddhad y system

Symudwyd rhaglen strategol i leihau oedi yn llwybrau gofal (POCD) yn ei blaen ar y cyd â phartneriaid Awdurdodau Lleol, gan ganolbwyntio ar

gefnogi rhyddhau pobl yn amserol i'r lleoliad mwyaf priodol gyda'r gefnogaeth gywir ar waith.

Nyrsio cymunedol

Parhaodd gwasanaethau nyrsio cymunedol i gael eu hadolygu a'u moderneiddio yn unol â chynllunio strategol y gweithlu a'r cynllun cadw nyrsys. Darparodd hyn sicrwydd ynghylch cyflwyno cymysgedd sgiliau a defnyddio symleiddio llwybrau myfyrwyr i gefnogi cynlluniau'r gweithlu. Cryfhawyd strwythur uwch-nyrsio drwy gyflwyno rolau Dirprwy Bennaeth Nyrsio ar draws gwasanaethau arbenigol a gwasanaethau i blant.

Lles a chadw staff

Parhaodd lles staff i fod yn ffocws er mwyn cefnogi gwydnwch proffesiynol a phersonol. Cyflwynwyd goruchwyliaeth glinigol adferol ar gyfer yr holl staff nyrsio, ochr yn ochr â rolau Eiriolwr Nyrsio Proffesiynol, i gefnogi profiad a chadw staff.

Digidol a data

Parhawyd i gyflwyno ac i ddiweddarau platfformau digidol ar draws gwasanaethau i gefnogi rheoli perfformiad a chasglu data.

Edrych i'r dyfodol

Bydd gwaith yn parhau yn 2025-26 i gryfhau gwasanaethau gofal sylfaenol a chymunedol, gan ganolbwyntio ar fynediad, gofal amserol yn agosach at adref, cynaliadwyedd y gweithlu, a defnyddio datrysiadau digidol i gefnogi darparu gwasanaethau a monitro perfformiad.

Datblygiadau ychwanegol y llynedd:

- Wedi cryfhau cydweithrediad ag awdurdodau lleol ym meysydd Therapi Galwedigaethol Pediatrig (OT) a Therapi Iaith a Lleferydd (SLT) i ddarparu ymyriadau cyffredinol a thargedig, gan gynnwys ymgynghoriadau yn yr ysgol. Cyflwynwyd llinell ffôn Therapi Iaith a Lleferydd i alluogi unrhyw un i gysylltu â'r gwasanaeth os oes ganddynt bryderon am blentyn.
- Cyflwynwyd ap digidol ar gyfer clwyfau i gefnogi canlyniadau gwell o ran gwella clwyfau.
- Llwybrau symlach rhwng y clinig clwyfau a gwasanaethau podiatreg.
- Gweithredwyd Rhaglen Plentyn Iach Cymru (Rhan 2) ar draws gwasanaethau nyrsio ysgolion.
- Wedi cynyddu darpariaeth gofal diwedd oes gartref.
- Datblygwyd Adferiad fel gwasanaeth amlddisgyblaethol ar gyfer oedolion sy'n byw gyda chyflyrau hirdymor, gan gynnwys ME/CFS.
- Sefydlwyd tîm therapi allgymorth ar gyfer cleifion strôc i alluogi rhyddhau amserol i'r gymuned ac adferiad parhaus.

- Cynhyrchwyd fideos gwybodaeth i gefnogi pobl wrth iddynt aros ar lwybr brys ar gyfer achosion lle mae amheuaeth o ganser.
- Clinigau clwyfau diabetig podiatreg gymunedol well i gryfhau amddiffyniad traed.
- Symudwyd prosiect diagnosteg fasgwlaidd coesau isaf ym maes podiatreg yn ei flaen gyda Chlwstwr y Ddinas.
- Cyflwynwyd gwasanaeth atgyweirio cyntaf gan wirfoddolwyr awdioleg yn Ysbyty Singleton.
- Ehangu gwaith partneriaeth gyda chanolfannau hamdden cymunedol, gan gynnwys dosbarthiadau ymarfer corff ar gyfer y system gyhyrsgerberbydol a chymorth ar gyfer ffordd iachach o fyw.
- Cynyddu cwmpas y sgriniad clyw wrth ddechrau'r ysgol i **97%**.
- Cynhaliwyd cynllun peilot ar gyfer ymateb brys i gwympiadau, a ddarparwyd gan staff therapi Bro Morgannwg mewn cydweithrediad â WAST a Phwynt Mynediad Unigol.
- Gweithredwyd prosiect peilot therapi galwedigaethol o fewn tîm CDAT i ddarparu gwasanaethau mewnol i Glwstwr y Ddinas.

Darparwyd **33,000** o apwyntiadau deintyddol brys a **15,500** o apwyntiadau deintyddol newydd.

Ehangu'r cynllun mân anhwylderau, gan ddarparu dros **54,000** o ymgynghoriadau (Ebrill–Rhagfyr 2025).

Cyflwynwyd gwasanaeth rhagnodi annibynnol ym maes optometreg, ac mae bellach yn cael ei ddarparu mewn 11 practis optometreg, ynghyd ag un darparwr

gwasanaethau cartref.

Parhaodd rhagnodi annibynnol i ehangu mewn lleoliadau cymunedol, gyda 34 o ragnodwyr annibynnol mewn fferyllfeydd cymunedol yn cynnal mwy na 15,000 o ymgynghoriadau.

Iechyd Meddwl ac Anghenion Dysgu

Yn ystod 2025–26, symudodd y Bwrdd Iechyd ymlaen â moderneiddio gwasanaethau Iechyd Meddwl ac Anableddau Dysgu. Cynhaliwyd adolygiadau o lwybrau cleifion mewnol a chymunedol, gwasanaethau'r Tîm Cymunedol Cyffuriau ac Alcohol (CDAT), darpariaeth Gwasanaethau Iechyd Meddwl Plant a'r Glasoed (CAMHS), a threfniadau partneriaeth trwy strwythurau'r Byrddau Partneriaeth Rhanbarthol.

Yn gynnar yn 2025, adolygwyd gwasanaethau o fewn y llwybr cleifion mewnol a chymunedol ar gyfer iechyd meddwl oedolion, gyda chymorth gan adran Perfformiad a Gwellu GIG Cymru. Penodwyd cynghorydd arbenigol allanol i asesu gwasanaethau a gwneud argymhellion, a gafodd eu gweithredu yn ystod 2025–26. Arweiniodd yr adolygiadau hyn at sefydlu Rhaglen Drawsnewid Iechyd Meddwl a Bwrdd Trawsnewid.

Symudwyd pum llif gwaith trawsnewid yn eu blaenau yn ystod y flwyddyn, a sefydlwyd chweched un i gryfhau cyfathrebu ac ymgysylltu. Canolbwyntiwyd ar gynnydd yn y llif gwaith ystadau er mwyn mynd i'r afael â materion uniongyrchol o fewn unedau cleifion mewnol iechyd meddwl i oedolion.

Datblygwyd cynlluniau tymor byr i wella'r safle, gyda chefnogaeth buddsoddiad cyfalaf o £2.4 miliwn yng Nghlinig Tawe, Ysbyty Cefn Coed, i fynd i'r afael â risgiau amgylcheddol. Parhawyd i adolygu atebion dros dro ac atebion hirdymor, ochr yn ochr â thrafodaethau parhaus gyda Llywodraeth Cymru ynghylch digonolrwydd y ddarpariaeth cleifion mewnol ar gyfer iechyd meddwl oedolion.

Cynyddodd y galw am wasanaethau iechyd meddwl mewn lleoliadau cleifion mewnol ac yn y gymuned, gan effeithio ar amseroedd aros a derbyniadau. Parhaodd CAMHS i ymgorffori o fewn Grŵp Gwasanaeth Iechyd Meddwl ac Anableddau Dysgu, gyda pherfformiad yn erbyn targedau allweddol yn gwella yn ystod 2025–26. Disgwylid adfer cydymffurfiaeth â Rhan 1B o'r Mesur Iechyd Meddwl erbyn diwedd mis Mawrth 2026. Mewn partneriaeth ag Awdurdod Lleol Castell-nedd Port Talbot, sefydlwyd gwasanaeth CAMHS mewngymorth yn Uned Troseddwy Ifanc Hillside.

Gwnaed cynnydd o ran datblygiadau digidol yn ystod y flwyddyn, gan gynnwys gweithredu system glinigol genedlaethol i gefnogi gwasanaethau iechyd meddwl a chymunedol, ehangu'r defnydd o system rheoli dogfennau electronig ar gyfer gohebiaeth cleifion, a chyflwyno dulliau arddywediad digidol i gefnogi capasiti gweinyddol. Parhawyd â datblygu a chyflwyno system wybodaeth newydd ar gyfer gofal cymunedol fesul cam, gyda chynlluniau i'w hintegreiddio yn y dyfodol â systemau gofal cymdeithasol awdurdodau lleol er mwyn cefnogi system wybodaeth ranbarthol ar gyfer cleifion.

O fewn yr Adran Anableddau Dysgu, ail-ddyrannwyd y Tîm Ymddygiad Arbenigol i'r Timau Anableddau Dysgu Cymunedol, gan wella'r gwaith o ddarparu'r Llwybr Ymddygiad Heriol. Daeth y cyfluniad hwn i rym ym mis Ionawr 2026. Cafodd Uned Asesu a Thrin Rowan archwiliad gan Arolygiaeth Gofal Iechyd Cymru, gyda'r archwilwyr yn nodi gofal a chymorth cadarnhaol i gleifion. Parhaodd Tîm Anabledd Dysgu Cymunedol Caerdydd â gwaith partneriaeth gyda gwasanaethau aciwt i ddatblygu llwybrau ar gyfer unigolion ag anghenion ymddygiadol cymhleth.

Ar draws Gwasanaethau Diogel ac Adfer, symudodd y Bwrdd Iechyd welliannau i amgylcheddau clinigol yn eu blaenau. Cwblhawyd gwaith atgyweirio'r to yn Ysbyty Tonna rhwng mis Hydref a mis Tachwedd 2025. Galluogodd cyllid cyfalaf ychwanegol osod system aerdymheru yn Uned Gobaith, gan sicrhau cydymffurfiaeth â safonau'r Choleg Brenhinol y Seiciatryddion; cwblhawyd y gwaith hwn ym mis Ionawr 2026. Dechreuodd gwaith ailadeiladu 14 o ystafelloedd gwely yn Uned Ddiogelwch Isel Taith Newydd ym mis Ionawr 2026 yn dilyn tân ym mis Tachwedd 2024, ac mae'r gwaith wedi'i drefnu i'w gwblhau ym mis Tachwedd 2026. Cwblhawyd uned ddeintyddol bwrpasol yng Nghlinig Caswell ym mis Medi 2025, gan alluogi cleifion mewnol ar draws y gwasanaethau diogel ar safle Glanrhyd i gael mynediad at ofal deintyddol arferol. Darparwyd gofal deintyddol gan 'Time for Teeth' o dan fframwaith caffael cymeradwy.

Mesurau Perfformiad Allweddol ar gyfer ein gwasanaethau

Cynhaliwyd perfformiad yn unol â Rhannau 1a ac 1b o'r Mesur Iechyd Meddwl mewn gwasanaethau i oedolion, ac mae'n gyffredinol yn rhagori ar y targedau ar gyfer asesu ac ymyriadau.

Mae gwaith â ffocws i sicrhau cydymffurfiaeth â Chynlluniau Gofal a Thriniaeth (CTP) yn parhau ar y cyd â

Chydlynwyr Gofal yn y sector iechyd ac yn yr Awdurdod Lleol.

Er gwaethaf y galw cynyddol ar ein gwasanaeth, rydym yn parhau i gyrraedd y targedau cenedlaethol ar gyfer asesu argyfyngau.

Mae dirywiad wedi bod yn y perfformiad yn erbyn y targed ar gyfer therapïau seicolegol, sy'n cyd-fynd â'r sefyllfa genedlaethol. Mae galw digyffelyb am therapïau seicolegol yn achosi'r dirywiad mewn perfformiad.

Mae'r Grŵp Gwasanaeth, ynghyd â holl Fyrddau Iechyd Cymru, yn parhau i gydweithio ag Adran Cynllunio a Gwybodaeth (P&I) GIG Cymru i ddatblygu set ddata ddyddiol allweddol ar gyfer gwasanaethau iechyd meddwl, er mwyn cofnodi'r galw cynyddol parhaus, yn ogystal â'n gallu a'n hadnoddau i ymdopi ag ef.

Profiad a Phryderon Cleifion

Gwerth craidd i'r Bwrdd Iechyd yw 'gwella bob amser'. Mae adborth gan gleifion a theuluoedd yn ein helpu i ddeall beth sy'n gweithio'n dda a ble mae angen i ni wella. Rhennir adborth cadarnhaol ar draws y sefydliad i ledaenu arfer da, tra bod dysgu o brofiadau llai cadarnhaol yn cefnogi gwella gwasanaethau.

Rydym yn defnyddio amrywiaeth o ddulliau i gofnodi profiadau pobl, gan gynnwys sgysrsiau wyneb yn wyneb, galwadau ffôn, cardiau adborth papur a phosteri cod QR. Ein prif ddull yw negeseuon testun, sy'n galluogi cleifion i dderbyn arolwg yn fuan ar ôl eu hapwyntiad neu eu rhyddhau. Mae'r holl adborth yn cael ei rannu gyda'r gwasanaethau perthnasol ac yn cynhyrchu rhybuddion amser real ar gyfer sgoriau boddhad isel, gan ganiatáu i dimau ymateb yn brydlon i faterion a godir.

Yn ystod **2025–26**, cawsom **74,891 o ymatebion** drwy'r Prawf Ffrindiau a Theulu a rhaglen Cymru Gyfan, gan gyflawni sgôr boddhad cyffredinol o **92%**.

Rydym hefyd wedi datblygu arolygon pwrpasol i gefnogi Penaethiaid Gwasanaeth a Thimau Clinigol i wella gwasanaethau a llwybrau cleifion. Yn 2025–26, fe gynhyrchwyd 12 arolwg wedi'u teilwra, yn cwmpasu meysydd fel y Ganolfan Atgyfeirio Ymosodiadau Rhywiol Peditrig, y Clinig Niwrogyhyrol, Ysgolion Arbennig, gwasanaethau Ffrwythlondeb, a phob un o'r pum cam o'r llwybr mamolaeth.

Mae sicrhau bod siaradwyr Cymraeg yn cael cefnogaeth i fynegi pryderon yn bwysig. Rydym wedi diwygio'r wybodaeth ar ein gwefan i'w gwneud hi'n haws i bobl godi pryderon drwy gyfrwng y Gymraeg ac ynghylch argaeledd gwasanaethau dwyieithog.

Yn ystod y flwyddyn ddiwethaf derbyniodd y Bwrdd Iechyd 2,697 o gwynion ffurfiol. Roedd themâu cyffredin yn cynnwys cyfathrebu anghywir neu annigonol, oedi neu ddiffyg triniaeth, oedi mewn apwyntiadau, ac agwedd neu ymddygiad staff clinigol. Caiff dysgu o bryderon ei rannu o fewn gwasanaethau ac ar draws y sefydliad drwy ein grwpiau ansawdd a diogelwch. Roedd 34 o ymchwiliadau gan yr Ombudsmon hefyd yn ystod y 12 mis diwethaf.

Y prif themâu a gododd o bryderon oedd

- Cyfathrebu – gwybodaeth annigonol/anghywir – 290
- Triniaeth Glinigol – oedi/diffyg triniaeth – 319
- Oedi mewn apwyntiadau – 224
- Agwedd a/ymddygiad staff clinigol – 176

Gan edrych ymlaen at 2025–26, mae'r Bwrdd Iechyd wedi ymrwymo i weithredu'r fframwaith *Gwrando ar Bobl*. Bydd hyn yn cefnogi ymgysylltiad agosach a mwy ystyrlon â chwynwyr er mwyn cael dealltwriaeth ddyfnach o'u profiadau ac i sicrhau bod dysgu'n cael ei rannu'n systematig a'i weithredu ar draws y Bwrdd Iechyd i ysgogi gwelliant yn ansawdd y gofal a ddarperir.

Dyma rai enghreifftiau o newidiadau rydym wedi'u gwneud o ganlyniad i bryderon ac adborth cleifion:

- Hyfforddiant pwrpasol ar gwynion/cyfathrebu
- Hyfforddiant yn ystod rhaglen datblygu ymgynghorwyr lle trafodir pwysigrwydd cyfathrebu da a chlr.
- Mae gwybodaeth i gleifion ar gyfer apwyntiadau CT wedi'i gwella o ganlyniad i adborth
- Mae uned aerdymheru wedi'i gosod yn yr Uned Asesu Pediatrig gan fod cleifion wedi dweud wrthym ei bod hi'n anghyfforddus o gynnes.
- Ar ôl i glaf roi gwybod am bibellau agored yn ymwthio allan o'r llawr y tu allan i Brif Fynedfa Ysbyty Treforys, fe wnaethon ni gywiro'r problemau ar unwaith.
- Defnyddio artist i greu dyluniadau i leihau pryder plant ar eu ffordd i'r theatr

Diogelwch Cleifion

Yn ystod y flwyddyn ddiwethaf mae 87 o ddigwyddiadau y mae'n rhaid eu hadrodd yn genedlaethol wedi digwydd, ac o'r rhain mae'r tri uchaf yn cynnwys;

- Difrod pwysau y gellir ei osgoi
- Digwyddiadau obstetrig a newyddenedigol
- Marwolaethau annisgwyl

Mae yna hefyd dri digwyddiad sydd wedi'u diffinio fel 'Digwyddiadau Byth'. Digwyddiadau Byth yw'r math mwyaf difrifol o ddigwyddiad. Themâu'r digwyddiadau sydd wedi digwydd yw llawdriniaeth yn y safle anghywir a methu â thynnu'r gwifren dywys ar ôl llawdriniaeth.

Rydym yn adolygu ein holl ddigwyddiadau diogelwch cleifion er mwyn dysgu a gwella. Dros yr ychydig flynyddoedd diwethaf rydym wedi gwneud ymdrechion wedi'u targedu i leihau niwed y gellir ei osgoi i gleifion trwy gwympiadau, niwed pwysau a thrwy beidio â diwallu anghenion maethol a hydradu pobl. Mae'r Bwrdd Iechyd yn falch o adrodd am y gwelliannau canlynol mewn meysydd allweddol:

Cwympiadau

Ar gyfer y flwyddyn 2025-2026, roedd ein cyfradd cwympiadau fesul 1,000 o ddiwrnodau gwely (mae hwn yn fesur cenedlaethol o faint o

gwympiadau sy'n digwydd o'i gymharu â faint o gleifion sydd yn ein gofal) yn 3.54, mae hyn yn llawer is na'r cyfartaledd cenedlaethol o 6.6.

Niwed Pwyso

Rydyn ni'n gwybod bod mwy sydd angen i ni ei wneud i leihau niwed y gellir ei osgoi o ddifrod pwysau. Mae hyn yn cynnwys codi ymwybyddiaeth o risgiau ymhlith ein cleifion a sicrhau ein bod yn asesu ac yn trin difrod pwysau yn gywir. Mae ein gwasanaeth hyfywedd meinwe yn cefnogi hyfforddiant staff ar draws y sefydliad i helpu i wneud gwelliannau yn y maes hwn.

Maeth a Hydradu

Rydym wedi cynyddu canran y pwysau cywir a gymerir ar gyfer cleifion 10%, gan ddod â'n cyfanswm i 61%. Rydym yn cydnabod bod ffordd i fynd ond rydym yn gadarnhaol ynglŷn â'r cynnydd rydym yn ei wneud.

Profiad y Gweithlu a'r Staff

Mae ein gweithlu yn parhau i fod yn ganolog i gyflawni ein huchelgais o ddod yn sefydliad gofal iechyd o ansawdd uchel sy'n darparu gofal rhagorol i'n cleifion, eu teuluoedd a'n cymunedau. Yn 2023-2024, fe wnaethom ddatblygu a lansio ein **Strategaeth Pobl 5 mlynedd (2024-2029)** ar y cyd, gan roi ffocws clir ar yr hyn sydd bwysicaf i'n pobl a chreu diwylliant lle maent yn teimlo eu bod yn cael eu cefnogi, eu grymuso a'u bod yn gallu ffynnu. Mae'r Strategaeth yn nodi saith nod allweddol: Ymgysylltiedig, brwdfrydig ac iach; Denu a recriwtio; Wedi'i gynllunio'n dda; Yn barod yn ddigidol; Dysgu ac addysg ragorol; Arweinwyr sy'n byw ein gwerthoedd; a Chydraddoldeb, amrywiaeth a pherthyn.

Drwy gydol 2025-2026, fe wnaethom barhau i yrru cyflawniad y Strategaeth Pobl drwy gyflwyno amrywiaeth o fentrau newydd sy'n cyd-fynd â phob un o'r saith nod strategol:

Ymgysylltiedig, Brwdfrydig ac Iach:

- ✓ Wedi darparu cymorth lles amlddisgyblaethol amserol a chyflawni Dangosyddion Perfformiad Allweddol cenedlaethol.
- ✓ Cynyddu nifer y staff sy'n cael archwiliadau iechyd drwy gyfathrebu wedi'i dargedu.
- ✓ Dechreuwyd adolygiad o brosesau cyn-gyflogaeth i gefnogi staff sydd â chyflyrau iechyd yn well.
- ✓ Rydym yn un o dri Bwrdd Iechyd y GIG yng Nghymru sy'n cyflymu mynediad staff at ddiagnosteg/triniaeth.
- ✓ Dechreuodd ddysgu lles a rennir gyda Bwrdd Iechyd Prifysgol Hywel Dda.
- ✓ Cefnogwyd dros hanner y defnyddwyr gwasanaeth i aros mewn gwaith, gan atal absenoldeb oherwydd salwch.

- ✓ Lansiwyd yr Hwb Codi Pryderon gyda chysylltiad cryf gyda 2,228 o ymweliadau â'r brif dudalen ers ei lansio.
- ✓ Dechreuwyd adrodd yn lleol ar Bryderon Grŵp Gwasanaeth yn Codi eu Llais - themâu, tueddiadau, camau a gymerwyd a gwersi a ddysgwyd bob 6 mis trwy ein Pwyllgor Gweithlu a Datblygu Sefydliadol i wella perchnogaeth leol a thriongli gwybodaeth.
- ✓ Arfer gorau Adnoddau Dynol (AD) wedi'i gryfhau i gefnogi arweinyddiaeth dosturiol.
- ✓ Rhaglenni cydnabyddiaeth wedi'u diweddarau gyda digwyddiadau wedi'u trefnu ar gyfer 2025–26.
- ✓ Cynyddodd ein ceisiadau gweithio hyblyg sy'n seiliedig ar Gofnod Staff Electronig (ESR) 71%.
- ✓ Gwellu cywirdeb data ymadawyr a pharatoi ar gyfer cyflwyno system gyfweiliadau ymadael ganolog.
- ✓ Gostyngodd ein Trosiant ar draws yr holl brif grwpiau staff.
- ✓ Darparwyd cefnogaeth barhaus i gyflawni Siarter Blinder a Chyfleusterau GIG Cymru. Roedd hyn yn cynnwys buddsoddiad parhaus mewn gwella cyfleusterau ystafelloedd bwyta ac egwyl meddygon ar draws safleoedd allweddol, yn unol â chanllawiau Blinder a Chyfleusterau Cymru Gyfan. Canolbwyntiodd gwelliannau ar ddod o hyd i offer gorffwys a chegin priodol, ochr yn ochr ag atebion storio wedi'u hailgylchu, gan sicrhau bod gwelliannau'n cael eu cyflawni heb bwysau cost ychwanegol.
- ✓ Ehangwyd Fforymau Meddygon Preswyl sy'n cyd-fynd ag arbenigeddau ar draws y Bwrdd Iechyd ac maent bellach wedi'u sefydlu mewn 12 arbenigedd, gan gryfhau llais y Meddyg Preswyl. Mae'r fforymau hyn yn darparu lle strwythuredig a diogel yn seicolegol ar gyfer adborth, uwchgyfeirio problemau a chyd-gynhyrchu atebion gydag arweinwyr addysg a chlinigol. Derbyniodd y fenter gydnabyddiaeth genedlaethol, gan ennill Gwobr Canmoliaeth Uchel yng Nghynhadledd STEME ym mis Medi 2025.

Denu a Recriwtio:

- ✓ Cefnogodd weithgareddau ehangu mynediad a llwybrau galwedigaethol ar gyfer grwpiau heb gynrychiolaeth ddigonol.
- ✓ Mae'r Bwrdd Iechyd wedi buddsoddi tua £2.5 miliwn yn yr Ardoll Prentisiaethau yng Nghymru rhwng Ebrill 2025 a Mawrth 2026. Mae'r enillion ar fuddsoddiad i'r Bwrdd Iechyd wedi cynnwys recriwtio Prentisiaid fel dechreuwyr newydd ar wahanol lwybrau a staff yn cofrestru ar wahanol lwybrau dysgu fel cyfleoedd a ariennir, gan gynnwys rhai prentisiaid yn sicrhau cyflogaeth barhaol gyda'r Bwrdd Iechyd.
- ✓ Cyflwynodd raglenni cymorth galwedigaethol 12 wythnos yn arwain at swyddi parhaol.

- ✓ Ehangwyd rôl Tîm Adnoddau Canolog y Bwrdd Iechyd i gynnwys gwiriadau ansawdd hysbysebion a storio ffeiliau canolog wrth barhau i gefnogi sefydlu rolau allweddol.
- ✓ Er mwyn cefnogi piblinellau gweithlu'r dyfodol, darparodd y Bwrdd Iechyd 77 o leoliadau Arsylwi Gwaith Clinigol dros gyfnod o naw wythnos yn ystod 2025. Cynigiwyd y lleoliadau hyn i fyfyrwyr chweched dosbarth mewn ysgolion a chydweithwyr ar draws Abertawe a Chastell-nedd Port Talbot, gan ddarparu amlygiad gwerthfawr i rolau clinigol a chefnogi ehangu mynediad at yrfaedd iechyd.
- ✓ Gwelodd Cohort 6 o Raglen Porth Graddedigion y Bwrdd Iechyd bob un o'r 6 Graddedig yn cwblhau'r rhaglen yn llwyddiannus ac yn sicrhau rolau gyda ni neu rywle arall yn GIG Cymru cyn diwedd y dyddiad cwblhau a drefnwyd, sef Mai 2026.

Wedi'i Gynllunio'n Dda:

- ✓ Wedi darparu hyfforddiant cynllunio gweithlu wedi'i dargedu.
- ✓ Profi dangosfyrddau sy'n cysylltu swyddi gwag a gweithgaredd recriwtio.
- ✓ Ymgorffori hyfforddiant cynllunio'r gweithlu a chyflwyno setiau dysgu gweithredol.
- ✓ Lansiodd cymuned cynllunio gweithlu digidol.
- ✓ Cefnogwyd comisiynu addysg ar gyfer cyflenwad gweithlu'r dyfodol.
- ✓ Datblygu offer rhagweld senario ar gyfer rheolwyr.
- ✓ Gweithio gyda grwpiau proffesiynol ar wella cynllunio rhestrau.

Yn Barod yn Ddigidol:

- ✓ Uwchsgilio arweinwyr i ddefnyddio ESR yn effeithiol.
- ✓ Helpu arweinwyr i ddehongli dangosfyrddau'r gweithlu.
- ✓ Cefnogi defnydd effeithiol o feddalwedd rhestr.
- ✓ Creu adnoddau dysgu digidol newydd.
- ✓ Dangosfyrddau salwch gwell gyda rhagolygon.
- ✓ Cyflwynodd ddangosfwrdd cyflog amrywiol.

Dysgu ac Addysg Rhagorol:

- ✓ Wedi darparu hyfforddiant Adolygu Perfformiad ac Asesiad Datblygu (PADR) hygyrch, gan gynnwys cynlluniau peilot y tu allan i oriau gwaith.
- ✓ Datblygiad pellach o blatfform digidol Hanfodion Hwylus sy'n cefnogi dysgu a gwella, gan gynnwys ychwanegu dolenni i adnoddau Gwella Ansawdd.
- ✓ Fel rhan o ymgyrch gyfathrebu Hanfodion Hwylus mis Gorffennaf, roedd modiwlau byrion PADR yn bwnc blaenoriaeth. Arweiniodd hyn at gynnydd amlwg mewn ymgysylltiad â chynnwys PADR.

- ✓ Cafodd Rhaglen Datblygu Rheolaeth Llwybr Rheolwyr ei hadnewyddu a'i hail-lansio fel Taith y Rheolwyr, llwybr datblygu hunangyfeiriedig, hunan-gofrestru ar gyfer rheolwyr newydd, presennol a darpar reolwyr. Mae'r rhaglen yn cynnig hyblygrwydd, gan alluogi cyfranogwyr i ddewis modiwlau sy'n cyd-fynd ag amcanion perfformiad unigol a chanlyniadau PADR. Mynychodd 82 o gyfranogwyr y sesiwn wybodaeth lansio ym mis Medi 2025.
- ✓ Cyflwynwyd sesiynau cymorth wedi'u targedu i helpu staff i gael mynediad at e-ddysgu Statudol a Gorfodol drwy ESR. Yn ogystal, roedd mynychu sesiynau gwerthuso ac ail-ddilysu yn cefnogi ymgysylltiad â chydweithwyr Meddygol a Deintyddol, gan gyfrannu at gydymffurfiaeth well. Cynyddodd cydymffurfiaeth â Hyfforddiant Statudol a Gorfodol Meddygol a Deintyddol o 67.54% ym mis Mawrth 2025 i 77.19% ym mis Chwefror 2026. Mae cydymffurfiaeth gyffredinol y Bwrdd Iechyd ar draws pob grŵp staff ar hyn o bryd yn 88.39%, sy'n rhagori ar darged Llywodraeth Cymru o 85%.
- ✓ Cydymffurfiaeth well o ran asesiadau meddygol a deintyddol.
- ✓ Glanhau data cymhwysedd yn barhaus.
- ✓ Cefnogwyd cyflwyno modiwlau hyfforddi Gwrth-Hiliaeth a Diogelu

Arweinwyr sy'n Byw yn ôl ein Gwerthoedd:

- ✓ Lansiwyd LEAD, rhaglen arweinyddiaeth ymddygiadol newydd gyda diddordeb cynnar cryf, gan dderbyn 275 o geisiadau rhwng Awst 2025 a Mawrth 2026.
- ✓ Seiliau Gwella Ansawdd wedi'u hintegreiddio ynghyd ag Egwyddorion Arweinyddiaeth Dosturiol, gan arwain at effaith gwasanaeth amlwg a ddangosir fel rhan o LEAD
- ✓ Lansiwyd y Labordy Dysgu Arweinyddiaeth a hyrwyddwyd ymhellach trwy gyfrif i lawr 12 diwrnod ar gyfer y Nadolig i ganiatáu mynediad digidol 24/7 i arweinwyr newydd, darpar ac arweinwyr presennol o bob lefel a mynediad disgyblaeth. Mae 1,576 o ymweliadau wedi bod â'r brif dudalen ers ei lansio'n swyddogol ym mis Hydref 2025.

Cydraddoldeb, Amrywiaeth a Pherthyn:

- ✓ Parhawyd i weithio tuag at gamau gweithredu'r gweithlu yng Nghynllun Cydraddoldeb Strategol 'Rydym i Gyd yn Perthyn', sydd hefyd yn cynnwys y gwahanol Gynlluniau Gweithredu sy'n gysylltiedig â chydraddoldeb sy'n ategu'r rhai a gyhoeddwyd gan Lywodraeth Cymru.
- ✓ Cefnogodd sgysiau diwylliant gyda Nyrsys sydd newydd eu recriwtio ag Addysg Ryngwladol.
- ✓ Optimeiddio wedi'i ehangu i gefnogi grwpiau sydd heb gynrychiolaeth ddigonol yn well.
- ✓ Gorfododd yr e-ddysgu Gwrth-hiliol cenedlaethol.
- ✓ Datganiad a chynrychiolaeth ethnigrwydd ESR gwell.

Cefnogwyd staff o grwpiau heb gynrychiolaeth ddigonol i wneud cais am y Rhaglen Camu i mewn i Uwch Arweinyddiaeth.

Metrigau Allweddol y Gweithlu - Absenoldeb oherwydd salwch

Sickness FTE % by Month

Erbyn diwedd mis Mawrth 2026, roedd absenoldeb salwch cyffredinol (dros gyfnod treigl o 12 mis) wedi gostwng o 7.2% ym mis Chwefror i 7.07%. Mae absenoldeb tymor byr hefyd wedi gostwng o 2.81% i 1.83%, tra bod absenoldeb tymor hir wedi cynyddu o 4.39% i 5.4%.

Adolygiadau Datblygu Gwerthuso Personol (PADRs)

Mae cydymffurfiaeth â PADR yn parhau â'r duedd ar i fyny a welwyd ers mis Ionawr 2026 ac mae'n sefyll ar 77.25% ym mis Mawrth 2026.

Hyfforddiant Gorfodol a Statudol

Mae'r Bwrdd Iechyd yn parhau i fod uwchlaw'r targed cydymffurfiaeth (85%) ar gyfer hyfforddiant gorfodol Llywodraeth Cymru a modiwlau hyfforddiant gorfodol lleol. Mae hyfforddiant gorfodol lleol yn 88.17% ac mae cydymffurfiaeth hyfforddiant Llywodraeth Cymru yn 88.20%, y ddau ar ddiwedd mis Mawrth 2026.

Casgliad ac Edrych i'r Dyfodol

Mae datganiadau ariannol y Bwrdd Iechyd wedi'u paratoi yn unol â Llawlyfr Cyfrifon GIG Cymru 2025-26. Dywed y Llawlyfr Cyfrifon yn glir y dylid paratoi cyfrifon ar sail busnes gweithredol lle disgwylir y bydd y gwasanaeth yn parhau yn y dyfodol. Gwnaed y dybiaeth y bydd gwasanaethau Bwrdd Iechyd Prifysgol Bae Abertawe yn parhau i weithredu. O ganlyniad, mae sail busnes gweithredol wedi'i fabwysiadu.

Mae gwaith sylweddol o'n blaenau i barhau i ddarparu gofal amserol; i barhau i foderneiddio ein gwasanaethau ac i sefydlogi sefyllfa ariannol y Bwrdd Iechyd ar y ffordd i gynaliadwyedd hirdymor. I gefnogi hyn, cymeradwywyd cam nesaf [Cynllun Blynyddol BIP Bae Abertawe 2025-26](#) gan y Bwrdd ym mis Mawrth 2025, sy'n nodi'r hyn y byddwn yn ei gyflawni dros yr ychydig flynyddoedd nesaf, a sut.

Adroddiad Atebolrwydd 2025-26

Datganiad Llywodraethu Blynyddol

❖ Cwmpas Cyfrifoldeb

Mae'r bwrdd yn atebol am lywodraethu, rheoli risg a rheolaeth fewnol. Fel Prif Weithredwr y Bwrdd, mae gennyf gyfrifoldeb dros gynnal strwythurau a phrosesau llywodraethu priodol ynghyd â system gadarn o reolaeth fewnol sy'n cefnogi cyflawni polisiau, nodau ac amcanion y sefydliad, wrth ddiogelu'r arian cyhoeddus ac asedau'r sefydliad yr wyf yn gyfrifol amdanynt yn bersonol. Cyflawnir y rhain yn unol â'r cyfrifoldebau a neilltuwyd gan Swyddog Atebol GIG Cymru.

Mae'r adroddiad blynyddol hwn yn amlinellu'r gwahanol ffyrdd y mae'r sefydliad wedi gorfod gweithio'n fewnol a chyda phartneriaid mewn ymateb i'r pwysau digynsail wrth gynllunio a darparu gwasanaethau. Mae'n egluro'r trefniadau ar gyfer sicrhau bod safonau llywodraethu'n cael eu cynnal, bod risgiau'n cael eu nodi a'u lliniaru a bod sicrwydd wedi'i geisio a'i ddarparu. Lle bo angen, darperir gwybodaeth ychwanegol yn y Datganiad Llywodraethu, ond y bwriad oedd lleihau dyblygu lle bo modd. Felly, mae angen adolygu adrannau eraill yn yr Adroddiad Blynyddol ochr yn ochr â'r Datganiad Llywodraethu hwn.

Yn ystod 2025–26, roedd y Bwrdd Iechyd yn parhau i fod mewn proses uwchgyfeirio o dan Fframwaith Goruchwylio ac Uwchgyfeirio GIG Cymru. Roedd y Bwrdd Iechyd yn destun Ymyrraeth wedi ei Thargedu (Lefel 4) ar gyfer cyllid, strategaeth a chynllunio, gofal brys ac argyfwng, gwasanaethau canser, ansawdd gofal yn gysylltiedig â heintiau sy'n gysylltiedig â gofal iechyd, a gwasanaethau mamolaeth a newyddenedigol. Monitro Gwell (Lefel 3) wedi'i gymhwyso i ofal wedi'i gynllunio a CAMHS, gydag Iechyd Meddwl ac Anableddau Dysgu yn cael eu monitro ar Lefel 2. Cefnogwyd trefniadau uwchgyfeirio drwy oruchwyliaeth dan arweiniad Llywodraeth Cymru, rhaglenni gwella ffurfiol, ac adrodd sicrwydd rheolaidd gan y Bwrdd.

Fel rhan o drefniadau ymyrraeth ac uwchgyfeirio Llywodraeth Cymru, parhaodd y Bwrdd Iechyd i dderbyn cefnogaeth allanol gan Deloitte. Comisiynwyd y gefnogaeth i ddarparu capasiti, her ac arbenigedd ychwanegol i gynorthwyo'r Bwrdd Iechyd i fynd i'r afael â blaenoriaethau allweddol y sefydliad a chryfhau'r ddarpariaeth yn erbyn amcanion gwella. Yn dilyn y cyfnod ymgysylltu cychwynnol, ymestynnodd y Bwrdd Iechyd elfennau o'r gefnogaeth hon er mwyn sicrhau parhad y ddarpariaeth a hwyluso trosglwyddo gwybodaeth a chyfrifoldebau i Uned Ddarparu'r Bwrdd Iechyd.

Canolbwyntiodd cymorth Deloitte ar nifer o feysydd blaenoriaeth, gan gynnwys rheoli rhaglenni, gwella perfformiad, trefniadau llywodraethu a goruchwylio, a datblygu prosesau ar gyfer cynllunio a monitro cyflawniad.

Darparodd yr ymgysylltiad her a chymorth annibynnol i gryfhau dull y Bwrdd Iechyd o reoli rhaglenni gwella a chyflawni newid cynaliadwy.

Ein Fframwaith Llywodraethu

❖ Trosolwg

Mae gan y Bwrdd Iechyd ofyniad statudol i gydymffurfio â Rheoliadau Byrddau Iechyd Lleol (Cyfansoddiad, Aelodaeth a Gweithdrefnau) (Cymru) 2009, ac mae'n cynnwys Cadeirydd, Is-gadeirydd, Prif Weithredwr, naw Aelod Annibynnol ac wyth Cyfarwyddwr Gweithredol.

Mae'r rhain oll yn sicrhau bod y Bwrdd yn cynnwys pobl sydd ag amrywiaeth o gefndiroedd, disgyblaethau ac arbenigedd. Caiff hyn ei gryfhau ymhellach gan swyddi cyfarwyddwyr heb hawl pleidleisio, sy'n cynnwys y Cyfarwyddwr Mewnwelediad, Cyfathrebu ac Ymgysylltu, y Cyfarwyddwr Digidol a'r Cyfarwyddwr Llywodraethu Corfforaethol.

Mae'r Bwrdd yn gweithredu fel corff gwneud penderfyniadau corfforaethol, gyda chyfarwyddwyr gweithredol ac aelodau annibynnol yn aelodau cyfartal sy'n rhannu cyfrifoldeb. Ei brif rôl yw arfer arweinyddiaeth, cyfeiriad a rheolaeth, sy'n cynnwys pennu cyfeiriad strategol cyffredinol y Sefydliad (yn unol â pholisïau a blaenoriaethau Llywodraeth Cymru) a sefydlu a chynnal lefelau uchel o lywodraethu corfforaethol ac atebolrwydd, gan gynnwys rheoli risg a rheolaeth fewnol. Mae hefyd yno i:

- Sicrhau cyflawniad nodau ac amcanion drwy herio a chraffu effeithiol ar berfformiad ym mhob maes cyfrifoldeb;
- Sicrhau darpariaeth gofal cleifion o ansawdd uchel a diogel;
- Adeiladu capasiti a gallu o fewn y gweithlu i adeiladu ar werthoedd y bwrdd iechyd a chreu diwylliant cryf o ddysgu a datblygu;
- Gweithredu goruchwyliaeth ariannol effeithiol drwy sicrhau bod y Bwrdd Iechyd yn cael ei weinyddu'n ddarbodus ac yn economaidd, gyda adnoddau'n cael eu defnyddio'n briodol ac yn effeithlon;
- Sefydlu cyfathrebu effeithiol rhwng y Sefydliad a'i gymuned er mwyn sicrhau bod ei wasanaethau'n cael eu cynllunio ac yn ymateb i'r anghenion a nodwyd;
- Penodi, gwerthuso a goruchwyllo trefniadau ar gyfer talu uwchswyddogion gweithredol.
- Creu diwylliant o fewn y sefydliad sy'n cefnogi byw yn unol â'n gwerthoedd.

Mae gweithrediadau dyddiol y Bwrdd yn cael eu llywodraethu gan ei Orchmynion Sefydlog a'i Gyfarwyddiadau Ariannol Sefydlog, sy'n addasu gofynion statudol Rheoliadau Byrddau Iechyd Lleol (Cyfansoddiad, Aelodaeth a Gweithdrefnau) (Cymru) 2009, ynghyd â chynllun dirprwyo sy'n berthnasol i Swyddogion yn ogystal â'r Bwrdd a'i Bwyllgorau. Adolygir y Rheolau Sefydlog a'r Cyfarwyddiadau Ariannol Sefydlog yn rheolaidd, ac fe'u cefnogir gan bolisïau a gweithdrefnau corfforaethol.

❖ Adroddiad y Cyfarwyddwr

Mae'r Bwrdd yn cynnwys Cyfarwyddwyr Gweithredol, sy'n gyflogeion i'r Bwrdd Iechyd, ac Aelodau Annibynnol a benodwyd gan y Gweinidog drwy'r broses penodiadau cyhoeddus. Rhestrir aelodau presennol y Bwrdd ac aelodau eraill o'r Uwch-dîm isod, ynghyd â'r newidiadau ar gyfer y flwyddyn.

Mae'r wybodaeth isod yn adlewyrchu'r aelodaeth fel yr oedd ar 31 Mawrth 2026.

❖ Cadeirydd ac Aelodau Annibynnol

Jan Williams, Cadeirydd

Penodiad:

Penodwyd Jan fel Cadeirydd ym mis Mehefin 2024.

Aelodaeth o'r Bwrdd a'r Pwyllgorau

Andrew Griffiths, Pennaeth Datblygu a Chynllunio Cystyrau

Penodiad:

Daeth Andrew yn Aelod Cyswllt o'r Bwrdd ym mis Mawrth 2022 fel cyd-gadeirydd Fforwm y Gweithwyr Proffesiynol ym maes Iechyd, ac ymddiswyddodd ym mis Hydref 2025.

Mae pob aelod o'r bwrdd wedi datgan yn ysgrifenedig ei fod wedi cymryd camau i hysbysu'r archwilydwr am unrhyw wybodaeth archwilio berthnasol. Mae aelodau'r bwrdd a rheolwyr uwch wedi rhoi gwybod am unrhyw fuddiannau a allai wrthdaro â'u cyfrifoldebau ar y bwrdd, ac ni ddatganwyd unrhyw fuddiannau sylweddol yn 2025-26. Mae [Cofrestr Lawn o Ddatganiadau Buddiant](#) ar gael ar gyfer 2025-26, ac mae manylion hefyd wedi'u cynnwys yn yr adroddiad ar gyd-daliadau.

❖ Rôl y Bwrdd

Mae gan y Bwrdd y cyfrifoldeb cyffredinol am gyfeiriad strategol y Sefydliad ac mae'n darparu arweinyddiaeth a chyfeiriad. Mae ganddo hefyd rôl allweddol wrth sicrhau bod trefniadau llywodraethu cadarn ar waith, yn ogystal â diwylliant agored a safonau uchel o ran y ffordd y caiff ei waith ei gyflawni. Mae aelodau'r bwrdd yn rhannu cyfrifoldeb corfforaethol am bob penderfyniad ac yn chwarae rhan allweddol wrth fonitro perfformiad.

Fel arfer, mae'r Bwrdd yn cyfarfod yn gyhoeddus chwe gwaith y flwyddyn, ond bu achlysuron pan gynhaliwyd cyfarfodydd arbennig o'r Bwrdd – er enghraifft, yn haf 2025 i gymeradwyo'r Cyfrifon Blynnyddol, ac yn ystod yr ail a'r trydydd chwarter i gael diweddariad ar y Cynllun Blynnyddol 2025-26 ac asesiad ariannol. Mae pob cyfarfod rheolaidd yn dechrau gyda stori gan glaf neu aelod o staff, yn amlinellu profiad personol o wasanaethau'r Bwrdd Iechyd. Mae hwn yn gyfle da i ddysgu gwersi a helpu i wella a chynllunio gwasanaethau ar gyfer y dyfodol. Roedd y straeon a gafwyd yn 2025-26 yn cynnwys:

- Stori claf – Plentyn wedi dioddef llosgiadau
- Stori claf – Ymwelwyr Iechyd a Dechrau'n Deg
- Stori claf – Gofal o Safon, Triniaeth o Safon a Gwellu eich Bywyd
- Stori Claf – Taith Sam tuag at Adferiad
- Stori Claf – Mamolaeth (brysbennu)
- Stori staff – Agwedd at absenoldeb

Mae'r Bwrdd Iechyd yn cynnal hyfforddiant achrededig mewn adrodd straeon digidol ar gyfer y GIG ledled y DU. Rydym hefyd wedi trefnu cyfres o gynadleddau rhyngwladol ar adrodd straeon er budd iechyd. Ond yn anad dim, rydym wedi helpu pobl i gael eu lleisiau i'w clywed, ac

rydym wedi gwranddo a gwella ein gwasanaethau. Gellir dod o hyd i ragor o wybodaeth ar [wefan Celfyddydau mewn Iechyd](#).

Yn ogystal â chyfarfodydd ffurfiol y Bwrdd, ceir sesiynau datblygu'r Bwrdd. Mae'r rhain yn gyfle i drafod cynlluniau neu strategaethau sydd ar y cam datblygu, ymgymryd â hyfforddiant neu glywed am arfer da o fewn y sefydliad ac oddi allan iddo:

Datblygu'r Bwrdd
Good Governance Institute (GGI) - Effeithiolrwydd y Bwrdd (Mai 2025)
Gweithdy Strategaeth Sefydliadol a GGI (Mehefin 2025)
Mapio a rheoli risgiau a rhanddeiliaid (Hydref 2025)
Cynllun Blynnyddol (Rhagfyr 2025)
Archwiliad manwl o lywodraethu a risgiau iechyd meddwl (Ionawr 2026)
Safle Diwedd y Flwyddyn Ariannol a chymorth Deloitte (Chwefror 2026)
Cynllun Blynnyddol 2026-27: Adborth Llywodraeth Cymru ac Ymrwymiad Grwpiau Gwasanaeth i Raglenni (Mawrth 2026)

Mae aelodau hefyd yn cymryd rhan mewn amrywiaeth o weithgareddau eraill ar ran y Bwrdd, megis ymweliadau â gwasanaethau a chyfarfodydd â phartneriaid lleol.

Yn ystod 2025-26, cynhaliodd y Bwrdd ei hunanasesiad blynnyddol i werthuso ei effeithiolrwydd. Roedd y broses hon yn cynnwys adolygu arferion llywodraethu, archwilio gweithdrefnau gwneud penderfyniadau, a cheisio adborth gan aelodau'r Bwrdd. Nod yr asesiad oedd nodi meysydd i'w gwella a sicrhau bod y Bwrdd yn parhau i gyflawni ei amcanion strategol yn effeithlon. Canolbwyntiodd argymhellion hunanasesiad y Bwrdd ar gryfhau llywodraethu ac effeithiolrwydd y Bwrdd drwy ddatblygiad parhaus i aelodau'r Bwrdd, atebolrwydd cliriach, gwell rheolaeth risg, goruchwyliaeth gryfach ar berfformiad a mireinio trefniadau llywodraethu ategol. Roedd hyn yn cynnwys gweithredu drwy'r Cynllun Gweithredu ar Effeithiolrwydd y Bwrdd a Chynllun Datblygu'r Bwrdd ar gyfer 2025-26, a oedd yn ymdrin â meysydd fel rôl y Bwrdd unedol, ymddygiadau effeithiol y Bwrdd, cyfeiriad strategol, awydd am risg, ymgysylltu â rhanddeiliaid, cydraddoldeb a gofynion deddfwriaethol.

❖ **Pwyllgorau'r Bwrdd**

Mae'r Bwrdd Iechyd wedi sefydlu nifer o bwyllgorau fel y nodir yn y diagram yn **atodiad 1**. Cadeirir pob un gan Aelod Annibynnol ac mae ganddo rôl allweddol o ran y system lywodraethu a sicrwydd, gwneud penderfyniadau, craffu, asesu risgiau cyfredol a monitro perfformiad. Yn dilyn pob cyfarfod, caiff crynodeb o'r drafodaeth ei rannu â'r Bwrdd yn ei

gyfarfod ffurfiol nesaf, ac mae'r holl bapurau ar gyfer sesiynau cyhoeddus cyfarfodydd y Bwrdd a'r Pwyllgorau ar gael ar [wefan](#) y Bwrdd Iechyd, gan gynnwys [Cylch Gorchwyl](#) pob pwyllgor. Mae rhai cyfarfodydd lle na wneir y papurau'n gyhoeddus, naill ai oherwydd natur gyfrinachol y busnes neu oherwydd bod yr eitemau yn y cyfnod datblygu. Mae'r Bwrdd yn cydnabod ei ymrwymiad i gynnal cyfarfodydd ei bwyllgorau yn gyhoeddus; fodd bynnag, oherwydd nifer y pwyllgorau a pha mor aml y cânt eu cynnal, mae ffrydio byw'r cyfarfodydd yn gofyn am ormod o adnoddau. Er hynny, bydd y Bwrdd Iechyd yn ystyried ffyrdd y gellid cynnal cyfarfodydd pwyllgorau yn gyhoeddus lle bo hynny'n bosibl.

Mae'r pwyllgorau sicrwydd y mae'n ofynnol i'r Bwrdd Iechyd eu cael yn cynnwys:

Y Pwyllgor Archwilio

Mae'r Pwyllgor Archwilio yn cefnogi'r trefniadau cyffredinol ar gyfer Fframwaith Sicrwydd y Bwrdd, gan gynnwys paratoi'r datganiad llywodraethu blynyddol, ac yn darparu cyngor a sicrwydd ynghylch effeithiolrwydd y trefniadau sydd ar waith o ran llywodraethu strategol, rheoli risg a rheolaethau mewnol. Yn fwy penodol, mae ganddo:

- goruchwyllo'r system o reolaethau mewnol;
- parhau i ganolbwyntio ar wella'r systemau ariannol a'r gweithdrefnau rheoli;
- goruchwyllo datblygu a gweithredu Fframwaith Sicrwydd y Bwrdd;
- monitro trefniadau lleol i wrthweithio twyll;
- ceisiodd sicrwydd mewn perthynas â'r broses rheoli risg;
- ystyried ac argymhell cymeradwyo diwygiadau i'r Rheolau Sefydlog a'r Cyfarwyddiadau Ariannol Sefydlog;
- adolygodd ganfyddiadau archwiliadau mewnol ac allanol a'r cynnydd yn erbyn y cynlluniau gweithredu cysylltiedig;
- daliodd Gyfarwyddwyr Gweithredol yn atebol lle'n briodol;
- trafod ac argymhell i'r Bwrdd gymeradwyo'r cyfrifon blynyddol archwiliedig, yr adroddiad atebolrwydd, yr adroddiad blynyddol a barn pennaeth yr archwiliad mewnol;
- parhau i fonitro gweithredu'r argymhellion fel y nodir yn rhaglen waith llywodraethu.
- Cynhaliwyd dadansoddiadau manwl drwy gydol y flwyddyn; ymhlith yr enghreifftiau mae adolygiad o fuddsoddiad mewn systemau digidol, rheoli ystadau, gwasanaethau canser a llywodraethu ansawdd.

Y Pwyllgor Ansawdd a Diogelwch

Y Pwyllgor Ansawdd a Diogelwch yw'r prif fecanwaith sicrwydd ar gyfer cyflwyno cyngor amserol sy'n seiliedig ar dystiolaeth i'r Bwrdd ynghylch ansawdd a diogelwch gofal iechyd, yn ogystal â'r trefniadau ar gyfer diogelu a gwella gofal cleifion yn unol â'r safonau a'r gofynion a nodwyd

ar gyfer GIG Cymru. Mae pob cyfarfod yn dechrau gyda stori claf ac yn cynnwys diweddariadau gan gyrff rheoleiddio mewnol ac allanol; lle mae adroddiadau wedi codi pryderon, caiff cynlluniau gweithredu eu monitro gan y pwyllgor.

Pwyllgor Tâl a Thelerau Gwasanaeth

Pwrpas y Pwyllgor Taliadau ac Amodau Gwasanaeth yw rhoi cyngor i'r Bwrdd ynghylch taliadau ac amodau gwasanaeth y Prif Weithredwr, y Cyfarwyddwyr Gweithredol ac uwch-staff eraill o fewn y fframwaith a osodwyd gan Lywodraeth Cymru, a rhoi sicrwydd i'r Bwrdd ynghylch trefniadau'r Bwrdd Iechyd ar gyfer taliadau ac amodau gwasanaeth – gan gynnwys trefniadau cytundebol – ar gyfer *yr holl staff*, yn unol â'r gofynion a'r safonau a bennwyd ar gyfer GIG Cymru, yn ogystal â chyflawni swyddogaethau penodol ar ran y Bwrdd.

Pwyllgor Deddfwriaeth Iechyd Meddwl

Cylch gwaith y Pwyllgor hwn yw ystyried a monitro'r defnydd o Ddeddf Iechyd Meddwl 1983 (MHA), fel y'i diwygiwyd, Deddf Galluedd Meddyliol 2005 (sy'n cynnwys y Mesurau Diogelu rhag Amddifadu o Ryddid (DoLS)) (MCA) a Mesur Iechyd Meddwl (Cymru) 2010 (y Mesur).

Y Pwyllgor Cronfeydd Elusennol

Penodwyd y Bwrdd Iechyd yn Ymddiriedolwr Corfforaethol ar gyfer y Cronfeydd Elusennol, ac mae'n gweithredu fel ei asiant wrth weinyddu'r Cronfeydd Elusennol a ddelir gan y Sefydliad. Pwrpas y Pwyllgor yw gwneud a monitro trefniadau ar gyfer rheoli a gweinyddu'r Cronfeydd Elusennol.

Yn ogystal â'r pwyllgorau y mae'n ofynnol i'r Bwrdd Iechyd eu cael o dan ei Reolau Sefydlog, mae'r pwyllgorau canlynol hefyd wedi'u sefydlu:

Pwyllgor Iechyd y Boblogaeth

Pwrpas y Pwyllgor Iechyd Poblogaeth yw gwreiddio meddylfryd iechyd poblogaeth ar draws y Sefydliad; yn benodol, bydd yn mabwysiadu'r dulliau canlynol ac yn ceisio sicrwydd ynghylch y cynnydd o ran pob un ohonynt drwy raglen waith gytunedig:

- Dull sy'n cael ei lywio gan epidemioleg - bydd y Pwyllgor yn canolbwyntio ar heriau iechyd penodol yn seiliedig ar ddata epidemiolegol, megis diabetes, iechyd meddwl a chlefydau anadlol, ac yn derbyn adroddiadau ar y blaenoriaethau a'r strategaethau a ddatblygwyd i fynd i'r afael â'r heriau hyn.
- Dull sy'n ystyried cwrs bywyd – bydd y Pwyllgor yn ceisio sicrwydd ynghylch mynd i'r afael â heriau iechyd ar wahanol gamau o fywyd, o gael dechrau da i heneiddio'n dda. Yn ogystal â chanolbwyntio ar atal eilaidd a thrydyddol lle bo angen.

- Dull sy'n rhoi blaenoriaeth – ceisio sicrwydd ynghylch y dull a'r strategaeth glir ar gyfer pennu blaenoriaethau i'r Sefydliad, er mwyn galluogi newid yn y canlyniadau iechyd ac i fonitro cynnydd y newidiadau a'r canlyniadau.
- Dull newid diwylliannol – ceisio sicrwydd ynghylch y rhaglen newid diwylliannol i wreiddio meddylfryd iechyd poblogaeth ar draws y Sefydliad. Wedi'i integreiddio ag arweinyddiaeth, cynllunio strategol a meithrin gallu.
- Ymgysylltu a phrofiad bywyd – Bydd y Pwyllgor yn clywed straeon a phrofiadau bywyd cleifion a staff sy'n berthnasol i'r rhaglen waith, er mwyn cefnogi dealltwriaeth o'r penderfyniadau a wnaed a'r modelau sy'n cael eu hymgorffori ar draws y Bwrdd Iechyd.
- Meincnodi a Dysgu – derbyn adroddiadau sy'n meincnodi yn erbyn modelau a strategaethau llwyddiannus cydnabyddedig.

Pwyllgor Perfformiad a Chyllid

Mae'r Pwyllgor Perfformiad a Chyllid yn cynnal craffu ac adolygu priodol, ar lefel o fanylder nad yw'n bosibl mewn cyfarfodydd o'r Bwrdd, o ran perfformiad sy'n ymwneud â' canlynol:

- cynllunio a monitro ariannol, gan gynnwys cyflawni rhaglenni arbedion;
- gweithgaredd a chynhyrchiant, gan gynnwys effeithlonrwydd ac effeithiolrwydd gweithredol.

Pwyllgor y Gweithlu a Datblygu Sefydliadol (OD)

Mae'r Pwyllgor Gweithlu a Datblygu Sefydliadol yn ceisio sicrwydd ynghylch:

- **Iechyd a Lles** – bod dull integredig o ymdrin ag iechyd a lles staff, gyda'r nod o leihau absenoldeb salwch staff sy'n gysylltiedig ag iechyd meddwl a chynyddu gwydnwch staff;
- **Profiad Staff** – bod dull strategol o gynyddu'r mynegai ymgysylltu cadarnhaol a lleihau gweithdrefnau cwyno ffurfiol;
- **Recriwtio a Chadw** bod dull cadarn a strategol ar waith y gwneir cynnydd ar ei sail;
- **Datblygu'r Gweithlu** – i sicrhau bod dulliau effeithiol ac integredig o ddatblygu'r gweithlu a'i gyfraniad at amcanion y Sefydliad;
- **Ehangu mynediad a chyfranogiad** – cydymffurfio â gofynion deddfwriaethol ynglŷn â chydaddoldeb, amrywiaeth a chynhwysiant yn y gweithlu, gan gynnwys y Gymraeg a hunaniaeth ddiwylliannol.

Pwyllgor Digidol, Data, Ymchwil ac Arloesi

Pwrpas y Pwyllgor Digidol, Data, Ymchwil ac Arloesi yw:

- darparu **cyngor** amserol sy'n seiliedig ar dystiolaeth i'r Bwrdd i'w gynorthwyo i gyflawni ei swyddogaethau a bodloni ei gyfrifoldebau mewn perthynas â materion digidol, data, ymchwil ac arloesi, yn unol â'i amcanion datganedig a'r gofynion a'r safonau a bennwyd ar gyfer GIG Cymru a chyrrff perthnasol eraill
- **rhoi sicrwydd** i'r Bwrdd ynghylch a oes trefniadau effeithiol ar waith o ran ansawdd ac effaith gweithgareddau digidol, data, ymchwil ac arloesi'r Sefydliad.
- Cyflawnir **Llywodraethu Gwybodaeth** drwy'r Pwyllgor Digidol, Data, Ymchwil ac Arloesi, sydd ag is-grŵp – y Grŵp Sicrwydd Llywodraethu Gwybodaeth a Diogelwch Seiber. Ei gylch gwaith yw cefnogi a gyrru'r agenda llywodraethu gwybodaeth eang, a rhoi sicrwydd i'r Bwrdd Iechyd bod mecanweithiau effeithiol sy'n cynrychioli arfer gorau ar waith o fewn y Sefydliad.

Mae crynodeb o ddyddiadau, aelodaeth, presenoldeb a materion allweddol a ystyriwyd gan y Bwrdd a'r Pwyllgorau wedi'i gynnwys yn **Atodiadau 2 i 4**.

❖ **Grwpiau Cynghori a Chyd-bwyllgorau**

Yn ogystal â'i bwyllgorau ar lefel y Bwrdd, mae gan y Bwrdd Iechyd dri grŵp cynghorol sy'n adrodd i'r Bwrdd: Grŵp Cyfeirio Rhanddeiliaid, Fforwm Gweithwyr Proffesiynol Iechyd a Fforwm Partneriaeth Leol.

Byrddau Cynghori

- *Grŵp Cyfeirio Rhanddeiliaid*

Mae'r Grŵp Cyfeirio Rhanddeiliaid (SRG) yn cynnwys amrywiaeth o sefydliadau partner o gymunedau lleol y Bwrdd Iechyd; mae'n ymgysylltu â'r cyfeiriad strategol, yn darparu adborth ar gynigion i wella gwasanaethau, ac yn cynghori ar yr effaith y mae'r dulliau gweithio presennol yn ei chael ar gymunedau lleol. Mae ei aelodaeth yn cynnwys cynrychiolwyr o ystod eang o grwpiau cymunedol, gan gynnwys plant a phobl ifanc, pobl LHDTC+, pobl hŷn a lleiafrifoedd ethnig, yn ogystal â chyrrff statudol fel yr heddlu, gwasanaethau tân ac achub, a'r asiantaeth amgylchedd. O ganlyniad, mae gan y grŵp gysylltiadau rhagorol â'r cyhoedd yn ehangach, a gall pob aelod dynnu sylw at faterion a godwyd gan eu cymunedau penodol. Mae Cadeirydd yr SRG yn Aelod Cyswllt o'r Bwrdd.

- *Fforwm Gweithwyr Proffesiynol Iechyd*

Mae rôl Fforwm y Gweithwyr Proffesiynol Iechyd (HPF) yn darparu cyngor proffesiynol cytbwys ac amlddisgyblaethol i'r Bwrdd ynghylch strategaeth a darpariaeth leol. Mae hwn bellach yn cyfarfod yn rheolaidd, ac mae rhagor o waith i'w wneud o hyd i sicrhau aelodaeth a phresenoldeb cadarn, yn ogystal â rhaglen waith. Mae Cadeirydd yr HPF yn Aelod Cyswllt o'r Bwrdd.

- *Fforwm Partneriaeth y Bwrdd Iechyd*

Swyddogaeth fforwm partneriaeth y Bwrdd Iechyd yw darparu ffordd i'r Bwrdd Iechyd, fel cyflogwr, a'r cyrff proffesiynol sy'n cynrychioli staff – fel undebau llafur – gydweithio i wella gwasanaethau iechyd. Mae'n gyfle i ymgysylltu â'i gilydd, llywio'r ddadl a chytuno ar flaenoriaethau lleol ar gyfer y gweithlu o fewn gwasanaethau iechyd.

Cydbwyllgorau a Phwyllgorau Cymru Gyfan

Mae dau bwyllgor sy'n cwmpasu Cymru gyfan, fel y nodir isod:

- *Cydbwyllgor Comisiynu GIG Cymru (NWJCC)*

Mae Cydbwyllgor Comisiynu GIG Cymru (NWJCC) yn Gydbwyllgor i'r saith Bwrdd Iechyd, ac fe'i sefydlwyd ar 1 Ebrill 2024. Sefydlwyd Cydbwyllgor Comisiynu GIG Cymru mewn ymateb i ganfyddiadau adolygiad annibynnol a gomisiynwyd gan Lywodraeth Cymru ar y trefniadau comisiynu cenedlaethol a gyflawnwyd gan Bwyllgor Gwasanaethau Ambiwllans Argyfwng (EASC), Pwyllgor Gwasanaethau Iechyd Arbenigol Cymru (WHSSC) a'r Uned Comisiynu Cydweithredol Genedlaethol (NCCU). Mae Prif Weithredwr y Bwrdd Iechyd yn aelod llawn o Gydbwyllgor Comisiynu GIG Cymru.

- *Pwyllgor Partneriaeth Cydwasanaethau GIG Cymru (NWSSP)*

Sefydlwyd Pwyllgor Partneriaeth Cydwasanaethau GIG Cymru yn 2012 ac fe'i cynhelir gan Ymddiriedolaeth GIG Velindre. Mae'n gofalu am y swyddogaethau a rennir ar gyfer GIG Cymru, megis caffael, recriwtio a gwasanaethau cyfreithiol. Cynrychiolydd y Bwrdd Iechyd yw'r Cyfarwyddwr Gweithlu a Datblygu Sefydliadol, ac mae'r Bwrdd yn derbyn adroddiadau rheolaidd.

❖ Gweithio mewn Partneriaeth

Mae'r Bwrdd Iechyd yn gweithio mewn partneriaeth ag ystod eang o sefydliadau, gan gynnwys awdurdodau lleol, Prifysgol Abertawe, cyrff eraill y GIG fel Perfformiad a Gwelliant GIG Cymru, a'r trydydd sector. Mae'r Bwrdd Iechyd yn parhau i gryfhau cydweithrediad rhanbarthol gyda Bwrdd Iechyd Prifysgol Hywel Dda drwy'r Cydbwyllgor Rhanbarthol (RJC) ar gyfer De-orllewin Cymru; mae hwn wedi bod yn gweithredu ers mis Ionawr 2025 fel strwythur arwain ar y cyd ar gyfer cynllunio a chyflawni ar draws y ddau sefydliad.

Mae'r Bwrdd Iechyd yn cynnal grwpiau gweithredol ar y cyd â Byrddau Iechyd Prifysgol Caerdydd a'r Fro, Cwm Taf Morgannwg a Hywel Dda, gan sicrhau arweinyddiaeth ar y cyd ac aliniad cyson ar draws meysydd clinigol a chorfforaethol allweddol. Rydym hefyd yn gweithio'n agos gydag awdurdodau lleol Abertawe a Chastell-nedd Port Talbot, y trydydd sector, prifysgolion, byrddau iechyd eraill a'n poblogaethau lleol. Drwy fyrdau partneriaeth lleol, gan gynnwys Byrddau Gwasanaethau Cyhoeddus a Bwrdd Partneriaeth Ranbarthol Gorllewin Morgannwg. Fel rhan o'r system

ranbarthol ehangach hon, rydym yn cymryd rhan weithredol yn y Pwyllgor Cyd-gorfforaethol (CJC) ar gyfer De-orllewin Cymru, sy'n darparu arweinyddiaeth strategol ar gyfer trafnidiaeth ranbarthol, cynllunio defnydd tir, datblygu economaidd ac ynni. Mae gwaith y CJC yn cefnogi gwelliant yn iechyd y boblogaeth drwy ei aliniad â chynlluniau lles ac fframweithiau datblygu ranbarthol.

Mae cyfarfodydd partneriaeth rheolaidd a rhaglenni gwaith ar y cyd bellach yn cwmpasu ystod ehangach o bartneriaid strategol. Mae hyn yn cynnwys cydweithredu parhaus ac arferol rhwng yr RJC a'r canlynol:

- Partneriaid Cytundeb Dinas Bae Abertawe yn cydweithio ar arloesi, ymchwil, datblygu campysau a thwf economaidd ranbarthol
- Prifysgol Abertawe, gan gynnwys gwaith ar ymchwil, arloesi, datblygiadau digidol, cynllunio gwasanaethau clinigol, a threfniadau ar gyfer y gweithlu a darpariaeth arwain yn y dyfodol.
- Prifysgol Cymru y Drindod Dewi Sant (UWTSD) yn ymgysylltu'n weithredol â threfniadau cydweithredol yn y dyfodol ac yn cymryd rhan mewn rhaglenni ranbarthol.
- Cydbwyllgor Rhanbarthol De-ddwyrain Cymru (SEW RJC) drwy drafodaethau rheolaidd ar draws rhanbarthau i sicrhau aliniad, cyfnewid gwybodaeth a chyfleoedd ar gyfer dulliau ar y cyd ledled Cymru.

Drwy'r RJC a'i is-grwpiau—gan gynnwys Cynllunio Gwasanaethau Clinigol, Economi Iechyd Ranbarthol, Data a Digidol, Gweithlu a Datblygu Sefydliadol, Cyllid a Chontractio, ac Ymchwil, Arloesedd a Rhagoriaeth—rydym yn parhau i wreiddio model cyflawni ranbarthol unigol sy'n hyrwyddo blaenoriaethau cyffredin, yn lleihau dyblygu, yn cryfhau canlyniadau iechyd y boblogaeth ac yn gwella gwydnwch y system.

Mae'r dull partneriaeth hwn yn ein galluogi i fanteisio ar gryfderau, arbenigedd ac adnoddau ystod eang o sefydliadau, gan sicrhau y gallwn ddarparu gwasanaethau cynaliadwy o ansawdd uchel a chanlyniadau iechyd a lles gwell i boblogaeth De-orllewin Cymru.

Strwythur y Sefydliad

Mae'r sefydliad yn cynnwys pedwar grŵp gwasanaeth:

- Gofal Sylfaenol, Cymunedol a Therapiau;
- Iechyd Meddwl ac Anableddau Dysgu;
- Singleton a Chastell-nedd Port Talbot;
- Treforys.

Caiff pob un ei arwain gan Gyfarwyddwr Grŵp Gwasanaeth, gyda chymorth Cyfarwyddwyr Nyrsio a Meddygol y Grŵp Gwasanaeth; yn achos gwasanaethau sylfaenol, cymunedol a therapi, mae Cyfarwyddwr Deintyddol y Grŵp Gwasanaeth hefyd yn rhan o'r tîm. Mae

cyfarwyddiaethau corfforaethol – megis cyllid, llywodraethu, y gweithlu, gwasanaethau digidol, mewnwelediad, cyfathrebu ac ymgysylltu, a strategaeth/cynllunio – hefyd yn chwarae rhan ganolog wrth gefnogi'r Grwpiau Gwasanaeth yn ogystal â'r Sefydliad yn ei gyfanrwydd. Mae'r holl elfennau hyn o'r strwythur yn destun adolygiadau perfformiad rheolaidd.

❖ **System Reoli**

Cynlluniwyd y system rheolaeth fewnol i reoli risg i lefel resymol, yn hytrach na dileu pob risg; felly dim ond sicrwydd rhesymol ac nid absoliwt o effeithiolrwydd y gall ei roi.

Mae'r system rheolaeth fewnol yn seiliedig ar broses barhaus a luniwyd i nodi a blaenoriaethu'r risgiau i gyflawni'r polisïau, nodau ac amcanion, i werthuso'r tebygolrwydd y bydd y risgiau hynny'n cael eu gwireddu a'r effaith pe baent yn cael eu gwireddu, ac i'w rheoli'n effeithlon, yn effeithiol a darbodus. Mae'r system rheolaeth fewnol wedi bod ar waith ar gyfer y flwyddyn a ddaeth i ben ar 31 Mawrth 2026, a hyd at ddyddiad cymeradwyo'r Adroddiad Blynyddol a'r Cyfrifon.

❖ **Y Gallu i Ddelio â Risg**

Mae'r Bwrdd yn gyfrifol am reoli risgiau'r Sefydliad yn effeithiol wrth geisio cyflawni ei Nodau a'i Amcanion. Mae gan y Bwrdd, ar y cyd, gyfrifoldeb ac atebolrwydd am bennu amcanion y Sefydliad, diffinio strategaeth i gyflawni'r amcanion hynny, a sefydlu strwythurau a phrosesau llywodraethu i reoli'n effeithiol y risgiau sy'n gysylltiedig â chyflawni'r amcanion hynny.

Mabwysiadodd y Bwrdd ddatganiad archwaeth risg ym mis Tachwedd 2022, ac mae'r datganiad hwnnw'n parhau i fod yn weithredol ar hyn o bryd. Mae'n disgrifio lefel y risg y mae'r Bwrdd yn barod i'w goddef yn unol â'r math o risg dan sylw. Mae'r lefel o barodrwydd i gymryd risg wedi'i hymgorffori ym Mholisi Rheoli Risg y Bwrdd. Ar lefel uchel, dangosir y lefel o barodrwydd i dderbyn risg yn y tabl isod (mae'r datganiad llawn yn nodi manylion pellach ynghylch mathau unigol o risg):

Math o Risg	Parodrwydd i Dderbyn Risg	Lefelau Goddefgarwch Risg*
Ansawdd	Ceisio	20
Gweithlu	Ceisio	20
Ariannol	Ceisio	20
Cydymffurfiaeth â Rheoliadau	Agored	16

Math o Risg	Parodrwydd i Dderbyn Risg	Lefelau Goddefgarwch Risg*
Enw da	Ceisio	20
Iechyd a Diogelwch	Ceisio	20
Rheoli ystadau	Ceisio	20
Digidol a Gwybodeg	Ceisio	20
Parhad Busnes	Ceisio	20

* Bydd risgiau sy'n is na'r lefelau hyn yn cael eu goddef, ond disgwylir gweithredu i leihau'r risgiau hynny sy'n cyrraedd neu'n rhagori ar y lefelau hyn.

Wrth bennu'r trothwyon hyn, cydnabu'r Bwrdd fod y galw mawr am wasanaethau, y pwysau o ran argaeledd staff a'r cyfyngiadau ariannol yn creu amgylchedd risg uchel. Dyma sydd wedi parhau i fod yn gyd-destun i weithrediad y Sefydliad yn ystod 2025-26 wrth lywio'r broses o wneud penderfyniadau a phennu blaenoriaethau.

Mae dyhead y Bwrdd Iechyd yn parhau i fod i leihau ei oddefgarwch i risg ymhellach cyn gynted ag y bo'n ymarferol. Mae llywodraethu ar lefel y Bwrdd, gan gynnwys yr agwedd at risg, wedi cael eu hystyried gan y Bwrdd mewn sesiynau datblygu a hwyluswyd gan y Good Governance Institute yn ystod 2025-26. Tra bod y lefel bresennol o barodrwydd i gymryd risg yn parhau, bwriedir ei hadolygu yn gynnar yn 2026-27.

Mae gan y Prif Weithredwr, yn rhinwedd ei rôl fel Swyddog Atebol, gyfrifoldeb cyffredinol dros sicrhau bod gan y Bwrdd Iechyd fframwaith rheoli risg effeithiol a system o reolaeth fewnol.

Mae gan y Cyfarwyddwr Llywodraethu Corfforaethol gyfrifoldebau penodol o ran rheoli risg, ac mae'n cefnogi'r Prif Weithredwr drwy ddarparu cyngor a chymorth cymwys wrth ddatblygu systemau a threfniadau effeithiol i hwyluso rheoli risg. Yn ogystal, y Cyfarwyddwr Gweithredol Nyrsio a Phrofiad y Claf yw'r Cyfarwyddwr Gweithredol sydd â'r brif gyfrifoldeb am sicrhau bod prosesau rheoli risg yn gweithredu'n effeithiol. Yn y rôl hon, caiff ei chefnogi gan y Cyfarwyddwr Meddygol Gweithredol, ac gyda'i gilydd maent yn darparu arbenigedd clinigol ac arweinyddiaeth ar gyfer goruchwyllo rheoli risg glinigol.

Mae gan Gyfarwyddwyr Gweithredol gyfrifoldeb am berchenogaeth a rheolaeth risgiau o fewn eu portffolios, ac mae gan Gyfarwyddwyr Grwpiau Gwasanaeth (Cyfarwyddwr y Grŵp Gwasanaeth, Cyfarwyddwr Nyrsio'r Grŵp a Chyfarwyddwr Meddygol/Cyfarwyddwr Deintyddol y Grŵp) gyfrifoldebau wedi'u dirprwyo ar gyfer rheoli risg o fewn eu

gwasanaethau. O ganlyniad, cyfrifoldeb triawdau'r grwpiau gwasanaeth unigol yw perchnogaeth risgiau gweithredol, tra bod perchnogaeth risgiau strategol – a'r risgiau gweithredol hynny sydd wedi'u dyrchafu i Gofrestr Risgiau Corfforaethol (CRR) y Bwrdd Iechyd – yn gyfrifoldeb i Gyfarwyddwyr Gweithredol dynodedig.

Mae'r Polisi Rheoli Risg yn nodi'r fframwaith ar gyfer rheoli risg yn gyson yn y Bwrdd Iechyd, gan ddyrannu rolau a chyfrifoldebau, a chyfarwyddo'r ffordd y caiff risgiau eu nodi, eu gwerthuso a'u rheoli. Mae'r polisi yn rhoi cyfarwyddyd ar asesu risg er mwyn cefnogi sgorio risgiau yn gyson. Mae meini prawf wedi'u sefydlu ar gyfer dwysáu risgiau i'r Cyfarwyddwyr Gweithredol pan fo angen.

Mae cynnwys hyfforddiant rheoli risg wedi'i ddiweddarau i adlewyrchu trefniadau newydd ac mae ar gael i bob Grŵp Gwasanaeth. Mae'n ofynnol bod o leiaf dau aelod o staff ym mhob gwasanaeth sydd wedi cwblhau hyfforddiant wedi'i anelu at reolwyr neu arweinwyr gwasanaeth. Ategir yr hyfforddiant â chyngor pwrpasol, ar gais, gan y tîm Risg a Sicrwydd, er mwyn diwallu anghenion a nodwyd o fewn timau ac ar lefel unigol.

Cymeradwyodd y Bwrdd Strategaeth Rheoli Risg yn ei gyfarfod ym mis Tachwedd 2024, gan gefnogi proses o 'adolygu ac ailosod' y fframwaith a oedd yn sail i'r ffyrdd yr oedd y Bwrdd yn cael sicrwydd ynghylch cyflawni ei amcanion strategol a'i drefniadau rheoli risg. Mae gwaith wedi parhau i ddatblygu'r newidiadau hyn yn ystod 2025, gan gynnwys:

- Adolygu rolau a chyfrifoldebau ac adolygu'r Polisi Rheoli Risg ym mis Gorffennaf 2025.
- Sefydlu dogfen Fframwaith Sicrwydd y Bwrdd (BAF) sy'n disgrifio'r fframwaith y mae'r Bwrdd yn cael sicrwydd drwyddo ynghylch rheoli risgiau i gyflawni ei Amcanion.
- Sefydlu dau gofrestr risg ar wahân ar lefel y Bwrdd: Cofrestr Risg Strategol (SRR) a Chofrestr Risg Gorfforaethol (CRR). Mae'r cyntaf o'r rhain yn rhoi mwy o eglurder ynghylch risgiau i gyflawni amcanion strategol y Bwrdd a sut y cânt eu rheoli; mae'r ail yn cyflwyno'r risgiau gweithredol mwyaf arwyddocaol o fewn gwasanaethau y cytunwyd y byddai'r Bwrdd yn eu goruchwylio, fel y nodwyd gan y Cyfarwyddwyr Gweithredol.
- Sefydlu Grŵp Rheoli Risg wedi'i ailgyfansoddi i ystyried risgiau sydd wedi'u huwchraddio ac i ddarparu goruchwyliaeth gan y

Weithrediaeth ar effeithiolrwydd rheoli risgiau gweithredol ar lefel gwasanaeth.

- Gweithredu adolygiadau camau allweddol gyda grwpiau gwasanaeth i adolygu trefniadau rheoli risgiau gweithredol, trafod risgiau sylweddol a hyrwyddo cysondeb a gwelliannau.
- Darparu gwell dealltwriaeth o risgiau gweithredol grwpiau gwasanaeth ar lefel y Bwrdd a'r Pwyllgor.

Mabwysiadwyd y cofrestrau risg newydd yn ffurfiol o fis Tachwedd 2025 ymlaen. Tra oeddent yn cael eu cwblhau, parhawyd i ddiweddaru ac adrodd ar gyn-Gofrestr Risg y Bwrdd Iechyd (HBRR). Gellir dod o hyd i'r [SRR](#) a'r [CRR](#) a gyhoeddwyd ddiwethaf ymhlith papurau'r Bwrdd ar gyfer mis Ionawr 2026, gyda'r ddau yn cael eu hadolygu a'u diweddaru'n rheolaidd.

Goruchwylir gweithrediad y Fframwaith Rheoli Risg gan y Pwyllgor Archwilio. Er bod gan y Pwyllgor Archwilio'r cyfrifoldeb cyffredinol dros oruchwylio rheoli risg, mae wedi dirprwyo risgiau perthnasol i bob un o'r Pwyllgorau Bwrdd eraill.

Mae pwyllgorau'n derbyn darnau cyfatebol o'r SRR a'r CRR er mwyn galluogi alinio eu Rhaglenni Gwaith, gan sicrhau eu bod yn adolygu ac yn derbyn adroddiadau ar y cynnydd a wnaed i liniaru risgiau allweddol cyn belled ag y bo modd. Cyflwynir adroddiadau i bob un o Bwyllgorau'r Bwrdd i gyd-fynd â'r darnau penodol o'r Gofrestr Risg sydd wedi'u dyrannu i'r Pwyllgorau.

Er mwyn cefnogi aeddfedu parhaus trefniadau rheoli risg y Bwrdd Iechyd, cymeradwydd y Tîm Gweithredol Gynllun Gwella Strategol Rheoli Risg (RMSIP 2026–28) newydd dwy flynedd ym mis Mawrth 2026.

Mae'r cynllun yn adeiladu ar y broses ailosod a gynhaliwyd ers 2024 ac yn ymateb i adborth gan aelodau'r Bwrdd, grwpiau gwasanaeth ac adolygiad archwilio mewnol 2025/26. Mae'n nodi amcanion clir i gryfhau strwythurau llywodraethu ar gyfer risg, ymgorffori gwell integreiddio rhwng risg, perfformiad a darpariaeth, gwella cysondeb ac ansawdd arferion risg ar draws gwasanaethau, a datblygu ymhellach y seilwaith a'r systemau sy'n sail i oruchwyliaeth effeithiol o risg. Adroddir ar gynnydd i'r Bwrdd Gweithredol, a darperir sicrwydd i'r Pwyllgor Archwilio.

❖ Proffil Risg 2025-26

O dan y pum pennawd amcanion y Bwrdd Iechyd, mae'r Gofrestr Risgiau Strategol (SRR) sydd newydd ei datblygu wedi nodi'r risgiau canlynol:

Amcanion Strategol a Theitlau Risg	Sgôr Risg Gyfredol ¹	Pwyllgor Craffu
Amcan 1: Mae pobl Bae Abertawe yn byw bywydau iachach, teg a llewyrchus.		
1: Dulliau Iechyd y Boblogaeth i Fynd i'r Afael ag Anghydraddoldeb Iechyd	20	Iechyd y Boblogaeth
Amcan 2: Mae gofal o ansawdd uchel, yn ddiogel, yn effeithlon ac yn darparu'r canlyniadau gorau posibl i bobl		
2.1: Gofal Brys a Gofal mewn Argyfwng	16	Perfformiad a Chyllid
2.2: Gofal a Gynlluniwyd	12	Perfformiad a Chyllid
2.3: Gofal Canser	20	Perfformiad a Chyllid
2.4: Ansawdd, Diogelwch a Chanlyniadau Cleifion	16	Ansawdd a Diogelwch
2.5: Gwranddo ar Bobl	16	Ansawdd a Diogelwch
2.6: Trawsnewid Gwasanaethau Mamolaeth a Newyddenedigol	16	Ansawdd a Diogelwch
2.7: Trawsnewid Iechyd Meddwl	16	Ansawdd a Diogelwch
Amcan 3: Darperir gofal mewn lleoliadau diogel a phriodol wedi'u cefnogi gan atebion digidol arloesol		
3.1: Partneriaethau a Chydweithio	12	Ansawdd a Diogelwch
3.2: Cynnal ein Hystâd	20	Perfformiad a Chyllid
3.3: Cynaliadwyedd Gwasanaethau Digidol	20	Digidol, Data, Ymchwil ac Arloesi
3.4: Methiant i Gyflawni Trawsnewidiad Digidol	20	Digidol, Data, Ymchwil ac Arloesi
3.5: Ymchwil, Datblygu ac Arloesi	12	Digidol, Data, Ymchwil ac Arloesi
Amcan 4: Mae'r bwrdd iechyd yn lle gwych i weithio lle mae staff yn teimlo eu bod yn cael eu gwerthfawrogi ac yn cydweithio tuag at nod cyffredin		

¹ Cofrestr Risg Strategol Rhagfyr 2025

Amcanion Strategol a Theitlau Risg	Sgôr Risg Gyfredol ¹	Pwyllgor Craffu
4.1: Iechyd a Lles Staff a Pherfformiad Sefydliadol	16	Y Gweithlu a Datblygu Sefydliadol
4.2: Arwain a Rheoli	12	Y Gweithlu a Datblygu Sefydliadol
4.3: Diwylliant, Gwerthoedd ac Ymddygiadau	12	Y Gweithlu a Datblygu Sefydliadol
Amcan 5: Mae'r bwrdd iechyd yn sefydliad gwydn, cynaliadwy yn ariannol a chyfrifol		
5.1: Cyflawni Cynaliadwyedd Ariannol	25	Perfformiad a Chyllid

Mae'r SRR yn cynnwys dolenni i risgiau cysylltiedig yn y CRR. Mae proffil y risgiau a gofnodwyd yn y Gofrestr Risgiau Corfforaethol (CRR) ar lefel y bwrdd fel a ganlyn:

Lefel y Risg	Nifer y risgiau yn y CRR ym mis Chwefror 2026
Sgôr Risg o 25	1
Sgôr Risg o 20	13
Sgôr Risg o 16	5
Sgôr Risg 9-15	5
Sgôr Risg o 5-8	0
Sgôr Risg o 1-4	0
Cyfanswm	24

Y risgiau mwyaf arwyddocaol o fewn y CRR yw:

Cyf	Teitl Risg	Sgôr Risg Gyfredol ²	Pwyllgor Craffu
4	Haint sy'n Gysylltiedig â Gofal Iechyd	20	Ansawdd a Diogelwch
60	Seiberddiogelwch	20	Digidol, Data, Ymchwil ac Arloesi

Cyf	Teitl Risg	Sgôr Risg Gyfredol ²	Pwyllgor Craffu

Er ein bod wedi lleihau risgiau mewn rhai meysydd, mae llawer ohonynt wedi parhau. Mae'r profiad a gafwyd yn dilyn gweithredu trefniadau rheoli risg wedi'u hadnewyddu – drwy ymgysylltu parhaus â gwasanaethau a thrwy drafodaethau yng nghyfarfodydd pwyllgorau'r Bwrdd – wedi nodi meysydd pellach lle gellir gwella sicrwydd ynghylch rheoli risgiau ar lefel y Bwrdd ac ar lefel weithredol, yn ogystal â nodi risgiau ychwanegol y dylid eu dyrchafu i gael eu goruchwyllo ar lefel y Bwrdd.

Mae'r tîm Llywodraethu Corfforaethol, Risg a Sicrwydd wedi dechrau cyfarfodydd ag arweinwyr gwasanaethau i fwrw ymlaen â'r gwaith hwn yn 2025-26 ac i mewn i 2026-27.

❖ Y Fframwaith Rheoli

O fewn y grwpiau gwasanaeth, mae Cyfarwyddwyr y Grwpiau Gwasanaeth yn gyfrifol am reoli risg, am sicrhau bod trefniadau effeithiol ar waith i wneud hynny, ac am drosglwyddo risgiau i'r Cyfarwyddwyr Gweithredol pan fo angen.

Fel rhan o'r broses o ail-osod trefniadau rheoli risg a ddechreuodd yn ystod 2024 ac a barhaodd yn ystod 2025, sefydlwyd Grŵp Rheoli Risg diwygiedig o ddechrau 2025. Cyfarfu'r Grŵp Rheoli Risg yn ystod dau chwarter cyntaf blwyddyn ariannol 2025-2026, ond ni chyfarfu yn ystod y trydydd chwarter oherwydd gwrthdaro â chyfarfodydd brys a oedd yn effeithio ar aelodau allweddol. Cyfeiriwyd risgiau i'w huwchraddio at Gadeirydd y Grŵp i wneud penderfyniad yn ystod y cyfnod hwn, a symudwyd gwaith gwella ansoddol yn ei flaen drwy ymgysylltu'n uniongyrchol â gwasanaethau. Darparwyd gwybodaeth am risgiau i swyddogaeth perfformiad y Bwrdd Iechyd er mwyn cefnogi trafodaethau rhwng Cyfarwyddwyr Gweithredol a Grwpiau Gwasanaeth mewn cyfarfodydd adolygu perfformiad.

Yn sgil trafodaethau ar drefniadau llywodraethu'r dyfodol, cytunwyd i ddefnyddio'r Fforwm hwn i ystyried risgiau a godwyd gan wasanaethau wrth symud ymlaen tuag at 2026-27. Bydd goruchwyliaeth ehangach o reoli risgiau gweithredol o fewn gwasanaethau yn cael ei hystyried gan Grŵp Gweithredol Gweithrediaeth newydd.

Mae'r Bwrdd Iechyd yn cydnabod bod nifer o'i brif risgiau yn cael eu dylanwadu gan bartneriaid allanol, neu'n cael eu rhannu â nhw. Yn unol â'r Polisi Rheoli Risg, cydnabyddir bod cyfathrebu ac ymgynghori â rhanddeiliaid a phartneriaid mewnol ac allanol, yn ôl yr angen, ym mhob cam o'r broses rheoli risg ac ynghylch y broses yn ei chyfanrwydd, yn bwysig. Mae hyn yn sicrhau bod risgiau sydd â goblygiadau ar gyfer y system gyfan yn weladwy ar y lefel briodol, a bod sicrwydd yn cael ei geisio gan bartneriaid perthnasol. Bydd amllder y cyfathrebu yn amrywio yn dibynnu ar ddifrifoldeb y risg. Arweinir y broses hon gan yr unigolyn a enwebwyd i arwain ar reoli'r risg; o ran cyfathrebu â rhanddeiliaid allanol, y person hwn fydd y Cyfarwyddwr Gweithredol a benodwyd i arwain ar y risg. Bydd risgiau sylweddol yn cael eu hadrodd i Lywodraeth Cymru drwy'r briff wythnosol gan sefydliadau a chyfarfodydd adolygu perfformiad chwarterol.

Mae'r risgiau mwyaf arwyddocaol y mae'r Bwrdd Iechyd yn eu rheoli wedi'u rhestru yn yr adran uchod o dan y proffil risg. Mae rheolyddion a champau gweithredu allweddol a gymerwyd i reoli risgiau wedi'u cofnodi yn yr SRR a'r CRR, ac mae adroddiadau arnynt wedi'u cyflwyno i'r Bwrdd Rheoli, y Pwyllgor Archwilio a'r Bwrdd. Mae'r tabl isod yn cyflwyno rhai o'r prif fesurau rheoli sydd ar waith i reoli'r risgiau mwyaf arwyddocaol – boed yn rhai newydd neu'n rhai sy'n bodoli eisoes – ar y cofrestrau lefel Bwrdd (gellir gweld manylion llawn yn y cofrestrau cyflawn).

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
COFRESTR RISGIAU STRATEGOL – Y RISGIAU MUYAF ARWYDDOCAOL	
SRR1.1 Dulliau Iechyd y Boblogaeth i Fynd i'r Afael ag Anghydraddoldeb Iechyd Sgôr 20 Os nad yw ein staff yn deall ac yn gweithredu yn unol â darpariaethau'r Strategaeth Iechyd Poblogaeth, ac yn datblygu'r gallu a'r capasiti i weithredu dull systemau i	• Mae'r Tîm Iechyd Cyhoeddus yn dilyn methodoleg sy'n seiliedig ar dystiolaeth ac yn canolbwyntio ar ymgysylltu, er mwyn cefnogi gweithredu'r Strategaeth Iechyd Poblogaeth. • Mae'r Pwyllgor Iechyd Poblogaeth wedi'i sefydlu i oruchwylio'r Strategaeth Iechyd Poblogaeth. • Ymgysylltu ar draws y sefydliad i gefnogi gweithredu'r strategaeth, er mwyn meithrin cymhwysedd, gallu a chapasiti i roi'r strategaeth ar waith. • Mae iechyd y boblogaeth wedi'i integreiddio i brosesau sefydliadol

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
fynd i'r afael â'r heriau o wella iechyd y boblogaeth gyfan, yna mae perygl na fyddwn yn datblygu systemau, prosesau a phartneriaethau effeithiol i ymgorffori a chyflawni'r dulliau iechyd poblogaeth a amlinellir yn y Strategaeth. Gallai hyn arwain at ddirywiad yn iechyd ein poblogaeth, ehangu anghydraddoldebau iechyd a methiant i gyflawni ein dyletswydd statudol fel Bwrdd Iechyd.	allweddol (cynllunio, datblygu achosion busnes, partneriaethau, perfformiad, datblygu strategaeth). • Mae'r dull o weithredu'r strategaeth wedi datblygu arweinyddiaeth ar lefelau tactegol ac gweithredol. • Adroddir ar gynnydd o ran gweithredu'r Strategaeth Iechyd Poblogaeth drwy adroddiadau perfformiad chwarterol Grŵp Cyflawni Gwasanaethau'r Bwrdd Iechyd. • Mae'r Strategaeth Iechyd Poblogaeth wedi'i hintegreiddio i Amcanion Strategol y Bwrdd Iechyd. Mae dangosyddion strategol wedi'u datblygu i gefnogi mesur y gwelliant yn iechyd y boblogaeth.
SRR2.3 Gofal Cancer Sgôr 20 Os nad oes gennym ddigon o staff a digon o gapasiti ffisegol wedi'u trefnu'n effeithiol ar draws pob gwasanaeth – gan gynnwys gofal sylfaenol ac eilaidd – i ddarparu diagnosis a thriniaeth amserol i oedolion a phlant, mae perygl na fyddwn yn gallu gwella'r ddarpariaeth o ofal cancer diogel, effeithiol ac sy'n canolbwyntio ar yr unigolyn; gallai hyn arwain at niwed i gleifion, canlyniadau gwael, ac effaith negyddol ar brofiad cleifion a staff. Bydd hyn yn effeithio nid yn unig ar	• Mae prosesau ar waith i reoli pob achos unigol ar y Llwybr Cancer Unigol (SCP), gan gynnwys monitro gwell a monitro wythnosol ar gynlluniau gweithredu ar gyfer y chwe safle tiwmor mwyaf cyffredin. • Mae mentrau ar waith i ddiogelu capasiti llawfeddygol er mwyn cefnogi Llwybrau Cancer Unigol. • Trafodir perfformiad yn ôl safle'r tiwmor, gan ganolbwyntio ar gydymffurfio â'r targedau canlynol: ○ Apwyntiad cleifion allanol cyntaf erbyn y Diwrnod 10 ○ Cyflwyno penderfyniad i drin (DTT) erbyn diwrnod 31 • Mae datrysiadau allanoli ar waith i gefnogi amseroedd troi o gwmpas patholeg ar gyfer achosion brys lle mae amheuaeth o ganser. • Mae'r Prif Swyddog Gweithredu yn arwain trafodaethau wedi'u targedu gyda'r meysydd tiwmor sydd dan y pwysau

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
gleifion y Bwrdd Iechyd, ond hefyd ar gleifion sefydliadau partner sy'n dibynnu ar y Bwrdd Iechyd hwn fel canolfan ranbarthol ar gyfer gofal cancer.	mwyaf, er mwyn deall y rhwystrau i gydymffurfio â'r llwybrau cenedlaethol gorau posibl ar gyfer cancer. • Mae'r grŵp gwella gwasanaethau cancer yn cyfarfod yn fisol.
SRR3.2 Cynnal ein Hystâd Sgôr 20 Os na fyddwn yn sicrhau digon o gyllid ac yn ei ddefnyddio'n effeithiol i fynd i'r afael â meysydd blaenoriaeth lle mae dirywiad yn digwydd yn ein hadeiladau a'n cyfleusterau ym maes gofal sylfaenol ac eilaidd, gallai ein hadeiladau a/neu'r seilwaith cysylltiedig fethu'n rhannol neu'n llwyr; byddai hyn yn arwain at risg uwch i ddiogelwch cleifion a staff, ac yn tarfu ar ddarpariaeth gwasanaethau.	• Cynnal a Chadw Ataliol Cynlluniedig yn blaenoriaethu'r risgiau uchaf, yn dibynnu ar argaeledd cyllid • Mae rhaglen ar gyfer disodli seilwaith hanfodol (yn amodol ar argaeledd cyfleuster symud dros dro a chamau i sicrhau cyllid). • Caiff gwydnwch y cyflenwad trydanol ei brofi drwy brosesau 'Black Start' ar safleoedd Singleton a Threforys. Mae darparu gwydnwch pellach yn dibynnu ar gyllid. • Mae Strategaeth Ystadau ar waith, sy'n cael ei llywio gan Arolwg Chwe Agwedd. Mae'r arolwg hwnnw bellach wedi'i ddisodli gan adolygiad ac uwchraddiad o Gofrestr Asedau'r Bwrdd Iechyd, er mwyn ffurfio sail ar gyfer cynllunio buddsoddiad cyfalaf yn y dyfodol. • Mae gwaith cynnal a chadw adweithiol yn parhau. Fodd bynnag, mae'r galw'n cynyddu oherwydd toriadau amlach ac oedran seilwaith yr ystâd; mae'r seilwaith hwn yn gofyn am fwy o adnoddau ac mae ganddo gapasiti a gallu cyfyngedig – yn enwedig o ran darparu staff ar gyfer shifftiau 24/7 – gan arwain at risgiau cysylltiedig i barhad busnes. • Mae ymgysylltu â Gwasanaethau Iechyd Meddwl Oedolion, Gwasanaethau Fforensig ac Anableddau Dysgu ynghylch datblygu achos busnes.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
SRR3.3 Cynaliadwyedd Gwasanaethau Digidol Sgôr 20 Os na fydd y Sefydliad yn gallu cynnal ac ailosod systemau ac isadeiledd digidol presennol yn amserol, mae risg y gallai hyn arwain at fethiannau system a gwendidau o ran seiberddiogelwch, gan achosi tarfu ar ddarparu gwasanaethau clinigol. Mae'r risg hon yn cwmpasu'r angen am fuddsoddiad parhaus mewn asedau digidol i sicrhau eu bod yn parhau i fod yn ymarferol ac yn ddiogel. Mae ffactorau sy'n cyfrannu at y risg hon yn cynnwys cyfyngiadau ariannol, seilwaith sy'n heneiddio, a'r angen am ddiweddariadau a chymorth parhaus i fodloni gofynion gwasanaeth sy'n esblygu.	• Polisi Diogelwch Seiber a hyfforddiant gorfodol ar Ddiogelwch Seiber ar waith. • Rhaglen ar waith ar gyfer rheoli systemau ac isadeiledd etifeddol. • Cynllun Ariannol deng mlynedd ar gyfer disodli dyfeisiau a seilwaith. Mae trefniadau blaenoriaethu ar waith i sicrhau bod ystyriaeth yn cael ei rhoi i'r meysydd risg uchaf. • Mae proses wrth gefn na ellir ei newid yn ei lle. • Monitro a diogelu rhwydweithiau, systemau ac isadeiledd yn weithredol. • Mae Cynlluniau Parhad Busnes ar lefel gwasanaeth ar waith i liniaru effaith toriad, ac fe'u rheolir gan y tîm Parodrwydd, Gwydnwch ac Ymateb i Argyfyngau (EPRR). • Proses adolygu yn dilyn pob digwyddiad digidol mawr. • Strategaeth ddigidol ar waith.
SRR3.4 Methiant i Gyflawni Trawsnewidiad Digidol Sgôr 20 Os na fydd y Sefydliad yn gweithredu neu'n defnyddio datrysiadau digidol i gefnogi a thrawsnewid darpariaeth gofal ar draws y Bwrdd	• Mae fframwaith rheoli prosiectau a threfniadau llywodraethu cadarn ar waith o fewn y Gwasanaethau Digidol. • Mae fframwaith buddion a methodoleg ar waith o fewn Gwasanaethau Digidol. • Mae proses y Grŵp Sicrwydd Achosion Busnes y Bwrdd Iechyd yn darparu craffu i sicrhau bod adnoddau digidol yn cael eu hystyried ar gyfer pob prosiect.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
Iechyd, bydd hyn yn rhwystro gallu'r Sefydliad i gyflawni ei Amcanion Strategol a gwneud gwelliannau i ddarpariaeth gwasanaethau. Heb atebion digidol priodol ar waith, mae perygl na fydd y Bwrdd Iechyd yn gallu: diwallu anghenion ei boblogaeth; sicrhau bod gofal o ansawdd uchel ac yn effeithlon; darparu gofal effeithiol mewn amgylchedd sy'n diwallu anghenion y claf orau; mynd i'r afael â'r cyfyngiadau a'r materion sy'n deillio o ddibyniaeth ar gofnodion papur; recriwtio a chadw staff; casglu a dehongli data i lywio'r broses o wneud penderfyniadau a monitro perfformiad i gynorthwyo gwelliannau i wasanaethau; na manteisio ar dechnolegau newydd, fel Deallusrwydd Artiffisial a monitro o bell, a all gefnogi'r gwaith o wella ansawdd a chynaliadwyedd darparu gwasanaethau. Mae'r risg hon yn deillio o gyfyngiadau megis cyfalaf neu refeniw annigonol; capasiti a gallu cyfyngedig o fewn timau digidol, timau Grwpiau Gwasanaeth a	• Mae proses flaenoriaethu ar gyfer Gwasanaethau Digidol ar waith i sicrhau bod ceisiadau am atebion digidol yn cael eu hystyried o ran eu cysylltiad â'r amcan strategol, yr atebion technegol a'r goblygiadau ariannol. Sefydlir Byrddau Prosiect ar gyfer pob prosiect sylweddol. • Mae Grŵp Cyfeirio Clinigol wedi'i sefydlu, gan ddarparu fforwm ar gyfer ymgysylltu â chlinigwyr a chael adborth ganddynt ynghylch datrysiadau a gwelliannau digidol, a chyfeiriad strategol gwasanaethau digidol. Cynhelir cyfarfodydd digidol gyda Grwpiau Cyflwyno Gwasanaethau i nodi a blaenoriaethu gofynion, monitro cynnydd o ran gweithredu, ac ymdrin â materion yn ymwneud â gweithgareddau busnes arferol. • Derbyn, cymeradwyo a chofnodi newidiadau/diweddariadau i'r holl ddatrysiadau digidol presennol drwy'r Bwrdd Cynghori ar Newidiadau i Wasanaethau Digidol. • Mae gan y Bwrdd Iechyd gynrychiolaeth ar grwpiau cenedlaethol fel yr Advanced Analytics Group (AAG), Grŵp Deallusrwydd Busnes a Storio Data Cymru Gyfan a'r Grŵp Cydweithio Fodelu Cymru. • Mae Cynllun Tymor Canolig Integredig (CTCI), Strategaeth Ddigidol, Cynllun Strategol ar gyfer Deallusrwydd Busnes, ynghyd â Pholisi Caffael Digidol a pholisïau sy'n ymwneud â chofnodion iechyd a materion digidol eraill, ar waith.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
thimau corfforaethol; arweinyddiaeth a pherchnogaeth glinigol a gwasanaethol dros drawsnewid digidol; data a seilwaith data; a chyfyngiadau adnoddau eraill fel caffael a rheoli contractau.	
SRR5.1 Cyflawni Cynaliadwyedd Ariannol Sgôr 25 Os methwn â rheoli ein costau'n effeithiol, gan wneud y gorau o gynhyrchiant ac effeithiolrwydd, yna ni fyddwn yn dychwelyd i gydbwysedd ariannol. Bydd hyn yn arwain at ddefnydd gwael o arian cyhoeddus, ac anallu i ddarparu gwasanaethau cynaliadwy i'n cleifion.	• Mae Llythyrau Atebolrwydd Blynnyddol a Fframwaith Rheoli Cyllidebol ar waith. • Mae'r Bwrdd Adfer a Chynaliadwyedd yn goruchwylio'r broses o nodi a chyflawni rhaglenni arbedion strategol hirdymor. • Mae'r dull rheoli cyllidebol yn ei gwneud yn ofynnol i bob Grŵp Gwasanaeth Lunio Strategaeth Ariannol bob blwyddyn. • Mae cyfnewid safbwyntiau yn barhaus ac yn dryloyw gyda Performance and Improvement GIG Cymru a Llywodraeth Cymru. • Mae proses cynllunio ac adrodd ariannol ar waith sy'n cyd-fynd â'r amserlen ehangach ar gyfer cynhyrchu'r CTCI. Mae'r rhain yn darparu amserlen o weithgareddau cynllunio sydd â'r nod o gefnogi'r gwaith o lunio CTCI sy'n gynaliadwy ac yn gytbwys yn ariannol, ac sy'n cyd-fynd â gofynion statudol y Bwrdd Iechyd.
COFRESTR RISG CORFFORAETHOL – Y RISG SY'N BODOLI EISOES MWYAF ARBHENNIG	
CRR92 Diffyg a Ragwelir Sgôr 25 Risg na chyrhaeddir y diffyg a ragwelir oherwydd (1) cynnydd annigonol o	• Cyhoeddwyd Llythyrau Atebolrwydd a Fframwaith Rheoli Cyllidebol i bob Cyfarwyddwr ym mis Ebrill 2025, gan nodi'r disgwyliadau a'r gyllideb ar gyfer 2025/26.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
ran lleihau'r gyfradd wariant gyfredol, (2) methu â chyflawni'r targedau arbed sy'n ofynnol ar draws pob maes.	• Darperir goruchwyliaeth drwy Fwrdd Adfer a Chynaliadwyedd (R&S), sy'n adrodd yn uniongyrchol i'r Pwyllgor Perfformiad a Chyllid ac yn cael ei gadeirio gan y Prif Weithredwr. Cynhelir y Bwrdd hwn bob pythefnos. • Mae'r Tîm Recriwtio a Dethol yn cefnogi'r Bwrdd Recriwtio a Dethol; ar gyfer 2025/26, roedd ganddo adnoddau pwrpasol i arwain y rhaglenni gwaith a gytunwyd ar gyfer y flwyddyn honno (mae'r Bwrdd wedi cytuno ar 5 maes allweddol). • Roedd y dull rheoli cyllidebol ar gyfer 2025/26 yn ei gwneud yn ofynnol i bob Grŵp Gwasanaethau Iunio Strategaeth Ariannol erbyn diwedd mis Mai 2025, ynghyd â chyfarfodydd perfformiad misol parhaus a chyflwyniad i'r Pwyllgor Perfformiad a Chyllid bob pedwar mis. • Mae cyfnewid safbwyntiau tryloyw a pharhaus yn digwydd gyda Gweithrediaeth y GIG a Llywodraeth Cymru, drwy gyfarfodydd wythnosol a misol gyda Gweithrediaeth y GIG. • Cyhoeddir adroddiadau ariannol safonol 'Diwrnod 5' – sy'n ymdrin â thâl amrywiol, perfformiad arbedion ac adroddiad 'Flash' – drwy'r wefan SharePoint. • Terfyn ar Dâl Amrywiol y cytunwyd arno gan y Sefydliad i sicrhau arbedion o £32m fel y nodir yn y Fframwaith Ariannol dyddiedig 30 Mehefin 2025, yn ogystal â gwelliannau pellach i reolaethau y cytunwyd arnynt yn ystod Chwarter 2 a Chwarter 3 drwy'r Bwrdd Adfer a Chynaliadwyedd, gyda rheolaethau a thargedau pellach yn cael eu cytuno

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
	mewn cyfarfod arbennig o'r Bwrdd ym mis Rhagfyr 2025. • Cryfhawyd trefniadau llywodraethu a rheolaethau ar gyfer Adfer a Chynaliadwyedd yn unol â'r argymhellion cychwynnol o waith gan Deloitte (partner allanol). • Datblygodd y Bwrdd Iechyd, ynghyd â'i bartner strategol allanol (Deloitte), gynllun clir i gyflawni'r arbedion o £55.4 miliwn sy'n ofynnol ar gyfer 2025/26.
COFRESTR RISGIAU CORFFORAETHOL – RISGIAU NEWYDD SYDD O BWYS	
CRR104 Methu â chyrraedd targedau Haen 1 ar gyfer Cyflawnrwydd Codio Clinigol Sgôr 20 Oherwydd: Mae nifer yr achosion newydd o gleifion mewnol yn fwy na chapasiti'r staff codio clinigol sydd ar gael; mae anawsterau wrth recriwtio a chadw nifer digonol o staff codio clinigol hyfforddedig i lenwi'r bwlch, ac nid yw gwybodaeth glinigol bob amser o ansawdd digonol nac yn gyflawn yn electronig (fel DALs) i gefnogi gwaith codio cyflym. Risg: Ni chaiff nodiadau clinigol ar gyfer cyfnodau cleifion mewnol eu codio'n amserol.	• Cymeradwywyd cynllun tair blynedd i foderneiddio'r broses godio gan y Bwrdd Gweithredol ar 26 Chwefror 2025, gyda'r nod o weithredu datrysiad codio awtomatig ac ail-raddio'r adran godio glinigol o fewn cyllidebau presennol er mwyn cyrraedd targedau Haen 1 erbyn 27/28. • Mae'r tîm rheoli codio yn asesu'r ddarpariaeth staffio yn ddyddiol i sicrhau bod adnoddau'n cael eu defnyddio yn y ffordd fwyaf effeithlon ac effeithiol, yn unol â'r galw a blaenoriaethau codio clinigol. • Mae rhaglen hyfforddi gynhwysfawr ar waith ar gyfer Codwyr dan Hyfforddiant newydd. • Mae'r Adrannau Codio Clinigol yn codi materion pan fydd gwybodaeth glinigol ar goll o gofnodion iechyd cleifion, gan atal y gweithgaredd rhag cael ei godio'n amserol. Tynnir sylw at y digwyddiadau hyn yng nghyfarfodydd busnes y Gyfarwyddiaeth, a gynhelir yn fisol fel rhan o'r Dangosyddion Perfformiad Allweddol ar gyfer Codio Clinigol.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
Canlyniad: Methu â chyflawni targed Haen 1 Llywodraeth Cymru (sef y dylid codio 95% o weithgareddau cleifion mewnol o fewn 30 diwrnod i'w rhyddhau); Diffyg data wedi'i godio i gefnogi cynllunio gwasanaethau effeithiol ar gyfer anghenion iechyd y boblogaeth; Diffyg data digonol ar gyfer adolygu marwolaethau neu at ddibenion ansawdd a diogelwch, gyda risg uwch o fethu â nodi amrywiadau sy'n effeithio'n negyddol ar lefelau gofal cleifion ac a allai arwain at farwolaethau y gellid eu hosgoi; Effaith negyddol ar gywirdeb dadansoddiadau i ddeall sut mae adnoddau'n cael eu dyrannu a'u defnyddio ar lefel Bwrdd Iechyd ac ar lefel genedlaethol (cyllidebu rhaglenni); Oedi wrth hawlio taliadau ar gyfer llinellau contract sy'n dibynnu ar gymysgedd achosion gyda JCC, Hywel Dda a Cwm Taf (gwerth cyffredinol o tua £70 miliwn y flwyddyn) oherwydd diffyg data codio.	• Mae perfformiad staff codio clinigol yn parhau i gael ei fonitro a'i drafod yn y cyfarfodydd misol ar gyfer Rheolwyr Codio Clinigol, sy'n cael eu cadeirio gan y Pennaeth Cofnodion Iechyd a Chodio Clinigol; yn ogystal, caiff diweddariad ei adrodd a'i gyflwyno ar Gerdyn Sgorio Perfformiad y Bwrdd Iechyd. • Mae ap wedi'i ddatblygu gan Digital Intelligence sy'n dangos unrhyw ddata perthnasol yn ymwneud â chyfnod gofal claf – o wahanol systemau clinigol – mewn un lle, er mwyn lleihau nifer y systemau y mae angen i godwr clinigol fewngofnodi iddynt.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
CRR106 Lleihau Allyriadau Sgôr 20 Os na fyddwn yn nodi cyllid ac yn gweithredu mesurau priodol yn effeithiol ac yn amserol, mae perygl na fydd y Bwrdd Iechyd yn cyrraedd y targedau ar gyfer lleihau allyriadau a osodwyd gan Lywodraeth Cymru; gallai hyn arwain at fethiant ac niwed posibl i'w enw da yng ngolwg Llywodraeth Cymru a'r cyhoedd yn ehangach.	• Darperir arweinyddiaeth y Bwrdd gan y Cyfarwyddwr Gweithredol dros Gynllunio a Phartneriaethau. Mae strwythur llywodraethu ategol ar waith. • Mae Cynllun Gweithredu ar yr Hinsawdd (CAP) 2024-26. • Rheolir y gwaith gweithredu gan y rhai sy'n gyfrifol am y camau gweithredu, drwy eu trefniadau lleol. Darperir sicrwydd i gyfarfod chwarterol Grŵp Llywio Bae Abertawe Gynaliadwy. Mae cymorth ar gael i'r rhai sy'n gyfrifol am gamau gweithredu gan y Tim Cynaliadwyedd ac drwy gyfrwng y Gyfnewidfa Gwybodaeth Hinsawdd chwarterol. • Mae mesurau sy'n angenrheidiol i gyflawni amcanion lleihau allyriadau wedi'u hintegreiddio i strategaethau a chynlluniau eraill, gan gynnwys y Strategaeth Ystadau; yr CTCI; y Strategaeth Ansawdd; y Strategaeth Teithio Cynaliadwy; y Strategaeth Arlwyio Iach a Chynaliadwy; y Strategaeth Gofal Iechyd sy'n Seiliedig ar Werth; y Strategaeth Pobl; a'r Strategaeth Iechyd Poblogaeth. • Mae allyriadau carbon y sefydliad yn un o ddangosyddion strategol y Bwrdd Iechyd. • Mae Grŵp Gwyrdd y Bwrdd Iechyd yn galluogi staff i rannu gwybodaeth a dysgu gan eraill yng Nghymru. • Mae newid hinsawdd a datgarboneiddio yn rhan o'r broses o flaenoriaethu Prosiectau Cyfalaf ar draws sefydliadau GIG Cymru. • Mae'r hinsawdd a chynaliadwyedd yn cael eu hymgorffori yn y Cynllun Gwasanaethau Clinigol.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
	• Mae'r Bwrdd Iechyd yn rhan o drefniadau llywodraethu ehangach Rhaglen Argyfwng Hinsawdd Iechyd a Gofal Cymdeithasol Llywodraeth Cymru, drwy fod yn aelod o nifer o fyrddau'r rhaglen a chymryd rhan ynddynt. • Mae'r Bwrdd Iechyd wedi penodi tri 'Arweinydd Clinigol Cynaliadwyedd' ar gontract. Maent yn gyrru gwaith gofal iechyd cynaliadwy. • Mae cymryd rhan yn y Byrddau Gwasanaethau Cyhoeddus yn Abertawe a Chastell-nedd Port Talbot yn galluogi rhannu arfer gorau a chyfleoedd i gydweithio.
CRR107 Parodrwydd, Gwydnwch ac Ymateb i Argyfyngau (EPRR) ac Adferiad Sgôr 20 Os nad oes gan y Bwrdd Iechyd drefniadau digonol ac effeithiol ar gyfer paratoi, cynllunio, ymateb ac adfer mewn argyfwng ar lefelau corfforaethol ac gweithredol, mae risg na fydd yn gallu ymateb ac adfer yn brydlon, yn effeithlon nac yn effeithiol i ddigwyddiad mawr, materion yn ymwneud â pharhad busnes, neu ddigwyddiad critigol. Gallai hyn arwain at y canlynol at y canlynol: Effeithiau negyddol ar ddarparu gofal cleifion mewn lleoliadau aciwt ac anaciwt; Niwed	• Mae Cyfarwyddwr Gweithredol wedi'i enwebu i arwain ar faterion Argyfyngau Sifil (Cyfarwyddwr Cynllunio a Phartneriaethau). • Mae proses gynhwysfawr ar gyfer rheoli parhad busnes (BCM) ar waith, sy'n galluogi gwasanaethau i asesu a rheoli risgiau ar draws meysydd allweddol parhad busnes (BC) ac i weithredu mesurau lliniaru addas. Mae'r fframwaith parhad busnes yn arweiniad i adrannau ddatblygu eu gweithdrefnau parhad busnes penodol eu hunain. • Mae gweithdrefn strategol gynhwysfawr ar gyfer parhad busnes ar waith. Yn ogystal, mae gan bob Grŵp Gwasanaeth Weithdrefn Barhad Busnes Tactegol gynhwysfawr sy'n amlinellu'r prosesau rheoli tactegol, y protocolau uwchgyfeirio a'r strwythurau ymateb ar gyfer trefniadau effeithiol o ran gorchymyn, rheoli a chydlyn. • Mae strategaeth a rhaglen Parodrwydd, Gwydnwch ac Ymateb i Argyfyngau

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
neu anaf posibl i gleifion a/neu staff; Methu â chydymffurfio â rhwymedigaethau statudol o dan Ddeddf Argyfyngau Sifil 2004; Camau cyfreithiol a chosbau ariannol; Niwed i enw da a llai o ymddiriedaeth y cyhoedd.	(EPRR) ar waith i oruchwylio a sicrhau strategaethau gwell ar gyfer asesu, parodrwydd, atal, ymateb ac adfer. • Mae'r Sefydliad wedi sefydlu mesurau parodrwydd, gwydnwch ac ymateb ar gyfer argyfyngau (EPRR), gyda rhaglenni gwaith a hyfforddiant EPRR wedi'u halinio i fodloni gofynion statudol sy'n ymwneud â digwyddiadau brys sifil. Darperir goruchwyliaeth gan Grŵp Goruchwylio EPRR. • Mae amrywiaeth o brotocolau ymateb i argyfyngau wedi'u datblygu, gan gynnwys Gweithdrefn Digwyddiad Mawr. I gefnogi hyn, mae cyfres o weithdrefnau argyfwng ar lefelau cenedlaethol a rhanbarthol i fynd i'r afael â risgiau cenedlaethol, rhanbarthol a lleol, ac i liniaru eu heffaith, mor effeithiol â phosibl. Mae'r risgiau hyn wedi'u nodi yng nghofrestr Risg a Parodrwydd EPRR y Bwrdd Iechyd, ac maent wedi'u halinio â'r Gofrestr Risg Genedlaethol, Cofrestr Risg a Parodrwydd Cymru, Cofrestr Risg Gymunedol y Fforwm Gwytnwch Lleol (LRF), a chofrestrau risg yr awdurdodau lleol priodol. • Mae'r Bwrdd Iechyd yn cymryd rhan weithredol yn Grŵp Cyngori Cynllunio Argyfyngau Iechyd Gweithrediaeth y GIG ac yn ei is-grwpiau. Yn ogystal, mae'r Bwrdd Iechyd yn rhan o Grŵp Partneriaeth Gwydnwch Cymru a Fforwm Gwydnwch Lleol De Cymru, ac yn cyfrannu at amrywiol grwpiau rhanbarthol neu rai sy'n cwmpasu Cymru gyfan. Mae'r Bwrdd Iechyd yn gweithio'n agos gyda phartneriaid lleol ac yn aelod o grwpiau risg Awdurdodau Lleol Castell-nedd Port Talbot ac Abertawe.

Teitl a Disgrifiad y Risg	Rheolaethau ar waith
	• Mae trefniadau EPRR y Bwrdd Iechyd yn cyd-fynd â gweledigaeth strategol ac amcanion y Bwrdd Iechyd. • Mae dull cyfannol yn cael ei fabwysiadu i ddatblygu, cryfhau a chynnal rhaglen waith EPRR, gan ystyried arweinyddiaeth a llywodraethu, hyfforddiant a datblygu'r gweithlu, cynllunio senarios ac ymarferion, rheoli risg, ymgysylltu â'r gymuned a gwelliant parhaus, gan gynnwys cynnal archwiliadau a gwiriadau sicrwydd rheolaidd yn unol â safonau EPRR GIG Cymru. • Trefnir hyfforddiant ac ymarferion mewnol rheolaidd; cofnodir gwersi a nodwyd yn sgil digwyddiadau ac ymarferion er mwyn eu hymgorffori mewn cynlluniau.

❖ Parodrwydd am Argyfwng

Fel sefydliad ymateb Categori Un o dan Ddeddf Argyfyngau Sifil 2004, mae gan y Bwrdd Iechyd gyfrifoldebau statudol i baratoi ar gyfer ystod eang o argyfyngau, ymateb iddynt ac adfer ar ôl digwyddiadau o'r fath. Mae'r Bwrdd Iechyd yn parhau i fod yn ymrwymedig i ddiogelu cleifion, staff a'r cyhoedd drwy gynnal trefniadau parodrwydd cadarn, gwella gwydnwch sefydliadol, a sicrhau ymateb amserol a chydgyssylltiedig i unrhyw ddigwyddiad sy'n tarfu ar wasanaethau arferol.

Mae dull y Bwrdd Iechyd o ymdrin ag Argyfwng, Parodrwydd, Gwydnwch ac Ymateb (EPRR) yn cael ei weithredu drwy gylch parhaus o asesu risg, cynllunio, hyfforddi, ymarfer, ymateb ac adfer. Mae hyn yn sicrhau bod y Sefydliad yn gallu parhau i ddarparu gwasanaethau diogel ac o safon uchel- gwasanaethau o ansawdd ac teg, hyd yn oed yn ystod yr amgylchiadau mwyaf heriol.

Cynhelir ac adolygir cofrestr risg EPRR bwrpasol yn rheolaidd, gan ei halinio â fframweithiau risg lleol, rhanbarthol a chenedlaethol. Caiff risgiau eu hasesu, eu sgorio a'u monitro, gyda mesurau lliniaru priodol yn eu lle. Cefnogir y gwaith hwn gan Fframwaith Gweithredu EPRR cyffredinol, rhaglen hyfforddi ac ymarfer flynyddol, a phroses dysgu gwersi- cofrestr a nodwyd a chyfres o gynlluniau argyfwng, gan gynnwys y Weithdrefn Digwyddiadau Mawr a threfniadau Rheoli Parhad Busnes.

Darperir goruchwyliaeth strategol gan Grŵp Goruchwyllo EPRR y Bwrdd Iechyd, sy'n monitro cydymffurfiaeth, perfformiad, gwersi a nodwyd a risgiau drwy ddangosfwrdd sicrwydd digidol. Yn ogystal, mae'r Bwrdd Iechyd yn cyflwyno ffurflen sicrwydd flynyddol ar faterion Argyfyngau Sifil i adran Perfformiad a Gwella'r GIG, gan ddangos ei lefel o barodrwydd a nodi cyfleoedd ar gyfer datblygu pellach.

Yn ystod 2025-26, cyflawnodd y Bwrdd Iechyd yn llwyddiannus ei raglen gynlluniedig o hyfforddiant ac ymarferion EPRR, gan asesu gallu'r Sefydliad ar draws amrywiaeth o senarios argyfwng. Cafodd gweithdrefnau parhad busnes eu gweithredu ar nifer o achlysuron mewn ymateb i ddigwyddiadau byw, gan alluogi gwir-profi cynlluniau dros amser a darparu gwersi gwerthfawr. Mae'r holl wersi a nodwyd yn cael eu cofnodi, eu monitro a'u hymgorffori mewn gweithgareddau gwella parhaus. Yn ogystal, mae 2026 wedi gweld lansio rhaglen uchelgeisiol o hyfforddiant ac ymarferion sydd eisoes ar waith o ddifrif.

Mae'r Bwrdd Iechyd yn parhau i chwarae rhan weithredol o fewn strwythurau gwydnwch lleol, rhanbarthol a chenedlaethol, gan weithio'n agos gyda phartneriaid aml-asiantaeth, gwasanaethau brys, Llywodraeth Cymru a sefydliadau GIG Cymru. Mae'r dull cydweithredol hwn yn cryfhau rhyngweithrededd, yn gwella ymwybyddiaeth sefyllfaol a rennir, ac yn cefnogi gallu i ymateb a gwella mewn modd cydgysylltiedig ar gyfer y cymunedau rydym yn eu gwasanaethu.

Mae'r Bwrdd Iechyd yn parhau i fod yn ymrwymedig i ddatblygu ei drefniadau EPRR yn barhaus, aeddfedu prosesau sicrwydd, ac ymgorffori gwydnwch ar draws pob gwasanaeth er mwyn sicrhau gofal diogel, effeithiol a chynaliadwy yn ystod cyfnodau o darfu.

❖ Y Fframwaith Rheoli

Trefniadau Llywodraethu Ansawdd

Mae ein Hadroddiad Ansawdd blynyddol ar wahân yn rhoi trosolwg manwl o'r gwaith rydym yn ei wneud i ddarparu gofal diogel, effeithiol ac o ansawdd uchel i'n cleifion.

Er mwyn cefnogi ein hymrwymiad i wella gwasanaethau'n barhaus ar gyfer y cymunedau rydym yn eu gwasanaethu, rydym wedi ymuno â gwaith cenedlaethol i adolygu ein Systemau Rheoli Ansawdd (QMS). Mae'r Rhaglen Genedlaethol hon yn canolbwyntio ar sut mae sefydliadau'n defnyddio gwybodaeth a mewnwelediad ynghylch ansawdd gofal—gan gynnwys profiad y claf a'u teuluoedd—i ysgogi gwelliant ystyrlon.

Rydym yn falch bod ein Gwasanaethau Amenedigol wedi cael eu dewis i gymryd rhan mewn gwaith cenedlaethol i greu prototeip o System Rheoli

Ansawdd (QMS), ac edrychwn ymlaen at rannu'r hyn a ddysgwyd o'r gwaith hwn ar draws y sefydliad.

Amlinellir crynodeb o'n gwaith ar draws pedwar maes ansawdd isod.

Cynllunio Ansawdd

- Rydym yn falch iawn o fod wedi lansio'r broses rheoli pryderon *Gwrando ar Bobl*, a fydd yn cryfhau'r ffordd rydym yn dysgu o bryderon ac yn gwella profiadau pobl o'n gwasanaethau.
- Fel rhan o ddatblygu'r ffordd rydym yn cyfathrebu â'n cymunedau, rydym wedi ymgysylltu â grwpiau sy'n cael eu clywed yn anaml er mwyn deall pa wybodaeth o safon yr hoffent ei gweld ar gael ar ein gwefan.
- Ym mis Mai, roeddem yn falch iawn o ymgysylltu â miloedd o blant, pobl ifanc a theuluoedd yn Eisteddfod yr Urdd, gan roi mewnwelediad gwerthfawr i ni i'r hyn sydd bwysicaf iddynt o ran eu gwasanaethau iechyd.

Rheoli Ansawdd

- Mae holl elfennau ein Dangosfwrdd Ansawdd bellach ar waith, gan alluogi arweinwyr gwasanaeth i weld dangosyddion ansawdd allweddol ar gipolwg.
- Rydym yn parhau i weithio'n agos gyda'n cydweithwyr yn y Gwasanaethau Digidol i wella'r wybodaeth sydd ar gael i gefnogi goruchwyliaeth o ofal.
- Cafodd ein defnydd o'r Offeryn Rheoli ac Olrhain Archwiliadau (AMaT) ar gyfer rheoli ac sicrhau ansawdd ei restru ar gyfer Gwobr genedlaethol GIG Cymru – cydnabyddiaeth o'n hymrwymiad i gryfhau llywodraethu ac amlygrwydd ansawdd.

Gwella Ansawdd

- Rydym yn parhau i ehangu mynediad at hyfforddiant ar wella ansawdd (QI) fel bod staff yn cael eu grymuso i ysgogi gwelliannau yn eu meysydd gwaith eu hunain.
- Rydym yn hynod falch bod un o'n prosiectau gwella ansawdd – sy'n canolbwyntio ar wella canlyniadau i bobl sy'n byw mewn cartrefi gofal ac yn dioddef cwmp – wedi ennill Gwobr GIG Cymru ac wedi cyrraedd y rhestr fer ar gyfer Gwobr Health Services Journal (HSJ) hefyd.

- Mae ein Fforwm Gwella yn cyfarfod yn fisol, gan ddarparu lle i rannu syniadau, dathlu llwyddiant a dysgu o enghreifftiau o newid cadarnhaol ar draws ein gwasanaethau.

Sicrhau Ansawdd

- Rydym yn parhau i gynnal ystod eang o weithgareddau sicrwydd, gan gynnwys archwiliadau misol heb rybudd o wardiau ac ardaloedd clinigol, ochr yn ochr ag adolygu a dysgu'n strwythuredig o brofiadau a phryderon cleifion.
- Mae ymweliadau sicrwydd bellach wedi'u cyflwyno ar draws lleoliadau cymunedol, gan gryfhau goruchwyliaeth y tu hwnt i amgylcheddau gofal aciwt.
- Mae ein rhaglen ymweld gan Aelodau Annibynnol – sy'n cynnwys ymweliadau misol ar draws amrywiaeth o wasanaethau – bellach wedi hen sefydlu ac yn parhau i ddarparu mewnwelediad allanol gwerthfawr i ansawdd a diogelwch gofal.

Caiff adroddiad blynyddol y Ddyletswydd Ansawdd ei gyhoeddi ar ein gwefan ar gyfer y Pwyllgor Ansawdd a Diogelwch ym mis Mehefin 2026.

Y Ddyletswydd Gonestrwydd

Mae'r Ddyletswydd Gonestrwydd yn ofyniad statudol o dan Ddeddf Iechyd a Gofal Cymdeithasol (Ansawdd ac Ymgysylltu) (Cymru) 2020. Mae'n ei gwneud yn ofynnol i gyrff GIG Cymru fod yn agored ac yn dryloyw gyda phobl pan fydd digwyddiad diogelwch hysbysadwy cymwys wedi digwydd, gan gynnwys cynnig ymddiheuriad, esboniad o'r hyn a wyddys ar y pryd, a chyfathrebu a chymorth parhaus.

Arweinir y gwaith llywodraethu a goruchwyllo ar gyfer y Ddyletswydd Gonestrwydd gan y Cyfarwyddwr Gweithredol Nyrsio. Mae hyn yn cynnwys darparu sicrwydd bod prosesau sy'n ymwneud â'r Ddyletswydd Gonestrwydd ar waith, bod digwyddiadau'n cael eu nodi a'u hadolygu'n briodol, a bod gwersi'n cael eu trosi'n welliannau i'r gwasanaeth.

Mae'r Bwrdd Iechyd yn parhau i gryfhau trefniadau i gefnogi adnabod digwyddiadau cymwys yn amserol, dogfennu clir, a chyfathrebu effeithiol ag unigolion a theuluoedd. Cefnogir staff i gynnal sgysiau ynghylch y Ddyletswydd i fod yn Agored a Gonest mewn ffordd dosturiol sy'n canolbwyntio ar yr unigolyn, gyda mynediad at gyngor ac arweiniad lle bo angen.

Ystyrir themâu a gwersi a nodwyd drwy'r Ddyletswydd Gonestrwydd ochr yn ochr â gwybodaeth arall am ansawdd a diogelwch, gan gynnwys y broses 'Rhoi Pethau'n Iawn' (Putting Things Right), er mwyn cefnogi gwelliant a lleihau'r risg y bydd pethau'n digwydd eto.

Cod Llywodraethu Corfforaethol

Ar gyfer GIG Cymru, diffinnir llywodraethu fel 'system o atebolrwydd i ddinasyddion, defnyddwyr gwasanaethau, rhanddeiliaid a'r gymuned ehangach, y mae sefydliadau gofal iechyd yn gweithio, yn gwneud penderfyniadau ac yn arwain eu pobl oddi fewn iddi er mwyn cyflawni eu hamcanion'. Mae hyn yn sicrhau bod cyrff y GIG yn gwneud y pethau cywir, yn y ffordd gywir, ar gyfer y bobl gywir, mewn modd sy'n cynnal y gwerthoedd a bennwyd ar gyfer y sector cyhoeddus.

Cynhaliwyd asesiad o gydymffurfiaeth â chod Llywodraethu Corfforaethol Trysorlys Ei Fawrhydi ym mis Chwefror 2026, ac ni chanfuwyd unrhyw wriadau oddi wrth y cod. Adroddwyd hyn i'r [Pwyllgor Archwilio ym mis Mawrth 2026](#).

Comisiynu Gofal a Chymorth yng Nghymru: Cod Ymarfer

Yn ystod 2025-26, parhaodd y Bwrdd Iechyd i weithredu'r Fframwaith Cenedlaethol ar gyfer Comisiynu Gofal a Chymorth yng Nghymru: Cod ymarfer. Canolbwyntiodd y gwaith hwn ar gryfhau trefniadau ar gyfer Gofal Iechyd Parhaus y GIG (CHC) a chomisiynu gofal cymhleth, gwella cysondeb wrth wneud penderfyniadau, a chefnogi dulliau teg a chynaliadwy o reoli'r farchnad.

Cafodd llywodraethu a goruchwyliaeth eu cryfhau drwy sefydlu Bwrdd Rhaglen aml-swyddogaethol ar gyfer Gofal Iechyd Parhaus (CHC) a Gofal Cymhleth, gan ddarparu llwybr cydgysylltiedig ar gyfer arweinyddiaeth, rheoli risg, uwchgyfeirio ac adrodd. Cryfhawyd gwaith partneriaeth gydag Awdurdodau Lleol hefyd, gan gefnogi dulliau ar y cyd o ymdrin â heriau comisiynu a gwella'r broses o ddatrys problemau ar y cyd.

Gwnaeth y Bwrdd Iechyd gynnydd tuag at ddull rhanbarthol o bennu ffioedd a sefydlodd swyddogaeth gomisiynu fwy canolog ar gyfer comisiynu ar gyfer cleifion unigol, gan ei alinio â'r cylch comisiynu. Dechreuwyd hefyd ar y gwaith o gwblhau'r offeryn cymorth gweithredu ar gyfer hunanasesiad y Cod; bydd y canlyniadau'n llywio blaenoriaethau ar gyfer gwelliant pellach, gan gynnwys egluro rolau a chyfrifoldebau, cryfhau sicrwydd, ac olrhain y gwaith cyflawni yn 2026-27.

❖ Trefniadau Cynllunio

Asesiad yn erbyn Adran 175 o Ddeddf y Gwasanaeth Iechyd Gwladol (Cymru) 2014

Mae dau ofyniad i'r bwrdd iechyd eu bodloni o dan y Ddeddf:

1. sicrhau nad yw gwariant yn fwy na chyfanswm y cyllid a ddyrannwyd iddo dros gyfnod o dair blynedd ariannol;

Ar gyfer 2025-26, nid yw'r Bwrdd Iechyd wedi cyflawni ei

ddyletswydd ariannol o aros o fewn y cyllid a ddarparwyd ar gyfer gwariant refeniw, fel y nodir isod. Felly, ni chyflawnodd y Bwrdd Iechyd ei ddyletswydd ariannol i dorri'n gyfartal dros y cyfnod tair blynedd rhwng 2023-24 a 2025-26.

	2023-24 £000	2024-25 £000	2025-26 £000	Cyfanswm £000
Costau gweithredu net ar gyfer y flwyddyn	1,282,337	1,420,276	1,467,808	4,170,421
Llai gwariant ar wasanaethau offthalmig cyffredinol a gwariant arall nad yw'n ddarostyngedig i derfyn arian parod	1,562	833	615	3,010
Llai o ganlyniadau refeniw heb eu hariannu o gynnwys cynlluniau PFI yn y Datganiad o Safle Ariannol	(2,711)	(3,352)	261	(5,802)
Llai unrhyw ganlyniadau refeniw heb eu hariannu o IFRS 16	0	0	0	0
Cyfanswm y costau gweithredu	1,281,188	1,417,758	1,468,684	4,167,629
Dyraniad Adnoddau Refeniw	1,264,375	1,375,303	1,415,523	4,055,201
Tanwariant /(gorwariant) yn erbyn y Dyraniad	(16,813)	(42,454)	(53,161)	(112,428)

Mae'r tabl uchod yn crynhoi perfformiad y Bwrdd Iechyd yn erbyn ei derfyn adnoddau refeniw, ac mae'r perfformiad ariannol llawn wedi'i nodi yn ddiweddarach yn yr adroddiad hwn fel rhan o'r cyfrifon ariannol.

2. Paratoi cynllun sy'n nodi'r strategaeth ar gyfer sicrhau cydymffurfiaeth â'r ddyletswydd wrth wella gofal iechyd, a chyflwyno'r cynllun hwnnw i Lywodraeth Cymru a'i gael wedi'i gymeradwyo ganddi.

Gan na allai'r Bwrdd Iechyd Lleol gyflwyno cynllun tymor canolig integredig a chytbwys yn unol â Fframwaith Cynllunio GIG Cymru, cyflwynodd y Bwrdd Gynllun Blynyddol ar gyfer 2025-26 ar 31 Mawrth 2025. Nid oedd y cynllun hwn yn cynnwys sefyllfa o dorri'n gyfartal. Cyhoeddwyd ymateb i'r Cynllun Blynyddol gan Lywodraeth Cymru ar 11 Ebrill 2025.

Gyda chefnogaeth Llywodraeth Cymru, comisiynodd y Bwrdd Iechyd gymorth strategol allanol yn canolbwyntio ar naw prif ganlyniad, ond ar gyfer 2025-26, y prif ffocws oedd nodi a chyflawni arbedion. Drwy gydol 2025-26, bu'r Bwrdd Iechyd yn gweithio gyda Llywodraeth Cymru a'i bartner allanol i nodi opsiynau i gyrraedd y targed arbedion a nodwyd yn y cynllun blynyddol; ym mis Medi, darparwyd diweddariad ffurfiol i Lywodraeth Cymru a oedd yn cydfynd â'r ddogfen a gyflwynwyd i'r Bwrdd Arbennig ar 11 Medi 2025. Parhaodd y gwaith drwy gydol gweddill 2025-26 ar y mater hwn o gyflawni arbedion.

Fodd bynnag, nid yw'r Bwrdd Iechyd wedi gallu cyflawni ei ddyletswydd statudol i fod â chynllun ariannol cymeradwy.

❖ **Datganiadau Datgelu**

Cydraddoldeb, Amrywiaeth, Cynhwysiant a Hawliau Dynol

Mae'r Bwrdd Iechyd wedi ymrwymo i drin pawb yn deg ac nid yw'n goddef gwahaniaethu ar sail oedran, anabledd, hunaniaeth rhyw, statws priodas neu bartneriaeth sifil, beichiogrwydd neu famolaeth, hil neu genedligrwydd, crefydd neu gred, rhyw neu gyfeiriadedd rhywiol. Mae'n parhau i ehangu mynediad at gyfleoedd cyflogaeth a hyfforddiant er mwyn denu, datblygu a meithrin pobl o gefndiroedd gwahanol.

'Rydym i gyd yn Perthyn' yw [Cynllun Strategol Cydraddoldeb y Bwrdd Iechyd ar gyfer 2025-2028](#). Fe wnaethom alw'r cynllun hwn 'Rydym i gyd yn Perthyn' oherwydd, drwy gydol ein trafodaethau â phobl – boed yn aelodau o'r cyhoedd, cleifion, teuluoedd neu ein staff – dywedasant wrthym eu bod yn teimlo bod rhwystrau i gael mynediad at wasanaethau oherwydd eu nodwedd(au) gwarchodedig o dan Ddeddf Cydraddoldeb 2010, a'u bod yn cael eu gwneud i deimlo'n wahanol o fewn ein gwasanaethau. Roeddem am sicrhau bod pob unigolyn yn teimlo ei fod yn perthyn i'n holl wasanaethau – boed yn ddefnyddiwr gwasanaeth, yn aelod o'r teulu sy'n eu cefnogi, neu'n aelod o'r staff. Roedd hyn hefyd yn berthnasol i wasanaethau a gomisiynwyd gennym gan sefydliadau eraill ar gyfer ein poblogaeth.

Mae'r Bwrdd Iechyd yn sicrhau bod effeithiau posibl unrhyw newidiadau i'w wasanaethau yn cael eu hystyried mewn perthynas â'r grwpiau â nodweddion gwarchodedig a nodir uchod, yn unol â Deddf Cydraddoldeb 2010. Mae'n gwneud hyn drwy ddatblygu asesiadau o'r effaith ar gydraddoldeb ar gyfer y newidiadau arfaethedig hyn, sy'n amlinellu unrhyw effeithiau – gan gynnwys y rhai sy'n codi o dan y ddyletswydd economaidd-gymdeithasol – er mwyn i'r rhain gael eu hystyried wrth wneud penderfyniadau ynghylch newid gwasanaethau. Gwneir hyn mewn partneriaeth â Llais (a elwid gynt yn Gyngor Iechyd Cymunedol Bae

Abertawe), fel corff gwarchod lleol y GIG, er mwyn sicrhau eu bod yn cael eu nodi a'u hystyried yn briodol fel rhan o hyn.

Llywodraethu Gwybodaeth

Mae'r Bwrdd Iechyd yn cynnal fframwaith Llywodraethu Gwybodaeth (IG) cadarn i sicrhau bod gwybodaeth yn cael ei rheoli, ei diogelu a'i defnyddio'n gyfrifol ar draws y sefydliad. Mae'r fframwaith hwn yn cynnwys:

- **Y Pwyllgor Digidol, Data, Ymchwil ac Arloesi (DDRI)**, sy'n goruchwyllo'r agenda llywodraethu gwybodaeth ar lefel is-bwyllgor y Bwrdd.
- **Y Grŵp Sicrwydd Llywodraethu Gwybodaeth a Diogelwch Seiber (IGCAG)**, sy'n cefnogi, yn craffu ar ac yn gyrru'r agenda Llywodraethu Gwybodaeth, gan ddarparu sicrwydd i DDRI bod rheolaethau effeithiol a mecanweithiau arfer gorau ar waith.
- **Gwarcheidwad Caldicott**, sy'n gyfrifol am ddiogelu cyfrinachedd gwybodaeth cleifion a sicrhau bod gwybodaeth yn cael ei rhannu'n briodol.
- **Perchennog Risg Gwybodaeth Uwch (SIRO)**, sy'n ysgwyddo cyfrifoldeb strategol am risg gwybodaeth ac yn sicrhau ei bod yn cael ei rheoli'n effeithiol ar lefel gorfforaethol.
- **Swyddog Diogelu Data (DPO)**, sy'n goruchwyllo cydymffurfiaeth â deddfwriaeth diogelu data ac yn cynghori ar risgiau a rhwymedigaethau cysylltiedig.
- **Hyrwyddwyr Llywodraethu Gwybodaeth** ym mhob Grŵp Cyflawni Gwasanaeth ac adran gorfforaethol, sy'n hyrwyddo cydymffurfiaeth â diogelu data ac arferion llywodraethu gwybodaeth da yn eu maes gwaith.

Mae'r Bwrdd Iechyd yn gweithio yn unol â chynllun gwaith strategol pwrpasol ar gyfer Llywodraethu Gwybodaeth, sy'n sicrhau bod cydymffurfiaeth y sefydliad â rheoliadau diogelu data yn cael ei chynnal, ei hadolygu a'i datblygu ymhellach. Cyflawnir gwelliant parhaus drwy fonitro, gweithgareddau sicrwydd ac adrodd i'r Grŵp Sicrwydd Llywodraethu Gwybodaeth a Diogelwch Seiber ac i'r Pwyllgor Digidol, Data, Ymchwil ac Arloesi.

Yn unol â deddfwriaeth diogelu data, rhaid adrodd am doriadau data personol sy'n bodloni'r meini prawf hysbysu statudol i Swyddfa'r Comisiynydd Gwybodaeth (ICO). Yn ystod blwyddyn ariannol 2025–26, hysbyswyd yr ICO am **saith achos o dorri rheolau**. Darperir crynodeb o'r digwyddiadau hyn yn y tabl isod.

Lle mae'r ICO wedi cyhoeddi argymhellion, mae'r Bwrdd Iechyd wedi ystyried eu gweithredu er mwyn helpu i gryfhau arferion sefydliadol a lleihau'r tebygolrwydd y bydd y sefyllfa'n codi eto.

Categori Torri Rheolau	Crynodeb o'r Toriad	Crynodeb o'r Camau Gweithredu
Mynediad Heb Awdurdod (ICO_055)	Cafodd aelod o'r staff fynediad at gofnodion electronig heb ddiddordeb busnes dilys.	• Cynhaliwyd adolygiad rheoli mewnol a dilynwyd y weithdrefn ddisgyblu. • Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella. • Canfyddiadau'r Bwrdd Iechyd wedi'u darparu i'r Heddlu.
Datgelu – Papur (ICO_056)	Anfonwyd llythyr yn cynnwys data iechyd i gyfeiriad anghywir. Agorwyd y llythyr yn dilyn hynny gan dderbynnydd na fwriadwyd iddo ei dderbyn.	• Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Ceisir cyngor cyfreithiol. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella.
Datgelu - Papur (ICO_057)	Atodwyd canlyniadau meddygol ar gam at ohebiaeth claf arall a'u hanfon at y derbynnydd anghywir.	• Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Datblygwyd a dosbarthwyd Gweithdrefn Weithredu Safonol o fewn y tîm perthnasol. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella.

Datgelu – Llafar (ICO_058)	Datgelwyd gwybodaeth ynghylch mynychu apwyntiad i aelod o'r teulu heb gydsyniad penodol y claf.	• Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Gweithdrefn Weithredu Safonol wedi'i datblygu a'i dosbarthu o fewn y tîm perthnasol. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella.
Digwyddiad Diogelwch Seiber (ICO_059)	Cafodd y Bwrdd Iechyd gadarnhad bod data wedi'i gyrchu yn ystod ymosodiad seiber blaenorol ar un o'i gyflenwyr trydydd parti yn 2024.	• Barnwyd bod y risg o ail-adnabod data yn isel, ac felly na chyrhaeddwyd y trothwy ar gyfer hysbysu'r ICO. Fodd bynnag, oherwydd natur amlwg y digwyddiad hwn a'r ffaith bod nifer o sefydliadau'r GIG yn y DU yn rhan ohono, penderfynwyd rhoi'r wybodaeth ddiweddaraf i'r ICO.
Mynediad Heb Awdurdod (ICO_060)	Cafodd aelod o staff fynediad at gofnodion heb ddiddordeb busnes dyls.	• Cynhaliwyd adolygiad rheoli mewnol a gweithdrefn ddisgyblu. • Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella. • Canfyddiadau'r Bwrdd Iechyd wedi'u darparu i'r Heddlu.
Mynediad Heb Awdurdod (ICO_061)	Cafodd aelod o staff fynediad at gofnodion heb ddiddordeb busnes dyls.	• Ymchwiliad i'r achos sylfaenol a chamau lliniaru a gymerwyd i leihau'r risg y byddai'n digwydd eto. • Cynhaliwyd proses archwilio Llywodraethu Gwybodaeth a darparwyd argymhellion ar gyfer gwella. • Canfyddiadau'r Bwrdd Iechyd wedi'u darparu i'r Heddlu.

Cyfarwyddiadau Gweinidogol

Mae Llywodraeth Cymru wedi cyhoeddi offerynnau anstatudol a chylchlythyrau iechyd Cymru (WHC) ers 2014-15, a gellir gweld rhestr o gyfarwyddiadau gweinidogol a ddosbarthwyd ar gyfer 2025-26 ar [wefan Llywodraeth Cymru](#). Mae'r holl gyfarwyddiadau perthnasol wedi cael eu hystyried yn llawn a'u gweithredu'n briodol; mae cylchlythyrau iechyd Cymru wedi'u cofnodi ar lefel gorfforaethol ac arweinydd gweithredol wedi'i benodi, yn ogystal â bod adroddiadau wedi'u cyflwyno i'r Bwrdd. Mae'r rhain wedi'u nodi yn **atodiad 5**.

Deddf Lles Cenedlaethau'r Dyfodol

Cyhoeddodd y Bwrdd ei amcanion gwreiddiol mewn perthynas â Deddf Lles Cenedlaethau'r Dyfodol yn 2017 yn ei ddatganiad lles, ac yna eu hymgorffori fel rhan o'r strategaeth sefydliadol. Y rhain oedd:

- Rhoi'r dechrau gorau mewn bywyd i bob plentyn;
- Cysylltu cymunedau â gwasanaethau a chyfleusterau;
- Cynnal iechyd, annibyniaeth a gwydnwch cymunedau o unigolion, cymunedau a teuluoedd.

Yn dilyn hunanasesiad o Ddeddf Lles Cenedlaethau'r Dyfodol ym mis Awst 2019, awgrymodd yr adborth a ddarparwyd gan Gomisiynydd Cenedlaethau'r Dyfodol i'r Bwrdd Iechyd fod angen aliniad gwell rhwng ei Amcanion Lles a'r saith Nod Lles Cenedlaethol, yn enwedig y rhai sy'n ymwneud â'r amgylchedd, diwylliant (gan gynnwys yr iaith Gymraeg) ac effaith fyd-eang. Ar y sail honno, cytunodd y tîm uwch-arweiniaeth y dylid adolygu'r Amcanion Lles presennol a chyhoeddi set o Amcanion Lles wedi'u hadnewyddu yn y cynllun blyneddol.

Nododd yr ymgysylltu ynghylch yr adnewyddiad yr angen i ystyried hefyd:

- Ein rôl fel darparwr, comisiynydd, partner a chyflogwr;
- Rheolaeth uniongyrchol, cydweithio a chyfleoedd i ddylanwadu;
- Y gallu i ddangos cyflawniad;
- Canolbwyntio ar anghydraddoldebau iechyd a chynhwysoldeb;
- Defnyddio iaith glir, gryno a syml.

Cytunwyd ar y Nodau Lles wedi'u hadnewyddu i'w cynnwys yn y Cynllun Blyneddol fel y nodir isod, ac maent yn parhau i fod mewn grym:

Yn ein rôl fel Sefydliad Angor yn y rhanbarth, rydym yn gyflogwr mawr, yn gomisiynydd ac yn ddarparwr gwasanaethau iechyd a gofal, ac yn cyfrannu'n sylweddol at leihau anghydraddoldebau iechyd. I gefnogi hyn, byddwn yn cydweithio â chymunedau a phartneriaid i:

- *Rhoi'r dechrau gorau mewn bywyd i bob plentyn*
- *Meithrin a defnyddio'r amgylchedd i wella iechyd a lles*

- *Gweithredu arferion recriwtio moesegol a chefnogi gweithwyr iechedd a gofal i fod yn iach, yn fedrus, yn amrywiol ac yn wyd.*
- *Cynllunio, comisiynu, darparu a hyrwyddo gwasanaethau iechedd a lles sy'n deg, yn gynhwysol ac yn hygyrch*
- *Darparu cyfleoedd i gefnogi pob oedolyn i fod yn iachach ac i heneiddio'n dda*
- *Ceisio dyrannu ein hadnoddau i ddiwallu anghenion iechedd y boblogaeth ac i wella iechedd y boblogaeth.*

Er bod Canllawiau Cenedlaethol yn ei gwneud yn ofynnol i'r Bwrdd Iechyd gyhoeddi'n flynyddol y cynnydd a wnaed wrth gyflawni'r Amcanion Lles ar gyfer pob blwyddyn ariannol flaenorol, os bydd yr Adolygiad Blynnyddol yn canfod nad yw un neu ragor o amcanion yn gwneud y mwyaf o'r cyfraniad at gyflawni'r Nodau Lles mwyach, rhaid eu newid a chyhoeddi Amcanion Lles newydd cyn gynted â phosibl.

Caethwasiaeth Fodern

Mae caethwasiaeth fodern yn drosedd ac yn groes i hawliau dynol sylfaenol. Mae'n cymryd ffurfiau amrywiol, megis caethwasiaeth, caethiwed, llafur gorfodol a masnachu mewn pobl; y nodwedd gyffredin rhyngddynt oll yw amddifadu person o'i ryddid gan berson arall er mwyn eu hecsbloetio ar gyfer elw personol neu fasnachol. Gwneir y datganiad hwn yn unol ag adran 5(1) o [Ddeddf Caethwasiaeth Fodern 2015](#) ac mae'n ffurfio Datganiad Caethwasiaeth a Masnachu mewn Bodau Dynol y Bwrdd Iechyd ar gyfer y flwyddyn ariannol 2025-2026.

Y Gymraeg

Fel Bwrdd Iechyd, cydnabyddir y rhan hanfodol sydd gan yr iaith a'r diwylliant Cymraeg wrth ddarparu gwasanaethau iechedd a gofal cymdeithasol i'n poblogaeth leol. Mae llawer o bobl yn dewis derbyn gwasanaethau yn Gymraeg oherwydd mai dyna sy'n well ganddyn nhw. I eraill, fodd bynnag, mae'n fwy na mater o ddewis – mater o angen ydyw. Mae'n arbennig o bwysig i lawer o bobl agored i niwed a'u teuluoedd sydd angen cael mynediad at wasanaethau yn eu hiaith gyntaf – fel pobl hŷn â dementia neu sydd wedi cael strôc, a allai golli eu hail iaith, a phlant sy'n siarad Cymraeg yn unig. Yn ogystal, wrth drafod iechedd meddwl, mae'n bwysig gallu cyfathrebu yn eich iaith gyntaf i fynegi teimladau, syniadau ac emosiynau. Mae [adroddiad blynnyddol](#) ein gwasanaeth iaith Gymraeg bellach ar gael ar ein gwefan.

Cynaliadwyedd a Lleihau Carbon

Yn ystod 2025-26, mae'r Bwrdd Iechyd wedi cryfhau ei naratif cynaliadwyedd yn sylweddol. Mae'r cynnydd hwn wedi'i ysgogi gan strwythur llywodraethu cadarn a chydweithredol; ymgysylltu gweithredol â staff; hyrwyddo mentrau arloesol ac effeithiol gan y Tîm Cyfathrebu; a gwaith partneriaeth cryf ar draws y Byrddau Gwasanaethau Cyhoeddus (BGCau) a system ehangach GIG Cymru. Dros y flwyddyn ddiwethaf,

mae'r Fframwaith Llywodraethu wedi datblygu ymhellach i ddarparu cyfeiriad a chymorth cliriach ar gyfer gwaith addasu i'r hinsawdd, yn fewnol o fewn y sefydliad ac mewn cydweithrediad â phartneriaid y Bwrdd Gwasanaethau Cyhoeddus. Mae manylion am y gwaith sy'n ymwneud â gofal iechyd cynaliadwy i'w gweld ar wefan y bwrdd iechyd: [Darparu gofal iechyd cynaliadwy - Bwrdd Iechyd Prifysgol Bae Abertawe](#)

Yn 2025-26, mae'r Bwrdd Iechyd wedi canolbwyntio ar wella ei waith o weithredu Deddf Lles Cenedlaethau'r Dyfodol drwy ymgorffori'r pum ffordd o weithio yn y broses o gynllunio strategol, a thrwy lansio ein Strategaeth Sefydliadol, ' *Bae Abertawe Iachach* ', sy'n darparu cyfeiriad strategol hirdymor clir ac amcanion sy'n cyd-fynd ag egwyddorion y Ddeddf. Cyhoeddassom ' *Ein Taith tuag at Ofal Iechyd Cynaliadwy 2024-25* ' a chyflwyno ymateb ffurfiol i adroddiad 2025 Comisiynydd Cenedlaethau'r Dyfodol. Mae trefniadau partneriaeth y Bwrdd Iechyd, drwy Fyrddau Gwasanaethau Cyhoeddus Abertawe a Chastell-nedd, yn parhau i fod y prif gyfrwng ar gyfer cyflawni blaenoriaethau'r Ddeddf ar raddfa ranbarthol. Rydym yn parhau i gydweithio i gyflawni'r blaenoriaethau a nodir yn y Cynlluniau Lles, yn enwedig o ran mentrau sy'n canolbwyntio ar atal a thegwch, ac sy'n cyd-fynd â Chynllun Strategol Iechyd Poblogaeth Bae Abertawe ac egwyddorion Marmot. Mae'r rhain yn cynnwys y System Fwyd, gyda ffocws arbennig ar gaffael, Plant a Phobl Ifanc, a Gweithredu ar yr Hinsawdd.

Economi sylfaenol (FE)

Yr Economi Sylfaenol yw'r rhan honno o'n heconomi sy'n creu ac yn dosbarthu nwyddau a gwasanaethau rydym yn dibynnu arnynt ar gyfer bywyd bob dydd, gan gynnwys iechyd. Mae'n ceisio deall sut mae gwariant cyhoeddus yn gysylltiedig â lles y rhanbarth, a gellir ei ystyried drwy lensys pobl, lle a chaffael.

Caiff y gwaith hwn ei gryfhau ymhellach drwy weithgareddau o fewn Cydbwyllgor Rhanbarthol De-orllewin Cymru (RJC) ac Is-grŵp yr Economi Iechyd Ranbarthol, lle mae dull y '4P'—pobl, lle, caffael a phartneriaeth—wedi'i wreiddio yn y rhaglen waith y cytunwyd arni. Arweinir y rhaglen ar y cyd gan Gyfarwyddwyr Iechyd Cyhoeddus Bwrdd Iechyd Prifysgol Bae Abertawe a Bwrdd Iechyd Prifysgol Hywel Dda, gan sicrhau aliniad cryf a ffocws cyffredin ar ddulliau sy'n cael eu harwain gan atal.

POBL: Mae gweithgareddau sy'n cyd-fynd â'r Economi Sylfaenol ac a gyflawnwyd eleni yn cynnwys:

- **Cryfhau mynediad y gymuned at waith teg a diogel**, drwy gydweithio parhaus rhwng timau ar raglenni sy'n cynnwys nodi rolau lefel mynediad yn gynnar, a darparu sesiynau gwybodaeth am yrfaoedd mewn ysgolion lleol a lleoliadau cymunedol – gan gynnwys

sesiynau mewn ysgolion lleol ar gyfer Anghenion Addysgol Arbennig (SEN) sy'n tynnu sylw at yr ystod eang o yrfaeodd yn y GIG. Mae hyn yn cefnogi pobl leol i gael gwaith sefydlog mewn sector sylfaenol allweddol.

- **Creu llwybrau â chymorth ar gyfer unigolion ag anghenion dysgu ychwanegol**, ac ehangu rhaglenni sy'n symud myfyrwyr o leoliadau profiad gwaith hirdymor i rolau prentisiaeth strwythuredig. Mae hyn yn cryfhau cyflogaeth gynhwysol, yn lleihau rhwystrau i gymryd rhan yn y farchnad lafur yn y tymor hir, ac yn cefnogi mynediad teg at gyfleoedd yn y sector cyhoeddus.
- **Datblygu llwybrau talent mewnol**, gan gynnwys nodi talent a gweithio mewn partneriaeth â'r tîm Cynllunio'r Gweithlu i gefnogi cadw staff, uwchsgilio a datblygiad gyrfaol ar gyfer staff presennol. Mae hyn yn cyd-fynd â'r egwyddor sylfaenol o gynnal swyddi lleol a chryfhau gallu'r gweithlu yn y tymor hir; gan arwain at recriwtio prentisiaid trydanol (sy'n cyfateb i 2.0 o swyddi amser llawn) yn yr Adran Ystadau.
- **Cryfhau partneriaethau â darparwyr cyflogadwyedd rhanbarthol a sefydliadau'r trydydd sector**, gan alluogi cymorth wedi'i dargedu ar gyfer unigolion sydd allan o waith ar hyn o bryd, gan gynnwys hyfforddiant cyn cyflogaeth, lleoliadau blasu a rhaglenni paratoi ar gyfer gwaith. Mae'r partneriaethau hyn yn helpu i fynd i'r afael ag anghydraddoldebau cymdeithasol ehangach a hyrwyddo cyfranogiad economaidd ar draws y rhanbarth, ac mae rhaglenni newydd o fewn y tîm Hyfforddiant Galwedigaethol yn parhau i ddarparu hyn.
- **Ehangu mynediad at brentisiaethau a llwybrau ehangu cyfranogiad**, a chynyddu cyfleoedd Lefel 2 a Lefel 3 i bobl ifanc, y rhai sy'n newid gyrfa ac unigolion sy'n wynebu rhwystrau rhag cael gwaith. Mae hyn yn cefnogi datblygiad y gweithlu lleol yn y tymor hir ac yn cryfhau cyfraniad y sector cyhoeddus i wydnwch economaidd yr ardal; trwy ddefnyddio prentisiaethau yn lle recriwtio ar sail cyfnewid un-am-un, ac ystyried sut y gellir ailgynllunio rolau i ddiwallu anghenion y sefydliad.
- **Darparu gweithdai sy'n canolbwyntio ar gyflogadwyedd a sgiliau**, gan gynnwys cymorth gyda CVs a chyfweliadau sy'n gysylltiedig ag ymgyrchoedd recriwtio y Bwrdd Iechyd, gan sicrhau bod cymunedau lleol yn gallu elwa'n uniongyrchol ar greu swyddi yn y sector cyhoeddus a'r galw am weithlu.
- **Gwella'r broses o fonitro a gwerthuso llwybrau cyflogaeth**, a chyflwyno dulliau gwell o olrhain cyfranogiad a chanlyniadau, er mwyn sicrhau bod mentrau'n cyflawni buddion cymdeithasol ac economaidd mesuradwy sy'n cyd-fynd â blaenoriaethau'r Economi Sylfaenol, yn ogystal â helpu i gyrraedd nodau cadw staff yn fewnol.

LLEOLIAD: Mae ein dealltwriaeth o elfen 'Lle' FE wedi datblygu'n sylweddol yn ystod 2025-26; nod hyn yw nodi'n fanwl fanteision cydleoli gwasanaethau o fewn y Bwrdd Iechyd. Mae enghreifftiau'n cynnwys gofal sy'n agosach at adref, a deall pa wasanaethau y gellir eu symud o'r sector gofal aciwt a'u lleoli yng nghanol trefi er mwyn hwyluso hygyrchedd a chefnogi adfywiad canol trefi. Mae dau enghraifft wedi'u nodi yn yr adroddiad hwn, gan gynnwys:

- Mae'r Bwrdd Iechyd yn parhau i gydweithio â Chynghorau Abertawe a Chastell-nedd Port Talbot ar ddatblygu eu Cynlluniau Datblygu Lleol (LDPs), ac mae wedi cyflwyno ymatebion ffurfiol yn ystod eu cyfnodau ymgynghori priodol ar gyfer 2025. Mae'r Bwrdd Iechyd wedi cefnogi paratoi Asesiadau o'r Effaith ar Iechyd (HIAs) a gweithdai i asesu goblygiadau'r Cynlluniau Datblygu Lleol (LDPs) o ran iechyd y boblogaeth, lles ac isadeiledd. Er mwyn galluogi ymgysylltu parhaus, sefydlwyd Grŵp Gweithio Technegol ar y cyd dan gadeiryddiaeth y Bwrdd Iechyd; mae'r gweithgareddau hyd yma yn cynnwys rhoi adborth i Gyngor Castell-nedd Port Talbot ynghylch eu datblygiadau preswyl arfaethedig a'r effeithiau ar feddygfeydd teulu.
- Roedd y Bwrdd Iechyd yn arfer rhedeg gwasanaeth dialysis canolog, gan ei gwneud yn ofynnol i gleifion deithio pellteroedd hir ar gyfer triniaeth hanfodol. Er mwyn creu model sy'n canolbwyntio mwy ar y claf, bu'n gweithio mewn partneriaeth â Fresenius Medical Care i sefydlu unedau dialysis lloeren annibynnol yn Aberystwyth, Llwynhelyg, Caerfyrddin a Phen-y-bont ar Ogwr, gyda chynlluniau ar gyfer Castell-nedd Port Talbot. Mae'r unedau hyn yn dod â gofal yn nes at adref, gan wella profiad y claf a chynaliadwyedd y gwasanaeth. Mae'r manteision yn cynnwys gostyngiadau sylweddol mewn amser teithio, allyriadau a dibyniaeth ar gludiant y GIG; mwy o annibyniaeth i gleifion drwy well hygyrchedd; cefnogaeth deuluol a chymdeithasol gryfach; dosbarthiad gwell o'r gweithlu ar draws safleoedd; a seilwaith mwy cynaliadwy, gan gynnwys pwyntiau gwefru cerbydau trydan.

CAFFAEL: Rheolir proses gaffael y Bwrdd Iechyd drwy ei dîm sydd wedi'i leoli yn y Partneriaeth Cydwasanaethau GIG Cymru, gan sicrhau bod gwaith caffael yn dilyn arfer gorau ledled Cymru. Mae enghreifftiau o ddatblygiadau diweddar yn cynnwys defnyddio system aml-gynnig pris (aml-ddyfynbris) i annog cydweithredu â chyflenwyr o Gymru, cyfrifiannell effaith economaidd leol (FE) i ddeall effeithiau contractau sy'n seiliedig yng Nghymru, a gwaith gyda chyflenwr darpariaethau allweddol o Gymru, Castell Howell, lle'r oedd pwysoliad gwerth cymdeithasol yn allweddol. Yn 2025, parhaodd y Bwrdd Iechyd i ddangos ei ymrwymiad i gefnogi economi Cymru, gyda **41.9% o'r cyfanswm gwariant** yn mynd i gyflenwyr o Gymru. Mae hyn yn cynrychioli buddsoddiad o **£279.3 miliwn** mewn busnesau lleol dros y flwyddyn.

Newid hinsawdd

Mae'r hinsawdd yn un o'r meysydd allweddol o dan y WBFGA, gyda Chynllun Gweithredu Hinsawdd (CAP) y Bwrdd Iechyd ar gyfer 2024-26 yn canolbwyntio ar bum maes hollbwysig; mae'r cynnydd a wnaed yn ystod 2024-25 yn cynnwys:

Ein Diwylliant a'n Ffyrdd o Weithio: Ystyried arweinyddiaeth, hyfforddiant, cyfathrebu, meincnodi ac adrodd

- Gweithgareddau cyfathrebu helaeth drwy gydol y flwyddyn, gan gynnwys ffocws ym mis Tachwedd 2025 i gyd-fynd â Chynhadledd y Partïon (COP) y Cenhedloedd Unedig ar Newid Hinsawdd.
- Integreiddio adran 'Cynaliadwyedd a'r Amgylchedd' i Lawlyfr Sefydlu Staff
- Datblygu'r Asesiad o Risgiau a Chyfleoedd Newid Hinsawdd (CCROA) i gefnogi'r ddealltwriaeth o effeithiau'r hinsawdd ar ddarparu gofal iechyd
- Cydweithio â'r ddau Fwrdd Gwasanaethau Cyhoeddus i nodi a lliniaru risgiau sy'n gysylltiedig â'r hinsawdd
- Sesiynau cyflwyno a hyfforddiant wyneb yn wyneb ar gynaliadwyedd ar gyfer nyrsys sydd newydd raddio a myfyrwyr meddygaeth, a ddarperir gan yr Arweinwyr Clinigol Cynaliadwyedd.

Ein Adeiladau a'n Ystad: Deall sut y gall ein hadeiladau a'n hystâd gefnogi'r gwaith o leihau allyriadau. Mae cynnydd yn 2025-26 yn cynnwys:

- Yn 2025, lansiodd y Bwrdd Iechyd ymgyrch lleihau ynni gyda'r nod o annog staff i ddiffodd goleuadau ac offer pan nad ydynt yn cael eu defnyddio. Wedi'i ysbrydoli gan y gyfres boblogaidd Bridgerton, roedd y fenter yn cynnwys cyfathrebiadau â thema gan 'Lady Turnitdown' i hybu ymgysylltiad. Cafodd yr ymgyrch ei noddi gan Vital Energy, a chafodd ei datblygu a'i chyflwyno'n greadigol ar y cyd â myfyrwyr o Brifysgol Abertawe.
- Cafodd Endotherm – ychwanegyn cemegol a ddefnyddir i wella effeithlonrwydd trosglwyddo gwres mewn systemau dŵr – ei dreialu'n llwyddiannus mewn un safle, gan arwain at ostyngiad o 18% yn y defnydd o ynni. Yn dilyn y canlyniad cadarnhaol hwn, mae'r datrysiad wedi'i gyflwyno ar draws holl safleoedd y Bwrdd Iechyd.

Ein Gwasanaethau Caffael: Deall ac mynd i'r afael ag effeithiau o'n cadwyn gyflenwi gyda Phartneriaeth Cydwasanaethau GIG Cymru. Mae cynnydd yn 2025-26 yn cynnwys:

- Mae rhaglen ar waith i gefnogi gwell rheolaeth ar stoc er mwyn lleihau eitemau sydd wedi mynd heibio i'w dyddiad dod i ben a'r gwastraff cysylltiedig; mae hyn yn cynnwys Scan 4 Safety, Omnicells, ac adolygiad o'r rhestr stoc ar lefel y ward.
- Mae ymchwilio i gyfleoedd ar gyfer ailddefnyddio wedi arwain at wneud hyn yn ffactor i'w ystyried yn y contract yn ystod cam dylunio'r broses gaffael. Mae hefyd wedi cefnogi'r penderfyniad i ddychwelyd at gyffiau pwysedd gwaed a rhwymyn tynhau y gellir eu hailddefnyddio.

Ein Trafnidiaeth: Datblygu trafndiaeth a theithio cynaliadwy i'r Bwrdd Iechyd, oddi yno ac o'i fewn. Mae cynnydd yn 2025-26 yn cynnwys:

- Darparu gwybodaeth i staff, cleifion ac ymwelwyr ynghylch teithio mewn ffordd fwy cynaliadwy i'n safleoedd. Mae hyn yn cynnwys Seiclo i Waith a chynllun aberthu cyflog ar gyfer cerbydau trydan i'n staff, yn ogystal â chynllunwyr teithio i'n safleoedd ar wefan y Bwrdd Iechyd.
- Gweithio gyda darparwyr trafndiaeth gyhoeddus, gan gynnwys First Cymru a Trafnidiaeth Cymru, i wella mynediad i safleoedd a sicrhau bod amseroedd y gwasanaethau yn addas ar gyfer staff, yn ogystal â chynnig gostyngiadau teithio.
- Partneru â sefydliadau eraill yn y sectorau cyhoeddus a'r trydydd sector ar draws Abertawe a Chastell-nedd Port Talbot drwy'r Siarter Teithio Iach
- Meithrin cyfranogiad drwy'r Grŵp Defnyddwyr Beiciau i staff a'r Grŵp Teithio Cynaliadwy, gan gynnwys cynrychiolwyr safle, undebau ac adrannau corfforaethol.
- Ymgysylltu â Phwyllgor Corfforaethol De-orllewin Cymru i gydweithio ar deithiau cynaliadwy i leoliadau gofal iechyd ar gyfer cleifion, ymwelwyr a'r gweithlu.
- Cydweithio ag awdurdodau lleol ar eu cynlluniau datblygu lleol a llywio eu datblygiadau cyfalaf ar gyfer teithio llesol, gan gynnwys cysylltiadau â lleoliadau gofal iechyd ar gyfer cleifion, ymwelwyr a'r gweithlu.

Ein Gofal Iechyd Cynaliadwy: Sut y gallwn ddarparu gwasanaethau clinigol mewn ffordd sy'n ystyriol o'r amgylchedd, o'r effeithiau ar genedlaethau'r dyfodol ac o wella canlyniadau i gleifion. Mae cynnydd yn 2025-26 yn cynnwys:

- Integreiddio dangosyddion perfformiad allweddol ar gyfer gwerth cymdeithasol ar gyfer contractwyr y trydydd sector, fel rhan o raglen ailgomisiynu'r Bwrdd Iechyd, er mwyn cofnodi sut mae contractau'n elwa ar Ddeddf Lles Cenedlaethau'r Dyfodol (2015), yr Economi Sylfaenol a gwydnwch hinsawdd, ac yn eu cefnogi.

- Datblygu cronfa o enghreifftiau o sut olwg sydd ar gynaliadwyedd ym maes Gwella Ansawdd, er mwyn cefnogi ei integreiddio i gyrsiau a arweinir gan Fyrddau Iechyd.
- Sesiynau misol gyda siaradwyr gwadd i ysbrydoli a chefnogi staff sydd â diddordeb mewn bod yn fwy cynaliadwy; mae hyn wedi cynnwys:
 - Catrin Codd, Nyrsio Cymunedol ac Ardal: Ap Minuteful Wound
 - Annie Hill, Therapi Galwedigaethol: Therapi Galwedigaethol a Chynaliadwyedd yn Ysbyty Cefn Coed
 - Yvie Powe, Practis Deintyddol GCG: Cynaliadwyedd mewn Deintyddiaeth Gofal Sylfaenol
 - Daniel Greenwell, Fferylliaeth: Prosiect Paracetamol ar y Geg i Mewnwythiennol a Prosiect Gwastraff Fferyllol
 - Obstetreg a Gynaecoleg: Obstetreg a Chynaliadwyedd
- Cyflawni statws efydd a symud ymlaen i statws arian yng nghynllun Damweiniau ac Achosion Brys Wyrdd, dan arweiniad Sue West-Jones, un o'r Arweinwyr Clinigol Cynaliadwyedd.
- Asesiad o eitemau gwastraff a chyfleoedd ar gyfer ailgylchu ac economi gylchol yn Uned Niwroleg Cleifion Allanol Jill Rowe, dan arweiniad Alex Strong – un o'r Arweinwyr Clinigol Cynaliadwyedd – ar y cyd â phrosiect ARCS Prifysgol Abertawe.
- Diffodd systemau dosbarthu ocsid nitraidd yn Ysbyty Treforys a newid i ddefnyddio canistrau er mwyn lleihau gollyngiadau damweiniol, lleihau allyriadau a lleihau costau – menter dan arweiniad Elana Owens, un o'r Arweinwyr Clinigol Cynaliadwyedd, mewn cydweithrediad â'r Adran Ystadau.
- Mae nifer o lifau gwaith wedi'u digideiddio, gan gynnwys ymarferoldeb Atgyfeirio a Gychwynnir gan yr Ysbyty (HIR) ar Borth Clinigol Cymru, a ddaeth i rym ar gyfer Niwroleg, gyda Dermatoleg, Clefydau Anadlol ac Wroleg wedi'u trefnu ar gyfer mis Gorffennaf.
- Ehangwyd Post Hybrid i naw gwasanaeth, gyda grŵp gorchwyl a gorffen yn goruchwyllo'r broses o'i fabwysiadu ac effeithlonrwydd ariannol, gan arbed arian a lleihau allyriadau'r Bwrdd Iechyd.
- Parhau i weithio gyda Gofal Sylfaenol i gefnogi'r newid i anadlyddion sy'n allyrru llai o nwyon, gan olrhain y sefyllfa bob chwarter a chynnig cymorth i ardaloedd lle mae'r gyfradd mabwysiadu yn is.
- Arloesiadau gan y Tîm Fferylliaeth i newid o baracetamol mewnwythiennol i baracetamol llafar, gan leihau allyriadau, costau a gwastraff, yn ogystal â gwella profiad y claf.
- Arweiniodd Tîm Technegol yr Ystadau y newid i 'wastraff tramgwyddus' neu fagiau 'teigr', gyda Sefydliad Iechyd y Byd yn amcangyfrif bod 'tua 85% yn wastraff cyffredinol, heb fod yn

beryglus'.³ ond wrth ei waredu fel gwastraff clinigol, mae hyn yn arbed arian ac yn lleihau allyriadau

- Newid ar y cyd rhwng Arweinwyr Clinigol Cynaliadwyedd, y tîm Atal a Rheoli Heintiau, a'r Adran Gaffael i alluogi dychwelyd at gyffiau pwysedd gwaed y gellir eu hailddefnyddio ar draws y Bwrdd Iechyd.

Cynllunio addasu: Cwblhaodd y Bwrdd Iechyd ei Asesiad cyntaf o Risgiau a Chyfleoedd Newid Hinsawdd (CCROA) yn 2025, yn ymateb i ofynion addasu newydd Llywodraeth Cymru. Gyda newid yn yr hinsawdd eisoes yn effeithio ar y rhanbarth, drwy hafau poethach, stormydd dwysach, a llifogydd amlach a mwy dwys. Asesodd y Bwrdd Iechyd sut mae amodau hinsawdd presennol ac yn y dyfodol yn bygwth gwasanaethau, staff, seilwaith ac iechyd y boblogaeth.

Nododd yr asesiad 135 o risgiau, ac mae 33 ohonynt yn rhai uchel, yn cwmpasu lles y gweithlu, methiant offer clinigol, gwydnwch adeiladau, seilwaith digidol, cadwyni cyflenwi, tarfu ar drafnidiaeth, ac anghydraddoldebau iechyd sy'n cynyddu. Mae gwres yn bryder mawr, gan effeithio ar berfformiad staff, diogelwch cleifion, cynhyrchion fferyllol ac ymarferoldeb yr adeilad. Mae llifogydd, stormydd a dirywiad yn ansawdd yr aer hefyd yn peri risgiau sylweddol o ran gweithrediadau ac iechyd, yn enwedig i grwpiau bregus.

Mae angen ymchwilio'n ddyfnach i wyth maes, gan gynnwys arbenigeddau clinigol, iechyd y boblogaeth, rheoli heintiau, deunydd fferyllol, adeiladau a sefydliadau partner. Nodwyd cyfleoedd yn y defnydd therapiwtig o natur, rhagnodi gwyrdd, a mannau awyr agored i gefnogi lles.

Bydd y Bwrdd Iechyd yn integreiddio'r camau gweithredu a nodwyd i'r Cynllun Gweithredu ar yr Hinsawdd wedi'i adnewyddu o 2026 ymlaen, gan ganolbwyntio ar fesurau rheoli risg, meithrin tystiolaeth, a chydweithio ar draws GIG Cymru a phartneriaid rhanbarthol. Caiff addasu ei ymgorffori mewn gweithgareddau arferol o gynllunio, monitro a llywodraethu er mwyn meithrin gwydnwch hirdymor ar draws y system iechyd.

Cydweithio ar draws Cymru drwy'r Cyflymu Addasu: Cwrdd â'r Arweinwyr Parodrwydd Hinsawdd eraill yn rheolaidd, gan arwain at drafodaethau ar y cyd a mapio'r gwaith addasu i'r hinsawdd sydd eisoes ar y gweill, datblygu cynnig ar gyfer Cymru gyfan, a rhannu adnoddau a deunyddiau, e.e. drafftiau o gynlluniau, holiaduron ac ati. Cynhaliwyd trafodaethau gyda'r system ehangach, gan gynnwys Cronfa Risg Partneriaeth Cydwasanaethau GIG Cymru, Adran Perfformiad a Gwella GIG Cymru, y Tîm Gwyliadwriaeth Iechyd ac Hinsawdd, a Chanolfan

³ <https://www.who.int/news-room/fact-sheets/detail/health-care-waste>

Therapiwteg a Thocsicoleg Cymru Gyfan. Cefnogwyd hyn drwy gydweithio â Llywodraeth Cymru i ddechrau ymchwiliad i ddeunydd fferyllol a gwres.

Bwrdd Gwasanaethau Cyhoeddus Abertawe – Gweithgor

Hinsawdd a Natur (SC&N): Mae'r Bwrdd Iechyd yn aelod gweithredol o'r SC&N. Ar hyn o bryd, mae'r grŵp yn datblygu ei gynllun gweithredu ar gyfer addasu i'r hinsawdd; mae'r cynllun yn canolbwyntio'n bennaf ar feithrin gallu'r gymuned i addasu drwy wella mynediad at ddeunyddiau sy'n cefnogi'r broses hon a chodi ymwybyddiaeth ohonynt, gan gynnwys gwybodaeth am baratoi ar gyfer argyfyngau sy'n deillio o dywydd eithafol. Mae'r cynllun yn cydnabod ac yn cysylltu â gwaith presennol sy'n cael ei wneud ym meysydd bwyd (Bwyd Abertawe) a bioamrywiaeth (Partneriaeth Natur Leol). Mae'r grŵp hefyd yn ceisio ymgorffori ymwybyddiaeth o newid hinsawdd yn y pedwar amcan lles arall, gan gynnwys:

- Blynnyddoedd cynnar – sicrhau bod plant yn cael y dechrau gorau mewn bywyd i fod y gorau y gallant fod.
- Byw'n dda, heneiddio'n dda – gwneud Abertawe'n lle gwych i fyw ynddo ym mhob cyfnod o fywyd.
- Cymunedau cryf – adeiladu cymunedau cydlynol a gwydn sydd â theimlad o falchder ac o berthyn.
- Diwylliant – meithrin diwylliant bywiog ac iaith Gymraeg ffyniannus

Yn ystod gweithdy yn 2025, daeth yn amlwg na chafodd effeithiau newid hinsawdd eu hystyried ar draws y grŵp ehangach, er bod effeithiau sylweddol yn sgil newid hinsawdd ar bob maes.

Bwrdd Gwasanaethau Cyhoeddus Castell-nedd Port Talbot –

Gweithgor Hinsawdd a Natur (NPTC&N): Mae'r Bwrdd Iechyd yn aelod gweithredol o'r NPTC&N, gyda Marc Davies (Ymgynghorydd Iechyd Cyhoeddus) yn Is-gadeirydd y grŵp. Yn ystod 2025-26, comisiynwyd grŵp ymgynghori i gefnogi'r gwaith o ddatblygu ac i gynnal ymgysylltiad cychwynnol ar draws rhanbarth NPT ynghylch risg hinsawdd ac addasu. Disgwylir iddo gael ei gwblhau erbyn diwedd mis Mawrth 2026. Mewn cydweithrediad â Miller Research UK, mae pecyn ar gael bellach i unrhyw un gynnal gweithgareddau ymgysylltu ynghylch risgiau hinsawdd ac addasu; y bwriad yw ei wneud yn hygyrch i grwpiau ledled Castell-nedd Port Talbot er mwyn hwyluso trafodaethau. Gellid defnyddio hyn yn y Bwrdd Iechyd yn y dyfodol.

Cynllun Gweithredu ar yr Hinsawdd (CAP) 2026-30: Cafodd y Cynllun Gweithredu ar yr Hinsawdd (CAP) ei adnewyddu yn 2025–26 i adlewyrchu datblygiadau cenedlaethol allweddol, gan gynnwys y Cynllun Cyflawni Strategol Datgarboneiddio diwygiedig ar gyfer GIG Cymru, y Strategaeth Addasu i'r Hinsawdd ar gyfer Cymru, ac Asesiad y sefydliad o

Risgiau a Chyfleoedd yn sgil Newid yn yr Hinsawdd (wedi'i ddiweddarau). Mae'r CAP newydd yn integreiddio lliniaru effeithiau'r hinsawdd ac addasu iddynt, gan gryfhau gwydnwch sefydliadol drwy ymgorffori camau gweithredu i ddatgarboneiddio ochr yn ochr â mesurau sy'n meithrin gallu i addasu ac yn gwella'r sail dystiolaeth ar draws gwasanaethau. Mae hefyd yn cyd-fynd â fframweithiau deddfwriaethol a strategol ehangach, fel Deddf Lles Cenedlaethau'r Dyfodol a Net Zero Wales. Cyflwynir y cynllun ochr yn ochr â Chynllun Blynyddol y Bwrdd Iechyd.

Datganiad y Tasglu ar Ddatgeliadau Ariannol sy'n Gysylltiedig â'r Hinsawdd (TCFD)

Mae'r Bwrdd Iechyd wedi ymrwymo i weithredu ar newid yn yr hinsawdd drwy leihau'r allyriadau sy'n gysylltiedig â darparu gwasanaethau a datblygu ymateb i addasu i'r hinsawdd. Mae hyn yn cael ei gyflawni drwy weithredu CAP 2024-26.

Yn 2025-26, gofynnwyd i sefydliadau'r sector cyhoeddus yng Nghymru ddarparu Datganiad Cydymffurfio TCFD a'r datgeliadau a argymhellir ar gyfer:

- Cam 1: Llywodraethu; a Metrigau a Thargedau (b), dim ond lle maent ar gael o brosesau adrodd presennol.

Mae'r datganiadau canlynol yn bodloni'r gofyniad hwn.

Trefniadau Llywodraethu

Uwch-swyddog Cyfrifol y Bwrdd Iechyd dros Gynaliadwyedd – sy'n cynnwys gwaith yn ymwneud â'r hinsawdd – yw Marie Davies (Cyfarwyddwr Gweithredol Cynllunio a Phartneriaethau). Y grŵp craidd sy'n goruchwyllo'r gwaith ar gynaliadwyedd yw Grŵp Llywio Bae Abertawe Gynaliadwy, dan gadeiryddiaeth Hannah Roan, Cyfarwyddwr Cynorthwyol Cynllunio a Phartneriaethau.

Dangosir y strwythur llywodraethu yn Ffigur 1. Yn unol â hynny, mae Grŵp Llywio Bae Abertawe Cynaliadwy yn adrodd yn uniongyrchol i Fwrdd Rheoli'r Bwrdd Iechyd, gyda gwybodaeth yn cael ei rhannu drwy Fwrdd Rhaglen Iechyd y Boblogaeth, yn ôl yr angen. Rheolir gweithrediad y Cynllun Gweithredu ar yr Hinsawdd drwy drefniadau llywodraethu lleol y sawl sy'n gyfrifol am y cam gweithredu, gyda sicrwydd yn cael ei ddarparu i Grŵp Llywio Bae Abertawe Cynaliadwy.

Ffigur1 Siart Sefydliadol Cynaliadwyedd

Yn ystod y cyfnod hwn, cymeradwywyd pedwar adroddiad yn ymwneud â'r hinsawdd gan Fwrdd Rheoli'r Bwrdd Iechyd, gan gynnwys:

- Adroddiad cyfunol yn ceisio cymeradwyaeth ar gyfer y cyfrifiad allyriadau blynyddol a'r newid i gyffiau pwysedd gwaed a rhwymyn tynhau y gellir eu haildefnyddio, yn ogystal â diweddariad ar y gwaith addasu i newid yn yr hinsawdd.
- Strategaeth Addasu i'r Hinsawdd Bwrdd Gwasanaethau Cyhoeddus Abertawe: Abertawe Gwydn
- Adroddiad Asesu Risgiau a Chyfleoedd Newid Hinsawdd
- Cynllun Gweithredu Hinsawdd wedi'i Adnewyddu 2026-2030

Mae'r adroddiadau hyn, ynghyd â'r diweddariadau bob deufis i'r Bwrdd gan y Cyfarwyddwr Gweithredol Cynllunio a Phartneriaethau, yn helpu i feithrin ymwybyddiaeth a chryfhau cefnogaeth i agenda'r Bwrdd Iechyd ar newid hinsawdd. Yn ogystal, mae Aelod Annibynnol bellach wedi'i benodi'n hyrwyddwr cynaliadwyedd, gan ddarparu arweinyddiaeth a her bellach yn y maes hwn. Yn ystod 2025-26, ymgorfforwyd blaenoriaethau yn ymwneud â chynaliadwyedd a'r hinsawdd yn y Cynllun Blynyddol ac yn yr amcanion strategol, a chyflwynwyd allyriadau carbon fel dangosydd strategol ffurfiol.

Mae newid hinsawdd yn faes ffocws allweddol yn y Strategaeth Iechyd Poblogaeth, sy'n nodi'r egwyddorion arweiniol y bydd y Bwrdd Iechyd a'i bartneriaid yn eu dilyn wrth geisio gwella iechyd a lles cyffredinol y boblogaeth leol. Mae hefyd yn ceisio mynd i'r afael â sut i leihau'r bwlch rhwng ein cymunedau lleiaf a mwyaf difreintiedig, gan ganolbwyntio ar atal a mynd i'r afael â 'achosau'r achosion' o afiechyd. Mae newid yn yr hinsawdd yn amlycaf yn:

- Amcan 5: Creu lleoedd a chymunedau iach a chynaliadwy

- Thema Drawsbynciol 2: Anelu at gynaliadwyedd amgylcheddol a chydreddoldeb iechyd gyda'n gilydd

Cymeradwywyd Strategaeth Addasu i'r Hinsawdd Bwrdd Gwasanaethau Cyhoeddus Abertawe, 'Abertawe Wydn', gan y Bwrdd Rheoli ar 17 Medi 2025. Mae cynllun gweithredu ategol yn cael ei ddatblygu.

Mae Bwrdd Gwasanaethau Cyhoeddus Castell-nedd Port Talbot ar hyn o bryd yn ymgysylltu ar draws y rhanbarth i ddeall canfyddiadau ynghylch risg hinsawdd, effeithiau hinsawdd presennol, a chamau gweithredu a allai gefnogi gwydnwch hinsawdd. Mae'r Bwrdd Iechyd yn cefnogi'r gwaith hwn drwy ei rôl yn y Gweithgor Hinsawdd a Natur.

Mesurau a Thargedau

Darparodd yr asesiad allyriadau ar gyfer y Bwrdd Iechyd ar gyfer 2024-25 y set ddata fwyaf cynhwysfawr ar draws y tri chwmpas. Cyfanswm yr allyriadau oedd 174,225.71 tCO₂e, sef 32,281.5 tCO₂e yn fwy nag yn 2023-24. Cafodd y cynnydd ei achosi gan newid yn y fethodoleg ar gyfer allyriadau'r gadwyn gyflenwi, cynnydd yn y defnydd o nwyon F, cynnydd yn y defnydd o nwy naturiol, cynnydd yn y defnydd o olew, cynnydd yn nifer y staff sy'n cyfateb i amser llawn (sy'n cynyddu'r amcangyfrifon ar gyfer cymudo), a chynnwys y categori 'Gweithio gartref' (yn seiliedig ar hafaliad amcangyfrif Llywodraeth Cymru). Caiff data 2025-26 eu cyflwyno ym mis Medi 2026 a'u cyhoeddi gan Lywodraeth Cymru wedi hynny.

Agwedd	2024-25 (tCO ₂ e)	Amrywiad o 2023/24 (%)	Sbardun
CWMPAS 1			
Nwy naturiol	11,579.66	+5.55	• Cynnydd yn nifer y dyddiau o dywydd oer o'i gymharu â 23/24, gan arwain at fwy o wresogi
Olew nwy	250.43	+87.93	• Ail-lenwi tanciau yn Ysbyty Treforys
Cerosin	49.63	-30.86	• Defnydd llai
Cerbydau Fflyd	372.45	-0.43	• Llai o danwydd wedi'i ddefnyddio
Nwy-F	2,304.51	+971.04	• Wedi cynyddu oherwydd rhyddhau ac ail-lenwi yn Treforys
Nwyon anesthetig	2,426.22	-23.66	• Llai o ddefnydd o bob nwy, blwyddyn gyntaf o gofnodi 'Penthrox'
Cyfanswm Cwmpas 1	16,982.90	+13.65	
CWMPAS 2			
Trydan grid	6,450.54	-0.78	• Defnydd llai – yn gysylltiedig â storio mewn batris ac ehangu'r fferm solar

Agwedd	2024-25 (tCO ₂ e)	Amrywiad o 2023/24 (%)	Sbardun
Cyfanswm Cwmpas 2	6,450.54	-0.78	
CWMPAS 3			
Cadwyn gyflenwi	137,170.53	+27.20	• Newid i ffactorau allyriadau SIC Lefel 1 gan Lywodraeth y DU
Cymudo	5,251.17	+5.28	• Nifer uwch o staff cyfwerth ag amser llawn
Gweithio Gartref	836.71	NEWYDD	• Categori newydd
Teithio busnes	1,004.24	-7.75	• Cyfanswm y milltiroedd a hawliwyd gan staff wedi lleihau
Trosglwyddo a dosbarthu (y grid)	572.21	+1.37	• Yn gysylltiedig â defnydd o drydan
Dŵr	84.98	-6.07	• Defnydd llai o ddŵr
Gwastraff	725.63	-12.22	• Lleihad yn y ffactorau allyriadau ar gyfer 6 categori o wastraff, gan gynnwys y categori uchaf, 'gwastraff masnachol a diwydiannol', drwy hylosgi.
Allyriadau nwyon tŷ gwydr o'r ffynnon i'r tanc	5,146.80	+0.79	• Yn gysylltiedig â chynnydd mewn nwy naturiol, olew nwy a chymudo
Cyfanswm Cwmpas 3	150,792.80	+25.14	
Cyfanswm	174,225.71	+22.74	

Mae'r Bwrdd Iechyd yn cefnogi targedau ehangach GIG Cymru ar gyfer lleihau allyriadau, sef:

- Gostyngiad o 16% erbyn 2025
- Gostyngiad o 34% erbyn 2030

Mae'r Bwrdd Iechyd yn cydnabod na chafodd targed 2025 ei gyrraedd ar draws pob un o'r tair cwmpas; fodd bynnag, bu llwyddiant o ran Cwmpas 1 a 2.

Cwmpas		2018/19* (tCO ₂ e)	2024/25 (tCO ₂ e)	Gwahaniaeth (%)
1	Allyriadau uniongyrchol o ffynonellau sy'n eiddo i'r sefydliad neu dan ei	26,123.40	23,433.44	-10.30

	reolaeth, gan gynnwys nwy naturiol, olew nwy, cerosin, y fflyd o gerbydau, nwyon fflworedig a nwyon anesthetig.			
2	Allyriadau anuniongyrchol o brynu/defnyddio trydan, gan gynnwys trydan o'r grid			
3	Yr holl allyriadau anuniongyrchol eraill (i fyny ac i lawr y gadwyn werth), gan gynnwys y gadwyn gyflenwi, cymudo, teithio busnes, dŵr, gwastraff, y broses o'r ffynnon i'r tanc, a throsglwyddo a dosbarthu (y grid)	110,063.30	15	+37.01
Cyfanswm		136,186.70	23,448.44	+27.93

*Yn seiliedig ar y llinell sylfaen a adolygwyd gan Lywodraeth Cymru, yn seiliedig ar y newid yn yr ôl-troed

Sylwch: Mae allyriadau Cwmpas 1 a 2 wedi lleihau er gwaethaf ychwanegu tair categori at y llinell sylfaen, gan gynnwys cerosin, nwyon F a nwyon anesthetig.

Gwasanaethau Atal Twyll Lleol

Mae'r Arbenigwr Atal Twyll Lleol yn weithiwr proffesiynol gwrth-dwyll achrededig sy'n darparu gwaith rhagweithiol (ee. codi ymwybyddiaeth o dwyll, atal a rhwystro twyll) a gwaith ymatebol i ddwyn y rhai sy'n cyflawni twyll i gyfrif (ee. ymchwiliadau twyll). Mae'r LCFS yn darparu adroddiadau i'r Pwyllgor Archwilio a'r Tîm Arweinyddiaeth Weithredol mewn perthynas ag ansawdd ac effeithiolrwydd yr holl waith atal twyll, llwgrwobrwyo a llygredd yr ymgwymerir ag ef.

Caiff amcanion gwrth-dwyll, llwgrwobrwyo a llygredd eu trafod a'u hadolygu ar lefel strategol o fewn y sefydliad. Mae'r Pwyllgor Archwilio yn atebol am gael sicrwydd bod dulliau rheolaeth a rheoli digonol ar waith mewn perthynas â gwrth-dwyll, llwgrwobrwyo a llygredd.

Caiff hyn ei gyflawni drwy ddiweddariadau chwarterol i'r Pwyllgor gan yr LCFS, a ategir gan adroddiad blynyddol ar waith atal twyll, llwgrwobrwyo a llygredd sy'n cydymffurfio â chanllawiau Awdurdod Atal Twyll y GIG mewn perthynas â chynnwys yr holl safonau perthnasol ar gyfer twyll, llwgrwobrwyo a llygredd; ac yn rhoi diweddariad clir ar gynnydd yn erbyn amcanion y cynllun gwaith.

Rhaid i'r Pwyllgor fod yn fodlon bod gan y Bwrdd Iechyd drefniadau digonol ar waith i wrthweithio twyll mewnol, ac mae'n adolygu canlyniadau'r gwaith hwnnw ac yn cydnabod y gwaith a gwblhawyd yn unol â'r risgiau a gyflwynwyd a chynllun gwaith cytunedig. Mae'r Pwyllgor yn adolygu ac yn cymeradwyo'r trefniadau gwrth-dwyll mewnol yn flynyddol.

Pensiynau'r GIG

Fel cyflogwr gyda staff sydd â hawl i aelodaeth o Gynllun Pensiwn y GIG, mae mesurau rheoli ar waith i sicrhau y cydymffurfir â holl rwymedigaethau'r cyflogwr a gynhwysir yn rheoliadau'r cynllun. Mae hyn yn cynnwys sicrhau bod didyniadau o'r cyflog, cyfraniadau'r cyflogwr a thaliadau yn unol â rheolau'r cynllun, a bod cofnodion aelodau'n cael eu diweddarau'n gywir yn unol â'r amserlenni a nodir yn y rheoliadau.

Ansawdd y Data

Mae'r Bwrdd Rheoli, y Pwyllgor Perfformiad a Chyllid, a'r Pwyllgor Digidol, Data, Ymchwil ac Arloesi yn derbyn adroddiadau rheolaidd sy'n nodi gwybodaeth allweddol am berfformiad a deallusrwydd busnes. Cefnogir hyn gan Dîm Deallusrwydd Busnes cynhwysfawr, sy'n darparu dadansoddiad a goruchwyliaeth i gefnogi'r broses o wneud penderfyniadau a rheoli perfformiad. Gyda'i gilydd, mae'r trefniadau hyn yn rhoi sicrwydd ynghylch ansawdd, cyfanrwydd a defnydd data'r sefydliad. Mae gan y Bwrdd Iechyd [Strategaeth Deallusrwydd Busnes 2022–25](#) hefyd, ac mae'n datblygu model cyflwyno Deallusrwydd Busnes newydd i wneud y gorau o sgiliau'r staff a gwella effeithlonrwydd ar draws y sefydliad.

Deddf Lefelau Staff Nyrsio (Cymru) 2016

Mae'r Bwrdd yn adolygu cydymffurfiaeth â Deddf Lefelau Staffio Nyrsys (Cymru) 2016, gan dderbyn adroddiadau ddwywaith y flwyddyn – ym mis Mai a mis Tachwedd. Roedd yr adroddiad diweddaraf yn [Tachwedd 2025](#)

❖ Adolygiad o Effeithiolrwydd

Fel y swyddog atebol, mae gennyf gyfrifoldeb dros adolygu effeithiolrwydd y system rheolaeth fewnol. Caiff hyn ei lywio gan waith yr Archwiliad Mewnol a'r Cyfarwyddwyr Gweithredol sy'n gyfrifol am ddatblygu a chynnal y Fframwaith Rheolaeth Fewnol, yn ogystal â sylwadau gan Archwilwyr Allanol. Mae gwaith wedi parhau i wella'r wybodaeth am berfformiad a ddarperir i'r bwrdd a'i bwyllgorau, er mwyn sicrhau ei chywirdeb a'i dibynadwyedd, yn ogystal â sicrhau bod Amcanion y Sefydliad yn cael eu cyflawni. Fel rhan o weithredu Fframwaith Sicrwydd y Bwrdd, mae gan Bwyllgorau bellach gyfrifoldebau wedi'u dirprwyo i fonitro datblygiadau yn eu meysydd, gan fod y Bwrdd yn atebol am gynnal system gadarn o reolaeth fewnol sy'n cefnogi cyflawni Amcanion y Sefydliad, yn bennaf trwy'r pwyllgorau Archwilio ac Ansawdd a Diogelwch.

Archwiliad Mewnol

Mae archwiliad mewnol yn darparu llif o sicrwydd i mi, fel y Swyddog Atebol, ac i'r Bwrdd – drwy'r Pwyllgor Archwilio – ynghylch y system rheolaeth fewnol. Rwyf wedi comisiynu rhaglen o waith archwilio sydd wedi'i chyflawni yn unol â Safonau Archwilio Mewnol Byd-eang gan Bartneriaeth Gwasanaethau a Rennir GIG Cymru. Mae cwrdd y gwaith hwn yn cael ei gytuno gyda'r Pwyllgor Archwilio, ac yn canolbwyntio ar feysydd risg sylweddol a blaenoriaethau gwella lleol.

Mae'r farn gyffredinol gan y Pennaeth Archwilio Mewnol ar lywodraethu, rheoli risg a rheolaeth yn swyddogaeth o'r rhaglen archwilio hon sy'n seiliedig ar risg ac mae'n cyfrannu at y darlun o sicrwydd sydd ar gael i'r Bwrdd wrth adolygu effeithiolrwydd a chefnogi ein hymgyrch i wella'n barhaus.

❖ Barn y Pennaeth Archwilio Mewnol

Pwrpas barn flynyddol y Pennaeth Archwilio Mewnol yw cyfrannu at y sicrwydd sydd ar gael i'r Prif Weithredwr, yn ei rôl fel Swyddog Atebol, ac i'r Bwrdd, sy'n sail i asesiad y Bwrdd ei hun o effeithiolrwydd y system rheolaeth fewnol.

Mae'r cynllun Archwilio Mewnol cymeradwy yn canolbwyntio ar risg. Yn unol â hynny, mae'n ofynnol i'r Bwrdd integreiddio canlyniadau'r gwaith archwilio mewnol ochr yn ochr â ffynonellau sicrwydd eraill wrth lunio ei asesiad cyffredinol o effeithiolrwydd rheolaeth fewnol at ddibenion y Datganiad Llywodraethu Blynyddol.

Barn gyffredinol Pennaeth yr Archwiliad Mewnol ar gyfer 2025–26 yw:

Sicrwydd Rhesymol		Gall y Bwrdd gymryd Sicrwydd Rhesymol fod y trefniadau sydd yn eu lle i sicrhau llywodraethiant, rheolaeth risg a rheolaeth fewnol, yn y meysydd hynny sydd wedi eu hadolygu, wedi eu dylunio'n addas ac wedi eu rhoi ar waith yn effeithiol. Mae rhai materion angen sylw rheolwyr wrth gynllunio rheolaeth neu gydymffurfiaeth, gydag effaith isel i gymedrol ar amlygiad i risg gweddilliol, hyd nes y cânt eu datrys.

❖ Cyflawni'r Cynllun Archwilio Mewnol

Mae'r Cynllun Archwilio Mewnol wedi'i gyflawni i raddau helaeth yn unol â'r amserlen y cytunwyd arni ac unrhyw newidiadau a oedd eu hangen yn ystod y flwyddyn, fel y'u cymeradwywyd gan y Pwyllgor Archwilio (y

'Pwyllgor'). Cyflwynwyd adroddiadau cynnydd archwilio rheolaidd i'r Pwyllgor drwy gydol y flwyddyn.

Er bod angen gwneud newidiadau i'r cynllun yn ystod y flwyddyn, gallwn gadarnhau bod digon o waith archwilio wedi'i wneud i gefnogi darparu barn flynyddol gyffredinol, yn unol â gofynion y Safonau Archwilio Mewnol Byd-eang.

Cyflwynwyd Cynllun Archwilio Mewnol 2025-26 i'r Pwyllgor yn wreiddiol ym mis Mawrth 2025. Adroddwyd am unrhyw newidiadau dilynol i'r cynllun i'r Pwyllgor Archwilio, a'u cymeradwyo ganddo, fel rhan o'n hadroddiadau arferol ar gynnydd.

Fel yn y blynyddoedd blaenorol, mae gwaith archwilio a wnaed ym Mhartneriaeth Cydwasanaethau GIG Cymru, Iechyd a Gofal Digidol Cymru, a Chyd-bwyllgor Comisiynu GIG Cymru, wedi cyfrannu at, ac yn cefnogi, y farn archwilio fewnol gyffredinol ar gyfer cyrff iechyd GIG Cymru.

Daeth ein Asesiad Ansawdd Allanol (EQA) diweddaraf – a gynhaliwyd gan y Sefydliad Siartredig Cyllid Cyhoeddus a Chyfrifyddiaeth (CIPFA) ym mis Mawrth 2023 ac y rhoddwyd adroddiad arno ym mis Ebrill 2023 – i'r casgliad bod y gwasanaeth yn 'cydymffurfio'n llawn' â safonau proffesiynol. Yn ogystal, cadarnhaodd ein Rhaglen Sicrhau ac Gwella Ansawdd (QAIP) flynyddol fod gweithgareddau archwilio mewnol yn parhau i 'gydymffurfio'n gyffredinol' â gofynion y Safonau Archwilio Mewnol Byd-eang (GIAS) yn ystod 2025/26. Ar y sail hon, gallwn nodi bod y gwasanaeth 'yn cydymffurfio â safonau proffesiynol y Institute of Internal Auditors ac â GIAS.'

❖ **Crynodeb o Dasgau Archwilio**

Mae'r adran hon yn crynhoi canlyniadau'r gwaith archwilio mewnol a wnaed yn ystod y flwyddyn. Canolbwyntiwyd cwmplas yr archwiliad, a gytunwyd gyda'r rheolwyr, yn fwriadol ar y meysydd lle'r oedd y risg strategol a gweithredol uchaf. O ganlyniad, gall adolygiadau unigol nodi gwendidau rheoli sydd, oherwydd natur y cynllun sy'n seiliedig ar risg, â'r potensial i ddylanwadu ar y farn sicrwydd gyffredinol.

Yn gyffredinol, mae Archwiliad Mewnol yn gallu rhoi sicrwydd i'r Bwrdd bod y trefniadau i gefnogi llywodraethu effeithiol, rheoli risg a rheolaeth fewnol wedi'u dylunio'n briodol ac yn gweithredu'n effeithiol yn y meysydd hynny lle mae sicrwydd sylweddol neu resymol wedi'i ddarparu.

Pan fo barnau sicrwydd 'Cyfyngedig' neu 'Anfoddhaol' wedi'u cyhoeddi, mae'r rheolwyr yn ymwybodol o'r materion penodol a nodwyd ac wedi cytuno ar gynlluniau gweithredu priodol i gryfhau rheolaethau. Dylid cyfeirio at y gwelliannau arfaethedig hyn yn y Datganiad Llywodraethu

Blynyddol lle bo'n briodol.

Yn ogystal â'r adolygiadau sicrwydd ffurfiol, cynhaliwyd gwaith cynghori a gwaith nad oedd yn arwain at farn yn ystod y flwyddyn, ac mae hynny wedi llywio barn gyffredinol Pennaeth yr Archwiliad Mewnol. Mae'r archwiliadau a gynhaliwyd yn ystod y flwyddyn, ynghyd â'u canlyniadau, wedi'u crynhoi yn y tabl isod.

Sicrwydd Sylweddol	- Gwireddu Buddion Digidol - Rheoli Darparu Systemau Digidol Cenedlaethol
Sicrwydd Rhesymol	- Rheoli Risg a Sicrwydd - Gosod Cyllideb - Profiad y Claf - Rheoli Digwyddiadau Cenedlaethol y mae angen eu Hadrodd - Cyffuriau Rheoledig - Safonau Diogelwch Cenedlaethol ar gyfer Gweithdrefnau Ymyrrol (NatSSIPs) a Safonau Diogelwch Lleol ar gyfer Gweithdrefnau Llawfeddygol Ymyrrol (LocSSIPs) (drafft) - Mynediad at Ofal Sylfaenol: Fferylliaeth Gymunedol - Defnydd o Theatrau - Brechu ac Imiwneiddio - Mudo Cofnodion Iechyd - Cadw Staff - Gwyliau Astudio Meddygol - Sicrwydd Ystadau: Rheoli Asbestos - Ysbyty Treforys – Theatr 7 / Uned Gofal Dwys Llosgiadau (adolygiad ar ôl cwblhau) (drafft) - Sganio PET (tomograffeg allyrru positronau) a CT (tomograffeg gyfrifiadurol) yn Ysbyty Singleton (drafft)
Sicrwydd Cyfyngedig	- Trefniadau Llywodraethu Grŵp Gwasanaeth: Treforys - Camau Gweithredu ar gyfer Statws Uwchraddio - Cynllun Blynyddol / Cyflawni'r CTCI - Gofal Brys ac Argyfwng: Cyflawni a Llywodraethu - Cynllun Strategol Tegwch (wedi'i ohirio o 2024/25)
Sicrwydd Anfoddhaol	Dim

Cynghorol/Heb Farn	- Cydbwyllgor Rhanbarthol (Cynghorol) Bwrdd Iechyd Prifysgol Hywel Dda a Bwrdd Iechyd Prifysgol Bae Abertawe - Dilyn i fyny ar Argymhellion Archwilio Mewnol (Heb eu graddio)
Gwaith ar y gweill	- Tâl Meddygol Amrywiol - Sicrwydd Cyfalaf: Systemau Cyfalaf - Dewis, Penodi a Threfniadau Contractiol (wedi'u gohirio o 2024/25)

❖ Casgliad Cyffredinol

O'r barnau a gyhoeddwyd yn ystod y flwyddyn, rhoddwyd Sicrwydd Sylweddol i ddwy, Sicrwydd Rhesymol i bymtheg, a Sicrwydd Cyfyngedig i bum un. Nid oedd unrhyw farnau sicrwydd Anfoddhaol. Rydym hefyd wedi cyhoeddi dau adroddiad sydd naill ai'n adroddiadau cynghorol neu'n adroddiadau dilynol heb farn. Ar adeg paratoi'r Adroddiad Blynnyddol, roedd dau archwiliad yn dal i fod ar y gweill ac nid oedd y graddfeydd sicrwydd wedi'u pennu eto. Disgwylir y bydd y rhan fwyaf o'r gwaith hwn wedi symud yn ei flaen yn ddigonol i lywio'r Adroddiad Blynnyddol terfynol.

Wrth ffurfio'r farn gyffredinol, mae Pennaeth yr Archwiliad Mewnol wedi ystyried:

- amlygiad i risg weddilliol mewn meysydd sy'n cael Sicrwydd Cyfyngedig;
- effaith archwiliadau a gynlluniwyd yn wreiddiol ond na symudwyd ymlaen â nhw i fod yn adolygiadau llawn yn dilyn cynllunio rhagarweiniol; a
- effaith gronnis newidiadau yn ystod y flwyddyn i'r cynllun archwilio cymeradwy.

Adroddwyd ar yr holl newidiadau i'r cynllun i'r Pwyllgor Archwilio, a'u cymeradwyo ganddo. Er bod y Farn Flynyddol yn anochel yn gyfyngedig i'r meysydd hynny sy'n destun adolygiad archwilio, mae effaith bosibl diwygiadau i'r cynllun wedi'i hystyried wrth bennu lefel gyffredinol y sicrwydd.

Adroddir ar bob adolygiad archwilio mewnol i'r Pwyllgor Archwilio. Pan gyhoeddir barnau Sicrwydd Cyfyngedig, mae'n ofynnol i'r Arweinwyr Gweithredol perthnasol fynychu cyfarfodydd y Pwyllgor i egluro'r canfyddiadau a chyflwyno cynlluniau gweithredu y cytunwyd arnynt. Cyfeirir yr adolygiadau hyn hefyd at bwyllgor perthnasol y Bwrdd i gefnogi gwaith monitro a gwella parhaus.

Mae system ar waith i olrhain argymhellion archwilio ac i fonitro gweithredu argymhellion archwilio mewnol ac allanol. Adroddir yn rheolaidd i'r Pwyllgor Archwilio ar y cynnydd o ran y system olrhain hon. Pan fo argymhellion wedi mynd heibio i'r dyddiad cau, mae'n ofynnol i'r arweinwyr cyfrifol fynychu'r Pwyllgor i egluro'r rhesymau dros yr oedi a chadarnhau'r camau nesaf.

❖ Archwiliad Allanol

Archwiliwyd trefniadau cynllunio a rheoli ariannol, trefniadau llywodraethu ac sicrwydd, a'r cynnydd o ran materion gwella a nodwyd yn asesiad strwythuredig y flwyddyn flaenorol, gan Archwilio Cymru, a daethpwyd i'r casgliad:

" Yn gyffredinol, mae gan y Bwrdd Iechyd drefniadau llywodraethu da sy'n galluogi'r Bwrdd a'i bwyllgorau i weithredu'n effeithiol. Mae gwybodaeth o ansawdd uchel yn parhau i gefnogi gwaith craffu, ac mae ymrwymiad parhaus i wrando ar gleifion, defnyddwyr gwasanaethau ac aelodau o'r staff. Fodd bynnag, rydym yn parhau i ganfod meysydd lle gellid gwella tryloywder y Bwrdd ymhellach.

Mae cymorth allanol yn helpu'r Bwrdd i ddatblygu ac aeddfedu, ac mae cynnydd wedi'i wneud i gryfhau ymhellach y trefniadau ar gyfer rheoli risg. Mae'r Bwrdd Iechyd wedi cytuno'n ddiweddar ar strategaeth hirdymor ddiwygiedig, ac mae gwaith wedi dechrau i sicrhau bod y sefydliad wedi'i drefnu ar gyfer llwyddiant. Ond nid yw fframwaith rheoli perfformiad diwygiedig yn ei le yn llawn eto, ac mae'n cymryd amser i ymdrin ag argymhellion archwilio.

Y peth sy'n peri'r pryder mwyaf, fodd bynnag, yw sefyllfa ariannol y Bwrdd Iechyd. Rhagwelir diffyg sylweddol ar ddiwedd y flwyddyn ar gyfer 2025-26, gan fod cynllun arbedion presennol y Bwrdd Iechyd ymhell oddi ar y trywydd iawn. Ni allai'r Bwrdd na Llywodraeth Cymru gymeradwyo Cynllun Blynnyddol y Bwrdd Iechyd oherwydd y sefyllfa ariannol. Mae cymorth ychwanegol gan Lywodraeth Cymru, fel rhan o'i threfniadau uwchgyfeirio ac ymyrryd, yn dechrau helpu. Ond mae cynlluniau arbed yn rhai tymor byr, ac mae'r gallu i reoli'r sefyllfa yn y misoedd sy'n weddill o'r flwyddyn ariannol yn her. Heb gamau pendant a chyson, mae perygl i'r sefyllfa ariannol ddirywio ymhellach".

Mae'r Bwrdd Iechyd yn ymateb i'r asesiad strwythuredig drwy ymateb ffurfiol gan y rheolwyr i Archwilio Cymru. Yn ei ymateb rheoliadol, ymrwymodd y Bwrdd Iechyd i wella cynnwys y wefan, cyflwyno ffrydio byw o gyfarfodydd y Bwrdd, gwella gwelededd y siaradwyr drwy ddefnyddio offer camera newydd, ac adolygu'r broses ar gyfer cyhoeddi papurau'r Bwrdd a'r Pwyllgorau, gyda chefnogaeth hyfforddiant i staff. Mae cynnydd hefyd wedi cynnwys cyhoeddi dyddiadau cyfarfodydd pwyllgorau ar y wefan, a newidiadau i alinio amserlenni'r pwyllgorau a'r Bwrdd er mwyn cefnogi cyhoeddi papurau yn fwy amserol.

Mae'r Adroddiad Asesu Strwythuredig llawn ar gael ar [wefan Archwilio Cymru](#), ac mae ymateb y rheolwyr yn cael ei fonitro drwy'r Pwyllgor Archwilio.

Yn ogystal â'r Aseiad Strwythuredig, derbyniodd y Bwrdd Iechyd yr Adroddiad Blyneddol gan Archwilio Cymru, lle crynhodd yr Archwilydd Cyffredinol y canlynol:

"Derbyniais y drafft o'r cyfrifon yn unol â'r dyddiad cau statudol o 2 Mai 2025. Roedd ansawdd y drafft o'r cyfrifon a'r papurau gwaith yn dda.

Cyn y dyddiad cau statudol o 30 Mehefin 2025, cyhoeddais farn ddiamod o ran gwirionedd a thegwch, a barn gymodol o ran rheoleidd-dra. Cyhoeddais hefyd adroddiad sylweddol ar y cyfrifon. Nid oedd unrhyw gamddatganiadau heb eu cywiro yn y cyfrifon. Nid oedd unrhyw faterion sylweddol eraill i'w hadrodd.

Canfu fy ngwaith archwilio perfformiad fod gan y Bwrdd Iechyd drefniadau llywodraethu da, a bod y Bwrdd yn parhau i ddatblygu ac aeddfedu. Fodd bynnag, mae ei sefyllfa ariannol yn parhau i fod yn destun pryder sylweddol. Rhagwelir diffyg sylweddol ar ddiwedd y flwyddyn ac mae cyflawni'r cynllun arbedion yn heriol, gyda'r Bwrdd Iechyd yn dal i fethu â dangos cydbwysedd ariannol yn y tymor byr neu ganolog.

Mae cynnydd yn cael ei wneud i leihau rhai o'r cyfnodau aros hiraf am driniaeth ddewisol, ond mae mwy i'w wneud. Mae perfformiad gofal brys ac argyfwng yn parhau i fod yn destun pryder, ac mae oedi wrth ryddhau cleifion o'r ysbyty yn cael effaith negyddol arno. Gwnaeth fy nhîm archwilio nifer o argymhellion i'r Bwrdd Iechyd sy'n canolbwyntio ar gryfhau cynllunio gwasanaethau, rheoli, rheolaethau ariannol a chymorth trawsnewid, gan wella effeithlonrwydd gweithredol a chynhyrchiant hefyd er mwyn gwella gofal cleifion a chynaliadwydd y system.

Daethum i'r casgliad bod cyfrifon y Bwrdd Iechyd wedi'u paratoi'n briodol a'u bod yn gywir yn sylweddol, a chyhoeddais farn archwilio ddiamod arnynt. Ni nododd fy ngwaith unrhyw wendidau sylweddol mewn rheolaethau mewnol (sy'n berthnasol i fy archwiliad), ac ni wneuthum unrhyw argymhellion"

❖ **Casgliad**

Fel y Swyddog Atebol, rwy'n gyfrifol am gynnal system gadarn o lywodraethu, rheoli risg a rheolaeth fewnol sy'n cefnogi cyflawni amcanion y Bwrdd Iechyd, yn diogelu arian ac asedau cyhoeddus, ac yn sicrhau cydymffurfiaeth â gofynion statudol a rheoleiddiol.

Yn seiliedig ar y prosesau a amlinellir yn y Datganiad Llywodraethu Blynyddol hwn, rwyf wedi adolygu'r dystiolaeth a'r sicrwydd sydd ar gael ynghylch effeithiolrwydd y system rheolaeth fewnol ar gyfer y flwyddyn a ddaeth i ben ar 31 Mawrth 2026. Mae'r adolygiad hwn wedi'i lywio gan waith yr Archwiliad Mewnol, yr Archwiliad Allanol, pwyllgorau'r Bwrdd Iechyd a'r uwch-reolwyr, yn ogystal ag adroddiadau arferol ar berfformiad, risg ac sicrwydd.

Mae'r Bwrdd Iechyd wedi parhau i weithredu mewn amgylchedd hynod heriol yn ystod 2025–26, gyda phwysau gweithredol parhaus, trefniadau uwchgyfeirio parhaol, a chyfyngiadau ariannol sylweddol. Er bod yr heriau hyn yn parhau i fod yn debyg i'r rhai a adroddwyd y flwyddyn flaenorol, mae tystiolaeth o welliant yn y trefniadau llywodraethu a gafael sefydliadol cryfach, gyda chefnogaeth prosesau sicrwydd wedi'u cryfhau ac atebolrwydd cliriach.

Er gwaethaf y pwysau sylweddol a gafwyd yn ystod y flwyddyn, cyflawnwyd rhywfaint o sefydlogrwydd a chynnydd, gan gynnwys symud i ffwrdd o fonitro uwch neu ymyrraeth wedi'i thargedu mewn meysydd penodol. Mae hyn yn adlewyrchu ymdrechion ar y cyd gan staff ac arweinwyr ar draws y sefydliad.

Gan ystyried yr holl ffynonellau sicrwydd, mae fy adolygiad wedi dod i'r casgliad bod gan y Bwrdd Iechyd system reoli fewnol sy'n gadarn ar y cyfan, ac sy'n cefnogi cyflawni ei bolisiau, ei nodau a'i amcanion. Er bod meysydd sy'n gofyn am ffocws a gwelliant parhaus, mae cynlluniau priodol ar waith ac yn cael eu monitro'n weithredol drwy fframwaith llywodraethu'r Bwrdd Iechyd.

Atodiad Dau – Aelodaeth y Bwrdd a'r Pwyllgorau

Mae'r bwrdd wedi'i gyfansoddi i gydymffurfio â Rheoliadau Byrddau Iechyd Lleol (Cyfansoddiad, Aelodaeth a Gweithdrefnau) (Cymru) 2009. Yn ogystal â'r cyfrifoldebau a'r rhwymedigaethau a nodir yn nermanau ac amodau'r penodiad, mae aelodau'r Bwrdd hefyd yn cyflawni nifer o rolau lle maent yn gweithredu fel llysgenhadon ar gyfer y materion hyn.

Mae'r tabl canlynol yn darparu gwybodaeth am aelodaeth y pwyllgor ar 31 Mawrth 2026.

Aelodau Annibynnol			
Enw	Safle	Rôl Cynrychioli yn y Maes Arbenigedd	Aelodaeth Pwyllgorau'r Bwrdd
Jan Williams	Cadeirydd	AMHERTHNASOL	- Bwrdd Iechyd (Cadeirydd) - Pwyllgor Taliadau ac Amodau Gwasanaeth (Cadeirydd) - Cydbwyllgor Rhanbarthol (Cyd-gadeirydd)
Steve Spill	Is-gadeirydd	Iechyd Meddwl Gofal Sylfaenol	- Bwrdd Iechyd (Is-gadeirydd) - Pwyllgor Deddfwriaeth Iechyd Meddwl (Aelod) - Pwyllgor Archwilio (Aelod) - Pwyllgor Ansawdd a Diogelwch (Aelod) o Ionawr 2026 - Pwyllgor Cronfeydd Elusennol (Aelod) - Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) - Pwyllgor Perfformiad a Chyllid (Aelod) - Pwyllgor Iechyd y Boblogaeth (Cadeirydd)
Anne-Louise Ferguson	Aelod Annibynnol	Cyfreithiol	- Bwrdd Iechyd (Aelod) - Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod)

			• Pwyllgor Ansawdd a Diogelwch (Aelod) • Pwyllgor y Gweithlu a Datblygu Sefydliadol (Aelod) • Pwyllgor Deddfwriaeth Iechyd Meddwl (Cadeirydd)
Andrew Griffiths	Aelod Annibynnol	TGCh	• Bwrdd Iechyd • Pwyllgor Archwilio (Aelod) • Pwyllgor y Gweithlu a Datblygu Sefydliadol (Aelod) • Pwyllgor Digidol, Data, Ymchwil ac Arloesi (Cadeirydd) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod)
Keith Lloyd	Aelod Annibynnol (hyd at fis Rhagfyr 2025)	Prifysgol	• Bwrdd Iechyd (Aelod) • Pwyllgor Digidol, Data, Ymchwil ac Arloesi • Y Pwyllgor Ansawdd a Diogelwch • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod)
Charlotte Rees	Aelod Annibynnol (o fis Chwefror 2026)	Prifysgol	• Bwrdd Iechyd (Aelod) • Pwyllgor Digidol, Data, Ymchwil ac Arloesi • Pwyllgor Tâl a Thelerau Gwasanaeth
Jackie Davies	Aelod Annibynnol (hyd at fis Awst 2025)	Undeb Llafur	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor y Gweithlu a Datblygu Sefydliadol (aelod) • Pwyllgor Deddfwriaeth Iechyd Meddwl (Aelod) • Pwyllgor Cronfeydd Elusennol (Aelod)

			• Pwyllgor Ansawdd a Diogelwch (Aelod)
Martin Lloyd	Aelod Annibynnol (o fis Medi 2025)	Undeb Llafur	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor y Gweithlu a Datblygu Sefydliadol (aelod) • Pwyllgor Deddfwriaeth Iechyd Meddwl (Aelod) • Pwyllgor Cronfeydd Elusennol (Aelod) • Pwyllgor Ansawdd a Diogelwch (Aelod)
Jean Church	Aelod Annibynnol	Cyffredinol	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor Digidol, Ymchwil Data ac Arloesi (Aelod) • Pwyllgor Perfformiad a Chyllid • Pwyllgor Ansawdd a Diogelwch (Cadeirydd) • Cydbwyllgor Rhanbarthol (Aelod)
Nicola Matthews	Aelod Annibynnol	Awdurdod Lleol	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor Cronfeydd Elusennol (Cadeirydd) • Pwyllgor Iechyd y Boblogaeth (Is-gadeirydd) • Pwyllgor Ansawdd a Diogelwch (Aelod)
Reena Owen	Aelod Annibynnol	Cymuned	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor Perfformiad a Chyllid (Aelod) • Pwyllgor Iechyd y Boblogaeth (Aelod)

			• Pwyllgor y Gweithlu a Datblygu Sefydliadol (Cadeirydd)
Nuria Zolle	Aelod Annibynnol	Y Trydydd Sector	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor Archwilio (Cadeirydd) • Pwyllgor Digidol, Data, Ymchwil ac Arloesi (Aelod) • Pwyllgor Iechyd y Boblogaeth (Aelod)
Patricia Price	Aelod Annibynnol	Cyllid	• Bwrdd Iechyd (aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Aelod) • Pwyllgor Deddfwriaeth Iechyd Meddwl (Aelod) • Pwyllgor Perfformiad a Chyllid (Cadeirydd) • Pwyllgor Archwilio (Aelod) • Cydbwyllgor Rhanbarthol (Aelod)
Y Cynghorydd Alun Llewelyn	Aelod Cyswllt o'r Bwrdd (o fis Chwefror 2026)	Dirprwy Arweinydd, Cyngor Castell-nedd Port Talbot	• Bwrdd Iechyd (Aelod)
Pat Dunmore	Aelod Cyswllt o'r Bwrdd	Grŵp Cyfeirio Rhanddeiliaid	• Bwrdd Iechyd (Aelod)
Helen Annandale	Aelod Cyswllt o'r Bwrdd (o fis Tachwedd 2025)	Fforwm Gweithwyr Proffesiynol Iechyd	• Bwrdd Iechyd (Aelod)
Andrew Jarrett	Aelod Cyswllt o'r Bwrdd (tan fis Ebrill 2025)	Gwasanaethau Cymdeithasol	• Bwrdd Iechyd (Aelod)

Andrew Griffiths	Aelod Cyswllt o'r Bwrdd (hyd at Hydref 2025)	Fforwm Gweithwyr Proffesiynol Iechyd	Bwrdd Iechyd (Aelod)
Judith Vincent	Aelod Cyswllt o'r Bwrdd (hyd at fis Hydref 2025)	Fforwm Gweithwyr Proffesiynol Iechyd	Bwrdd Iechyd (Aelod)

Cyfarwyddwyr Gweithredol

Gill Richardson	Cyfarwyddwr Dros Dro Iechyd y Cyhoedd	AMHERTHNASOL	• Bwrdd Iechyd (Aelod)	

			• Pwyllgor Iechyd y Boblogaeth (yn bresennol)	
Sarah Jenkins	Cyfarwyddwr Dros Dro y Gweithlu a Datblygu Sefydliadol (hyd at fis Ebrill 2025)	AMHERTHNASOL	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Cyfarwyddwr Arweiniol/Yn bresennol) • Gweithlu, Datblygu Sefydliadol a Digidol (Cyfarwyddwr Arweiniol/Yn bresennol)	• Aelod o Bartneriaeth Cydwasanaethau GIG Cymru (NWSSP)
Tina Ricketts	Cyfarwyddwr y Gweithlu a Datblygu Sefydliadol (o Ebrill 2025)	AMHERTHNASOL	• Bwrdd Iechyd (Aelod) • Pwyllgor Taliadau ac Amodau Gwasanaeth (Cyfarwyddwr Arweiniol/Yn bresennol) • Gweithlu, Datblygu Sefydliadol a Digidol (Cyfarwyddwr Arweiniol/Yn bresennol)	• Aelod o Bartneriaeth Cydwasanaethau GIG Cymru (NWSSP)
Marie Davies	Cyfarwyddwr Cynllunio a Phartneriaethau	AMHERTHNASOL	• Bwrdd Iechyd (Aelod) • Pwyllgor Iechyd y Boblogaeth (yn bresennol)	• Bwrdd Partneriaeth Western Bay

			Pwyllgor Perfformiad a Chyllid (yn bresennol)	

Atodiad Tri – Presenoldeb Aelodau mewn Cyfarfodydd

Ar achlysuron pan na allai aelod o'r corff gweithredol fod yn bresennol, anfonwyd dirprwy i sicrhau cynrychiolaeth. Pan nad oes angen i aelod o'r bwrdd fynychu cyfarfod pwyllgor, dangosir hyn gan ddash (-)*

Mae dyddiadau cyfarfodydd y Bwrdd a'r pwyllgorau a gynhelir yn ystod 2025-26 ar gael ar ein gwefan [yma](#). Pan nad oedd gan gyfarfodydd y nifer gofynnol o aelodau i gynnal busnes, roedd trefniadau uwchgyfeirio ar waith i sicrhau y gellid codi unrhyw faterion o bryder sylweddol – na ellid eu dwyn i sylw'r pwyllgor – gyda Chadeirydd y Bwrdd Iechyd.

Adroddiad Staff a Chydnabyddiaeth Ariannol 2025-26

Adroddiad Staff

❖ Cyn-cyflogi

Mae Bwrdd Iechyd Prifysgol Bae Abertawe yn gyflogwr sy'n hyderus o ran anabledd. Mae hyn yn golygu ein bod yn cefnogi ac yn annog ceisiadau gan ystod eang o unigolion, gan gynnwys y rhai sydd ag anabledd. Mae'r darpariaethau canlynol wedi'u hymgorffori yn y broses recriwtio ar gyfer ymgeiswyr ag anabledd:

- Yr opsiwn i dderbyn cais electronig neu bapur ar gais;
- Canllawiau i ymgeiswyr ag anabledd wedi'u cynnwys yn y canllaw i ymgeiswyr, sydd ynghlwm wrth bob hysbyseb;
- Fel cyflogwr sy'n hyderus o ran anabledd, gall ymgeiswyr ag anabledd ofyn am gyfweliad gwarantedig. (Rhaid i ymgeiswyr fodloni'r meini prawf hanfodol lleiaf a restrir yn y fanyleb berson i fod yn gymwys ar gyfer cyfweliad gwarantedig);
- Caiff ceisiadau eu gwneud yn ddiennw yn ystod y broses o lunio rhestr fer, gyda symbol o ddau farc ticio yn weladwy os yw'r ymgeisydd wedi gofyn am gyfweliad gwarantedig;
- Gofynnir i ymgeiswyr, yn y gwahoddiad i'r cyfweliad, a oes angen unrhyw addasiadau rhesymol arnynt cyn y cyfweliad neu yn ystod y cyfweliad, ac mae'r system recriwtio yn anfon e-bost at y rheolwr yn nodi unrhyw addasiadau y gofynnwyd amdanynt er mwyn iddo eu hystyried neu weithredu arnynt;
- Darperir gwybodaeth monitro cyfle cyfartal i'r rheolwr recriwtio ar unrhyw adeg;
- Mae hyfforddiant ar y Ddeddf Cydraddoldeb, rhagfarn anymwybodol a hyder o ran anabledd yn rhan o'r modiwl recriwtio yn llwybr y rheolwyr;
- Mae'r pynciau uchod hefyd wedi'u cynnwys yn y rhaglen e-ddysgu ar recriwtio a dethol ar gyfer rheolwyr recriwtio, sydd ar gael yn ESR (cofnod electronig staff).

❖ Rheoli Presenoldeb

Mae'r Polisi Rheoli Presenoldeb yn y Gwaith yn mynd i'r afael ag anghenion staff anabl mewn nifer o ffyrdd. Pwrpas y Polisi yw cefnogi iechyd a lles pob gweithiwr yn y gweithle, cefnogi gweithwyr i ddychwelyd i'r gwaith yn ddiogel ac mor gyflym â phosibl yn dilyn cyfnod o absenoldeb salwch, a chefnogi gweithwyr i gynnal eu presenoldeb yn y gwaith.

Mae'r polisi yn sicrhau bod pob gweithiwr yn cael ei drin yn unol â'i amgylchiadau a'i anghenion, bod gweithwyr anabl yn cael eu trin yn deg, a bod y rhwymedigaethau o dan Ddeddf Cydraddoldeb 2010 yn cael eu bodloni. Mae gan y Bwrdd Iechyd ddyletswydd gyfreithiol i wneud addasiadau rhesymol i sicrhau nad yw gweithwyr anabl dan anfantais

wrth wneud eu gwaith. Mae hyn hefyd yn berthnasol i ymgeiswyr am swyddi (gweler uchod).

Drwy gydol y Polisi, mae trefniadau ar waith ar gyfer aelodau o staff sydd ag anabledd, neu sy'n datblygu anabledd yn ystod eu cyfnod cyflogaeth:

- Pan fydd angen i weithiwr fynychu apwyntiadau meddygol fel rhan o raglen driniaeth barhaus sy'n ymwneud ag anabledd neu gyflwr iechyd hirdymor, bydd eu rheolwr yn trafod yr apwyntiadau hyn â nhw er mwyn cynllunio unrhyw gymorth angenrheidiol i'w gynnig. Rhoddir ystyriaeth lawn i amser rhesymol i ffwrdd i fynychu apwyntiadau fel rhan o'i raglen gofal a chymorth. Mae hyn yn cael ei ystyried yn absenoldeb yn sgil anabledd neu gyflwr iechyd a lles, ac nid yn absenoldeb salwch sy'n gysylltiedig ag anabledd. Mae'n fath o absenoldeb arbennig, ac fel arfer bydd y gweithiwr yn gwneud cais amdano a'r rheolwr yn ei gymeradwyo ymlaen llaw;
- Gall gweithwyr â nam ar eu clyw ddefnyddio ffôn testun i hysbysu eu rheolwr eu bod yn absennol;
- Ym mhob cam o'r broses rheoli absenoldeb, bydd rheolwyr yn ystyried pa addasiadau rhesymol y gallai fod eu hangen i gefnogi'r gweithiwr anabl i fynychu'r gwaith yn rheolaidd;
- Bydd yr un peth yn gymwys wrth gefnogi gweithiwr anabl i ddychwelyd i'r gwaith ar ôl cyfnod o salwch hirdymor;
- Pan fydd gweithiwr wedi mynd yn anabl oherwydd salwch neu anaf, gellir defnyddio trefniant dychwelyd therapiwtig i gefnogi'r gweithiwr i ddychwelyd i'r gweithle gyda addasiadau rhesymol yn eu lle;
- Gellir hefyd ystyried dychwelyd i'r gwaith fesul cam wrth gefnogi gweithiwr i ddychwelyd i'r gwaith;
- Gellir hefyd rhoi addasiadau rhesymol ar waith yn rhagweithiol i gefnogi gweithiwr anabl i barhau i weithio yn hytrach na mynd ar absenoldeb salwch, gan ei bod yn cael ei gydnabod bod parhau i weithio o fudd i iechyd a lles staff.

❖ **Polisi Adleoli**

Os nad yw'n bosibl i weithiwr ddychwelyd i'w rôl ei hun, hyd yn oed gyda addasiadau rhesymol, byddant yn cael eu rhoi ar y gofrestr ailddefnyddio am gyfnod o 12 wythnos, ac yn ystod y cyfnod hwnnw bydd ymgais yn cael ei gwneud i ddod o hyd i waith amgen addas.

Wrth ystyried a yw rôl yn addas, rhoddir ystyriaeth i unrhyw addasiadau rhesymol a allai fod yn ofynnol. Pan fydd gweithiwr ar y gofrestr ail-leoli oherwydd salwch sy'n cyfateb i anabledd, ac os ydynt yn bodloni'r meini prawf hanfodol ar gyfer y rôl, cânt eu cyfweld cyn eraill ar y gofrestr ail-leoli.

❖ **Polisi Oddi ar y Rhestr Gyflogau**

Mae gan y Bwrdd Iechyd broses glir a sefydledig ers 2017 i sicrhau na wneir unrhyw daliadau y tu allan i'r system dalu cyflogau (oddi ar y rhestr cyflogau) lle mae rheoliadau IR35 HMRC yn gymwys i wasanaethau a ddarperir gan unigolion. Mae pob anfoneb yn cael ei chyfeirio at uwch-aelodau o'r staff gweithlu cyn cael ei thalu drwy'r system gyflogau; gwneir hyn i sicrhau bod y swm cywir o dreth yn cael ei ddidynnu ac na chaiff anfonebau am wasanaethau a gyflwynir gan unigolion eu talu drwy'r system honno. Rheolir asesiadau IR35 gan uwch-aelodau o'r staff gweithlu, ac mae HMRC wedi adolygu'r trefniadau mewn archwiliadau blaenorol.

Nid i'w gyhoeddi

Adroddiad ar Dâl Cydnabyddiaeth a Staff

ADRODDIAD AR DÂL CYDNABYDDIAETH A STAFF

Mae'r adroddiad hwn yn darparu gwybodaeth ynghylch taliadau i Gyfarwyddwyr Gweithredol ac Aelodau Annibynnol, ac yn amlinellu'r trefniadau sydd ar waith o fewn y Bwrdd Iechyd i bennu'r rhain. Mae hefyd yn cynnwys gwybodaeth am niferoedd a chyfansoddiad y staff, data ar absenoldeb oherwydd salwch, polisiâu staff a weithredwyd yn ystod y flwyddyn, gwariant ar ymgynghoriaeth, trefniadau gwaith y tu allan i'r system dalu (oddi ar y rhestr cyflogau) a phhecynnau ymadael.

1. Y Pwyllgor Taliadau ac Amodau Gwasanaeth

Mae'r Pwyllgor hwn yn ystyried taliadau a pherfformiad y Cyfarwyddwyr Gweithredol yn unol â'r polisi a nodir isod.

Y drefn arferol yw codi cyflogau Cyfarwyddwyr Gweithredol a rheolwyr uwch iawn (y rhai sydd y tu allan i Agenda ar gyfer Newid) yn unol â'r ganran chwyddiant cyflogau arferol a nodwyd gan Lywodraeth Cymru. Ar gyfer 2025/26, cafwyd dyfarniad cyflog cyfunol o 3.25% i Gyfarwyddwyr Gweithredol a rheolwyr uwch iawn, a dyfarniad cyflog Agenda ar gyfer Newid o 3.6% a gytunwyd yn genedlaethol ar gyfer staff y GIG. Dyfarnwyd codiad cyflog o 4% i staff meddygol a deintyddol ar gyfer 2025/26. Ni chafwyd hysbysiad am y dyfarniad cyflog i Gyfarwyddwyr Gweithredol a rheolwyr hynod uwch tan y 26 Chwefror. O ganlyniad, mae'n debygol bod y cynnydd gwirioneddol yng ngwerthoedd pensiwn yn ystod y flwyddyn ariannol yn uwch na'r hyn a nodir yn y tablau yn yr adroddiad hwn, gan y byddai'r amcangyfrifon wedi'u cyflwyno i'r Asiantaeth Bensiynau cyn i unrhyw godiadau cyflog gael eu rhoi ar waith yn ôl-weithredol.

Cafwyd codiad hwyr o rhwng 4.7 a 4.9% i unigolion a benodwyd yn gyhoeddus i fyrddau yn GIG Cymru. Gan fod hysbysiad am hyn wedi'i roi ym mis Ebrill 2026, mae'r costau perthnasol wedi'u cronni yn y datganiadau Cyfrifon Blynnyddol, ond ni fyddant yn ddyledus i'w talu tan y flwyddyn ariannol 2026/27. Mae'r digwyddiad hwn sy'n gofyn am addasiad ac sy'n digwydd ar ôl y dyddiad mantolen wedi'i ddatgelu yn Nodyn 29, Digwyddiadau ar ôl y dyddiad mantolen, o fewn y Cyfrifon Blynnyddol ar gyfer 2025/26.

Pe bai codiad uwchlaw'r lefel hon, byddai hyn bob amser yn cael ei gytuno yn sgil newidiadau i rolau a chyfrifoldebau. Byddai'r Pwyllgor Taliadau ac Amodau Gwasanaeth yn derbyn adroddiad manwl ynghylch materion i'w hystyried mewn perthynas ag unrhyw godiad yng nghyflogau'r Cyfarwyddwyr Gweithredol (gan gynnwys cyngor gan Lywodraeth Cymru), ac ar ôl ystyried yr holl gyngor a'r materion a gyflwynwyd iddynt, byddent yn cyflwyno eu hargymhellion i'r Bwrdd Iechyd i'w cadarnhau.

Mae'r Pwyllgor hefyd yn adolygu amcanion a osodwyd ar gyfer Cyfarwyddwyr Gweithredol ac yn asesu perfformiad yn eu herbyn. Dylid nodi nad yw Cyfarwyddwyr Gweithredol ar unrhyw fath o dâl sy'n gysylltiedig â pherfformiad.

Cadeirir y Pwyllgor Taliadau ac Amodau Gwasanaeth gan Gadeirydd y Bwrdd Iechyd, ac mae'r aelodaeth yn cynnwys yr holl aelodau annibynnol. Mae'r Pwyllgor yn cyfarfod bob chwarter i drafod materion ac yn cyflwyno ei argymhellion yn ffurfiol ac yn ysgrifenedig i'r Bwrdd Iechyd, gyda chyfarfodydd arbennig yn cael eu galw i drafod materion brys yn ôl yr angen. Cofnodir y cyfarfodydd a chofnodir penderfyniadau yn llawn.

Mae'r Pwyllgor hefyd yn argymhell i'r Bwrdd gynnydd blynyddol mewn cyflog ar gyfer Cyfarwyddwyr Gweithredol a rheolwyr uwch iawn yn y Bwrdd Iechyd nad ydynt o dan gwmpas Agenda ar gyfer Newid. Ar gyfer 2025/26, yr unig godiad a argymhellwyd oedd codiad cyflog o 3.25%.

2. Taliadau i Aelodau Annibynnol

Penderfynir ar daliadau i Aelodau Annibynnol gan Lywodraeth Cymru, sydd hefyd yn pennu cyfnod y penodiad.

3. Adroddiad Taliadau Unigol

Mae'r Cyfanswm Taliad Unigol ar gyfer pob Cyfarwyddwr ac Aelod Annibynnol ar gyfer 2025/26 a 2024/25 wedi'u dangos yn y tabl isod. Mae cyfanswm y taliadau'n cynnwys cyflog, tâl cysylltiedig â pherfformiad ar wahân, a buddion mewn nwyddau. Nid yw'n cynnwys taliadau diswyddo, cyfraniadau pensiwn cyflogwr a gwerthoedd trosglwyddo pensiynau cyfwerth ag arian parod.

Mae'r cyflogau a nodir yn y tablau isod (Tablau A a B) yn adlewyrchu penodiadau newydd a staff sydd wedi gadael yn ystod y blynyddoedd ariannol 2025/26 a 2024/25. Er bod y cyflogau a ddatgelir yn ymwneud â'r cyfnod yn y swydd yn ystod y flwyddyn – oni nodir yn wahanol yn y tablau – ni all Asiantaeth Pensiynau'r GIG briodoli buddion pensiwn sy'n ymwneud â rhan o'r flwyddyn i ddeiliaid swyddi; felly, dangosir y buddion pensiwn ar gyfer y flwyddyn ariannol lawn.

Cyfrifir gwerth buddion pensiwn fel a ganlyn: (y cynnydd gwirioneddol yn y pensiwn⁴ wedi'i luosi â 20) ynghyd â'r cynnydd gwirioneddol yn y swm cyfanredol, llai cyfraniadau a wnaed gan yr unigolyn.

Mae'r cyfrifiad pensiwn yn seiliedig ar wybodaeth a gafwyd gan Asiantaeth Bensiynau GIG BSA, sydd wedi'i chynnwys yn yr adroddiad Datgelu Taliadau Uwch-reolwyr (Greenbury) 2022. Mae rhagor o fanylion am y ffigwr ar gyfer Cyfanswm y Taliadau ac Lwfansau Cyflog gan Swyddfa'r Cabinet ar gael ar wefan Hysbysiadau Pensiwn i Gyflogwyr: datgelu gwybodaeth am gyflog, pensiwn ac iawndal.

Tabl A – Adroddiad Taliadau Unigol 2025-26:

⁴ ac eithrio cynnydd oherwydd chwyddiant neu unrhyw gynnydd neu ostyngiad oherwydd trosglwyddo hawliau pensiwn

* Mae hyn yn dangos bod buddion y pensiwn wedi'u gosod ar sero gan fod y cyfrifiad o fuddion y pensiwn yn arwain at ffigwr negyddol. Pan fydd y cyfrifiad yn arwain at ffigwr negyddol, mae Datgeliad Greenbury ynghylch Taliadau Uwch-reolwyr yn nodi y dylid datgelu gwerth sero.

Nid oedd C Morrell yn cael ei gwmpasu gan Drefniadau Pensiwn y GIG yn 2025/26. Nid oedd G Howells (hyd at Awst 24), C Morrell ac N Vaughan yn cael eu cynnwys gan Drefniadau Pensiwn y GIG yn 2024/25.

Dyma'r rheswm dros y cyfrifiadau pensiwn negyddol ar gyfer y blynyddoedd ariannol 2025/26 a 2024/25:

Ar gyfer D Griffiths, M Davies a T Ricketts, mae'r cynnydd gwirioneddol yn y pensiwn yn negyddol wrth gymhwyso codiad chwyddiant o 1.7% i'r gwerth ar 31 Mawrth 2025, ac yna ei gymharu â'r gwerth ar 31 Mawrth 2026. Gadawodd D Griffiths y cynllun pensiwn hefyd pan adawodd ei swydd ym mis Chwefror 2026.

*R Krishnan – mae'r cynnydd gwirioneddol yn y pensiwn yn negyddol wrth gymhwyso codiad chwyddiant o 6.7% i'r gwerth ar 31 Mawrth 2024, ac yna ei gymharu â'r gwerth ar 31 Mawrth 2025.

Mae budd-daliadau pensiwn wedi'u hadrodd mewn bandiau o £2.5k yn hytrach nag i'r £1k agosaf, yn dilyn cais gan Archwilio Cymru. Mae'r flwyddyn ariannol 2024-25 wedi'i hadolygu i ddarparu ar gyfer y newid hwn.

Mae'r nodiadau canlynol yn rhoi esboniadau am absenoldeb cyflog, neu am newidiadau i gyflog neu swydd, rhwng y blynyddoedd ariannol:

Ar gyfer 2025/26:

- Gadawodd D Griffiths, Cyfarwyddwr Cyllid a Pherfformiad, y Bwrdd Iechyd ar 16 Chwefror 2026.
- Dechreuodd C Osmundsen-Little yn y swydd fel Cyfarwyddwr Cyllid Dros Dro ar 9 Mawrth 2026, ar secondiad o Iechyd a Gofal Digidol Cymru (IGDC). Gan nad yw'n bosibl gwahanu buddion pensiwn Greenbury, dangosir y flwyddyn 2025/26 gyfan. Byddai rhaniad dangosol rhwng y ddau sefydliad yn 3/52 i PBA a 49/52 i IGDC.
- Mae cyflog gros D Griffiths yn yr ystod £165,000–£170,000 ym mis Chwefror 2026, cyn gadael y Bwrdd Iechyd – mae'r cyflog yn y tabl yn ffigwr net ar ôl tynnu'r swm ar gyfer car ar brydles drwy gynllun aberthu cyflog.
- Mae cyflog gros D Lewis yn yr ystod £160,000–£165,000 ar 31 Mawrth 2026 – mae'r cyflog yn y tabl yn swm net ar ôl didyniad ar gyfer car ar brydles drwy gynllun aberthu cyflog.
- Mae cyflog gros M Davies yn yr ystod £145,000–£150,000 ar 31 Mawrth 2026 – mae'r cyflog yn y tabl yn swm net ar ôl tynnu costau ar gyfer car ar brydles drwy gynllun aberthu cyflog.

- Mae cyflog gros E Rix yn yr ystod £170,000–£175,000 ar 31 Mawrth 2026 – mae'r cyflog yn y tabl yn swm net ar ôl tynnu costau ar gyfer car ar brydles drwy gynllun aberthu cyflog.
- Dechreuodd E Rix yn y swydd o Gyfarwyddwr Gweithredol Nyrsio a Phrofiad Cleifion ar 31 Mawrth 2025.
- Dechreuodd T Ricketts fel Cyfarwyddwr y Gweithlu a Datblygu Sefydliadol ar 1 Mai 2025.
- Dechreuodd G Richardson fel Cyfarwyddwr Dros Dro Iechyd y Cyhoedd ar 1 Ebrill 2025.
- Mae costau S Jenkins wedi'u cynnwys ar gyfer 25 Ebrill yn unig – wedi hynny, aeth ati i ymgymryd â chyfle secondiad gydag Ymddiriedolaeth GIG Felindre. Fodd bynnag, nid yw'n bosibl rhannu'r buddion pensiwn ar gyfer un mis, felly maent yn cael eu cynnwys ar gyfer blwyddyn gyfan 2025/26.
- Dechreuodd A Llewelyn, P Dunmore ac H Annandale fel aelodau cyswllt o'r bwrdd, gyda J Vincent, A Griffiths ac A Jarrett yn camu i lawr fel aelodau cyswllt o'r bwrdd yn ystod 2025/26. Nid yw aelodau cyswllt y bwrdd yn cael eu talu.
- Mae K Lloyd wedi gwrthod derbyn tâl am y ddwy flynedd ariannol yn ei swydd fel Aelod Annibynnol, ac wedi gadael ei swydd ym mis Rhagfyr 2025.
- Mae C Rees-Sidhu wedi gwrthod tâl am ei swydd fel Aelod Annibynnol, ac wedi dechrau yn y swydd ym mis Chwefror 2026.
- Mae J Davies yn gyflogai amser llawn i'r Bwrdd Iechyd, ac felly, nid yw wedi derbyn y gydnabyddiaeth ariannol a delir fel arfer i Aelod Annibynnol yn y ddwy flynedd ariannol. Camodd i lawr o'i rôl fel aelod answyddogol ym mis Awst 2025.
- Mae M Lloyd yn gyflogai amser llawn i'r Bwrdd Iechyd ac, felly, nid yw wedi derbyn y gydnabyddiaeth ariannol a delir fel arfer i Aelod Annibynnol. Dechreuodd yn ei rôl fel aelod answyddogol ym mis Awst 2025.

Ar gyfer 2024/25:

- Daeth secondiad G Howells o Lywodraeth Cymru i ben ar 31 Awst 2024.
- Dychwelodd R Evans i'r swyddi o Gyfarwyddwr Meddygol ac Dirprwy Brif Weithredwr ar 28 Hydref 2024, ar ôl bod yn Brif Weithredwr Dros Dro ac yn dilyn dechrau A Harris yn y swydd o Brif Weithredwr.
- Dychwelodd D Griffiths i rôl Cyfarwyddwr Cyllid a Pherfformiad ar 28 Hydref 2024, ar ôl bod yn Gyfarwyddwr Cyllid a Pherfformiad ac yn Ddirprwy Brif Weithredwr, yn dilyn dechrau A Harris yn y swydd Prif Weithredwr.

- Roedd cyflog gros D Griffiths yn yr ystod £165,000–£170,000 ar 31 Mawrth 2025; roedd y cyflog yn y tabl yn ffigwr net ar ôl tynnu costau ar gyfer car ar brydles drwy gynllun aberthu cyflog, ac yn cynnwys taliadau am y rôl Dirprwy Brif Weithredwr hyd at 28 Hydref 2024.
- Dychwelodd A Mehta i swydd Dirprwy Gyfarwyddwr Meddygol ar 28 Hydref 2024, gan adael swydd y Cyfarwyddwr Meddygol Dros Dro yn dilyn dychweliad Richard Evans i swydd y Cyfarwyddwr Meddygol ym mis Hydref 2024. Cafodd cyflog blwyddyn lawn ar gyfer rolau dros dro a rolau parhaol, yn ogystal â chostau pensiwn, eu cynnwys yn yr adroddiad.
- Roedd cyflog gros A Mehta yn yr ystod £175,000–£180,000 ar 31 Mawrth 2025; roedd y cyflog yn y tabl yn ffigwr net ar ôl tynnu costau car ar brydles drwy gynllun aberthu cyflog, ac roedd yn cynnwys taliadau fel dirprwy gyfarwyddwr meddygol hyd at 28 Hydref 2024.
- Dychwelodd R Krishnan i swydd Dirprwy Gyfarwyddwr Meddygol ar 28 Hydref 2024, gan adael swydd y Cyfarwyddwr Meddygol Dros Dro yn dilyn dychweliad Richard Evans i swydd y Cyfarwyddwr Meddygol ym mis Hydref 2024. Cafodd cyflog blwyddyn lawn ar gyfer rolau dros dro a rolau parhaol, yn ogystal â chostau pensiwn, eu cynnwys yn yr adroddiad.
- Dechreuodd M Davies, Cyfarwyddwr Cynllunio a Phartneriaethau, yn y swydd ar 1 Chwefror 2025.
- Yn achos N Vaughan, Cyfarwyddwr Strategaeth Dros Dro, ac o fewn yr ystod cyflog a nodir yn y tabl uchod, bu gordaliad o £2.5k yn ystod 2024/25, a fyddai'n cael ei adennill yn ystod 2025/26.
- Daeth N Vaughan, Cyfarwyddwr Strategaeth Dros Dro, i ben yn y swydd hon yng nghanol mis Chwefror 2025, pan ddechreuodd M Davies yn y swydd ar 1 Chwefror. Er i N Vaughan barhau i weithio i'r sefydliad ar ôl mis Chwefror 2025, roedd hynny mewn rôl Cyfarwyddwr Anweithredol.
- Gadawodd E Woollett swydd Cadeirydd y Bwrdd Iechyd ar 31 Mai 2024.
- Dechreuodd J Williams fel Cadeirydd y Bwrdd Iechyd ar 1 Mehefin 2024.
- Dechreuodd A Griffiths, aelod annibynnol newydd, yn y swydd ar 1 Ionawr 2025.
- Gadawodd yr Athro T Crick rôl yr Aelod Annibynnol ar 15 Hydref 2024.
- Mae M John (Cyfarwyddwr Gwasanaethau Digidol) a R Thomas (Cyfarwyddwr Mewnwelediad, Cyfathrebu ac Ymgysylltu) yn aelodau o'r Bwrdd heb hawl pleidleisio.

Mae'n ofynnol i gyrff adrodd ddatgelu'r berthynas rhwng tâl y Cyfarwyddwr sy'n cael y cyflog uchaf yn eu sefydliad a'r 25ain canradd, y canolrif a'r 75fed canradd o dâl gweithlu'r sefydliad.

Y cyfarwyddwr â'r cyflog uchaf yn y Bwrdd Iechyd Lleol yn 2025/26, fel yn 2024/25, oedd y Prif Weithredwr (A Harris yn 2025/26; R Evans tan 28 Hydref 2024; ac A Harris o 28 Hydref 2024 tan fis Mawrth 2025), ac mae'r tablau isod yn rhoi manylion am y berthynas rhwng tâl y Prif Weithredwr a thâl y gweithlu ar y 25ain canradd, y canolrif a'r 75ain canradd.

	2025/26			2024/25		
	Cyflog y Prif Weithredwr (£)	Cyflog y Gweithiwr (£)	Cymhareb	Cyflog y Prif Weithredwr (£)	Cyflog y Gweithiwr (£)	Cymhareb
Cymhareb cyflog 25ain canradd	227,390	26,156	8.69:1	227,265	28,240	8.11:1
Cyflog canolrifol	227,390	34,940	6.51:1	227,265	35,871	6.31:1
Cymhareb cyflog 75ain canradd	227,390	43,272	5.25:1	227,265	49,254	4.63:1

Mae cynnydd bach yn y gymhareb rhwng cyflog y Prif Weithredwr a'r 25ain canradd, y canolrif a'r 75ain canradd o'i gymharu â'r flwyddyn flaenorol, oherwydd effaith dyfarniadau cyflog amrywiol a'r newid yn y Prif Weithredwr yng nghanol blwyddyn 2024/25. Yn 2024/25, dyfarnwyd codiadau o 5% i staff VSM, codiadau o 5.5% i staff Agenda ar gyfer Newid, a chodiadau o 6% i staff meddygol a deintyddol. Yn 2025/26, dyfarnwyd codiad o 3.25% i staff VSM, 3.6% i staff Agenda ar gyfer Newid a 4% i staff meddygol a deintyddol o ran codiadau cyflog.

Yn 2025/26, derbyniodd 31 (2024/25, 24) o aelodau staff dâl cydnabyddiaeth a oedd yn uwch na thâl y cyfarwyddwr ar y cyflog uchaf. Roedd y taliadau i'r gweithwyr hynny yn 2025/26 a 2024/25 yn cynnwys taliadau mewn perthynas â mentrau rhestrau aros, a sesiynau ychwanegol a gynhaliwyd yn ychwanegol at eu cyflog arferol. Amrywiodd taliadau i staff rhwng £23,875 a £218,519 yn ystod 2025/26 (2024/25: £23,970 i £323,663).

Mae cyfanswm y taliadau'n cynnwys cyflog, tâl cysylltiedig â pherfformiad ar wahân, a buddion mewn nwyddau. Nid yw'n cynnwys taliadau diswyddo, cyfraniadau pensiwn cyflogwr a gwerthoedd trosglwyddo pensiynau cyfwerth ag arian parod. Mae buddion nodedig yn ymwneud â buddion a geir o ddarparu car ar brydles neu gar drwy gynllun aberthu cyflog.

Staff meddygol oedd yr holl weithwyr a gafodd gydnabyddiaeth ariannol uwch na'r cyfarwyddwr â'r cyflog uchaf yn 2025/26 a 2024/25. Nid oedd yr un o'r aelodau hyn o'r staff yn berthnasol i'r Cadeirydd, y Cyfarwyddwyr Gweithredol na'r Aelodau Annibynnol.

Mae'r tabl canlynol yn dangos y newid canrannol yn nhaliadau'r cyfarwyddwr a delir y swm uchaf, a'r newid canrannol yn nhaliadau gweithwyr yr endid yn ei gyfanrwydd.

	2024/25 - 2025/26 (%)	2023/24- 2024/25 (%)
Newid canrannol o'r flwyddyn flaenorol mewn perthynas â'r Prif Weithredwr		
Cyflog a Lwfansau	3.76	1.07
Tâl Perfformiad a Bonysau	0.00	0.00
Cyfartaledd y newid % o flwyddyn ariannol flaenorol mewn perthynas â chyflogeion yn cymryd yn ei gyfanrwydd		
Cyflog a Lwfansau	(1.81)	5.51
Tâl Perfformiad a Bonysau	0.00	0.00

Mae'r cynnydd yng nghyflog a lwfansau cyfartalog gweithwyr, wrth eu hystyried yn eu cyfanrwydd, yn ystod y blynyddoedd ariannol 2023/24-2024/25 yn deillio o ddyfarniadau cyflog gwahanol ar draws y blynyddoedd ariannol. Yn 2023/4, dyfarnwyd codiad cyflog o 5% i'r holl staff, ynghyd â thaliad adfer ychwanegol wedi'i gydgrynhoi. Yn 2024-25, dyfarnwyd codiad cyflog o 5.5% i holl staff Agenda ar gyfer Newid, 5% i staff VSM, a 6% i staff meddygol (gyda meddygon a deintyddion iau hefyd yn derbyn taliad cyfunol o £1,000). Yn 2025/26, dyfarnwyd codiadau cyflog ar ganran is i staff: 3.25% i staff VSM, 3.6% i staff Agenda ar gyfer Newid, a 4% i staff meddygol a deintyddol. Ni wnaed unrhyw daliadau cyfunol yn 2025-26.

4. Buddion Pensiwn Cyfarwyddwyr

Mae cynllun y GIG yn ei gwneud yn ofynnol i weithwyr dalu rhwng 5.2% a 12.5% o'u henillion – yn unol â graddfa haenog – i Gynllun Pensiwn y GIG, gyda'r cyflogwr yn cyfrannu 23.78%. Mae cyfraniad y cyflogwr i Gynllun Pensiwn y GIG wedi'i eithrio o'r ffigurau cyflog a ddangosir ar gyfer Cyfarwyddwyr Gweithredol.

Gwerth Trosglwyddo Cyfatebol i Arian Parod

Y Gwerth Trosglwyddo Cyfwerth ag Arian Parod (CETV) yw gwerth cyfalafedig a aseswyd gan actiwari o fuddion cynllun pensiwn a gronwyd gan aelod ar adeg benodol. Y buddion y pennir eu gwerth yw buddion cronedig yr aelod ac unrhyw bensiwn dichonol sydd i'w dalu o'r cynllun i ŵr neu wraig. Mae CETV yn daliad a wneir gan gynllun neu drefniant pensiwn i sicrhau buddion pensiwn mewn cynllun neu drefniant pensiwn arall, pan fydd yr aelod yn gadael cynllun ac yn dewis trosglwyddo'r buddion a gronwyd yn eu cynllun blaenorol. Mae'r ffigurau pensiwn a ddangosir yn ymwneud â'r buddion y mae'r unigolyn wedi eu cronni o ganlyniad i gyfanswm ei aelodaeth yn y cynllun pensiwn, nid dim ond ei wasanaeth mewn swydd uwch y mae datgelu yn berthnasol iddi. Mae'r ffigurau CETV yn cynnwys gwerth unrhyw fuddion pensiwn mewn cynllun neu drefniant arall y mae'r aelod wedi ei drosglwyddo i gynllun pensiwn y GIG. Maen nhw hefyd yn cynnwys unrhyw fuddion pensiwn ychwanegol a gronwyd i'r aelod, o ganlyniad iddo ef neu hi brynu buddion pensiwn ychwanegol ar ei gost ei hun.

Cyfrifir CETVs yn unol â Rheoliadau Cynlluniau Pensiwn Galwedigaethol (Gwerthoedd Trosglwyddo) (Diwygio) 2008, ac nid ydynt yn ystyried unrhyw ostyngiad gwirioneddol neu bosibl i fuddion o ganlyniad i Dreth Lwfans Oes a allai fod yn ddyledus pan gymerir buddion pensiwn.

Y Cynnydd Gwirioneddol mewn CETV

Mae hyn yn adlewyrchu'r cynnydd yn y Gwerth Trosglwyddo Cyfwerth ag Arian Parod sy'n cael ei ariannu gan y cyflogwr. Mae'n cynnwys y cynnydd mewn pensiwn cronedig oherwydd chwyddiant, cyfraniadau a dalwyd gan y gweithiwr (gan gynnwys gwerth unrhyw fuddion a drosglwyddwyd o gynllun neu drefniant pensiwn arall), ac mae'n defnyddio ffactorau prisio cyffredin y farchnad ar gyfer dechrau a diwedd y cyfnod.

Nid yw'r datgeliadau yn y tabl isod yn berthnasol i aelodau annibynnol, gan nad ydynt yn aelodau o Gynllun Pensiwn y GIG ac nid ydynt yn derbyn tâl sy'n gymwys ar gyfer pensiwn.

* Nid oedd C Osmundsen-Little, G Richardson, E Rix a T Ricketts yn gyfarwyddwyr gweithredol yn y flwyddyn flaenorol; felly, mae ffigurau cymharol ar gyfer blwyddyn lawn wedi'u heithrio. Gadawodd D Griffiths y Bwrdd Iechyd ym mis Chwefror 2026. Mae'r cynnydd gwirioneddol yn CETV ar gyfer M Davies a D Griffiths yn negyddol, ac felly dangosir sero. Nid yw CETV S Jenkins

yn cael ei ddangos ar gyfer 31/3/26 gan iddi adael y sefydliad ddiwedd mis Ebrill 25 ar secondiad i Ymddiriedolaeth GIG Felindre.

- Dewisodd C Morrell, Cyfarwyddwr Therapiau a Gwyddor Iechyd, beidio â chael ei gwmpasu gan Drefniadau Pensiwn y GIG yn ystod 2025/26.

Cyfrifir ffigurau CETV gan ddefnyddio'r canllawiau ar gyfraddau gostyngiad ar gyfer cyfrifo cyfraddau cyfraniadau pensiwn gwasanaeth cyhoeddus heb eu hariannu, a oedd mewn grym ar 31 Mawrth 2026, sef 1.7%. Cyhoeddodd Trysorlys Ei Fawrhydi ganllawiau wedi'u diweddarau yn 2026 a fydd yn cael eu defnyddio wrth gyfrifo ffigurau CETV o 3.8% ar gyfer 2026-27.

5. Contractau cyflogaeth

Ac eithrio'r Cyfarwyddwr Cyllid Dros Dro (C Osmundsen-Little), sydd ar secondiad o IGDC (Iechyd a Gofal Digidol Cymru), mae pob Cyfarwyddwr Gweithredol ar gontractau cyflogaeth parhaol gyda Bwrdd Iechyd Lleol Prifysgol Bae Abertawe (fodd bynnag, mae G Richardson ar gontract Cyfarwyddwr Gweithredol dros dro). Mae'n ofynnol i Gyfarwyddwyr Gweithredol roi rhybudd o dri mis i'r Bwrdd Iechyd, ac maent yn gymwys i dderbyn rhybudd o dri mis gan y Bwrdd Iechyd. Y polisi ar hyd contractau, cyfnodau rhybudd a chyfnodau terfynu yw'r un a bennwyd gan Lywodraeth Cymru.

Yr unig ddarpariaethau ar gyfer terfynu'n gynnar yw'r rhai a ganiateir gan reoliadau Cynllun Pensiwn y GIG (iawndal am ymddeol yn gynnar). Ym mhob achos arall o derfynu'n gynnar, bydd hyn yn unol â'r manylion yng nghytundebau cyflogaeth yr unigolion.

6. Rhagor o wybodaeth

Nid oes unrhyw fentrau lleol ar gyfer trafodaethau cyflog o fewn y Bwrdd Iechyd. Ni wnaed unrhyw daliadau ar gyfer Yswiriant Indemniad Proffesiynol ar gyfer unrhyw Swyddog na Chyfarwyddwr.

7. Adran Adroddiad y Staff

Mae'r adran hon o'r adroddiad yn cynnwys gwybodaeth am niferoedd a chyfansoddiad y staff, data ar absenoldeb oherwydd salwch, polisiau staff a weithredwyd yn ystod y flwyddyn, gwariant ar ymgynghoriaeth, trefniadau ymgysylltu y tu allan i'r system dalu (oddi ar y rhestr cyflogau) a phecynnau ymadael.

7.1 Niferoedd a Chyfansoddiad Staff

Mae nifer cyfartalog y gweithwyr yn ôl grŵp staff ar gyfer 2025/26 wedi'i nodi yn y tabl isod, ynghyd â'r gymhariaeth ar gyfer 2024/25. Cyfrifir y cyfartaledd fel nifer yr gweithwyr sydd o dan contract gwasanaeth – wedi'u cyfrifo fel cyfwerth ag amser llawn – ar ddiwedd pob mis calendr yn y flwyddyn ariannol, wedi'i rannu â nifer y misoedd yn y flwyddyn ariannol.

Grŵp Staff	Staff Parhaol	Staff ar Secondiad Mewnol	Staff Asiantaeth	Hyfforddeion Arbenigol (SLE)	Banc Cydweithredol	Arall	Cyfanswm 2025/26	Cyfanswm 2024/25
Gweinyddiaeth, Clerigol ac Aelodau'r Bwrdd	2,379	9	3	0	0	0	2,391	2,444
Meddygol a Deintyddol	942	13	10	481	0	59	1,505	1,508
Nyrsio a Bydwagedd Cofrestredig	4,252	2	20	0	0	0	4,274	4,243
Staff Proffesiynol, Gwyddonol a Thechnegol	442	1	0	0	0	0	442	414
Gwasanaethau Clinigol Ychwanegol	2,561	0	20	0	0	0	2,581	2,683

Grŵp Staff	Staff Parhaol	Staff ar Secondiad Mewnol	Staff Asiantaeth	Hyfforddeion Arbenigol (SLE)	Banc Cydweithredol	Arall	Cyfanswm 2025/26	Cyfanswm 2024/25
Proffesiynau Perthynol i Iechyd	1,028	2	7	0	0	0	1,037	1,008
Gwyddonwyr Gofal Iechyd	372	1	46	0	0	0	419	374
Ystadau ac Ategol	952	0	4	0	0	0	956	963
Cyfansymiau	12,928	28	110	481	0	59	13,606	13,637

Mae'r staff sydd wedi'u cynnwys fel Gweithwyr Arbenigol dan Hyfforddiant (SLE) yn y tabl uchod yn Gweithwyr Meddygol, Gweithwyr Deintyddol a Meddygon Teulu dan hyfforddiant sy'n cael eu cyflogi o dan y Trefniant Cyflogwr Arweiniol Unigol gan Ymddiriedolaeth GIG Felindre, ond sy'n cael eu lleoli o fewn y Bwrdd Iechyd ar gyfer eu hyfforddiant. Cyn mis Awst 2020, roedd y hyfforddeion hyn yn cael eu cyflogi'n uniongyrchol gan y Bwrdd Iechyd, ac felly byddent wedi cael eu dosbarthu fel staff parhaol.

Nid oedd unrhyw staff banc cydweithredol yn y Bwrdd Iechyd yn ystod 2025/26.

Mae'r staff a restrir o dan y golofn "Arall" yn y tabl uchod yn staff dros dro a gafwyd drwy gontract gwasanaeth a reolir gan MEDACS. Mae'r staff hyn yn cael eu talu drwy system gyflogau'r GIG.

Ar 31 Mawrth 2026, mae gan y Bwrdd Iechyd 14,594 o weithwyr, ac mae 10 ohonynt yn Gyfarwyddwyr Gweithredol. O'r staff hyn, mae 3,347 yn ddynion, gan gynnwys un Cyfarwyddwr Gweithredol, ac mae 11,247 yn fenywod, gan gynnwys naw Cyfarwyddwr Gweithredol benywaidd.

Mae yna hefyd 9 Aelod Annibynnol, ac o'r rhain mae 2 yn ddynion a 7 yn fenywod.

7.2 Data Absenoldeb Oherwydd Salwch

	2025/26	2024/25
Cyfanswm y diwrnodau a gollwyd	342,204	393,602
Salwch Tymor Byr (27 diwrnod neu lai)	90,816	111,265
Salwch Hirdymor (28 diwrnod neu fwy)	251,389	282,337
Diwrnodau gwaith cyfartalog a gollwyd	17	26
Cyfanswm y staff a gyflogwyd yn ystod y cyfnod (nifer y bobl)	14,685	14,805
Cyfanswm y staff a gyflogwyd yn ystod y cyfnod na fuont yn absennol (nifer y bobl)	3,882	4,225
Canran y staff na fuont yn absennol oherwydd salwch	15	25.54

7.3 Polisiâu staff a gymhwyswyd yn ystod y flwyddyn:

Cafodd polisi staff ar gydraddoldeb ei gymhwyso yn ystod y flwyddyn i fynd i'r afael â'r canlynol:

- Ar gyfer rhoi ystyriaeth lawn a theg i geisiadau am waith gyda'r Bwrdd Iechyd gan bobl anabl, gan roi sylw i'w galluoedd a'u doniau penodol.
- Ar gyfer parhau i gyflogi, ac ar gyfer trefnu hyfforddiant priodol i, weithwyr y Bwrdd Iechyd sydd wedi dod yn bobl anabl yn ystod y cyfnod yr oeddent yn cael eu cyflogi gan y Bwrdd Iechyd.
- Fel arall, ar gyfer hyfforddi, datblygu gyrfa a dyrchafu pobl anabl a gyflogir gan y Bwrdd Iechyd.

7.4 Gwariant ar Ymgynghoriaeth

Fel y nodir yn Nodyn 3.3 o Gyfrifon y Bwrdd Iechyd, gwnaeth y Bwrdd Iechyd wariant o £3.447 miliwn ar Wasanaethau Ymgynghori yn 2025/26 (£0.678 miliwn yn 2024/25). Mae gwariant ar wasanaethau ymgynghori yn codi pan fydd y Bwrdd Iechyd angen arbenigedd allanol i'w gefnogi wrth reoli ei wasanaethau a'i swyddogaethau o ddydd i ddydd. Mae enghreifftiau o'r fath ar gyfer 2025/26 yn cynnwys:

- Partner Strategol Allanol, yn cefnogi'r Bwrdd Iechyd i nodi a chyflawni cynlluniau arbedion ar gyfer 2025/26 a 2026/27.
- Gwasanaethau ymgynghori rheoli i gefnogi Grŵp Gwasanaethau Castell-nedd Port Talbot a Singleton wrth adolygu Gwasanaethau Mamolaeth a Newyddenedigol.
- Gwasanaethau ymgynghori rheoli i gefnogi'r Bwrdd Iechyd gyda rhyddhau cleifion o dan y cynlluniau 'Cartref yn Gyntaf' a 'Aros yn Iach'.
- Cyngor a chymorth allanol ar gyfer lles staff a chleifion.

7.5 Ymrwymïadau Oddi ar y Gyflogres

Tabl 1: Ar gyfer pob trefniant gwaith y tu allan i'r system dalu cyflogau (oddi ar y rhestr cyflogau) ar 31 Mawrth 2026, sy'n talu mwy na £245 y dydd ac yn para mwy na chwe mis

Nifer yr ymrwymïadau presennol ar 31 Mawrth 2026	0
O'r rhain...	
Nifer sydd wedi bodoli am lai nag un flwyddyn ar adeg yr adrodd.	0
Y nifer sydd wedi bodoli am rhwng blwyddyn a dwy flynedd ar adeg yr adrodd.	0
Nifer sydd wedi bodoli am rhwng dwy a thair blynedd ar adeg yr adrodd.	0
Y nifer sydd wedi bodoli ers rhwng tair a phedair blynedd ar adeg yr adrodd.	0
Nifer sydd wedi bodoli ers pedair blynedd neu fwy ar adeg yr adrodd.	0

Tabl 2: Penodiadau newydd nad oeddynt ar y gyflogres, neu’r rheiny a gyrhaeddodd chwe mis o hyd, rhwng 1 Ebrill 2025 a 31 Mawrth 2026, am fwy na £245 y dydd, ac a barhaodd yn hirach na chwe mis

Nifer yr ymgysylltiadau newydd, neu'r rhai a gyrhaeddodd hyd o chwe mis, rhwng 1 Ebrill 2023 a 31 Mawrth 2024	0
Nifer y trefniadau hyn a aseswyd fel rhai sy'n dod o dan reolau IR35	0
Nifer y trefniadau hyn a aseswyd fel rhai nad oeddent yn dod o dan gwmpas IR35	0
Nifer yr ymgysylltiadau hyn a drefnwyd yn uniongyrchol (trwy PSC a oedd wedi'i gontractio i'r adran) ac sydd ar restr gyflogau'r adran;	0
Nifer yr ymgysylltiadau hyn a ailaseswyd at ddibenion cysondeb/sicrwydd yn ystod y flwyddyn, ac y gofynnwyd am sicrwydd yn eu cylch ond na chafwyd ef;	0

Y nifer a welodd newid i statws IR35 yn dilyn yr adolygiad cysondeb.	0

Tabl 3: Penodiadau nad oeddynt ar y gyflogres ar gyfer aelodau'r bwrdd, ac/neu uwch swyddogion gyda chyfrifoldeb ariannol sylweddol, rhwng 1 Ebrill 2025 a 31 Mawrth 2026.

Nifer y penodiadau nad oeddent ar y gyflogres ar gyfer aelodau o'r bwrdd, ac/neu uwch swyddogion gyda chyfrifoldeb ariannol sylweddol, yn ystod y flwyddyn ariannol.	0
Manylion am yr amgylchiadau eithriadol a arweiniodd at bob un o'r ymrwymïadau hyn.	Ddim yn Berthnasol
Manylion am hyd pob un o'r ymgysylltiadau eithriadol hyn	Ddim yn Berthnasol
Cyfanswm nifer yr unigolion – boed ar y gofrestr gyflogau ai peidio – sydd wedi cael eu hystyried yn "aelodau o'r bwrdd a/neu'n uwch-swyddogion â chyfrifoldeb ariannol sylweddol" yn ystod y flwyddyn ariannol. Mae'r ffigwr hwn yn cynnwys trefniadau sydd ar y gofrestr gyflogau yn ogystal â'r rhai sydd oddi ar y gofrestr gyflogau.	0

Roedd 0 o drefniadau ymgysylltu y tu allan i'r system gyflogau ar waith ar ddechrau blwyddyn ariannol 2025/26. Ni fu unrhyw drefniadau newydd ar gyfer gweithwyr nad ydynt ar y gofrestr gyflogau yn ystod y flwyddyn.

7.6 Pecynnau ymadael

Mae'r ffigurau a ddatgelwyd yn ymwneud â phecynnau ymadael y cytunwyd arnynt yn ystod y flwyddyn, yn unol â nodyn 9.5. Gallai'r dyddiad ymadael gwirioneddol fod mewn cyfnod dilynol, a gallai'r gwariant sy'n ymwneud â'r costau ymadael fod wedi'i gronni mewn cyfnod blaenorol. Felly, cyflwynir y data yma ar sail wahanol i gostau staff a gwariant eraill a nodir yng Nghyfrifon Blyneddol y Bwrdd Iechyd.

	2025/26				2024/25

mwy na £200,000	0	0	0	0	0
Cyfanswm	0	226,129	226,129	0	259,414

Pan fo'r Bwrdd Iechyd Lleol wedi cytuno ar ymddeoliadau cynnar, y Bwrdd Iechyd Lleol sy'n talu'r costau ychwanegol, ac nid Cynllun Pensiynau'r GIG. Caiff costau ymddeol oherwydd salwch eu talu gan Gynllun Pensiynau'r GIG ac nid ydynt wedi'u cynnwys yn y tabl.

Talwyd costau ymadael o £204,867 yn 2025/26 (2024/25, £229,863).

Nid i'w gyhoeddi

Adroddiad Atebolrwydd ac Archwilio Seneddol 2025-26

Nid i'w gyhoeddi

Adroddiad Atebolrwydd Seneddol Cymru

Mae Bwrdd Iechyd Prifysgol Bae Abertawe yn gwneud y datgeliadau Seneddol canlynol ar gyfer 2025-26:

- **Rheoleidd-dra gwariant** – defnyddiwyd adnoddau cyhoeddus i gyflawni'r amcanion arfaethedig, ac roedd y gwariant yn cydymffurfio â deddfwriaeth berthnasol – gan gynnwys deddfwriaeth yr UE – ac awdurdodau dirprwyedig, ac yn dilyn y canllawiau yn *Rheoli Arian Cyhoeddus Cymru*.
- **Ffioedd a thaliadau** – mae taliadau am wasanaethau a ddarperir gan sefydliadau'r sector cyhoeddus fel arfer yn trosglwyddo cost lawn darparu'r gwasanaethau hynny. Gall sefydliadau'r sector cyhoeddus hefyd ddarparu gwasanaethau masnachol ar delerau masnachol, gyda'r nod o gystadlu'n deg â darparwyr y sector preifat. Mae Llywodraeth Cymru yn disgwyl rheolaethau priodol dros sut, pryd ac ar ba lefel y gellir codi taliadau. Nid yw hyn yn berthnasol i'r Bwrdd Iechyd – codir tâl am yr holl eitemau ar sail adennill costau llawn.
- Mae'r Bwrdd Iechyd yn cydymffurfio â'r gofynion dyrannu costau a chodi tâl a nodir yng nghanllawiau Trysorlys Ei Fawrhydi.
- Datgelir pob rhwymedigaeth amodol annhebygol o dan IAS37.

Tystysgrif ac adroddiad Archwilydd Cyffredinol Cymru i'r Senedd

Barn ar y datganiadau ariannol

Rwy'n ardystio fy mod wedi archwilio datganiadau ariannol Bwrdd Iechyd Lleol Prifysgol Bae Abertawe ar gyfer y flwyddyn a ddaeth i ben ar 31 Mawrth 2026 o dan Adran 61 Deddf Archwilio Cyhoeddus (Cymru) 2004.

Mae'r rhain yn cynnwys y Datganiad o Wariant Net Cynhwysfawr, y Datganiad o'r Sefyllfa Ariannol, y Datganiad o Lifoedd Arian a'r Datganiad o Newidiadau yn Ecwiti Trethdalwyr a'r nodiadau cysylltiedig, gan gynnwys crynodeb o bolisiau cyfrifyddu materol.

Y fframwaith adrodd ariannol a ddefnyddiwyd wrth eu paratoi yw'r gyfraith berthnasol a safonau cyfrifyddu rhyngwladol a fabwysiadwyd gan y Deyrnas Unedig fel y'u dehonglir a'u haddasir gan Lawlyfr Adroddiadau Ariannol Trysorlys Ei Fawrhydi.

Yn fy marn i, ym mhob ffordd berthnasol, mae'r datganiadau ariannol:

- rhoi darlun gwir a theg o sefyllfa Bwrdd Iechyd Lleol Prifysgol Bae Abertawe ar 31 Mawrth 2026 ac o'i gostau gweithredu net ar gyfer y flwyddyn a ddaeth i ben y diwrnod hwnnw;
- wedi'u paratoi'n briodol yn unol â safonau cyfrifyddu rhyngwladol a fabwysiadwyd yn y DU fel y cawsant eu dehongli a'u haddasu gan Lawlyfr Adroddiadau Ariannol Trysorlys EF; ac
- wedi'u paratoi yn briodol yn unol â Deddf Gwasanaeth Iechyd Gwladol (Cymru) 2006 a'r cyfarwyddiadau a wnaed dan y ddeddf honno gan Weinidogion Cymru.

Barn ar reoleidd-dra

Yn fy marn i, ac eithrio'r materion a ddisgrifir yn yr adran ar Sail i Farn ar Reoleidd-dra Amodol yn fy adroddiad, ym mhob ffordd berthnasol, mae'r gwariant a'r incwm yn y datganiadau ariannol wedi'u cymhwyso at y dibenion a fwriadwyd gan y Senedd ac mae'r trafodion ariannol sydd wedi'u cofnodi yn y datganiadau ariannol yn cydymffurfio â'r awdurdodau sy'n eu llywodraethu.

Sail dros farn gymwysedig ar reoleidd-dra

Rwyf wedi cymhwyso fy marn ar reoleidd-dra datganiadau ariannol Bwrdd Iechyd Lleol Prifysgol Bae Abertawe oherwydd bod y Bwrdd Iechyd wedi mynd y tu hwnt i'w derfyn adnoddau drwy wario £112.428 miliwn yn fwy na'r £4,055 miliwn yr

oedd wedi'i awdurdodi i'w wario yn y cyfnod tair blynedd rhwng 2023-24 a 2025-26. Mae'r gwariant hwn yn gyfystyr â gwariant afreolaidd. Mae manylion pellach wedi'u nodi yn fy Adroddiad atodedig.

Sail barn

Cynhaliais fy archwiliad yn unol â chyfraith berthnasol a Safonau Rhyngwladol ar Archwilio yn y DU (ISAs (DU)) a Nodyn Ymarfer 10 'Archwiliad o Ddatganiadau Ariannol Endidau Sector Cyhoeddus yn y Deyrnas Unedig'. Disgrifir fy nghyfrifoldebau o dan y safonau hynny ymhellach yn adran cyfrifoldebau'r archwilydd am archwilio datganiadau ariannol fy nhystysgrif.

Rwyf fi a'm staff yn annibynnol o'r Bwrdd ac yn gweithredu'n unol â'r gofynion moesegol sy'n berthnasol i'm harchwiliad o'r datganiadau ariannol yn y DU, gan gynnwys Safonau Moesegol y Cyngor Adrodd Ariannol, ac rwyf wedi cyflawni fy nghyfrifoldebau moesegol eraill yn unol â'r gofynion hyn. Credaf fod y dystiolaeth archwilio a gefais yn ddigonol ac yn briodol i ddarparu sail ar gyfer fy marnau.

Casgliadau sy'n ymwneud â busnes gweithredol

Wrth archwilio'r datganiadau ariannol, deuthum i'r casgliad ei bod yn briodol defnyddio sail cyfrifyddu busnes hyfyw wrth baratoi'r datganiadau ariannol.

Yn seiliedig ar y gwaith rwyf wedi'i wneud, nid wyf wedi nodi unrhyw ansicrwydd sylweddol yn ymwneud â digwyddiadau neu amodau a allai, yn unigol neu ar y cyd, achosi amheuaeth sylweddol ynghylch gallu'r corff i barhau i fabwysiadu'r sail cyfrifyddu 'busnes sy'n mynd rhagddo' am gyfnod o o leiaf 12 mis o'r adeg y caiff y datganiadau ariannol eu hawdurdodi i'w cyhoeddi.

Disgrifir fy nghyfrifoldebau i a chyfrifoldebau'r cyfarwyddwyr mewn perthynas â busnes hyfyw yn adrannau perthnasol y dystysgrif hon.

Mabwysiadir sail cyfrifyddu busnes gweithredol Bwrdd Iechyd Prifysgol Bae Abertawe wrth ystyried y gofynion a nodir yn Llawlyfr Adroddiadau Ariannol y Llywodraeth Trysorlys EF, sy'n ei gwneud yn ofynnol i endidau fabwysiadu sail cyfrifyddu busnes gweithredol wrth baratoi'r datganiadau ariannol lle y rhagwelwyd y bydd y gwasanaethau a ddarperir ganddynt yn parhau i'r dyfodol.

Rhagor o wybodaeth

Mae'r wybodaeth arall yn cynnwys yr wybodaeth a gynhwysir yn yr adroddiad blynyddol heblaw'r datganiadau ariannol ac adroddiad fy archwilydd ar hynny. Mae'r Prif Weithredwr yn gyfrifol am yr wybodaeth arall sydd yn yr adroddiad blynyddol. Nid yw fy marn ar y datganiadau ariannol yn cynnwys yr wybodaeth arall a, heblaw i'r graddau a nodir yn ddiamwys fel arall yn fy adroddiad, nid wyf yn mynegi unrhyw fath o gasgliad sicrwydd ar hynny. Fy nghyfrifoldeb i yw darllen

yr wybodaeth arall ac, wrth wneud hynny, ystyried a yw'r wybodaeth arall yn sylweddol anghyson â'r datganiadau ariannol neu'r wybodaeth a gafwyd yn ystod yr archwiliad, neu a yw'n ymddangos fel arall ei bod wedi'i chamddatgan yn sylweddol. Os byddaf yn nodi anghysondebau perthnasol o'r fath neu gamddatganiadau perthnasol ymddangosiadol, mae'n ofynnol i mi benderfynu a yw hyn yn arwain at gamddatganiad perthnasol yn y datganiadau ariannol eu hunain. Os dof i'r casgliad, ar sail y gwaith yr wyf wedi'i gyflawni, fod yna gamddatganiad sylweddol o'r wybodaeth arall hon, mae'n ofynnol i mi adrodd y ffaith honno.

Nid oes gennyf ddim i'w adrodd am hyn.

Barn am faterion eraill

Yn fy marn i, mae'r rhan o'r adroddiad ar dâl cydnabyddiaeth sydd i'w harchwilio wedi'i pharatoi'n briodol, yn unol â Deddf Gwasanaeth Iechyd (Cymru) 2006, a chyfarwyddiadau a wnaed gan Weinidogion Cymru;

Yn fy marn i, yn seiliedig ar y gwaith a wnaed yn ystod fy archwiliad:

- mae'r rhannau o'r Adroddiad Atebolrwydd sy'n destun archwiliad wedi'u paratoi'n briodol yn unol â Deddf y Gwasanaeth Iechyd Gwladol (Cymru) 2006 a chyfarwyddiadau a wnaed oddi tani gan Gymru Cyfarwyddiadau'r Gweinidogion; ac;
- mae'r wybodaeth a roddir yn y Rhagair, yr Adroddiad Atebolrwydd a'r Datganiad Llywodraethu ar gyfer y flwyddyn ariannol y paratowyd y datganiadau ariannol ar ei chyfer yn gyson â'r datganiadau ariannol ac yn unol â chanllawiau Gweinidogion Cymru.

Ystyriaethau yr wyf yn adrodd arnynt fel eithriad

Yn sgil y wybodaeth a'r ddealltwriaeth o'r Bwrdd a'i amgylchedd a gafwyd yn ystod yr archwiliad, nid wyf wedi nodi camddatganiadau sylweddol yn y Rhagair ac Adroddiad Atebolrwydd nac yn y Datganiad Llywodraethu.

Nid oes gennyf unrhyw sylwadau i'w gwneud ar y materion canlynol, y cyflwynaf adroddiad i'chi arnynt os, yn fy marn i:

- nad wyf wedi cael yr holl wybodaeth ac esboniadau sydd eu hangen arnaf ar gyfer fy archwiliad;
- na chadwyd cofnodion cyfrifyddu digonol, neu ni dderbyniwyd ffurflenni sy'n ddigonol ar gyfer fy archwiliad gan ganghennau nad ymwelodd fy nhîm â hwy;
- nad yw'r datganiadau ariannol a'r rhan o'r Adroddiad Atebolrwydd a archwiliwyd yn gyson â'r cofnodion a'r ffurflenni cyfrifyddu;

- na ddatgelwyd gwybodaeth a bennir gan Drysorlys EF neu Weinidogion Cymru ynghylch tâl a thrafodion eraill;
- na wneir datgeliadau penodol o daliadau a nodir gan Lawlyfr Adroddiadau Ariannol y Llywodraeth Trysorlys EF neu nid yw rhannau o'r Adroddiad ar Dâl Cydnabyddiaeth sydd i'w harchwilio yn cyd-fynd â'r cofnodion a'r ffurflenni cyfrifyddu; neu
- nid yw'r Datganiad Llywodraethu yn adlewyrchu cydymffurfiaeth â Chanllawiau Trysorlys EF.

Cyfrifoldebau'r Cyfarwyddwyr a'r Prif Weithredwr am y datganiadau ariannol

Fel yr eglurir yn llawnach yn y Datganiadau o Gyfrifoldebau'r Cyfarwyddwyr a'r Prif Weithredwr, mae'r Cyfarwyddwyr a'r Prif Weithredwr yn gyfrifol am:

- gynnal cofnodion cyfrifyddu digonol
- paratoi datganiadau ariannol ac adroddiad blynyddol yn unol â'r fframwaith adrodd ariannol cymwys ac am fod yn fodlon eu bod yn rhoi darlun cywir a theg;
- sicrhau bod yr adroddiad blynyddol a'r datganiadau ariannol yn eu cyfanrwydd yn deg, yn gytbwys ac yn ddealladwy;
- sicrhau rheoleidd-dra trafodion ariannol;
- rheolaethau mewnol y mae'r Cyfarwyddwyr a'r Prif Weithredwr yn penderfynu eu bod yn angenrheidiol i alluogi paratoi datganiadau ariannol sy'n rhydd o gamddatganiadau perthnasol, boed hynny oherwydd twyll neu gamgymeriad; ac
- asesu gallu'r Bwrdd i barhau i weithredu fel busnes sy'n mynd rhagddo, datgelu materion sy'n ymwneud â hynny lle bo'n briodol, a defnyddio'r sail cyfrifyddu ar gyfer busnes sy'n mynd rhagddo, oni bai bod y Cyfarwyddwyr a'r Prif Weithredwr yn rhagweld na fydd y gwasanaethau a ddarperir gan y Bwrdd yn parhau i gael eu darparu yn y dyfodol.

Cyfrifoldebau'r Archwilydd am archwilio'r datganiadau ariannol

Fy nghyfrifoldeb i yw archwilio, ardystio ac adrodd ar y datganiadau ariannol yn unol â Deddf Gwasanaeth Iechyd Gwladol (Cymru) 2006.

Fy amcanion i yw cael sicrwydd rhesymol ynghylch a yw'r datganiadau ariannol yn gyffredinol yn rhydd o gamddatganiadau perthnasol, boed hynny o ganlyniad i dwyll neu wall, a chyhoeddi tystysgrif sy'n cynnwys fy marn.

Mae sicrwydd rhesymol yn lefel uchel o sicrwydd, ond nid yw'n gwarantu y bydd archwiliad a gynhelir yn unol ag ISAs (DU) bob amser yn darganfod camddatganiad perthnasol pan fydd yn bodoli. Gall camddatganiadau godi o

ganlyniad i dwyll neu wall ac fe'u hystyrir yn berthnasol os gellid disgwyl iddynt yn rhesymol, yn unigol neu yn eu cyfanrwydd, ddylanwadu ar benderfyniadau economaidd defnyddwyr a wneir ar sail y datganiadau ariannol hyn.

Mae afreoleidd-dra, gan gynnwys twyll, yn enghreifftiau o ddiffyg cydymffurfio â chyfreithiau a rheoliadau. Rwy'n cynllunio gweithdrefnau yn unol â'm cyfrifoldebau, a amlinellwyd uchod, i ganfod camddatganiadau perthnasol mewn perthynas ag afreoleidd-dra, gan gynnwys twyll.

Roedd fy ngweithdrefnau yn cynnwys y canlynol:

- Gwneud ymholiadau â'r rheolwyr, pennaeth archwilio mewnol y corff a archwilir a'r rhai sy'n gyfrifol am lywodraethu, gan gynnwys cael ac adolygu dogfennau ategol sy'n ymwneud â pholisïau a gweithdrefnau Bwrdd Iechyd Lleol Prifysgol Bae Abertawe sy'n ymwneud â:
 - nodi, gwerthuso a chydymffurfio â chyfreithiau a rheoliadau a pha un a oeddent yn ymwybodol o unrhyw achosion o ddiffyg cydymffurfio;
 - canfod ac ymateb i risgiau o dwyll ac a ydynt yn gwybod am unrhyw dwyll gwirioneddol, twyll a amheuir neu dwyll honedig; a
 - y rheolaethau mewnol a sefydlwyd i liniaru risgiau sy'n ymwneud â thwyll neu ddiffyg cydymffurfio â chyfreithiau a rheoliadau.
- Ystyried fel tîm archwilio sut a ble y gallai twyll ddigwydd yn y datganiadau ariannol ac unrhyw ddangosyddion posibl o dwyll. Fel rhan o'r drafodaeth hon, nodais botensial ar gyfer twyll yn y meysydd canlynol: cydnabod gwariant, cofnodi cofnodion cyfnodolyn anarferol a rhagfarnau mewn amcangyfrifon cyfrifyddu;
- Cael dealltwriaeth o fframwaith awdurdod Bwrdd Iechyd Lleol Prifysgol Bae Abertawe, yn ogystal â fframweithiau cyfreithiol a rheoleiddiol eraill y mae'r Bwrdd yn gweithredu o'u mewn, gan ganolbwyntio ar y deddfau a'r rheoliadau hynny a gafodd effaith uniongyrchol ar y datganiadau ariannol neu effaith sylfaenol ar weithrediadau Bwrdd Iechyd Lleol Prifysgol Bae Abertawe;
- Cael dealltwriaeth o berthnasoedd parti cysylltiedig.

Yn ogystal â'r uchod, roedd fy ngweithdrefnau i ymateb i risgiau a nodwyd yn cynnwys y canlynol:

- adolygu datgeliadau'r datganiadau ariannol a phrofi dogfennau ategol i asesu cydymffurfedd â'r cyfreithiau a'r rheoliadau perthnasol a drafodwyd uchod;
- holi'r rheolwyr, y rhai sy'n gyfrifol am lywodraethu ac ymgynghorwyr cyfreithiol ynghylch achosion cyfreithiol a hawliadau gwirioneddol a phosibl;
- darllen cofnodion cyfarfodydd y rhai sy'n gyfrifol am lywodraethu a'r Bwrdd; ac
- wrth ymdrin â'r risg o dwyll wrth i reolwyr ddiystyru rheolaethau, profi priodoldeb cofnodion mewn dyddlyfrau ac addasiadau eraill; asesu a yw'r

dyfarniadau a wnaed wrth wneud amcangyfrifon cyfrifyddu yn arwydd o ragfarn bosibl; a gwerthuso sail resymegol busnes unrhyw drafodion sylweddol sy'n anarferol neu y tu allan i gwrs arferol y busnes.

Chyfathrebais hefyd gyfreithiau a rheoliadau perthnasol a nodwyd a risgiau twyll posibl i bob aelod o'r tîm archwilio ac arhosais yn effro i unrhyw arwyddion o dwyll neu ddiffyg cydymffurfio â chyfreithiau a rheoliadau drwy gydol yr archwiliad.

Mae'r graddau y gall fy ngweithdrefnau ganfod afreoleidd-dra, gan gynnwys twyll, yn cael eu heffeithio gan yr anhawster cynhenid o ganfod afreoleidd-dra, effeithiolrwydd rheolaethau Bwrdd Iechyd Lleol Prifysgol Bae Abertawe, a natur, amseriad a chwmpas y gweithdrefnau archwilio a gyflawnwyd.

Mae disgrifiad pellach o gyfrifoldebau'r archwilydd am archwilio'r datganiadau ariannol ar wefan y Cyngor Adrodd Ariannol, www.frc.org.uk/auditorsresponsibilities. Mae'r disgrifiad hwn yn rhan o fy adroddiad fel archwilydd.

Cyfrifoldebau eraill yr archwilydd

Mae hefyd yn ofynnol i mi gael digon o dystiolaeth i roi sicrwydd rhesymol bod y gwariant a'r incwm a gofnodwyd yn y datganiadau ariannol wedi'u cymhwyso at y dibenion a fwriadwyd gan y Senedd a bod y trafodion ariannol a gofnodwyd yn y datganiadau ariannol yn cydymffurfio â'r awdurdodau sy'n eu llywodraethu.

Rwy'n cyfathrebu â'r rhai sy'n gyfrifol am lywodraethu ynghylch, ymhlith materion eraill, cwmpas ac amseriad arfaethedig yr archwiliad a chanfyddiadau arwyddocaol yr archwiliad, gan gynnwys unrhyw ddiffygion sylweddol mewn rheolaeth fewnol a nodaf yn ystod fy archwiliad.

Adrodd

Adroddiad yr Archwilydd Cyffredinol i'r Senedd

Cyflwyniad

O dan Ddeddf Archwilio Cyhoeddus Cymru 2004, rwy'n gyfrifol am archwilio, ardystio ac adrodd ar ddatganiadau ariannol Bwrdd Iechyd Lleol Prifysgol Bae Abertawe (y Bwrdd Iechyd Lleol).

Rwy'n adrodd ar y datganiadau ariannol hyn ar gyfer y flwyddyn a ddaeth i ben ar 31 Mawrth 2026 er mwyn tynnu sylw at faterion allweddol ar gyfer fy archwiliad, fel a ganlyn:

- methiant o ran y ddyletswydd ariannol gyntaf a chymhwyso fy marn 'reoleidd-dra' o ganlyniad; a
- methiant y Bwrdd Iechyd i gyflawni'r ail ddyletswydd ariannol.

Nid wyf wedi amodi fy marn 'wir a theg' mewn perthynas ag unrhyw un o'r materion hyn.

Dyletswyddau Ariannol

Mae'n ofynnol i Fyrddau Iechyd Lleol (Billa) gyflawni dau ddyletswydd ariannol statudol – a elwir yn ddyletswyddau ariannol cyntaf ac ail.

Ar gyfer 2025-26, methodd y Bwrdd Iechyd Lleol â bodloni'r ddyletswydd ariannol gyntaf a'r ail ddyletswydd ariannol.

Methiant i gyflawni'r ddyletswydd ariannol gyntaf

Mae'r ddyletswydd ariannol gyntaf yn rhoi hyblygrwydd ychwanegol i Fyrddau Iechyd Lleol drwy ganiatáu iddynt gydbwyso eu hincwm â'u gwariant dros gyfnod treigl o dair blynedd. Y cyfnod tair blynedd sy'n cael ei fesur o dan y ddyletswydd hon eleni yw 2023-24 i 2025-26.

Fel y dangosir yn Nodyn 2.1 i'r Datganiadau Ariannol, ni lwyddodd y Bwrdd Iechyd Lleol i reoli ei wariant refeniw o fewn ei ddyraniad adnoddau dros y cyfnod hwn o dair blynedd, gan ragori ar ei derfyn adnoddau refeniw cronus o £4,055 miliwn o £112.428 miliwn.

Pan nad yw Bwrdd Iechyd Lleol yn cydbwyso ei gyfrifon dros gyfnod treigl o dair blynedd, mae unrhyw wariant sy'n uwch na'r dyraniad adnoddau (h.y. y terfyn gwario) ar gyfer y tair blynedd hynny yn mynd y tu hwnt i awdurdod y Bwrdd i wario, ac felly mae'n 'afreolaidd'. Mewn

amgylchiadau o'r fath, mae'n ofynnol i mi gymhwyso fy 'marn ar reoleidd-dra', waeth beth fo gwerth y gwariant gormodol.

Methiant i gyflawni'r ail ddyletswydd ariannol

Mae'r **ail ddyletswydd ariannol** yn ei gwneud yn ofynnol i Fyrddau Iechyd Lleol baratoi cynllun tymor canolig integredig tair blynedd sy'n symud ymlaen, a chael cymeradwyaeth Gweinidogion Cymru ar ei gyfer. Mae'r ddyletswydd hon yn sylfaen hanfodol ar gyfer darparu gwasanaethau iechyd cynaliadwy o ansawdd. Bernir bod Bwrdd Iechyd Lleol wedi cyflawni'r ddyletswydd hon ar gyfer 2025-26 os oedd wedi cyflwyno cynllun ar gyfer 2025-26 i 2027-28, a gymeradwywyd gan ei Fwrdd, i Weinidogion Cymru, a oedd yn ofynnol iddynt adolygu'r cynllun ac ystyried ei gymeradwyo.

Fel y dangosir yn Nodyn 2.3 i'r Datganiadau Ariannol, ni chyflawnodd y Bwrdd Iechyd Lleol ei ail ddyletswydd ariannol o fod â chynllun tymor canolig integredig tair blynedd wedi'i gymeradwyo ar waith ar gyfer y cyfnod 2025-26 i 2027-28.

Adrian Crompton

Tueddiadau Gwariant Hirdymor 2025-26

Nid i'w gyhoeddi

Tueddiadau Gwariant Hirdymor

1. Tueddiadau Gwariant Hirdymor

Sefydlwyd Bwrdd Iechyd Lleol Prifysgol Bae Abertawe ar 1 Ebrill 2019 o dan yr offeryn statudol 2019 Rhif 349 (Cy.83), Gorchymyn Byrddau Iechyd Lleol (Newid Ardal) (Cymru) (Diwygiadau Amrywiol) 2019.

Trosglwyddodd yr offeryn statudol hwn ardal llywodraeth leol bennaf Pen-y-bont ar Ogwr o Fwrdd Iechyd Lleol Prifysgol Abertawe Bro Morgannwg i Fwrdd Iechyd Lleol Prifysgol Cwm Taf, ac yn ogystal, cadarnhaodd y byddai Bwrdd Iechyd Lleol Prifysgol Abertawe Bro Morgannwg yn cael ei ailenwi'n Fwrdd Iechyd Lleol Prifysgol Bae Abertawe.

Mae Bwrdd Iechyd Lleol Prifysgol Bae Abertawe yn gyfrifol am ddarparu gwasanaethau gofal iechyd i'r boblogaeth sy'n dod o dan ardaloedd llywodraeth leol Abertawe a Chastell-nedd Port Talbot.

Roedd 2025/26 yn flwyddyn ariannol heriol, gyda'r Bwrdd Iechyd yn adrodd ar sefyllfa o ddiffyg uwch o gymharu â 2024/25. Parhaodd blwyddyn ariannol 2025/26 i gyflwyno heriau i'r bwrdd iechyd, yn rhannol oherwydd methiant i wireddu arbedion cylchol o flynyddoedd ariannol blaenorol, yn ogystal â phwysau gweithredol ym maes gofal wedi'i gynllunio a gofal brys ac argyfwng. Arweiniodd hyn at barhau i ddefnyddio taliadau amrywiol ochr yn ochr â chynnydd mewn costau Gofal Iechyd Parhaus (CHC) – mater y gellir ei weld yn Nodyn 3 o Gyfrifon Blynyddol y Bwrdd Iechyd sy'n ymwneud â Chostau Gweithredu.

Mae'r newidiadau mewn gwariant ar gyfer y blynyddoedd ariannol 2023/24 i 2025/26 wedi'u nodi isod yn ôl y prif benawdau gwariant:

- Gwariant ar Wasanaethau Gofal Iechyd Sylfaenol
- Gwariant ar Ofal Iechyd gan Ddarparwyr Eraill
- Gwariant ar Wasanaethau Ysbyty a Chymuned

Yn 2025/26, bu cynnydd o 6.7% yn y gwariant ar Wasanaethau Gofal Sylfaenol o gymharu â 2024/25, ac yn yr un modd, cafwyd cynnydd o 3.5% ar Ofal Iechyd gan Ddarparwyr Eraill a chynnydd o 3.9% ar Wasanaethau Ysbyty a'r Gymuned yn 2025/26 o gymharu â 2024/25. Fodd bynnag, mae'r dosbarthiad ar draws y categorïau gwariant yn parhau i fod yn gyson â'r un ar gyfer 2024/25, fel y dangosir yn y siart isod. Mae'r prif gynnydd yng Ngwasanaethau Gofal Iechyd Sylfaenol yn deillio o Wasanaethau Meddygol Cyffredinol, Gwasanaethau Offthalmig Cyffredinol a Gwasanaethau Deintyddol. O ran Gofal Iechyd gan Ddarparwyr Eraill, gwariant gyda'r JCC (Cydbwyllgor Comisiynu) a'r CHC yw'r prif ffactorau sy'n gyrru'r cynnydd yn y categori hwn. O fewn Gwasanaethau Ysbyty a'r Gymuned, y prif gynnydd mewn gwariant yn 2025/26 fu costau staffio a Chyflenwadau a Gwasanaethau Clinigol.

Error! Not a valid link.

Nid i'w gyhoeddi

3.1 Gwariant ar Wasanaethau Gofal Iechyd Sylfaenol

Mae gwariant ar Wasanaethau Gofal Iechyd Sylfaenol yn cynnwys gwariant ar y contractau Gofal Sylfaenol ar gyfer Gwasanaethau Meddygol Cyffredinol, Gwasanaethau Fferyllol, Gwasanaethau Deintyddol Cyffredinol, Gwasanaethau Offthalmig Cyffredinol, Cyffuriau ac Offer a Ragnodwyd, a gwariant arall ar Ofal Iechyd Sylfaenol.

Yn 2025/26, cynyddodd gwariant i £243 miliwn, sef cynnydd o 6.7%. Y cynnydd mwyaf oedd yn y Gwasanaethau Meddygol Cyffredinol (£0.8m, 33%), y Gwasanaethau Offthalmig Cyffredinol (£1.4m, 4%) a'r Gwasanaethau Deintyddol (£1.2m, 13%). Mae cyffuriau ac offerynnau a ragnodwyd yn cyfrif am 36.8% o'r gwariant.

3.2 Gwariant ar Ofal Iechyd gan Ddarparwyr Eraill

Mae gwariant ar ofal iechyd gan ddarparwyr eraill yn cynnwys gwariant gyda sefydliadau eraill y GIG, awdurdodau lleol, sefydliadau gwirfoddol a darparwyr preifat, yn ogystal â gwariant ar ofal nyrsio a gofal iechyd parhaus a ariennir gan y GIG.

Yn 2024/25, cynyddodd gwariant ar ofal iechyd gan ddarparwyr eraill o 3.3% i £347 miliwn. Y prif gynnydd oedd yn y gwariant ar Ofal Iechyd Parhaus (CHC), a gynyddodd o £8.25m (8.9%), ac ar Ofal Nyrsio a Ariennir, a gynyddodd o £0.3m (2.6%) o 2024/25 ymlaen. Mae cyfuniad o gynnydd yn nifer yr achosion a chostau pecynnau uwch – gan gynnwys pecynnau nyrsio sylfaenol sy'n costio mwy oherwydd y cynnydd yn y Cyflog Byw Gwirioneddol – wedi cael effaith sylweddol ar y gwariant.

Cafwyd gostyngiad yng nghostau darparwyr preifat yn 2025/26 – gostyngiad o £1.8 miliwn (17%). Mae hyn oherwydd y gostyngiad yn nifer y cleifion sy'n aros am gyfnodau hir ar y rhestr aros ar gyfer gofal wedi'i gynllunio. Cafwyd cynnydd sylweddol yn y gwariant ar nwyddau a gwasanaethau gyda JCC, a gynyddodd o £10.1m (6.9%). Mae'r cynnydd hwn yn ymwneud â chynllun y JCC a gytunwyd yn genedlaethol, chwyddiant ac ariannu'r dyfarniad cyflog ar gyfer 2025/26. Cafwyd gostyngiad hefyd o £2.4 miliwn yn y nwyddau a'r gwasanaethau gan Fyrddau Iechyd eraill GIG Cymru, sy'n ymwneud yn bennaf â Bwrdd Iechyd Cwm Taf Morgannwg.

3.3 Gwariant ar Wasanaethau Iechyd Ysbyty a'r Gymuned

Mae'r maes hwn yn cyfrif am y rhan fwyaf o wariant y bwrdd iechyd, ac felly mae'n gweld y amrywiadau mwyaf dros amser.

Yn 2025/26, cynyddodd y gwariant ar wasanaethau ysbyty a chymunedol o £46.2m (3.9%) i £1,224m. Y cynnydd mwyaf oedd yn y costau staff o £50.1m (5.7%), sy'n cynnwys costau staff yn ymwneud â staff meddygol iau o dan y trefniant Cyflogwr Arweiniol Unigol (SLE) gydag Ymddiriedolaeth GIG Velindre. O'r cynnydd, mae £29.1m yn ymwneud â'r dyfarniad cyflog cyfunol o 3.6% ar gyfer staff Agenda ar gyfer Newid, a 4% yn gyffredinol ar gyfer staff meddygol. Cafodd grŵp o staff eu hail-fandio ar gost ychwanegol o £7m. Bu hefyd gynnydd bach o £1.7m yn y gwariant ar gyflenwadau a gwasanaethau clinigol, £1.8m ar gyflenwadau a gwasanaethau cyffredinol, a £2.7m ar gostau ymgynghori.

Statement of the Chief Executive's Responsibilities as Accountable Officer

The Welsh Ministers have directed that the Chief Executive should be the accountable officer to the Health Board.

The relevant responsibilities of accountable officers, including their responsibility for the propriety and regularity of the public finances for which they are answerable, and for the keeping of proper records, are set out in the accountable officer's memorandum issued by Welsh Government.

I can confirm that:

To the best of my knowledge and belief, there is no relevant audit information of which the Health Board's auditors are unaware, and I have taken all steps that ought to have been taken to make myself aware of any relevant audit information and to establish that the auditors are aware of that information.

The annual report and accounts as a whole are fair, balanced, and understandable, and I take personal responsibility for the annual report and accounts and the judgements required for determining that it is fair, balanced and understandable.

To the best of my knowledge and belief, I have properly discharged the responsibilities set out in my letter of appointment as an accountable officer. The accountable officer is responsible for authorising the issue of the financial statements on the date they were certified by the Auditor General for Wales.

Date: 25.06.26

Chief
Executive:

Statement of Directors' Responsibilities in Respect of the Accounts

The directors are required under the National Health Service Act (Wales) 2006 to prepare accounts for each financial year. The Welsh Ministers, with the approval of the Treasury, direct that these accounts give a true and fair view of the state of affairs of the Health Board and of the income and expenditure of the Health Board for that period.

In preparing those accounts, the directors are required to:

- apply on a consistent basis accounting principles laid down by the Welsh ministers with the approval of the Treasury;
- make judgements and estimates which are responsible and prudent;
- state whether accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

The directors confirm that they have complied with the above requirements in preparing the accounts.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Health Board and to enable them to ensure that the accounts comply with the requirements outlined in the abovementioned direction by Welsh ministers.

By order of the board, signed:

About the Health Board

Swansea Bay University Health Board plans, commissions and delivers healthcare services for the people of Neath Port Talbot and Swansea, and works to improve their health and wellbeing. We serve a population of approximately 400,000, have a budget of around £1.8 billion and employ over 14,000 staff.

We have three major hospitals providing a range of services: Morriston and Singleton hospitals in Swansea and Neath Port Talbot Hospital in Baglan, Port Talbot. We also have a community hospital at Gorseinon, an inpatient specialist mental health provision at Tonna Hospital and primary care resource centres providing clinical and wellbeing services outside the main hospitals.

We provide more than 70 specialised services to the populations of south-west Wales, south Wales and for certain services, on a Wales-wide and UK basis. These are commissioned by the other Health Boards in Wales either through the NHS Wales Joint Commissioning Committee or directly.

Primary care independent contractors play an essential role in the care of our population, and the health board commissions services from 44 GP practices, 32 optometry practices, 63 dental practices (including orthodontic and specialist providers) and 90 community pharmacies across our region.

Mental health and learning disability services are provided in both hospital and community settings for residents within the Swansea Bay region, and we provide a regional service for both learning disability and forensic mental health services.

There are four all-Wales services hosted by the Health Board:

- Emergency Medical Retrieval and Transfer Service (EMRTS) – provides advanced decision-making and critical care for life or limb-threatening emergencies requiring transfer for time-critical treatment at an appropriate facility;
- Major Trauma Network Operational Delivery Network – provides the management function overseeing the major trauma network, coordinating patient transfers between the major trauma centre, trauma units and local hospitals and enhancing major trauma learning to improve patient outcomes, patient experience and quality standards from the point of wounding to recovery;
- Lymphoedema Network – manages the Lymphoedema Network Wales National Team;
- Spinal Operational Delivery Network – the management function for the network, co-ordination of patient flow across the spinal pathway, lead the development, and coordinate implementation and delivery of standards and pathways.

The Board has a clear purpose, ambition, strategic aims, and strategic objectives have been developed to fulfil our civic responsibilities by improving the health of communities, reducing health equities and delivering prudent healthcare in which patients and service users feel cared for, confident and safe. These are set out in our [Annual Plan](#).

service users, relatives and carers. These are at the heart of all that we do.

Foreword: Jan Williams CBE, Chair of the Board

On behalf of the Board, I am pleased to present the Annual Report for Swansea Bay University Health Board for 2025-26.

This has been a year of both progress and continued challenge. Board members are clear that, while improvement has been made in a number of areas, we are under no illusion about the scale of further progress required.

The Board is acutely aware of the significant levels of deprivation across the population we serve, and the impact that this has on health outcomes, demand for services and persistent inequalities. This context is the fundamental

underpinning of our role as a Board—shaping our strategic priorities, informing our assessment of risk, and reinforcing the importance of working in partnership to improve population health

Throughout the year, the Board has maintained a strong and consistent focus on its core responsibilities of leadership, governance, oversight and accountability. This has included close scrutiny of performance, quality and safety, together with a strengthened approach to risk management and assurance. Where services have not met the standards expected, the Board has not hesitated to discharge its role around appropriate challenge, ensuring transparency and agreeing action.

Board members have focused particularly on areas of known concern, including maternity and neonatal services, mental health and learning disability services, and urgent and emergency care. We received and accepted the outcome of the Independent Maternity and Neonatal Review and also approved, in principle, a Perinatal Improvement Plan, recognising the importance of restoring confidence and ensuring safe, high-quality care for all patients and families.

There has also been a clear and necessary strengthening of the Board's role as the Governing Body, through enhancing the approach to performance and financial oversight, improving systems, bringing in clearer lines of accountability and a more disciplined approach to governance. These developments represent important progress in the maturity of the Board itself and the organisation.

The Board recognises that significant challenges remain. In particular, delays in patients following throughout pathways through our hospitals,

including high numbers of clinically optimised patients (those patients who have no ongoing need for clinical treatment), continue to impact on patient experience, safety and system performance. We also acknowledge that the organisation has still to make the required progress in reducing the financial deficit and charting the path back to financial balance and sustainability. These issues remain central to the Board's oversight and call for collective ownership, unswerving focus and urgent action from all of us across the wider system.

Partnership working continues to be vital. The Board has strengthened its engagement with key partners, including with Hywel Dda University Health Board, through the Regional Joint Committee, Neath Port Talbot and Swansea local authorities and the Third Sector, recognising that we cannot address alone many of the challenges facing the health system.

Board members acknowledge and own both the scale of the challenge and the need for continuing progress. Over the past year, we have, through necessity, focused on strengthening the fundamentals of governance, performance and accountability. This provides a strong foundation for the next phase of improvement.

On behalf of the Board, I would like to place on record our sincere thanks to staff for their professionalism, compassion and continued commitment. They go the extra mile every day in caring for patients, service users, families and communities. I would also like to thank partners and stakeholders for their support and collaboration

I am privileged to serve as Chair of Swansea Bay University Health Board, and I am confident that the Board will continue to provide the leadership, governance, oversight and assurance required to support continuous improvement in the years ahead. I am indebted to all my Board colleagues for their contributions, advice and guidance throughout the year.

Jan Williams, CBE

Introduction: Chief Executive's Overview

I am pleased to present this Annual Report, which sets out the progress we have made over the past year, alongside the challenges we continue to face as an organisation. Having now completed my first year as Chief Executive, I have seen first-hand both the strength of our organisation and the scale of the work still required.

During the year, our teams have worked with dedication and determination to deliver improvements across a number of key areas. In planned care, we have made significant progress in reducing long waits and improving access for patients. This has included delivering thousands of additional outpatient appointments, with up to 25,000 extra appointments, and substantial reductions in waiting lists across a number of specialties, by as much as 90% in some cases. Earlier access is enabling faster diagnosis and treatment, including for patients with serious conditions, improving outcomes at a crucial stage.

We have also taken important steps to strengthen the quality and safety of our services. We have progressed the Independent Maternity and Neonatal Review in a transparent and compassionate way, through the development of a clear Perinatal Improvement Plan to drive the changes required. We have increased our focus on governance and performance, taking action where needed to address areas of concern. Mental health transformation has also been a key priority, with a strengthened focus on patient-centred care, service quality, safety and governance across Mental Health and Learning Disability services.

Despite this progress, significant challenges remain.

We serve a population with some of the highest levels of deprivation in Wales, and this has a profound impact on demand for our services, the complexity of need, and the outcomes our communities experience. Health inequalities are reflected in higher rates of long-term conditions, later presentation and greater reliance on urgent and emergency care. This context is a critical factor in both the pressures we face and the way we must respond—strengthening our focus on prevention, early intervention and partnership working across the system.

Our urgent and emergency care system continues to operate under sustained pressure. However, the changes implemented during the year are beginning to deliver measurable improvement. Even at times of peak demand, performance in key areas has improved compared to previous periods, including reductions in ambulance handover delays and in the

time patients wait for a bed. Despite this, too many patients still experience delays, particularly where discharge from hospital is not possible in a timely way. This remains a critical issue for patient experience, safety and system flow.

We also face ongoing financial challenges. While we have strengthened our approach to financial management and delivered against our planned position, we have not yet reduced our underlying deficit. Addressing this will require continued focus, discipline and system-wide action. Fundamentally, our route to financial sustainability lies in improving quality and consistently doing the right things for patients first time. By reducing unwarranted variation, avoiding harm and improving flow through our services, we will improve outcomes and experience while making best use of our resources and reducing avoidable cost. This is the shift we are now embedding across the organisation.

In response, we have focused on strengthening the foundations of the organisation—improving governance, clarifying accountability and building greater consistency in how we manage performance.

This year represents a clear shift in how we operate. It is not about doing more of the same, but about doing things differently—being more disciplined in how we prioritise, more consistent in how we deliver, and more focused on the changes that will have the greatest impact for our patients and communities.

Alongside this, we have refreshed our strategy, *A Healthier Swansea Bay*, and are developing our Clinical Services Strategic Plan, *Transforming for the Future*, which will provide a clear roadmap for how services will evolve over the coming years. This is complemented by our *Organised for Success* redesign programme, strengthening our organisational structure, culture and approach to improvement.

We are clear about the next phase of our journey. Having focused on strengthening the foundations this year, we will now move into a period of transition in 2026/27—shifting from preparation to delivery, and from intent to measurable impact, before progressing into longer-term transformation to ensure the sustainability of our services.

None of this would be possible without our staff. Every day, I continue to be impressed by the professionalism, compassion and resilience shown across our organisation. I am deeply grateful for everything they do for our patients and communities.

We will continue to work closely with our partners across local government, the third sector and Welsh Government to address the

challenges we face and to improve the health and wellbeing of the population we serve.

Chief Executive

Performance Report 2025-26

Our Performance Summary

The financial year 2025-26 was another highly pressurised year. During the year the Health Board was monitored against its escalation status and remained in Targeted Intervention for Urgent Emergency Care, Cancer and some elements of infection control. The Health Board also remained in Enhanced Monitoring for CAMHS and Planned Care. Significant progress has been made in planned care and good progress has been seen throughout Q2 and Q3 for Unscheduled care.

In November 2024, the escalation status for finance and planning was increased from enhanced monitoring to targeted intervention due to the challenging financial position.

On 12 April 2024, the Health Board had its inception meeting with Welsh Government colleagues and on 24 April 2024 the first quarterly meeting was held with the Chief Executive of NHS Wales. Quarterly meetings subsequently alternate with formal Joint Executive Team (JET) meetings. Monthly review meetings are with Welsh Government officers focussing on key updates against the escalated areas. The Chief Operating Officer is the Senior Responsible Officer (SRO) for targeted intervention and each work programme is supported by senior management and clinical leads. Summarised updates against the escalation levels will be provided throughout this report.

Following the Tripartite meeting in February 2025, the levels of escalation have been revised and updated as follows;

- Child and Adolescent Mental Health Services de-escalated from level 4 (targeted intervention) to level 3 (enhanced monitoring).
- Planned care de-escalated from level 4 (targeted intervention) to level 3 (enhanced monitoring).

Following the publication of the Independent Maternity and Neonatal Review published on 15 July 2025, the decision was made to escalate Maternity and Neonates to Level 4 (Targeted Intervention) from Level 3 Enhanced Monitoring. Updated de-escalation criteria relating to Maternity and Neonates was published in September 2025 and has been incorporated into this report.

Areas of Escalation Performance

The escalation areas were a focus for the Health Board's performance in 2025-26. Below is a summary of our end-of-year position to demonstrate progress against final figures for 2025-26.

Performance against Areas of Enhanced Monitoring (Level 3)

Measure	De-escalation Target	March 2025	March 2026
Planned Care			
Number of patients waiting less than 52 weeks for an outpatient appointment	100% of open outpatient pathways to be waiting less than 52 weeks and maintained for 3 months.	100%	100%
Number of patients waiting less than 104 weeks at all stages	100% of open pathways to be waiting less than 104 weeks and maintained for 3 months.	100%	100%

Measure	De-escalation Target	March 2025	March 2026
Planned Care			
Number of patients waiting less than 26 weeks for an outpatient appointment	Continuous improvement towards 75% of all open outpatient pathways waiting less than 26 weeks	71.63%	86.90%
Number of patients waiting less than 36 weeks at all stages	Continuous improvement towards 80% of all open pathways waiting less than 36 weeks	73.13%	78.53%

Measure	De-escalation Target	March 2025	March 2026
Planned Care			
Number of patients delayed by 100% for their Follow-up appointment	12% reduction in the number of patients delayed by 100% for their follow up appointment in three consecutive months and maintained for 3 months (Based on the November 2024 baseline taking the number of patients waiting below 26,194)	4.23% (increase against the baseline, April 2025)	20.29% (increase against the baseline)
R1 ophthalmology patient pathways to be waiting within or no longer than 25% of their target date for an outpatient appointment	68% R1 ophthalmology patient pathways to be waiting within or no longer than 25% of their target date for an outpatient appointment and maintained for 3 months	74.38%	71.03%
Number patients waiting less than 8 weeks for a diagnostic test	85% of patients waiting for a diagnostic test to be waiting less than 8 weeks and maintained for 3 months.	82.08%	93.11%
Number of patients waiting less than 8 weeks for a diagnostic endoscopy	85% of patients waiting for a diagnostic endoscopy to be waiting less than 8 weeks and maintained for 3 months.	40.78%	83.14%

Measure	De-escalation Target	March 2025	March 2026
Planned Care			
Number of patients waiting less than 9 weeks for a NOUS** and non-cardiac MRI	85% of patients waiting for a NOUS and non-cardiac MRI to be waiting less than 8 weeks and maintained for 3 months.	99.96%	92.80%
Number of patients waiting less than 14 weeks for therapies	90% of patients waiting for therapies to be waiting less than 14 weeks and maintained for 3 months.	100%	100%

The Planned care de-escalation criteria has been met for three consecutive months in the following areas:

- Number of patients waiting less than 52 weeks for an outpatient appointment (Target met since October 2023)
- Number of patients waiting less than 104 weeks at all stages (Target met since March 2025)
- Number of patients waiting less than 26 weeks for an outpatient appointment (Target met since September 2025)
- R1 ophthalmology patient pathways to be waiting within or no longer than 25% of their target date for an outpatient appointment (Target met since May 2024)
- Number of patients waiting less than 14 weeks for therapies (Target met since July 2025)

Child and Adolescent Mental Health Services			
Number of LPMHSS* mental Health assessments undertaken within 28 days from receipt of referral	80% of LPMHSS mental health assessments undertaken within 28 days from the date of receipt of referral.	75%	82%

Child and Adolescent Mental Health Services			
Number of therapeutic interventions started within 28 days following an LPMHSS assessment	70% of therapeutic interventions started within 28 days following an assessment by LPMHSS.	100%	81%
Number of HB residents in receipt of a secondary mental health service who have a valid care and treatment plan	85% of HB residents in receipt of secondary mental health services who have a valid care and treatment plan.	98%	90%

Please Note: CAMHS De-escalation criteria has been met and maintained since December 2025

*LPMHSS – Local Primary Mental Health Services

** NOUS – Non-Obstetric Ultrasound Service

Performance against Areas of Targeted Intervention (Level 4)

Measure	De-escalation Target	March 2025	March 2026
Cancer			
% Patients started treatment within 62 days on a Single Cancer Pathway	60% performance maintained for 3 months against the Single Cancer Pathway (SCP) target.	62.2%	55%

Unscheduled Care			
Number of ambulance handovers over an hour	A continuous reduction of ambulance handovers over an hour of at least 11% in three consecutive months and maintained for 3 months (Based on quarter 2 and 3 2023 baseline of 494).	555 (0.18% reduction on previous month)	595 (18.8% increase on previous month)
Number of patients waiting over 12 hours in A&E	Continuous improvement towards no more than 7% of patients waiting over 12 hours at each individual site and across the health board.	11.3%	11.26%

Median time from arrival at an emergency department to assessment by a clinical decision maker	Median time from arrival at an emergency department to assessment by a clinical decision maker should not exceed 60 minutes.	82.21%	80.34%
Number of delayed Pathways of Care	A continuous reduction in delayed pathways of care of 5% for three consecutive months and then maintained for three months (based on Oct-Dec 23 baseline of 176).	219 (13.7% reduction on previous month)	223 (11.5% increase on previous month)

Infection, Prevention & Control			
Number of hospital onset infections of C-Diff	C-Diff: reduce the number of hospital onset infections by 40% and maintain for 3 months (from a baseline of the average number of cases in quarter 3 of 10 cases to no more than 6 per month)	15	12
Number of hospital onset infections of Staph aureus	Staph aureus: reduce the number of hospital onset infections by 25% and maintain for 3 months (from a baseline of the average number of cases in quarter 3 of 4 cases to no more than 3 per month)	3	5
Number of hospital onset infections of E-coli	E-coli: reduce the number of hospital onset infections by 20% and maintain for 3 months (from a baseline of the average number of cases in quarter 3 of 5 cases to no more than 4 per month)	4	6
Number of hospital onset infections of Klebsiella	Klebsiella: reduce the number of hospital onset infections by 10% and maintain for 3 months based on 2017/18 figures (baseline – 54 cases in 2017/18, reduce to average of at most 4 per month)	5	4

Our Performance Report

The [Performance and Finance](#) and [Quality and Safety](#) Committees receive the integrated performance report at each meeting to track and monitor progress throughout the year. Deep dives are also received by the Performance and Finance Committee on the three highest risk areas – urgent and emergency care, planned care and cancer. In addition, the Board receives this report on a bi-monthly basis along with an in-depth report from the Chief Executive which not only updates on performance but other key areas, such as quality, workforce and achievements. As these reports are readily available from our website and provide a significant amount of detail, our annual report provides a snapshot of some of the work over the year.

Urgent and Emergency Care

Urgent and Emergency Care (UEC) remained a significantly challenged area throughout 2025–26, continuing the performance pressures seen in previous years. The Health Board remained under *Targeted Intervention* in line with the Welsh Government Escalation and Intervention Framework. Despite these pressures, the year included periods of notable improvement, particularly in ambulance handover performance following the Ministerial Advisory Group’s mandated 45-minute and 15-minute targets. Substantial operational work supported these gains.

Background and Early Improvements

During 2024–25, the Getting It Right First Time (GIRFT) review provided critical feedback that highlighted major concerns in the Emergency Department (ED) performance. The Health Board began a focused programme of improvement, including:

- Launch of the Older Persons Assessment Unit (OPAU)
- Enhanced senior decision-maker presence and improved medical rosters
- Minor estates reconfiguration to optimise space and flow

While these actions produced some early benefits, the system was regularly overwhelmed by underlying demand pressures.

Tests of Change and Performance Impact

In 2025–26, a suite of Plan-Do-Study-Act (PDSA) tests of change was implemented to improve assessment, flow, and admission processes. These included:

1. ED assessment and referral to medicine
2. Revised Acute Medical Unit (AMU) medical assessment model
3. Specialty assessment and patient allocation to specialty or General Internal Medicine (GIM) bed pool
4. Introduction of a seven-day Same Day Emergency Care (SDEC) model
5. Criteria-to-reside implementation, and

6. "Your Next Patient" continuous flow model across specialty bed bases, including surgical areas

Additional general medical ward capacity were opened to decompress the ED.

By the end of Quarter 2, key metrics showed significant improvement, despite ambulance demand increasing by 9%. Improvements included:

- **155% reduction** in ambulance handover delays >45 minutes
- **82.2% improvement** in average handover time
- **77% reduction** in ambulance handover hours lost
- **23% improvement** in ED turnaround time
- **38.7% reduction** in patients awaiting admission at 9 a.m.
- Reduction in Clinically Optimised Patients (COP) occupying acute beds
- National Escalation Status levels frequently improved from SL4 (highest pressure) to SL3 and SL2
- ED deaths reduced from 31 pre-test to 13 by end of Quarter 2

Escalation Pressures in Q3 and Q4

Performance dipped in Quarters 3 and 4, with periods of significant strain requiring Business Continuity arrangements. Although overall demand remained stable, flow deteriorated due to:

- Rising patient acuity
- Reduced discharge levels
- Increases in Clinically Optimised Patients (COP) and Clinically Safe for Transfer (CSFT) numbers
- Infection control constraints that limited capacity
- Occupancy within medical specialties frequently exceeding **130%**

This combination significantly impaired ED flow and ambulance offloading capability.

High Intensity User Programme

To alleviate avoidable attendances, the Health Board trialled a High Intensity User role designed to work across agencies and support individuals whose needs were more social than medical. The role aimed to redirect patients to more appropriate non-medicalised support services.

Whole-System Approach and Strategic Alignment

The Health Board recognised that ambulance delays reflect system-wide pressures beyond ED processes. Improvement efforts aligned to three overarching UEC system priorities:

- Pre-hospital pathways and front door services
- Flow improvement
- Discharge optimisation

Governance structures were simplified and strengthened, with integration alongside the West Glamorgan Regional Partnership to ensure a regional, whole-system approach.

All UEC activity aligned to three core principles:

1. Keep people safe and well at home
2. Provide safe community-based treatment wherever appropriate

3. Provide high-quality hospital care only when needed and enable timely discharge

Clinically Optimised Patients (COP)

COPs whose acute care is complete but who cannot be discharged due to social care delays—remained a major constraint across 2025–26. By Quarter 4:

- All three COP indicators (total bed days, average daily patients, occupancy %) increased
- COP pressure was sustained at Morriston Hospital, where COPs represented **15.5–16%** of bed occupancy, up from a 13–14% mid-year baseline

This rise placed considerable strain on front-door services including ED, SDEC, AMU, and OPAU.

Demand and Admission Avoidance

ED attendances remained high:

- 84,000 in 2023–24
- 85,500 in 2024–25
- 82,200 in 2025–26

The Minor Injury Unit (MIU) at Neath Port Talbot Hospital continued to play a critical admission-avoidance role, with attendances exceeding 52,000 annually and remains amongst one of the busiest MIUs in the UK.

Further admission-avoidance initiatives included:

- **Single Point of Access (SPOA)** trial for triage, advice, and redirection
- Integration with community falls pathways
- Redirection pathways to Urgent Primary Care Centres (UPCCs), MIU, Virtual Wards, and other community services
- “Clinical conversation before conveyance” with Welsh Ambulance Service Trust (WAST) to avoid unnecessary ambulance callouts, particularly from care homes

Falls Services

Two levels of community falls services were trialled:

- **Level 1 (non-injurious falls):** Early response to prevent long-lie complications
- **Level 2 (enhanced falls response):** Support for low-acuity fallers with minor injuries, delivered via a repurposed Early Supported Discharge therapy team

Forward Look: 2026–27

For 2026–27, priorities include implementing whole-system change, strengthening community discharge capacity, sustaining flow to protect ED and ambulance operations, and reducing overcrowding and delays for patients requiring emergency care.

Planned Care

The Health Board continued to see sustained improvement in planned care waiting times during 2025-26. We maintained the Ministerial target of no patients waiting over 52 weeks for an outpatient appointment throughout the year, continuing to perform strongly, relative to the national position, despite ongoing growth in referrals.

Building on the progress achieved in the previous year, the Health Board also eliminated all patients waiting over 104 weeks for treatment by March 2026. This milestone represents a significant organisational achievement and reflects the collective effort of clinical and operational teams across the Health Board.

This progress has been supported through a combination of increased activity, waiting list initiatives and targeted use of insourcing and outsourcing. While this additional activity has supported recovery during the year, the Health Board is increasingly focused on improving productivity and making best use of our existing capacity to sustain improvements over the longer term.

The Health Board has continued to work in partnership with Hywel Dda University Health Board to develop regional approaches to reducing waiting times for Orthopaedics. Locally, work has continued to expand the range and complexity of patients treated at Neath Port Talbot Hospital, supporting improved patient flow across our hospital sites. Further strategic developments to strengthen patient flow at Neath Port Talbot Hospital remains a priority, alongside work to improve theatre utilisation, productivity and efficiency across our hospital sites to support a sustainable planned care position in future years.

Key initiatives during the year included:

- Strengthening GP-led services to prevent unnecessary referrals to secondary care, enabling diagnosis and treatment closer to home, including pathways such as the pessary service in Gynaecology.
- Developing demand management approaches across primary, community and secondary care to better manage growing referral demand.
- Increasing treatment capacity through targeted use of insourcing and independent sector provision to support waiting time recovery.
- Continuing therapy-led education and lifestyle programmes for patients awaiting arthroplasty surgery to support preparation and recovery.
- Reviewing waiting lists to ensure patients remain clinically appropriate for surgery, with some patients removed from waiting lists where

symptoms had improved. • Supporting patients to optimise their physical condition prior to surgery, improving outcomes and reducing the risk of complications. • Launching a Health Board elective theatre productivity toolkit to support standardisation of processes and adoption of best practice across surgical teams. • Refreshing the outpatient improvement programme to focus on reducing waits for follow-up appointments and modernising outpatient pathways.	

Cancer
Delivery of the Single Cancer Pathway (SCP) (62 days) remains a significant challenge, consistent with the position across Wales. The Health Board remains in Targeted Intervention for Cancer performance. Backlog volumes increased sharply at the start of the year, with recovery evident through to late summer. An imbalance between seasonal demand and available capacity—particularly for skin—subsequently drove renewed growth in waiting volumes. Recovery is now evident again across most tumour groups. From April 2025, performance ranged between 52% and 65% against the 75% target; de-escalation from Targeted Intervention requires achievement of 60% for three consecutive months.

A sustained focus on ensuring patients are seen within two weeks of referral has supported performance, with around 40% of patients reaching a decision to treat (DTT) within 31 days. However, the Health Board continues to face significant diagnostic constraints, most notably in achieving timely histopathology turnaround times. This is despite a range of improvement actions implemented during the year and the use of outsourced capacity.

While improvements have been achieved during the year, the Health Board recognises that further sustained action is required to reach the 75% compliance target.

Key priorities for 2026/27 are to:

- Maintain a focus on ensuring patients are seen within two weeks of referral for urgent suspected cancer.
- Reduce diagnostic waiting times, with a particular focus on histopathology.
- Increase the proportion of patients achieving a decision to treat within 31 days.
- Increase treatment capacity to better match demand.

Recognising the complexity of the SCP and wider Cancer service delivery, a focused, clinically led Cancer Improvement Programme has been proposed to support the development of a unified Cancer Delivery Plan for the Health Board. A multi-disciplinary Cancer Improvement Workshop was held in March 2026 to shape priorities and align actions.

Immediate next steps for the Health Board include:

- **Formalise programme governance and structure**, including clear leadership, reporting, and accountability.
- **Launch 90-day delivery sprints** to accelerate implementation of priority improvements.
- **Undertake detailed data deep-dives** to identify constraints, variation, and opportunities by tumour group and pathway step.
- **Implement a stakeholder engagement plan** across primary care, diagnostics, treatment services, and partner organisations.
- **Deliver a clear communication approach** to support consistent messaging and sustained improvement.

Primary, Community and Therapies Services

During the year, the Health Board continued to increase the delivery of care closer to home. Work with the Local Authority, Social Care and Third sector partners supported prevention, early intervention and improved access for the local population. Primary Care is the first point of contact for most patients and plays a central role in supporting prevention, early intervention and the management of long-term conditions. Services include medical, optometric, dental and pharmaceutical provision.

Key activity and performance (April–December 2025)

- Over 54,000 patients attended pharmacies for support with common ailments (over 10,000 more than the previous year).
- Over 33,000 urgent dental appointments were provided.
- 14,500 new patient appointments were provided in Primary Care.
- Over 24,500 eye health examinations were delivered by optometrists in Primary Care.
- By year-end, local GP practices are expected to have provided over 2,000,000 appointments via phone, digital and face-to-face contacts, reflecting increasing demand.
- The Urgent Primary Care Centre and GP Out of Hours (GPOOH) service continued to provide enhanced support during the day and

across evenings and weekends, with over 13,000 and over 55,000 patient contacts respectively up to the end of December 2025.

Estates

Work with GP colleagues continued to improve the primary care estate. Over 20 improvement grants were supported in 2025/26, helping to maintain appropriate, safe and effective environments for service delivery.

Clusters and partnership working

The Health Board's eight locality-based Clusters continued to implement the nationally driven Accelerated Cluster Development Programme (ACDP). Delivery was supported through Professional Collaboratives (Dental, Optometry, Community Pharmacy, Allied Health Professionals (AHPs), Healthcare Clinical Scientists (HCSs) and GPs) and the first Third Sector Collaborative in Wales, supporting clinically led service planning and delivery. This work supported ongoing developments in community psychology, including provision for carers, primary care services and people with a learning disability.

Local innovation and improvement

- Wellbeing events were delivered for local communities across all eight Clusters.
- All eight Clusters progressed work on domestic abuse, supporting improved identification and strengthened referral pathways.
- Bespoke dental antimicrobial prescribing guidance was developed.
- Work continued to improve population mental health, including Cluster-specific projects such as the Cwmtawe Mental Health model.

Workforce development

The Primary and Community Care Academy continued to develop, working with primary care contractors to support the current workforce and workforce planning.

System flow and discharge

A strategic Pathways of Care Delays (POCD) reduction programme progressed with Local Authority partners, with a focus on supporting timely discharge to the most appropriate setting with the right support in place.

Community nursing

Community nursing services remained under review and continued to modernise in line with strategic workforce planning and the nurse retention plan. This provided assurance on the introduction of skill mix and the use of student streamlining to support workforce plans. The

senior nursing structure was strengthened through the introduction of Deputy Head of Nursing roles across specialist and children's services.

Staff wellbeing and retention

Staff wellbeing remained a focus to support professional and personal resilience. Restorative clinical supervision was introduced for all nursing staff, alongside Professional Nurse Advocate roles, to support staff experience and retention.

Digital and data

Digital platforms continued to be introduced and updated across services to support performance management and data collection.

Looking ahead

Work will continue in 2025-26 to strengthen primary and community care services, with a focus on access, timely care closer to home, workforce sustainability, and the use of digital solutions to support service delivery and performance monitoring.

Additional developments last year:

- Strengthened collaboration with local authorities in Paediatric Occupational Therapy (OT) and Speech and Language Therapy (SLT) to deliver universal and targeted interventions, including school-based consultations. Introduced an SLT phoneline to enable anyone to contact the service with concerns about a child.
- Rolled out a digital wound application to support improved wound healing outcomes.
- Streamlined pathways between the wound clinic and podiatry services.
- Implemented the Healthy Child Wales Programme (Part 2) across school nursing.
- Increased the delivery of end-of-life care at home.
- Developed Adferiad as a multi-disciplinary service for adults living with long-term conditions, including ME/CFS.
- Established a stroke outreach therapy team to enable timely discharge to the community and continued rehabilitation.
- Produced information videos to support people while waiting on an urgent suspected cancer pathway.
- Enhanced Community Podiatry Diabetic wound clinics to strengthen foot protection.
- Progressed a podiatry lower limb vascular diagnostics project with the City Cluster.
- Introduced an audiology volunteer first repair service at Singleton Hospital.
- Expanded partnership working with community leisure centres, including musculoskeletal exercise classes and healthier lifestyle support.

- Increased coverage of the School Entry Hearing Screen to **97%**.
- Piloted an urgent falls response delivered by Vale of Glamorgan therapy staff, in collaboration with WAST and SPOA.
- Implemented an occupational therapy pilot within the CDAT team to in-reach to the City Cluster.

Delivered **33,000** urgent dental appointments and **15,500** new dental appointments.

Expanded the common ailments scheme, delivering over **54,000** consultations (April–December 2025).

An independent prescribing service in optometry was rolled out and is now delivered in 11 optometry practices, with one domiciliary provider.

Independent prescribing continued to expand in community settings, with 34 independent prescribers within community pharmacies delivering more than 15,000 consultations.

Mental Health and Learning Disabilities

During 2025–26, the Health Board progressed the modernisation of Mental Health and Learning Disabilities services. Reviews were undertaken of inpatient and community pathways, Community Drug and Alcohol Team (CDAT) services, Child and Adolescent Mental Health Services (CAMHS) provision, and partnership arrangements through Regional Partnership Board structures.

In early 2025, services within the Adult Mental Health inpatient and community pathway were reviewed with support from NHS Wales Performance and Improvement. An external expert advisor, was appointed to assess services and make recommendations, which were implemented during 2025–26. These reviews led to the establishment of a Mental Health Transformation Programme and a Transformation Board.

Five transformation workstreams were progressed during the year, with a sixth established to strengthen communication and engagement. Progress was concentrated on the estates workstream to address immediate issues within adult mental health inpatient units.

Short-term estates improvement plans were developed, supported by £2.4 million capital investment at Tawe Clinic, Cefn Coed Hospital, to address environmental risks. Interim and longer-term solutions continued to be reviewed, alongside ongoing discussions with Welsh

Government regarding the adequacy of adult mental health inpatient provision.

Demand for Mental Health services increased across inpatient and community settings, impacting waiting times and admissions. CAMHS continued to embed within the Mental Health and Learning Disabilities Service Group, with performance against key targets improving during 2025–26. Compliance with Part 1B of the Mental Health Measure was expected to be restored by the end of March 2026. In partnership with Neath Port Talbot Local Authority, an in-reach CAMHS service was established at Hillside Young Offenders Unit.

Digital developments progressed during the year, including implementation of a national clinical system supporting mental health and community services, expanded use of an electronic document management system for patient correspondence, and rollout of digital dictation to support administrative capacity. Development and phased rollout of a replacement community care information system continued, with plans for future integration with local authority social care systems to support a regional patient information system.

Within the Learning Disabilities Division, the Specialist Behavioural Team was re-allocated into Community Learning Disability Teams, enhancing delivery of the Challenging Behaviour Pathway. This configuration became operational in January 2026. Rowan Assessment and Treatment Unit underwent a Healthcare Inspectorate Wales inspection, with inspectors noting positive patient care and support. Cardiff Community Learning Disability Team continued partnership work with acute services to develop pathways for individuals with complex behavioural needs.

Across Secure Services and Recovery, the Health Board progressed improvements to clinical environments. Roof repairs at Tonna Hospital were completed between October and November 2025. Additional capital funding enabled installation of air-conditioning at Uned Gobaith, ensuring compliance with Royal College of Psychiatrists standards; this work was completed in January 2026. Reconstruction of 14 bedrooms at Taith Newydd Low Secure Unit commenced in January 2026 following a fire in November 2024 and scheduled for completion in November 2026. A dedicated dental suite was completed at Caswell Clinic in September 2025, enabling routine dental access for inpatients across secure services at the Glanrhyd site. Dental care was provided by Time for Teeth under an approved procurement framework.

Key Performance metrics for our services

Performance was sustained against Part 1a and 1b of the Mental Health Measure in adult services and is generally exceeding the targets for both assessment and interventions.

Focussed work to achieve Care and Treatment Plans (CTP) compliance remains ongoing with Care Co-ordinators in both Health and Local Authority.

Even with increased demand on our service we continue to achieve the national targets on crisis assessment

There has been a deterioration in the performance against the psychological therapies target, which is consistent with the national picture. Unprecedented demand for psychological therapies is driving the decrease in performance.

The Service Group along with all Health Boards in Wales are continuing to work with NHS Wales P&I on development of a key daily dataset for Mental Health services, to capture the ongoing increasing demand, our capacity and capabilities to manage this.

Patient Safety and Experience

Patient Experience and Concerns

A core value for the Health Board is ‘always improving’. Feedback from patients and families is helping us to understand what is working well and where we need to improve. Positive feedback is shared across the organisation to spread good practice, while learning from less positive experiences supports service improvement.

We use a range of methods to capture people’s experiences, including face-to-face conversations, telephone calls, paper feedback cards and QR code posters. Our primary method is text messaging, which enables patients to receive a survey shortly after their appointment or discharge. All feedback is shared with the relevant services and generates real-time alerts for low satisfaction scores, allowing teams to respond promptly to issues raised.

During **2025–26**, we received **74,891 responses** through the Friends and Family Test and the All Wales programme, achieving an overall satisfaction score of **92%**.

We have also developed bespoke surveys to support Heads of Service and Clinical Teams to improve services and patient pathways. In 2025–26, we produced 12 tailored surveys, covering areas such as the Paediatric Sexual Assault Referral Centre, Neuromuscular Clinic, Special Schools, Fertility services, and all five stages of the maternity pathway.

Ensuring that Welsh speakers are supported in making concerns is important. We have revised the information on our website to make it easier for people to raise concerns through the medium of Welsh and regarding the availability of bilingual services.

During the past year the Health Board received 2,697 formal complaints. Common themes included communication that was incorrect or insufficient, delays or lack of treatment, delays in appointments, and

the attitude or behaviour of clinical staff. Learning from concerns is shared within services and across the organisation through our quality and safety groups. There were also 34 Ombudsman investigations during the last 12 months.

Top themes arising from concerns were

- Communication – insufficient/incorrect information – 290
- Clinical Treatment – delay/lack of treatment – 319
- Delay in appointments - 224
- Attitude and /behaviour of clinical staff – 176

Looking ahead to 2025–26, the Health Board is committed to implementing the *Listening to People* framework. This will support closer and more meaningful engagement with complainants to gain a deeper understanding of their experiences and to ensure learning is systematically shared and acted upon across the Health Board to drive improvement in the quality of care provided.

Here are some examples of changes we have made as a result of patient concerns and feedback:

- Bespoke training on complaints/communication
- Training during consultant development programme where the importance of good and clear communication is discussed.
- Patient information for CT appointments has been improved as a result of feedback
- An air conditioning unit has been installed in the Paediatric Assessment Unit as patients told us it was uncomfortably warm
- After a patient reported exposed pipes protruding from the ground outside the Morriston Hospital Main Entrance we immediately rectified the issues
- Using an artist to create designs to reduce children’s anxiety on their way to theatre

Patient Safety

During the past year 87 nationally reportable incidents have occurred, of these the top three include;

- Avoidable pressure damage
- Obstetric and neonatal incidents
- Unexpected deaths

There have also been three incidents that are defined as ‘Never Events.’ Never Events are the most serious type of incident. The themes of the events that have occurred are wrong site surgery and failure to remove guide wire after surgery.

We review all our patient safety incidents for learning and improvement. Over the past few years we have made targeted efforts to reduce avoidable patient harm through falls, pressure damage and through not meeting people's nutritional and hydration needs. The Health Board is proud to report the following improvements in key areas:

Falls

For the year 2025-2026, our falls rate per 1,000 bed days (this is a national measure of how many falls occur compared to how many patients are in our care) stood at 3.54, this is far lower than the national average of 6.6.

Pressure Damage

We know that there is more we need to do to reduce avoidable harm from pressure damage. This includes raising awareness of risks amongst our patients and making sure that we correctly assess and treat pressure damage. Our tissue viability service is supporting staff training across the organisation to help make improvements in this area.

Nutrition and Hydration

We have increased the percentage of accurate weights taken for patients by 10%, bringing our total to 61%. We recognise that there is a way to go but are positive about the progress we are making.

Workforce and Staff Experience

Our workforce remains central to achieving our ambition of becoming a high-quality healthcare organisation that delivers excellent care for our patients, their families and our communities. In 2023-2024 we jointly developed and launched our 5 year **People Strategy (2024–2029)**, providing a clear focus on what matters most to our people and creating a culture where they feel supported, empowered and able to flourish. The Strategy sets out seven key aims: Engaged, motivated and healthy; Attract and recruit; Well-planned; Digitally ready; Excellent learning and education; Leaders who live our values; and Equality, diversity and belonging.

Throughout 2025-2026, we continued to drive the delivery of the People Strategy by introducing a range of new initiatives aligned to each of the seven strategic aims:

Engaged, Motivated and Healthy:

- ✓ Delivered timely, multi-disciplinary wellbeing support and met national Key Performance Indicators.
- ✓ Increased staff health check uptake through targeted communications.

- ✓ Commenced a review of pre-employment processes to better support staff with health conditions.
- ✓ We are one of three Welsh NHS Health Boards expediting staff access to diagnostics/treatment.
- ✓ Began shared wellbeing learning with Hywel Dda University Health Board.
- ✓ Supported over half of service users to remain in work, preventing sickness absence.
- ✓ Launched the Raising Concerns Hub with strong engagement having 2,228 hits to the main page since launch.
- ✓ Commenced local reporting of Service Group Speaking Up Concerns - themes, trends, actions taken and lessons learned on a 6-monthly basis via our Workforce and Organisational Development Committee to enhance local ownership and intelligence triangulation.
- ✓ Strengthened Human Resource (HR) best-practice to support compassionate leadership.
- ✓ Updated recognition programmes with events scheduled for 2025–26.
- ✓ Our Electronic Staff Record (ESR)-based flexible working requests increased by 71%.
- ✓ Improved the accuracy of leaver data and preparing rollout of a central exit interview system.
- ✓ Our Turnover reduced across all major staff groups.
- ✓ Ongoing support was provided to deliver the NHS Wales Fatigue and Facilities Charter. This included continued investment in improving doctors' mess and break room facilities across key sites, aligned to the All-Wales Fatigue and Facilities guidance. Enhancements focused on sourcing appropriate rest and kitchen equipment, alongside recycled storage solutions, ensuring improvements were delivered without additional cost pressures.
- ✓ Specialty-aligned Resident Doctor Forums were expanded across the Health Board and are now established in 12 specialties, strengthening the Resident Doctor voice. These forums provide a structured and psychologically safe space for feedback, issue escalation and co-production of solutions with education and clinical leaders. The initiative received national recognition, achieving a Highly Commended Award at the STEME Conference in September 2025.

Attract and Recruit:

- ✓ Supported widening access activities and vocational pathways for underrepresented groups.
- ✓ The Health Board has invested approximately £2.5 million into the Apprenticeship Levy in Wales between April 2025 and March 2026. The return on investment for the Health Board has included the

recruitment of Apprentices as new starters on various pathways and staff enrolling on different learning pathways as funded opportunities, including some apprentices securing permanent employment with the Health Board.

- ✓ Delivered 12-week vocational support programmes leading to permanent roles.
- ✓ Expanded the role of the Health Board's Central Resourcing Team to include advert quality checks and centralised file storage while continuing to support onboarding of key roles.
- ✓ To support future workforce pipelines, the Health Board delivered 77 Clinical Work Observational placements over a nine-week period during 2025. These placements were offered to sixth-form students in schools and colleagues across the Swansea and Neath Port Talbot, providing valuable exposure to clinical roles and supporting widening access to health careers.
- ✓ Cohort 6 of the Health Board Graduate Gateway Programme saw all 6 Graduates successfully completing the programme and securing roles with us or elsewhere in NHS Wales before the end of the scheduled completion date of May 2026.

Well-Planned:

- ✓ Delivered targeted workforce planning training.
- ✓ Testing dashboards linking vacancies and recruitment activity.
- ✓ Embedding workforce planning training and introducing action learning sets.
- ✓ Launched a digital workforce planning community.
- ✓ Supported commissioning of education for future workforce supply.
- ✓ Developing scenario forecasting tools for managers.
- ✓ Working with professional groups on improved roster planning.

Digitally Ready:

- ✓ Upskilling leaders to use ESR effectively.
- ✓ Helping leaders interpret workforce dashboards.
- ✓ Supporting effective roster software use.
- ✓ Creating new digital learning resources.
- ✓ Enhanced sickness dashboards with forecasting.
- ✓ Delivered a variable pay dashboard.

Excellent Learning and Education:

- ✓ Delivered accessible Performance Appraisal and Development Review (PADR) training including out-of-hours pilots.
- ✓ Further development of the Brilliant Basics digital platform supporting learning and improvement, including the addition of links to Quality Improvement resources.

- ✓ As part of the July Brilliant Basics communication campaign, PADR bitesize modules featured as a priority topic. This resulted in a marked increase in engagement with PADR content.
- ✓ The Managers' Pathway Management Development Programme was refreshed and relaunched as the Managers' Journey, a self-directed, self-enrolment development pathway for new, existing and aspiring managers. The programme offers flexibility, enabling participants to select modules aligned to individual performance objectives and PADR outcomes. 82 participants attended the launch information session in September 2025.
- ✓ Targeted support sessions were delivered to help staff access Statutory and Mandatory e-learning via ESR. In addition, attendance at appraisal and revalidation sessions supported engagement with Medical and Dental colleagues, contributing to improved compliance. Medical and Dental Statutory and Mandatory Training compliance increased from 67.54% in March 2025 to 77.19% in February 2026. Overall Health Board compliance across all staff groups currently stands at 88.39%, exceeding the Welsh Government target of 85%.
- ✓ Improved Medical & Dental appraisal compliance.
- ✓ Continued competency data cleanses.
- ✓ Supported rollout of Anti-Racism and Safeguarding training modules

Leaders that Live our Values:

- ✓ Launched LEAD, a new behavioural leadership programme with strong early interest, receiving 275 applications between August 2025 and March 2026.
- ✓ Foundations of Quality Improvement integrated along with Compassionate Leadership Principles, resulting in tangible service impact showcased as part of LEAD
- ✓ Launched the Leadership Learning Lab further promoted via a 12-days of Christmas countdown to allow 24/7 digital access to new, aspiring and existing leaders of all levels and discipline access. There have been 1,576 hits to the main page since its official launch in October 2025.

Equality, Diversity and Belonging:

- ✓ Continued to work towards the workforce actions in the 'We All Belong' Strategic Equality Plan, which also includes the various equality related Action Plans that compliment those issued by Welsh Government.
- ✓ Supported culture conversations with newly recruited Internationally Educated Nurses.
- ✓ Expanded Optimise to better support underrepresented groups.
- ✓ Mandated the national Anti-Racism e-learning.
- ✓ Improved ESR ethnicity declaration and representation.

Supported staff from underrepresented groups to apply for the Stepping into Senior Leadership Programme.

Key Workforce Metrics - Sickness absence

Sickness FTE % by Month

As at end of March 2026 overall sickness absence (rolling 12 month) has reduced from 7.2% in February to 7.07%. Short term absence has also decreased from 2.81% to 1.83%, whereas long term has increased from 4.39% to 5.4%.

Personal Appraisal Development Reviews (PADRs)

PADR compliance continues the upward trend seen since January 2026 and sits at 77.25% in March 2026.

Conclusion and Forward Look

The Health Board’s financial statement have been prepared in accordance with the 2025-26 NHS Wales Manual for Accounts. The manual for Accounts makes clear that accounts should be prepared on a going concern basis where there is the anticipated continuation of service in the future. The assumption has been made that the services of Swansea Bay University Health Board will continue in operation. Consequently, the going concern basis has been adopted.

There is significant work ahead to continue to deliver timely care; to continue to modernise our services and to stabilise the Health Board’s financial position on the road to long term sustainability. To support this, the next phase of our [Swansea Bay UHB Annual Plan 2025-26](#) was approved by the Board in March 2025, which sets out what we will achieve over the next few years, and how.

Accountability Report 2025-26

Annual Governance Statement

❖ Scope of Responsibility

The board is accountable for governance, risk management and internal control. As Chief Executive of the board, I have responsibility for maintaining appropriate governance structures and procedures as well as a sound system of internal control that supports the achievement of the organisation's policies, aims and objectives, whilst safeguarding the public funds and the organisation's assets for which I am personally responsible. These are carried out in accordance with the responsibilities assigned by the accountable officer of NHS Wales.

The annual report outlines the different ways the organisation has had to work both internally and with partners in response to the unprecedented pressure in planning and providing services. It explains arrangements for ensuring standards of governance are maintained, risks are identified and mitigated and assurance has been sought and provided. Where necessary additional information is provided in the governance statement, however the intention has been to reduce duplication where possible. It is therefore necessary to review other sections in the annual report alongside this governance statement.

During 2025–26, the Health Board remained in escalation under the NHS Wales Oversight and Escalation Framework. The Health Board was subject to Targeted Intervention (Level 4) for finance, strategy and planning, urgent and emergency care, cancer services, quality of care related to HCAIs, and maternity and neonatal services. Enhanced Monitoring (Level 3) applied to planned care and CAMHS, with Mental Health and Learning Disabilities monitored at Level 2. Escalation arrangements were supported through Welsh Government-led oversight, formal improvement programmes, and routine Board assurance reporting.

As part of the Welsh Government's intervention and escalation arrangements, the Health Board continued to receive external support from Deloitte. The support was commissioned to provide additional capacity, challenge and expertise to assist the Health Board in addressing key organisational priorities and strengthening delivery against improvement objectives. Following the initial engagement period, the Health Board extended elements of this support to ensure continuity of delivery and facilitate the transfer of knowledge and responsibilities to the Health Board's Delivery Unit.

Deloitte's support focused on a number of priority areas, including programme management, performance improvement, governance and oversight arrangements, and the development of delivery planning and monitoring processes. The engagement provided independent challenge

and support to strengthen the Health Board's approach to managing improvement programmes and delivering sustainable change.

Our Governance Framework

❖ Overview

The Health Board has a statutory requirement to comply with the Local Health Board (Constitution, Membership and Procedures) (Wales) Regulations 2009 and comprises Chair, Vice-Chair, Chief Executive, nine Independent Members and eight Executive Directors.

All of these ensure that the Board is made up of people with a range of backgrounds, disciplines and expertise. This is enhanced further by non-voting director posts comprising the Director of Insight, Communications and Engagement, Director of Digital and the Director of Corporate Governance.

The Board works as a corporate decision-making body with executive directors and independent members as equal members sharing responsibility. Its main role is to exercise leadership, direction and control which includes setting the overall strategic direction for the Organisation (in-line with Welsh Government policies and priorities) and establishing and maintaining high-levels of corporate governance and accountability, including risk management and internal control. It is also there to:

- Ensure delivery of aims and objectives through effective challenge and scrutiny of performance across all areas of responsibility;
- Ensure delivery of high quality and safe patient care;
- Build capacity and capability within the workforce to build on the values of the health board and creating a strong culture of learning and development;
- Enact effective financial stewardship by ensuring the Health Board is administered prudently and economically with resources applied appropriately and efficiently;
- Instigate effective communication between the Organisation and its community to ensure its services are planned and responsive to the identified needs;
- Appoint, appraise and oversee arrangements for remunerating executives.
- Creating a culture within the Organisation that supports living our values.

The day-to-day running of the Board is covered through its Standing Orders and Standing Financial Instructions which tailor the statutory requirements of the Local Health Board (Constitution, Membership and Procedures) (Wales) Regulations 2009, together with a scheme of delegation which is relevant for Officers as well as the Board and its Committees. The Standing Orders and Standing Financial Instructions are reviewed regularly and are supported by corporate policies and procedures.

❖ Director's Report

The Board is made-up of Executive Directors, who are employees of the Health Board, and Independent Members appointed by the Minister through the public appointment process. Current Board Members and other Members of the Senior Team are set out below along with the changes for the year.

The information below reflects the membership as at 31 March 2026.

❖ Chair and Independent Members

Jan Williams, Chair

Appointment:

Jan was appointed as Chair in June 2024.

Board and Committee Membership

Jan chairs the Board and Remuneration and Terms of Service Committee and is co-chair of the Regional Joint Committee.

Stephen Spill, Vice-Chair

Stephen was appointed as Vice-Chair in January 2021.

Board and Committee Membership

Stephen chairs the Population Health Committee. He is a member of the Board, Remuneration and Terms of Service Committee, Charitable Funds Committee, Mental Health Legislation Committee, Audit Committee, Quality and Safety Committee (from January 2026) and Performance and Finance Committee.

Reena Owen, Independent Member

Appointment:

Reena was appointed as an Independent Member in August 2018.

Area of Expertise:

Community.

Board and Committee Membership

Reena chairs the Workforce and Organisational Development Committee. She is a member of the Board, Performance and Finance Committee, Population Health Committee and Remuneration and Terms of Service Committee.

**Andrew Griffiths, Independent Member****Appointment:**

Andrew was appointed as an Independent Member in January 2025.

Area of Expertise:

Information and Communications Technology.

Board and Committee Membership

Andrew chairs the Digital, Data, Research and Innovation Committee. He is a member of the Board, Remuneration and Terms of Service Committee, Workforce and Organisational Development (OD) Committee and Audit Committee.

**Jean Church, Independent Member****Appointment:**

Jean was appointed as an Independent Member in May 2023.

Area of Expertise:

Governance and Organisational Design

Board and Committee Membership

Jean chairs the Quality & Safety Committee. She is member of the Board, Remuneration and Terms of Service Committee, Performance and Finance Committee, Digital, Data, Research and Innovation Committee and the Regional Joint Committee.

**Charlotte Rees, Independent Member****Appointment:**

Charlotte was appointed as an Independent Member in February 2026

Area of Expertise:

University

Board and Committee Membership

Charlotte is a member of the Board, Remuneration and Terms of Service Committee and Digital, Data, Research and Innovation Committee.

**Nuria Zolle, Independent Member****Appointment:**

Nuria was appointed as an Independent Member in October 2019.

Area of Expertise:

Third sector

Board and Committee Membership

Nuria chairs the Audit Committee. She is a member of the Board, Remuneration and Terms of Service Committee, Digital, Data, Research and Innovation Committee and Population Health Committee.

Martin Lloyd, Independent Member

Appointment:

Martin was appointed as an Independent Member in September 2025.

Area of Expertise:

Trade union

Board and Committee Membership

Martin is a member of the Board, Remuneration and Terms of Service Committee, Mental Health Legislation Committee, Workforce, Organisational Development (OD) Committee, Charitable Funds Committee and Quality and Safety Committee.

Patricia Price, Independent Member

Appointment:

Patricia was appointed as an Independent Member in October 2021.

Area of Expertise:

Finance

Board and Committee Membership

Patricia chairs the Performance and Finance Committee. She is a member of the Board, Audit Committee, Mental Health and Legislation Committee, Remuneration and Terms of Service Committee and the Regional Joint Committee.

Nicola Matthews, Independent Member

Appointment:

Nicola was appointed as an Independent Member in February 2023.

Area of Expertise:

Local Authority

Board and Committee Membership

Nicola chairs the Charitable Funds Committee. Nicola is a member of the Board, Remuneration and Terms of Service Committee, Population Health Committee and Quality and Safety Committee

Anne-Louise Ferguson, Independent Member

Appointment:

Anne-Louise was appointed as an Independent Member in March 2023.

Area of Expertise:

Legal

Board and Committee Membership

Anne-Louise chairs the Mental Health Legislation Committee.

Anne-Louise is a member of the Board, Remuneration and Terms of Service Committee, Quality and Safety Committee and Workforce and Organisational Development (OD) Committee.

❖ Chief Executive and Executive Directors

Abigail Harris, Chief Executive

Appointment:

Abigail was appointed as Chief Executive in October 2024.

Board and Committee Membership

Abigail is a member of the Board and attends the Remuneration and Terms of Service Committee.

Richard Evans, Medical Director/Deputy Chief Executive

Appointment:

Richard was appointed as Medical Director in November 2018 and Deputy Chief Executive from March 2021. He was appointed as Interim Chief Executive in August 2023 until October 2024.

Board and Committee Membership

Richard is a member of the Board and attends the Quality and Safety Committee, Workforce and Organisational Development (OD) Committee and Digital, Data, Research and Innovation Committee.

Elizabeth Rix, Director of Nursing and Midwifery

Liz was appointed as Director of Nursing and Midwifery in March 2025.

Board and Committee Membership

Liz is a member of the Board. She attends Quality and Safety Committee, Mental Health Legislation Committee, Charitable Funds Committee and Workforce and Organisational Development (OD) Committee.

Tina Ricketts, Director of Workforce and Organisational Development (OD)

Appointment:

Tina was appointed as Director of Workforce and OD in April 2025.

Board and Committee Membership

Tina is a member of the Board. She attends Workforce, Organisational Development (OD) Committee and Remuneration and Terms of Service Committee.

Claire Osmundsen-Little, Interim Director of Finance

Appointment:

Claire was appointed as Interim Director of Finance in March 2026.

Board and Committee Membership

Claire is a member of the Board. She attends Audit Committee, Performance and Finance Committee and Charitable Funds Committee.

Gill Richardson, Interim Director of Public Health

Gill was appointed as Interim Director of Public Health in March 2025.

Board and Committee Membership

Gill is a member of the Board. She attends Population Health Committee.

Marie Davies, Director of Planning & Partnerships

Appointment:

Marie was appointed as Director of Planning & Partnerships in February 2025.

Board and Committee Membership

Marie is a member of the Board. She attends Population Health Committee and Performance and Finance Committee.

Christine Morrell, Director of Allied Health Professional and Health Sciences

Chris was appointed as Interim Director of Therapies and Health Science in March 2021 and substantively in August 2021.

Board and Committee Membership

Chris is a member of the Board. She attends Quality and Safety Committee and Workforce and Organisational Development (OD) Committee.

Deb Lewis, Chief Operating Officer/Director of Primary Care & Mental Health

Deb was appointed as Chief Operating Officer in April 2023. Along with Director of Primary Care and Mental Health in April 2024.

Board and Committee Membership

Deb is a member of the Board and attends the Performance and Finance Committee, Quality and Safety Committee and Mental Health Legislation Committee.

❖ **Associate Board Members (non-voting)**

Councillor Alun Llewelyn, Deputy Leader, Neath Port Talbot Council

Appointment:

Councillor Alun Llewelyn was appointed as an Associate Board Member in February 2026 and attends Board meetings.

Pat Dunmore, Making a Difference Manager for Citizens Advice

Appointment:

Pat became an Associate Board Member in April 2025 as Chair of the Stakeholder Reference Group.

Helen Annandale, Clinical Director Allied Health Professions

Appointment:

Helen became an Associate Board Member in November 2025 as Chair of the Health Professionals' Forum.

❖ **Members of the Executive Team (Non-Board Members)**

Matt John, Director of Digital

Appointment:

Matt was appointed as Director of Digital in August 2020.

Board and Committee Membership

Matt attends the Board in a non-voting capacity as well as the Digital, Data, Research and Innovation Committee

Hazel Lloyd, Director of Corporate Governance

Appointment:

Hazel was appointed Director of Corporate Governance in October 2022.

Board and Committee Membership

Hazel is the main Governance Advisor to the Board. She attends the Board in a non-voting capacity, Quality and Safety Committee, Population Health Committee, Charitable Funds Committee, Audit Committee, Mental Health Legislation Committee, Performance and Finance Committee, Remuneration and Terms of Service Committee and the Workforce and Organisational Development (OD) as well as the Digital, Data, Research and Innovation Committee.

Richard Thomas, Director of Insight, Communications and Engagement

Appointment:

Richard took up post as the Director of Insight, Communications and Engagement in March 2023.

Board and Committee Membership

Richard attends the Board in a non-voting capacity. He also attends Charitable Funds Committee.

❖ Board Member Departures for 2025-26

Darren Griffiths, Director of Finance

Appointment:

Darren was appointed as Director of Finance in July 2021 and this ended in February 2026.

Board and Committee Membership

Darren was a member of the Board. He attended Audit Committee, Performance and Finance Committee and Charitable Funds Committee.

Sarah Jenkins, Interim Director of Workforce and Organisational Development (OD)

Appointment:

Sarah was appointed as Interim Director of Workforce and OD in March 2024 and this ended in April 2025.

Board and Committee Membership

Sarah was a member of the Board. She attended Workforce and Organisational Development (OD) Committee and Remuneration and Terms of Service Committee.

**Jackie Davies, Independent Member****Appointment:**

Jackie was appointed as an Independent Member in August 2017 and after serving two terms, her term ended on 28 August 2025.

Area of Expertise:

Trade union

Board and Committee Membership

Jackie was a member of the Board, Remuneration and Terms of Service Committee, Mental Health Legislation Committee, Workforce and Organisational Development (OD) Committee and Charitable Funds Committee and Quality and Safety Committee.

**Keith Lloyd, Independent Member****Appointment:**

Keith was appointed as an Independent Member in May 2020, Keith stood down in December 2025.

Area of Expertise:

University

Board and Committee Membership

Keith was a member of the Board, Remuneration and Terms of Service Committee, Digital Data Research and Innovation Committee and Quality and Safety Committee

**Andrew Jarrett, Director of Social Services, Neath Port Talbot Council****Appointment:**

Andrew was appointed as an Associate Board Member in April 2019 and attended Board meetings. Andrew stood down in April 2025.

**Judith Vincent, Clinical Director for Pharmacy and Medicines Management****Appointment:**

Judith became an Associate Board Member in March 2022 as a co-chair of the Health Professionals' Forum and stood down in October 2025.

**Andrew Griffiths, Head of Cluster Development and Planning****Appointment:**

Andrew became an Associate Board Member in March 2022 as a co-chair of the Health Professionals' Forum and stood down in October 2025.

Each board member has stated in writing that he/she has taken steps to make the auditors aware of any relevant audit information. Board members and senior managers have advised of any interests which may have a conflict with their board responsibilities and no material interests have been declared in 2025-26. A full [Declarations of Interest Register](#) is available for 2025-26 and details are also included in the remuneration report.

❖ **Role of the Board**

The Board has the overall responsibility for the strategic direction of the Organisation and provides leadership and direction. It also has a key role in ensuring that there are robust governance arrangements in place as well as an open culture and high standards as to how its work is carried out. Board members share corporate responsibility for all decisions and play a key role in monitoring the performance.

As a standard, the Board meets in public six times a year, but there were occasions when Special Board meetings took place, for example in summer 2025 to agree the Annual Accounts and quarters’ two and three for an update on the Annual Plan 2025-26 and financial assessment. Each regular meeting begins with a patient or staff story, setting out personal experience of the Health Board’s services. This is an opportune way to learn lessons and help improve and plan services for the future. The stories received in 2025-26 included:

- Patient story – Child suffering burns
- Patient story – Health Visiting and Flying start
- Patient story – Quality Care, Quality Treatment and Enhance your life
- Patients Story – Sam’s Journey to Recovery
- Patient Story – Maternity (triage)
- Staff Story- Absence approach

The Health Board runs accredited digital storytelling training for the NHS across the UK. We have also convened a series of international conferences on storytelling for health. But above all, we have helped people have their voices heard and have listened and improved our services. More information can be found on the [Arts in Health website](#).

In addition to formal Board meetings, there are Board Development sessions. These are a chance to talk through plans or strategies in the developmental stage, undertake training or hear about good practice internal and external to the organisation:

Board Development
Good Governance Institute (GGI) - Board Effectiveness (May 25)

Organisational Strategy and GGI workshop (June 2025)
Risk & Stakeholder mapping and management (October 25)
Annual Plan (December 25)
Mental Health risk and governance deep dive (January 26)
Financial Year End Position and Deloitte support (February 26)
Annual Plan 2026-27 Welsh Government Feedback and Service Groups Commitment to Programmes (March 2026)

Members are also involved in a range of other activities on behalf of the Board, such as service visits and meetings with local partners.

During 2025-26, the Board carried out its annual self-assessment to evaluate its effectiveness. This process included reviewing governance practices, examining decision-making procedures, and soliciting feedback from Board members. The assessment aimed to identify areas for improvement and ensure the Board continued to meet its strategic objectives efficiently. Recommendations from the Board's self-assessment focused on strengthening governance and Board effectiveness through continued development of Board members, clearer accountability, improved risk management, stronger performance oversight and refinement of supporting governance arrangements. This included action through the Board Effectiveness Action Plan and the 2025-26 Board Development Plan, which covered areas such as the role of the unitary Board, effective Board behaviours, strategic direction, risk appetite, stakeholder engagement, equality and legislative requirements.

❖ **Committees of the Board**

The Health Board has established a number of committees as set out in the diagram at **appendix one**. Each one is chaired by an Independent Member and has a key role in relation to the system of governance and assurance, decision making, scrutiny, assessment of current risks and performance monitoring. Following each meeting, a summary of the discussion is shared with the Board at its next formal meeting and all the papers for the public sessions of Board and Committee meetings are on the Health Board's [website](#), including the [Terms of Reference](#) for each committee. There are some meetings for which papers are not made public either because of the confidential nature of the business or because the items are in a developmental stage. The Board recognises that it has a commitment to holding its committee meetings in public however, due to the number of committees and frequency of these, it is too resource intensive to livestream committee meetings but the Health Board will look at ways in which committees could be held in public where possible.

Assurance committees the Health Board is required to have comprise:

Audit Committee

The Audit Committee supports the overall Board Assurance Framework arrangements, including the development of the annual governance statement, and provides advice and assurance as to the effectiveness of arrangements in place around strategic governance, risk management and internal controls. More specifically it has:

- overseen the system of internal controls;
- continued to focus on the improvements of the financial systems and control procedures;
- overseen the development and implementation of the Board Assurance Framework;
- monitored local counter fraud arrangements;
- sought assurance in relation to the risk management process;
- considered and recommended for approval revisions to Standing Orders and Standing Financial Instructions;
- reviewed findings of internal and external audits and progress against corresponding action plans;
- held Executive Directors to account where appropriate;
- discussed and recommended for approval by the Board the audited annual accounts, accountability report, annual report and head of internal audit opinion;
- continued to monitor the implementation of the recommendations as set out in the governance work programme.
- Conducted deep dives throughout the year, some examples are; investment in digital system investment review, estates management, cancer services and quality governance.

Quality and Safety Committee

The Quality and Safety Committee is the main assurance mechanism for reporting evidence-based and timely advice to the Board in relation to the quality and safety of healthcare as well as the arrangements for safeguarding and improving patient care in line with the standards and requirements set out for NHS Wales. Each meeting begins with a patient story and also includes updates from internal and external regulatory bodies, and where reports have raised concerns, action plans are monitored by the committee.

Remuneration and Terms of Service Committee

The purpose of the Remuneration and Terms of Service Committee is to provide advice to the Board on remuneration and terms of service for the Chief Executive, Executive Directors and other senior staff within the framework set by Welsh Government and assurance to the Board in relation to the Health Board's arrangements for the remuneration and terms of service, including contractual arrangements, for all staff, in accordance with the requirements and standards determined for the NHS

in Wales and to perform certain, specific functions on behalf of the Board.

Mental Health Legislation Committee

The remit of this Committee is to consider and monitor the use of the Mental Health Act 1983 (MHA), as amended, the Mental Capacity Act 2005 (which includes the Deprivation of Liberty Safeguards (DoLS)) (MCA) and the Mental Health (Wales) Measure 2010 (the measure).

Charitable Funds Committee

The Health Board was appointed as Corporate Trustee of the Charitable Funds and serves as its agent in the administration of the Charitable Funds held by the Organisation. The purpose of the Committee is to make and monitor arrangements for the control and management of the Charitable Funds.

In addition to the committees the Health Board is required to have under its Standing Orders, the following committees have also been established:

Population Health Committee

The purpose of the Population Health Committee is to embed a population health mindset across the Organisation and in particular will adopt the following approaches and seek assurance on progress against each one through an agreed work programme:

- Epidemiologically driven approach - the Committee will focus on specific health challenges based on epidemiological data, such as diabetes, mental health, and respiratory diseases and will receive reports on the priorities and strategies developed to address these challenges.
- Life course approach - the Committee will seek assurance on addressing health challenges at different stages of life, from starting well to ageing well. As well as focusing on secondary and tertiary prevention where necessary.
- Prioritised approach – seek assurance on the clear method and approach to setting priorities for the Organisation to enable a shift in health outcomes and monitor progress of the changes and outcomes.
- Cultural Change approach – seek assurance on the cultural change program to embed a population health mindset across the Organisation. Integrated with leadership, strategic planning, and capacity building.
- Engagement and lived experience – Committee to hear patient and staff stories lived experiences relevant to the work programme to support understanding and of the decisions made and the models being embedded across the Health Board.
- Benchmarking and Learning – receive reports benchmarking against recognised successful models and strategies.

Performance and Finance Committee

The Performance and Finance Committee applies appropriate scrutiny and review to a level of detail not possible in Board meetings in respect of performance relating to:

- financial planning and monitoring, including delivery of savings programmes;
- activity and productivity including operation efficiency and effectiveness.

Workforce and Organisational Development (OD) Committee

The Workforce and OD Committee seeks assurance on:

- **Health and Wellbeing** – that there is an integrated approach to staff health and wellbeing with the aim of reducing staff sickness related to mental health and increasing resilience of staff;
- **Staff Experience** – that there is a strategic approach to increasing positive engagement index, and reducing formal grievance procedures;
- **Recruitment and Retention** that there is a robust and strategic approach on which progress is made;
- **Workforce Development** – to ensure there is effective, integrated approaches to the development of the workforce and its contribution to the objectives of the Organisation;
- **Widening access and participation** – compliance with workforce equality, diversity and inclusion legislative requirements, including Welsh language and cultural identity.

Digital, Data, Research and Innovation Committee

The purpose of the Digital, Data, Research and Innovation Committee is to:

- provide evidence based and timely **advice** to the Board to assist it in discharging its functions and meeting its responsibilities in relation to digital, data, research and innovation, in accordance with its stated objectives and the requirements and standards determined for the NHS in Wales and other relevant bodies
- **assure** the Board on whether effective arrangements are in place in relation to the quality and impact of the Organisation's digital, data, research and innovation activities.
- **Information Governance** is discharged through the Digital, Data, Research and Innovation Committee which has a sub-group - the Information Governance and Cyber Security Assurance Group. Its' remit is to support and drive the broad information governance agenda and provide the Health Board with the assurance that effective, best practice mechanisms are in place within the Organisation.

A summary of Board and Committee dates, memberships, attendances and key matters considered are included within **appendices two to four**.

❖ **Advisory Groups and Joint Committees**

As well as its Board level committees, the Health Board has three advisory groups which report to the Board: Stakeholder Reference Group, Health Professionals' Forum and Local Partnership Forum.

Advisory Boards

- *Stakeholder Reference Group*

The Stakeholder Reference Group (SRG) is formed from a range of partner organisations from across the Health Board's local communities and engages with the strategic direction, provides feedback on service improvement proposals and advises on the impact on local communities of the current ways of working. Its membership includes representatives from wide ranging community groups, including children and young people, LGBTQ+, older people and ethnic minorities, as well as statutory bodies such as police and fire, rescue services and environment agency. As a result, the group has excellent links to the wider general public and each member can highlight issues raised by their particular communities. The Chair of the SRG is an Associate Board Member.

- *Health Professionals' Forum*

The role of the Health Professionals' Forum (HPF) provides balanced, multidisciplinary professional advice to the Board on local strategy and delivery. This now meets on a regular basis and still has more work to do to ensure a robust membership and attendance as well as work programme. The Chair of the HPF is an Associate Board Member.

- *Health Board Partnership Forum*

The Health Board's partnership forum's role is to provide a way by which the Health Board, as an employer, and the professional bodies, such as trade unions, who represent staff, can work together to improve health services. It is an opportunity to engage with each other, inform debate and agree local priorities for workforce within health services.

Joint and All-Wales Committees

There are two all-Wales Committees as detailed below:

- *NHS Wales Joint Commissioning Committee (NWJCC)*

The NHS Wales Joint Commissioning Committee (NWJCC) is a Joint Committee of the seven Health Boards and was established on 1 April 2024. The NWJCC was established in response to the findings of an independent review commissioned by Welsh Government into the national commissioning arrangements undertaken by the Emergency Ambulance Services Committee (EASC), the Welsh Health Specialised Services Committee (WHSSC) and the National Collaborative Commissioning Unit

(NCCU). The Health Board's Chief Executive Officer is a full committee member of the NWJCC.

- *NHS Wales Shared Services Partnership (NWSSP) Committee*

The NWSSP Committee was established in 2012 and is hosted by Velindre NHS Trust. It looks after the shared functions for NHS Wales, such as procurement, recruitment and legal services. The Health Board's representative is the Director of Workforce and OD and regular reports are received by the Board.

- ❖ **Partnership Working**

The Health Board works in partnership with a wide range of organisations, including local authorities, Swansea University, other NHS bodies such as NHS Wales Performance & Improvement, and the third sector. The Health Board continues to strengthen regional collaboration with Hywel Dda University Health Board through the South West Wales Regional Joint Committee (RJC), which has been operating since January 2025 as a joint leadership structure for planning and delivery across both Organisations.

The Health Board maintains joint executive groups with Cardiff and Vale, Cwm Taf Morgannwg and Hywel Dda University Health Boards, ensuring collective leadership and consistent alignment across key clinical and corporate areas. We also work closely with Swansea and Neath Port Talbot local authorities, the third sector, universities, other health boards, and our local populations. Through local partnership boards, including Public Services Boards and the West Glamorgan Regional Partnership Board. As part of this wider regional system, we actively participate in the South West Wales Corporate Joint Committee (CJC), which provides strategic leadership for regional transport, land use planning, economic development and energy. The CJC's work supports population health improvement through its alignment with wellbeing plans and regional development frameworks.

Regular partnership meetings and joint work programmes now span a broader set of strategic partners. This includes ongoing, routine collaboration between the RJC and:

- Swansea Bay City Deal partners on innovation, research, campus development and regional economic growth
- Swansea University including work on research, innovation, digital developments, clinical service planning and future workforce and leadership arrangements.
- University of Wales Trinity Saint David (UWTSD) with active engagement on future collaborative arrangements and regional programme involvement.

- South East Wales Regional Joint Committee (SEW RJC) through regular cross-regional discussions to ensure alignment, knowledge exchange and opportunities for joint approaches across Wales.

Through the RJC and its sub-groups—including Clinical Services Planning, Regional Health Economy, Data & Digital, Workforce and OD, Finance and Contracting, and Research, Innovation & Excellence—we continue to embed a single regional delivery model that promotes shared priorities, reduces duplication, strengthens population health outcomes and enhances system resilience.

This partnership approach enables us to harness the strengths, expertise and resources of a wide range of organisations, ensuring we can deliver high-quality, sustainable services and better health and wellbeing outcomes for the population of South West Wales.

❖ **Organisational Structure**

The Organisation is comprised of four service groups:

- Primary, Community, and Therapies;
- Mental Health and Learning Disabilities;
- Singleton and Neath Port Talbot;
- Morriston.

Each one is led by a Service Group Director, supported by Service Group Nurse and Medical Directors, and in the case of primary, community and therapies, there is also a Service Group Dental Director. Corporate directorates, such as finance, governance, workforce, digital services, insight, communications and engagement and strategy/planning also play a central role in supporting the Service Groups as well as the Organisation as a whole. All of these elements of the structure are subject to regular performance reviews.

❖ **System of Control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risks; it can therefore only provide reasonable and not absolute assurances of effectiveness.

The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place for the year ended 31 March 2026 and up to the date of approval of the Annual Report and Accounts.

❖ Capacity to Handle Risk

The Board is responsible for the effective management of the Organisation's risks in pursuance of its Aims and Objectives. The Board collectively has responsibility and accountability for setting the Organisation's objectives, defining strategy to achieve those Objectives, and establishing governance structures and processes to best manage the risks to accomplishing those Objectives.

The Board adopted a risk appetite statement in November 2022, and that statement remains in place currently. It describes the level of risk the Board is prepared to tolerate according to the type of risk presented. The appetite is incorporated within the Board Risk Management Policy. At a high level, the appetite is represented in the table below (the full statement expresses further nuance within individual risk types):

Type of Risk	Risk Appetite	Risk Tolerance Levels*
Quality	Seeking	20
Workforce	Seeking	20
Financial	Seeking	20
Regulatory Compliance	Open	16
Reputational	Seeking	20
Health & Safety	Seeking	20
Estates management	Seeking	20
Digital & Informatics	Seeking	20
Business Continuity	Seeking	20

* Risks below these levels will be tolerated, but action is expected to reduce those risks achieving or exceeding these levels.

In determining these thresholds, the Board recognised that the high demand on services, pressures on staffing availability and financial constraints created a high-risk environment. This has continued to be the context within which the Organisation has operated during 2025-26 in informing decision making and prioritisation.

The Health Board's aspiration remains to reduce its tolerance to risk further as soon as practicable. Board-level governance, including risk appetite, have been considered by the Board at development sessions facilitated by the Good Governance Institute during 2025-26. While the current appetite remains in place, it is planned to review this early in 2026-27.

The Chief Executive, as Accountable Officer, has overall responsibility for ensuring that the Health Board has an effective risk management framework and system of internal control.

The Director of Corporate Governance has specific responsibilities for risk management and supports the Chief Executive by providing competent advice and support in the development of effective systems and arrangements to help facilitate the management of risk. Alongside, the Executive Director of Nursing and Patient Experience is the Executive Director with lead responsibility for ensuring the effective operation of risk management processes. In this role, she is supported by the Executive Medical Director, and together they provide clinical expertise and leadership to the oversight of clinical risk management.

Executive Directors have responsibility for the ownership and management of risks within their portfolios, and Service Group Directors (Service Group Director, Group Nurse Director and the Group Medical Director/Dental Director) have devolved responsibilities for risk management within their services. Consequently, operational risk ownership is the responsibility of individual service group triumvirates whilst strategic risk ownership, and those operational risks escalated to the Health Board's Corporate Risk Register (CRR), are the responsibility of designated Executive Directors.

The Risk Management Policy sets out the framework for the consistent management of risk in the Health Board, allocating roles & responsibilities, and directing the way in which risks are identified, evaluated and controlled. The Policy provides direction on risk assessment to support consistent scoring of risks. Criteria have been established for the escalation of risks where required to the Executive Directors.

Risk management training content has been refreshed to reflect new arrangements and is available to all Service Groups. It is mandated that there are at least two staff who have completed training aimed at service managers/leads within every service. Training is supplemented with bespoke advice on request by the Risk and Assurance team to meet needs identified within teams and at an individual level.

The Board approved a Risk Management Strategy at its November 2024 meeting, supporting a 'review & reset' of the framework which underpinned the ways in which the Board gained assurance on delivery of

its strategic objectives and its risk management arrangements. Work has continued progressing these changes during 2025, including:

- Review of roles and responsibilities and revision of Risk Management Policy in July 2025.
- The establishment of a Board Assurance Framework (BAF) document describing the framework through which the Board derives assurance on the management of risk to the achievement of its Objectives.
- The establishment of two separate Board-Level risk registers: a Strategic Risk Register (SRR) and a Corporate Risk Register (CRR). The first of these gives greater clarity in respect of risks to the achievement of the Board's strategic objectives and how they are managed; the second presents the most significant operational risks within services agreed for Board oversight by Executive Directors.
- The establishment of a reconstituted Risk Management Group to consider escalated risk and provide Executive oversight of the effectiveness of operational risk management at service level.
- The implementation of gateway reviews with service groups to review operational risk management arrangements, discuss significant risks and drive consistency and improvements.
- The provision of greater insight into service group operational risks at Board and Committee level.

The new risk registers were formally adopted from November 2025. While they were finalised the former Health Board Risk Register (HBRR) continued to be updated and reported. The most recently published [SRR](#) and [CRR](#) can be found within January 2026 Board papers, with both being regularly reviewed and updated.

The operation of the Risk Management Framework is overseen by the Audit Committee. While the Audit Committee has the overarching responsibility for overseeing risk management, it has delegated relevant risks to each of the other Board Committees.

Committees receive corresponding extracts of the SRR and CRR to enable alignment of their Work Programmes to ensure they review and receive reports on the progress made to mitigate key risks as far as possible. Reports are submitted to each of the Committees of the Board to

accompany the specific Risk Register extracts assigned to the Committees.

To support the continued maturity of the Health Board’s risk management arrangements, the Executive Team approved a new two-year Risk Management Strategic Improvement Plan (RMSIP 2026–28) in March 2026.

The plan builds on the reset undertaken since 2024 and responds to feedback from Board members, service groups and the 2025/26 internal audit review. It sets out clear objectives to strengthen governance structures for risk, embed improved integration between risk, performance and delivery, enhance the consistency and quality of risk practices across services, and further develop the infrastructure and systems that underpin effective risk oversight. Progress will be reported to the Executive Board, with assurance provided to the Audit Committee.

❖ **Risk Profile 2025-26**

Under the five, Health Board objective headings, the newly developed SRR has identified the following risks:

Strategic Objectives & Risk Titles	Current Risk Score ¹	Scrutiny Committee
Objective 1: People of Swansea Bay live healthier, equitable and more equitable and prosperous lives		
1: Population Health Approaches to Address Health Inequity	20	Population Health
Objective 2: Care is high quality, safe, efficient and delivers the best possible outcomes for people		
2.1: Urgent and Emergency Care	16	Performance and Finance
2.2: Planned Care	12	Performance and Finance
2.3: Cancer Care	20	Performance and Finance
2.4: Quality, Safety and Patient Outcomes	16	Quality and Safety

¹ December 2025 Strategic Risk Register

Strategic Objectives & Risk Titles	Current Risk Score ¹	Scrutiny Committee
2.5: Listening to People	16	Quality and Safety
2.6: Maternity & Neonatal Service Transformation	16	Quality and Safety
2.7: Mental Health Transformation	16	Quality and Safety
Objective 3: Care is delivered in safe and appropriate settings supported by innovative digital solutions		
3.1: Partnerships and Collaboration	12	Quality and Safety
3.2: Maintaining our Estate	20	Performance and Finance
3.3: Sustainability of Digital Services	20	Digital, Data, Research and Innovation
3.4: Failure to Deliver Digital Transformation	20	Digital, Data, Research and Innovation
3.5: Research, Development and Innovation	12	Digital, Data, Research and Innovation
Objective 4: The health board is a great place to work where staff feel valued and work together towards a common goal		
4.1: Staff Health and Wellbeing and Organisational Performance	16	Workforce and Organisational Development
4.2: Leadership and Management	12	Workforce and Organisational Development
4.3: Culture, Values and Behaviours	12	Workforce and Organisational Development
Objective 5: The health board is a resilient, financially sustainable and responsible organisation		
5.1: Achieving Financial Sustainability	25	Performance and Finance

The SRR includes links to associated risks within the CRR. The profile of risks recorded within the board-level CRR is as follows:

Risk Level	Number of risks in CRR Feb 2026
Risk Score of 25	1
Risk Score of 20	13
Risk Score of 16	5
Risk Score 9-15	5
Risk Score of 5-8	0
Risk Score of 1-4	0
Total	24

The most significant risks within the CRR are:

Ref	Risk Title	Current Risk Score ²	Scrutiny Committee
4	Healthcare Acquired Infection	20	Quality and Safety
60	Cyber Security	20	Digital, Data, Research and Innovation
61	Paediatric Dental GA Service (Parkway)	16	Quality and Safety
64	Health and Safety Infrastructure	20	Quality and Safety
66	Access to SACT (Cancer Services)	20	Quality and Safety
69	Safeguarding: Adolescents on Adult Mental Health Wards	20	Quality and Safety
80	Inability to Transfer Patients	20	Quality and Safety
85	Non-Compliance with ALN Act	20	Quality and Safety

² February 2026 Corporate Risk Register

Ref	Risk Title	Current Risk Score ²	Scrutiny Committee
89	Healthcare Nursing Staff Level (HMPS)	20	Quality and Safety
90	Non-compliance with UK-GDPR Article 15 regarding Subject Access Requests	20	Digital, Data, Research and Innovation
92	Finance Forecast Deficit	25	Performance and Finance
96	Develop an Approvable IMTP (statutory compliance)	20	Performance and Finance
104	Failure to meet Tier 1 targets in Clinical Coding Completeness	20	Digital, Data, Research and Innovation
106	Emissions Reduction	20	Performance and Finance
107	EPRR and Recovery	20	Performance and Finance

While we have reduced risks in some areas, many have been persistent. Experience gained following implementation of refreshed risk management arrangements, through ongoing engagement with services and via discussions at Board Committees have identified further areas for improved assurance on the management of risks at Board and operational level, and the identification of further risks for escalation for Board-level oversight.

The Corporate Governance Risk and Assurance team have commenced meetings with service leads to take this work forward in 2025-26 and into 2026-27.

❖ The Control Framework

Within the service groups, the Service Group Directors are responsible for the management of risk and ensuring there are effective arrangements to carry this out and for the escalation of risks to Executive Directors where required.

As part of the resetting of risk management arrangements commenced during 2024 and continued during 2025, a revised Risk Management Group was established from the start of 2025. The Risk Management Group met during the first two quarters of the 2025-2026 financial year, but due to urgent meeting conflicts of key members, did not meet during the third quarter. Risks for escalation were referred to the Group's Chair for decision in this period and qualitative improvement work progressed via direct engagement with services. Information on risks was provided to the Health Board performance function to support discussions between Executive Directors and Service Groups at performance review meetings.

Discussion on the future governance arrangements have agreed the use of this Forum for the consideration of risks escalated by services going forwards into 2026-27. The wider oversight of operational risk management within services will be considered by a new Executive Operational Group.

The Health Board recognises that a number of its key risks are influenced by, or shared with, external partners. In line with the Risk Management Policy, it is recognised that communicating and consulting with internal and external stakeholders and partners, as appropriate, at each stage of the risk management process and concerning the process as a whole is important. This ensures that risks with system-wide implications are visible at the appropriate level and that assurance is sought from relevant partners. The frequency of the communication will vary depending upon the severity of the risk. This process is led by the person nominated as the lead to manage the risk and for communication with external stakeholders this will be the appointed Executive Director lead for the risk. Significant risks will be reported to Welsh Government through the weekly brief from organisations and quarterly performance review meetings.

The most significant risks the Health Board is managing are listed in the section above under risk profile. Key controls and actions taken to manage risks are captured in the SRR and CRR, which have been reported to the Management Board, Audit Committee and Board. The below table presents some of the key controls and in place to manage the most significant new and pre-existing risks on Board-level registers (full details can be found within the full registers).

Risk Title & Description	Controls In Place
STRATEGIC RISK REGISTER – MOST SIGNIFICANT RISKS	
SRR1.1 Population Health Approaches to Address Health Inequity Score 20 If our staff do not understand and act on the provisions of the Population Health Strategy, and develop the capability and capacity to enact a system approach to addressing the challenges of improving the health of the entire population, then there is a risk that we will not develop effective systems, processes and partnerships to incorporate and deliver population health approaches outlined in the Strategy. This could result in worsening health in our population, widening health inequalities and a failure in our statutory duty as a Health Board.	• The Public Health Team are pursuing an evidence-based engagement-focused methodology to support implementation of the Population Health Strategy. • The Population Health Committee has been established to provide oversight of the Population Health Strategy. • Engagement across the Organisation in support of strategy execution to build competence, capability and capacity to enact strategy. • Population health has been integrated into key organisational processes (planning, business case development, partnerships, performance, strategy development). • Strategy execution approach has developed tactical and operational level leadership. • There is reporting of progress on Population Health Strategy execution through the Health Board Service Delivery Group quarterly performance. • The Population Health Strategy has been integrated into the Health Board Strategic Objectives. Strategic indicators have been developed to support measurement of population health gain.
SRR2.3 Cancer Care Score 20 If we do not have enough staff and physical capacity organised effectively across all services, including primary and secondary care, to provide timely diagnosis and	• Processes are in place to manage each individual case on the Single Cancer Pathway (SCP), with enhanced monitoring and weekly monitoring of action plans for top 6 tumour sites. • Initiatives are in place to protect surgical capacity to support Single Cancer Pathways.

Risk Title & Description	Controls In Place
treatment of adults and children, there is a risk that we will be unable to improve provision of safe, effective, and person-centred cancer care, resulting in a potential for patient harm, poor outcomes, and a negative impact on patient and staff experience. This will impact not only on Health Board patients but those of partner organisations depending on this Health Board as a regional centre for cancer care.	• Performance is discussed by tumour-site with focus on compliance with the following targets: ○ First outpatient appointment by Day 10 ○ Deliver a decision to treat (DTT) by day 31 • Outsourcing solutions are in place to support pathology turnaround times for urgent suspect cancer. • The Chief Operating Officer is leading targeted discussions with the most pressurised tumour sites to understand barriers to complying with national optimal pathways for cancer. • Cancer improvement group meets monthly.
SRR3.2 Maintaining our Estate Score 20 If we do not secure sufficient funding and employ that effectively to address priority areas of deterioration within our estate within primary and secondary care, then our buildings and/or associated infrastructure may fail in part or wholly, resulting in increased risk to patient and staff safety, and the disruption of service provision.	• Planned Preventative Maintenance prioritising highest risks dependent on funding availability • There is an Essential Infrastructure Replacement programme (subject to availability of decant facility and steps to secure funding). • Electrical resilience is tested through 'Black Starts' on Singleton and Morriston sites. Provision of further resilience is subject to funding. • There is an Estates Strategy in place informed by a 6 Facet Survey. That survey has now been superseded by the review and upgrade of the Health Board Asset Register to form a baseline for capital investment planning going forward. • Reactive Maintenance is ongoing. However, demands are increasing due to more frequent breakdowns and the age of the estate infrastructure, which is

Risk Title & Description	Controls In Place
	becoming more resource intensive with limited capacity and capability especially with regard to 24/7 shift cover, bringing associated business continuity risks. • There is engagement with Adult Mental Health, Forensic Services and Learning Disabilities on business case development.
SRR3.3 Sustainability of Digital Services Score 20 If the Organisation is unable to maintain and replace existing digital systems and infrastructure in a timely manner, there is a risk that this could lead to system failures and cybersecurity vulnerabilities, resulting in disruptions in clinical service delivery. This risk encompasses the need for ongoing investment in digital assets to ensure they remain functional and secure. Factors contributing to this risk include financial constraints, aging infrastructure, and the need for continuous updates and support to meet evolving service requirements.	• Cyber Security Policy and mandatory Cyber Security training in place. • Programme in place for management of legacy systems and infrastructure. • Ten-year Financial Plan for replacement of devices and infrastructure. Prioritisation in place to ensure consideration given to highest areas of risk. • Immutable backup process in place. • Active monitoring of, and protection of, networks, systems and infrastructure. • Service level Business Continuity Plans in place to mitigate the impact of an outage, managed by the Emergency Preparedness Resilience and Response (EPRR) team. • Review process following all major Digital incidents. • Digital Strategy in place.

Risk Title & Description	Controls In Place
SRR3.4 Failure to Deliver Digital Transformation Score 20 If the Organisation does not implement or utilise digital solutions to support and transform care provision across the Health Board, it will hinder the Organisations' ability to achieve its Strategic Objectives and improvements in service delivery. Without appropriate digital solutions in place there is a risk that the Health Board will not be able to: meet the needs of its population; ensure care is of high quality and is efficient; provide effective care in an environment that best meets the needs of the patient; address the constraints and issues arising from the reliance on the paper record; recruit and retain staff; collect and interpret data to inform decision making and monitor performance to aid service improvements; or exploit new technologies, such as AI and remote monitoring, that can support improving the quality and sustainability of service	• A robust Project Management Framework and Governance are in place within Digital Services • A Benefits Framework and methodology are in place within Digital Services • The Health Board Business Case Assurance Group process provides scrutiny to ensure digital resources are considered for all projects • There is a Digital Services prioritisation process in place to ensure that requests for digital solutions are considered in terms of alignment to the strategic objective, technical solutions and financial implications. Project Boards are established for all significant projects. • A Clinical Reference Group is established, providing a forum for engagement with and feedback from clinicians in respect of digital solutions and enhancements, and the strategic direction of digital services. Digital meetings are held with Service Delivery Groups to identify and prioritise requirements, monitor progress with implementation, and address issues with business-as-usual activities. • Receipt, approval and recording of changes/updates made to all existing digital solutions via the Digital Services Change Advisory Board. • The Health Board has representation on national groups such as Advanced Analytics Group (AAG), all Wales Business Intelligence & Data Warehousing Group and Welsh Modelling Collaborative. • An Integrated Medium-Term Plan (IMTP), Digital Strategy, Business Intelligence Strategic Plan, along with Digital Procurement Policy, and policies in

Risk Title & Description	Controls In Place
delivery. This risk is driven by constraints such as insufficient capital or revenue, limited capacity and capability within digital, Service Group and Corporate teams, clinical and service leadership/ownership for digital transformation, data and data infrastructure and other resource limitations such as procurement and contract management.	relation to health records and other digital matters, are in place.
SRR5.1 Achieving Financial Sustainability Score 25 If we fail to manage our costs effectively, whilst optimising productivity and effectiveness, then we will not return to financial balance. This will result in poor use of public funds, and an inability to provide sustainable services for our patients.	• Annual Accountability Letters and Budgetary Management Framework are in place • There is Recovery and Sustainability Board oversight of the identification and delivery of strategic long terms savings programmes. • The budgetary management approach requires all Service Groups to produce a Finance Strategy each year. • There is the continued transparent exchange of position with NHS Wales Performance and Improvement and Welsh Government • A financial planning and reporting process is in place which dovetails with the wider IMTP production timetable. These provide a schedule of planning activities intended to support the production of a financially balanced and sustainable IMTP, aligned to the statutory requirements of the Health Board.
CORPORATE RISK REGISTER – MOST SIGNIFICANT PRE-EXISTING RISK	

Risk Title & Description	Controls In Place
CRR92 Forecast Deficit Score 25 Risk of forecast deficit not being met due to (1) insufficient progress on run rate reduction, (2) the saving targets required across all areas are not achieved.	• Accountability Letters and Budgetary Management Framework were issued to all Directors in April 2025, which set the expectation and budget for 2025/26. • Oversight is provided via the Recovery and Sustainability (R&S) Board, which reports directly to the Performance and Finance Committee and is chaired by the Chief Executive. This Board is held bi-weekly. • Supporting the R&S Board is the R&S Team, which for 2025/26 had dedicated resource to lead the programmes of work agreed for 2025/26 (the Board has agreed 5 key areas). • Budgetary Management approach 2025/26 required all Services Groups to produce a Financial Strategy by end May 2025, with ongoing monthly performance meetings and presentation to the Performance and Finance Committee every 4 months. • There is continued transparent exchange of position with NHS Executive and Welsh Government, via both weekly and monthly meetings with the NHS Executive. • Standard 'Day 5' Finance Reports on Variable Pay, Savings Performance and 'Flash' report are published via SharePoint site. • Variable Pay Cap agreed by the Organisation to deliver £32m of savings as set out in the Financial Framework dated 30th June 2025 as well as further enhancements to controls agreed through Quarter 2, and Quarter 3 via the Recovery & Sustainability Board, with further controls and targets agreed at Special Board in December 2025.

Risk Title & Description	Controls In Place
	• Recovery and Sustainability governance and controls were strengthened in line with the initial recommendations from work by Deloitte (external partner). • The Health Board developed with its strategic external partner (Deloitte) a clear plan to deliver the £55.4m savings required for 2025/26.
CORPORATE RISK REGISTER – SIGNIFICANT NEW RISKS	
CRR104 Failure to meet Tier 1 targets in Clinical Coding Completeness Score 20 Because: The volume of new inpatient episodes exceeds the available clinical coding staff capacity; There are difficulties recruiting and retaining a sufficient number of trained clinical coding staff to address the gap, and clinical information is not always of sufficient quality or completeness electronically (such as DALs) to support swift coding. There is a risk that: Clinical notes for inpatient episodes will not be coded in a timely way. Resulting in: The non-achievement of the Tier 1 Welsh Government target (which is that 95% of inpatient activity should be coded within 30-days of discharge); Insufficient	• A three-year coding modernisation plan was approved by Executive Board on 26 February 2025 to see the implementation of an auto-coding solution and a re-banding of the clinical coding department within existing budgets to attain Tier 1 targets by 27/28. • The coding management team assess the staffing complement daily to ensure resources are deployed in the most efficient and effective manner, in line with demand and clinical coding priorities. • There is a comprehensive training programme in place for new Trainee Coders. • The Clinical Coding Departments raise incidents where clinical information is missing from patients' health records and prevents the activity being coded in a timely manner. These incidents are highlighted at the Directorate Business Meetings held monthly as part of the Clinical Coding Key Performance Indicators. • Clinical coding staff performance continues to be monitored and discussed during the monthly Clinical Coding Managers Meetings, which are chaired by the Head of Health Records and Clinical Coding, and an update is also reported

Risk Title & Description	Controls In Place
coded data to support effective service planning for population health needs; Inadequate data being available for mortality review/quality and safety purposes, with increased risk of failure to spot variance that are negatively impacting levels of patient care and potentially causing avoidable deaths; Negative impact on accuracy of analysis to understand how resources are being allocated and used at Health Board level and national level (programme budgeting); Delays in claiming case mix sensitive contract lines with JCC, Hywel Da and Cwm Taff (circa 70m per annum value in total) due to lack of coding data.	and presented on the Health Board Performance Scorecard. • An app has been developed by Digital Intelligence that shows any relevant data relating to a patient episode from different clinical systems in one place, to reduce the number of systems a clinical coder needs to log into.
CRR106 Emissions Reduction Score 20 If we do not identify funding and implement appropriate actions effectively and in a timely way, there is a risk that the Health Board will not achieve the emissions reduction targets set by Welsh Government which could result in failure and	• Board leadership is provided by the Executive Director of Planning and Partnerships. There is a supporting governance structure in place. • There is a Climate Action Plan (CAP) 2024-26. • Implementation is managed by action owners through their local arrangements. Assurance is brought to the quarterly Sustainable Swansea Bay Steering Group meeting. Support is available to the action owners from the Sustainability

Risk Title & Description	Controls In Place
potential reputational damage in the eyes of Welsh Government and the wider public.	Team and through a quarterly Climate Knowledge Exchange. • Measures required to achieve emissions reduction objectives are integrated into other strategies and plans, including Estates Strategy; IMTP; Quality Strategy; Sustainable Travel Strategy; Healthy and Sustainable Catering Strategy; Value Based Healthcare Strategy, People Strategy; Population Health Strategy. • The Organisation's carbon emissions is one of the Health Board's strategic indicators. • The Health Board's Green Group enables staff to share and learn from others in Wales. • Climate change and decarbonisation is a component part of the prioritisation for Capital Projects across NHS Wales organisations. • Climate and sustainability are being built into the Clinical Services Plan. • Health Board takes part of the wider Welsh Government Health and Social Care Climate Emergency Programme governance through membership and participation on a number of programme boards. • The Health Board has contracted three 'Sustainability Clinical Leads'. They are driving sustainable healthcare work. • Participation on the Public Services Boards in Swansea and Neath Port Talbot enables sharing of best practice and opportunities for collaboration.
CRR107 Emergency Preparedness, Resilience and	• There is an Executive Director nominated as lead for Civil Contingences (the Director of Planning and Partnerships).

Risk Title & Description	Controls In Place
Response, (EPRR) and Recovery Score 20 If the Health Board lacks adequate and effective emergency preparedness, planning, response and recovery at both corporate and operational levels, there is a risk that it may not be able to respond and recover promptly, efficiently, or effectively to a major incident, business continuity, or critical incident. This could lead to: Negative impacts on patient care delivery in both acute and non-acute settings; Potential harm or injury to patients and/or staff; Non-compliance with statutory obligations under the Civil Contingencies Act 2004; Legal actions and financial penalties; Reputational damage and diminished public trust.	• A comprehensive business continuity management (BCM) process is in place, allowing services to assess and manage risks across key business continuity (BC) areas and implement suitable mitigations. The BC framework serves as a guide for departments to develop their own specific BC procedures. • An overarching Strategic BC Procedure is in place. In addition, each Service Group has an overarching Tactical BC Procedure outlining the tactical management processes, escalation protocols and response structures for effective command and control and coordination. • An Emergency Preparedness, Resilience, and Response (EPRR) strategy and programme is in place to oversee and ensure enhanced assessment, preparedness, prevention, response, and recovery strategies. • The Organisation has established emergency preparedness, resilience, and response (EPRR) measures, with EPRR work and training programs aligned to meet Civil Contingency statutory requirements. Oversight is provided by the EPRR Oversight Group. • A range of emergency response protocols, including a Major Incident Procedure, has been developed. To support, there is a suite of emergency procedures at national and regional levels to address and mitigate national, regional, and local risks as effectively as possible. These risks are identified in the Health Board EPRR Risk and Preparedness register and aligned to National Risk Register, Wales Risk and Preparedness Register, Local Resilience

Risk Title & Description	Controls In Place
	Forum (LRF) Community Risk Register, and respective local authority risk registers. • The Health Board actively participates in the NHS Executive Health Emergency Planning Advisory group and its sub-groups. Additionally, the HB is involved in the Wales Resilience Partnership Group and South Wales Local Resilience Forum and contributes to various pan-Wales/regional groups. The Health Board works closely with local partners and is a member of both Neath Port Talbot and Swansea Local Authority risk groups. • The HB EPRR arrangements are aligned to the Health Board Strategic vision and objectives. • There is a holistic approach to building, strengthening, and maintaining the EPRR work programme with consideration to leadership and governance, training and workforce development, scenario planning and exercises, risk management, community engagement and continuous improvement, including the conduct of regular audits and assurance checks against NHS Wales EPRR standards. • Regular internal training and exercises are scheduled; lessons identified from incidents and exercises are captured for integration into plans.

❖ **Emergency Preparedness**

As a Category One Responder organisation under the Civil Contingencies Act 2004, the Health Board has statutory responsibilities to prepare for, respond to, and recover from a wide range of emergencies. The Health Board remains committed to protecting patients, staff and the public by maintaining strong preparedness arrangements, enhancing organisational

resilience, and ensuring a timely, coordinated response to any incident that disrupts normal services.

The Health Board's approach to Emergency, Preparedness, Resilience and Response (EPRR) is delivered through a continuous cycle of risk assessment, planning, training, exercising, response and recovery. This ensures that the Organisation can continue to deliver safe, high-quality and equitable services, even during the most challenging circumstances.

A dedicated EPRR Risk Register is maintained and reviewed regularly, aligned to local, regional and national risk frameworks. Risks are assessed, scored and monitored, with appropriate mitigation measures in place. This work is supported by an overarching EPRR Operating Framework, an annual training and exercising programme, a lessons-identified register and a suite of emergency plans, including the Major Incident Procedure and Business Continuity Management arrangements.

Strategic oversight is provided by the Health Board's EPRR Oversight Group, which monitors compliance, performance, lessons identified and risks through a digital assurance dashboard. In addition, the Health Board submits an annual Civil Contingencies assurance return to the NHS Performance and Improvement, demonstrating its level of readiness and identifying opportunities for further development.

During 2025-26, the Health Board successfully delivered its planned programme of EPRR training and exercising, assessing the Organisation's capability across a range of emergency scenarios. Business continuity procedures were activated on a number of occasions in response to live incidents, enabling real-time testing of plans and providing valuable learning. All lessons identified are captured, monitored and embedded into ongoing improvement activity. In addition, 2026 has seen the launch of an ambitious training and exercising programme that is already well underway.

The Health Board continues to play an active role within local, regional and national resilience structures, working closely with multi-agency partners, emergency services, Welsh Government and NHS Wales organisations. This collaborative approach strengthens interoperability, enhances shared situational awareness and supports a coordinated response and recovery capability for the communities we serve.

The Health Board remains committed to continually developing its EPRR arrangements, maturing assurance processes, and embedding resilience across all services to ensure safe, effective and sustainable care during times of disruption.

❖ The Control Framework

Quality Governance Arrangements

Our separate annual Quality Report provides a detailed overview of the work we are undertaking to deliver safe, effective, and high-quality care for our patients.

To support our commitment to continually improving services for the communities we serve, we have joined National work to review our Quality Management Systems (QMS). This National Programme focuses on how organisations use information and insight about the quality of care—including patient and family experience—to drive meaningful improvement.

We are proud that our Perinatal Services have been selected to participate in National work to prototype a QMS, and we look forward to sharing the learning from this work across the Organisation.

A summary of our work across the four domains of quality is outlined below.

Quality Planning

- We are excited to have launched the *Listening to People* concerns-management process, which will strengthen how we learn from concerns and improve people's experiences of our services.
- As part of developing how we communicate with our communities, we have engaged with seldom-heard groups to understand what quality information they would like to see made available on our website.
- In May, we were delighted to engage with thousands of children, young people, and families at the Urdd Eisteddfod, giving us valuable insight into what matters most to them from their health services.

Quality Control

- All elements of our Quality Dashboard are now live, enabling service leads to view key quality indicators at a glance.
- We continue to work closely with our Digital Services colleagues to enhance the information available to support oversight of care.
- Our use of the Audit Management and Tracking Tool (AMaT) for quality control and assurance was shortlisted for a national NHS Wales Award—a recognition of our commitment to strengthening governance and visibility of quality.

Quality Improvement

- We continue to expand access to quality improvement (QI) training so that staff are empowered to drive improvements within their own areas of work.
- We are extremely proud that one of our QI projects—focused on improving outcomes for people living in care homes who experience a fall—won an NHS Wales Award and was also shortlisted for a Health Services Journal (HSJ) Award.
- Our Improvement Forum meets monthly, providing a space to share ideas, celebrate success, and learn from examples of positive change across our services.

Quality Assurance

- We continue to carry out a wide range of assurance activities, including monthly unannounced audits of wards and clinical areas, alongside structured review and learning from patient experience and concerns.
- Assurance visits have now been rolled out across community settings, strengthening oversight beyond acute environments.
- Our Independent Member visiting programme—comprising monthly visits across a range of services—is now well established and continues to provide valuable external insight into the quality and safety of care.

The Duty of Quality annual report will be published on our website in the Quality & Safety Committee in June 2026.

Duty of Candour

The Duty of Candour is a statutory requirement under the Health and Social Care (Quality and Engagement) (Wales) Act 2020. It requires NHS Wales bodies to be open and transparent with people when a qualifying notifiable safety incident has occurred, including providing an apology, an explanation of what is known at the time, and ongoing communication and support.

Governance and oversight for Duty of Candour is led by the Executive Director of Nursing. This includes providing assurance that Duty of Candour processes are in place, that incidents are identified and reviewed appropriately, and that learning is translated into service improvement.

The Health Board continues to strengthen arrangements to support timely recognition of qualifying incidents, clear documentation, and effective communication with individuals and families. Staff are supported to undertake Duty of Candour conversations in a compassionate and person-centred way, with access to advice and guidance where required.

Themes and learning identified through Duty of Candour are considered alongside other quality and safety intelligence, including Putting Things Right, to support improvement and reduce the risk of recurrence.

Corporate Governance Code

For NHS Wales, governance is defined as 'a system of accountability to citizens, service users, stakeholders and the wider community, within which healthcare organisations work, take decisions and lead their people to achieve their objectives'. This ensures NHS bodies are doing the right things, in the right way, for the right people, in a manner that upholds the values set for the public sector.

An assessment of compliance with the HM Treasury's Corporate Governance code was undertaken In February 2026 and found no departures from the code. This was reported to the [Audit Committee in March 2026](#).

Commissioning of Care and Support in Wales: Code of Practice

During 2025-26 the Health Board continued to implement the National Framework for the Commissioning of Care and Support in Wales: Code of Practice. This work focused on strengthening arrangements for Continuing NHS Healthcare (CHC) and complex care commissioning, improving consistency of decision-making, and supporting fair and sustainable approaches to market management.

Governance and oversight were enhanced through the establishment of a cross-functional CHC and Complex Care Programme Board, providing a coordinated route for leadership, risk management, escalation and reporting. Partnership working with Local Authorities was also strengthened, supporting shared approaches to commissioning challenges and improving joint problem-solving.

The Health Board made progress toward a regional approach to fee-setting and established a more centralised commissioning function for individual patient commissioning, aligned to the commissioning cycle. Work also commenced to complete the Code's self-assessment implementation support tool; the outcomes will inform priorities for further improvement, including clarifying roles and responsibilities, strengthening assurance, and tracking delivery in 2026-27.

❖ Planning Arrangements Assessment Against Section 175 of the National Health Service (Wales) Act 2014

There are two requirements for the health board to meet under the Act:

1. to secure that expenditure does not exceed the aggregate of the

funding allotted to it over a period of three financial years;

For 2025-26 the Health Board has not met its financial duty of remaining within the financial funding provided for revenue, as set out below. Therefore the Health Board did not meet its financial duty to break-even over the three year period of 2023-24 to 2025-26.

	2023-24 £000	2024-25 £000	2025-26 £000	Total £000
Net operating costs for the year	1,282,337	1,420,276	1,467,808	4,170,421
Less general ophthalmic services expenditure and other non-cash limited expenditure	1,562	833	615	3,010
Less unfunded revenue consequences of bringing PFI schemes onto SoFP	(2,711)	(3,352)	261	(5,802)
Less any non-funded revenue consequences of IFRS 16	0	0	0	0
Total operating expenses	1,281,188	1,417,758	1,468,684	4,167,629
Revenue Resource Allocation	1,264,375	1,375,303	1,415,523	4,055,201
Under /(over) spend against Allocation	(16,813)	(42,454)	(53,161)	(112,428)

The table above summarised the Health Boards performance against its revenue resource limit and the full financial performance is set out later in this report as part of the financial accounts.

2. To prepare a plan which sets out the strategy for securing compliance with the duty while improving healthcare, and for that plan to be submitted to and approved by Welsh Government.

As the LHB was unable to submit a balanced integrated medium-term plan in accordance with NHS Wales Planning Framework, the Board submitted an Annual Plan for 2025-26 on 31 March 2025. This plan did not include a break even position. A response to the Annual Plan was published by Welsh Government on 11 April 2025.

With the support of Welsh Government, the Health Board commissioned External Strategic Support focusing on 9 key deliverables, but for 2025-26 the key focus was on the identification and delivery of savings. Throughout 2025-26 the Health Board

worked with Welsh Government and its external partner to identify options to address savings target set out within the annual plan and in September a formal update was provided to Welsh Government aligned to the paper presented at the Special Board on 11 September 2025. Work continued throughout the remainder of 2025-26 on this issue of savings delivery.

However the Health Board has been unable to meet its statutory duty to have an approved financial plan.

❖ **Disclosure Statements**

Equality, Diversity, Inclusion and Human Rights

The Health Board is committed to treating everyone fairly and does not tolerate discrimination on the grounds of age, disability, gender identity, marriage or civil partnership status, pregnancy or maternity, race or nationality, religion or belief, sex or sexual orientation. It continues to widen access to opportunities to employment and training to attract, develop and nurture people from different backgrounds.

We All Belong is the Health Board's [Strategic Equality Plan 2025-2028](#). We called this plan We All Belong because throughout our discussions with people, whether they were the public, patients, families, or our staff, they told us how they felt there were barriers to them accessing services because of their protected characteristic(s) under the Equality Act 2010, and they were made to feel different within our services. We wanted to ensure that every single person felt that they belonged in all our services – whether as a service user, family member supporting them, or as a member of staff. This also applied to services we commissioned from other organisations for our population

The Health Board ensures that the potential impacts on any changes to its services are considered on the above protected characteristic groups under the Equality Act 2010. It does this by developing equality impact assessments for these proposed changes which outline any impacts, including under the socioeconomic duty, so that these can be taken into account when decisions on changing services are made. This is done in partnership with Llais (formerly Swansea Bay Community Health Council), as the local NHS watchdog, to ensure that they are identified and considered appropriately as part of this.

Information Governance

The Health Board maintains a robust Information Governance (IG) framework to ensure the responsible management, protection and use of information across the Organisation. This framework includes:

- **The Digital, Data, Research & Innovation Committee (DDRI)**, which provides oversight of the information governance agenda at Board sub-committee level.
- **The Information Governance and Cyber Security Assurance Group (IGCAG)**, which supports, scrutinises and drives the IG agenda, providing assurance to DDRI that effective controls and best-practice mechanisms are in place.
- **A Caldicott Guardian**, responsible for safeguarding the confidentiality of patient information and ensuring appropriate information sharing.
- **A Senior Information Risk Owner (SIRO)**, who provides strategic ownership of information risk and ensures it is managed effectively at a corporate level.
- **A Data Protection Officer (DPO)**, who oversees compliance with data protection legislation and advises on associated risks and obligations.
- **Information Governance Champions** within each Service Delivery Group and corporate department, who champion data protection compliance and good information governance practices within their work area.

The Health Board works to a dedicated Information Governance strategic work plan that ensures organisational data protection compliance is maintained, reviewed and further developed. Ongoing improvement is achieved through monitoring, assurance activities and reporting to the Information Governance & Cyber Security Assurance Group and the Digital, Data, Research & Innovation Committee.

In line with data protection legislation, personal data breaches that meet the statutory notification criteria must be reported to the Information Commissioner's Office (ICO). During the 2025–26 financial year, **seven breaches** were notified to the ICO. A summary of these incidents is provided in the table below.

Where the ICO has issued recommendations, these have been considered for implementation by the Health Board to help strengthen organisational practice and reduce the likelihood of recurrence.

Breach Category	Summary of Breach	Summary of Actions
Unauthorised Access (ICO_055)	Staff member accessed electronic records without a legitimate business interest.	• Internal management review undertaken and disciplinary procedure followed. • Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. • Information Governance audit process undertaken and recommendations for improvement provided. • Health Board findings provided to the Police.
Disclosure – Paper (ICO_056)	A letter containing health data was mailed to an incorrect address. The letter was subsequently opened by unintended recipient.	• Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. • Legal advice sought. • Information Governance audit process undertaken and recommendations for improvement provided.
Disclosure - Paper (ICO_057)	Medical results were erroneously attached to another patient's correspondence and sent to the incorrect recipient.	• Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. • Standard Operating Procedure developed and disseminated within relevant team. • Information Governance audit process undertaken and recommendations for improvement provided.
Disclosure – Verbal (ICO_058)	Information regarding appointment attendance was disclosed to a family member without the	• Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. • A Standard Operating Procedure developed and disseminated within relevant team. • Information Governance audit process undertaken and recommendations for improvement provided.

	patient's specific consent.	
Cyber Security Incident (ICO_059)	The Health Board received confirmation of data infiltrated during a previous cyber-attack on one of its third-party suppliers in 2024.	The risk of re-identification of data was deemed to be low and therefore the threshold to notify the ICO was not met. However, due the high-profile nature of this incident and the involvement of multiple UK NHS organisations, the decision was taken to update the ICO.
Unauthorised Access (ICO_060)	Staff member accessed records without a legitimate business interest.	- Internal management review & disciplinary procedure undertaken. - Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. - Information Governance audit process undertaken and recommendations for improvement provided. - Health Board findings provided to the Police.
Unauthorised Access (ICO_061)	Staff member accessed records without a legitimate business interest.	- Investigation into root cause and mitigating actions taken to reduce risk of reoccurrence. - Information Governance audit process undertaken and recommendations for improvement provided. - Health Board findings provided to the Police.

Ministerial Directions

Welsh Government has issued non-statutory instruments and Welsh health circulars (WHC) since 2014-15, and a list of ministerial directions circulated for 2025-26 can be found on the [Welsh Government website](#). All relevant directions have been fully considered and implemented appropriately, with Welsh health circulars logged corporately and an executive lead assigned, as well as reported to the Board. These are set out at **appendix five**.

Wellbeing of Future Generations Act

The Board published its original objectives in relation to the Wellbeing of Future Generations Act in 2017 in its wellbeing statement and then incorporated them as part of the organisational strategy. These were:

- Giving every child the best start in life;
- Connecting communities with services and facilities;
- Maintaining health, independence and resilience of communities of individuals, communities and families.

Following a Wellbeing of Future Generations Act self-assessment in August 2019, the Future Generations Commissioner feedback to the Health Board suggested a need for greater alignment between its Wellbeing Objectives and the Seven National Wellbeing Goals, in particular those for the environment, culture (including Welsh language) and global impact. On that basis, it was agreed by the Senior Leadership team that the existing Wellbeing Objectives be reviewed and a set of refreshed Wellbeing Objectives published in the annual plan.

The engagement on the refresh identified the need to also take into account:

- Our role as provider, commissioner, partner and employer;
- Direct control, collaboration and influencing opportunities;
- Ability to demonstrate delivery;
- Focus on health inequalities and inclusivity;
- Use of clear, concise, uncomplicated language.

The refreshed Wellbeing Objectives for inclusion in the Annual Plan were agreed as set out below and remain extant:

"In our role as an Anchor Institution in the Region we are a major employer, commissioner, provider of health and care services and key contributor to the reduction of health inequalities. In support of this we will collaborate with communities and partners to:

- *Give every child the best start in life*
- *Nurture and use the environment to improve health and wellbeing*
- *Apply ethical recruitment practices and support health and care workers to be healthy, skilled, diverse and resilient*
- *Plan, commission, deliver and promote equitable, inclusive and accessible health and wellbeing services*
- *Provide opportunities to support every adult to be healthier and to age well*
- *Seek to allocate our resources to meeting the needs of, and improving, the population's health"*

While National Guidance requires the Health Board to annually publish progress made in meeting the Wellbeing Objectives for each preceding

financial year, should the Annual Review find that one or more objectives no longer maximise contribution to the achievement of the Well-Being Goals, then these must be changed and new Well-Being Objectives published as soon as possible.

Modern Slavery

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another to exploit them for personal or commercial gain. This statement is made pursuant to section 5(1) of the [Modern Slavery Act 2015](#) and constitutes the Health Board's Slavery and Human Trafficking Statement for the financial year 2025-2026.

Welsh Language

As a Health Board, the vital part that the Welsh language and culture has to play in the provision of health and social care services to our resident population is recognised. Many people choose to receive services in Welsh because that is what they prefer. For others, however, it is more than a matter of choice – it is a matter of need. It is especially important for many vulnerable people and their families who need to access services in their first language, such as older people with dementia or stroke who may lose their second language and children who speak only Welsh. In addition, when discussing mental health, being able to communicate in your first language to express feelings, thoughts and emotions is important. The [annual report](#) for our Welsh language service is now available on our website.

Sustainability and Carbon Reduction

During 2025-26, the Health Board has significantly strengthened its sustainability narrative. This progress has been driven by a robust and collaborative governance structure; active engagement with staff; the Communication Team's promotion of innovative and impactful initiatives; and strong partnership working across the Public Services Boards (PSBs) and the wider NHS Wales system. Over the past year, the Governance Framework has further evolved to provide clearer direction and support for climate adaptation work, both within the organisation and in collaboration with PSB partners. Details on the work around sustainable healthcare can be found on the health boards website: [Delivering sustainable healthcare - Swansea Bay University Health Board](#)

In 2025-26, the Health Board has focused on enhancing its implementation of the Well-being of Future Generations Act by embedding the five ways of working into strategic planning and launching our Organisational Strategy '*A Healthier Swansea Bay*', which provides clear long-term strategic direction and objectives that are aligned to the principles of the Act. We published, '*Our Journey to Sustainable*

Healthcare 2024-25' and submitted a formal response to the Future Generations Commissioner's 2025 report. The Health Board's partnership arrangements through Swansea and Neath PSBs remains the main vehicle to delivering the priorities of the Act on a regional footprint. We continue to work in collaboration to deliver priorities outlined in the Well-Being Plans, especially in relation to prevention and equity-focused initiatives aligned to the Swansea Bay Population Health Strategic Plan and Marmot principles. These include the Food System, with a particular focus on procurement, Children and Young People, and Climate Action.

Foundational economy (FE)

The Foundational Economy (FE) is the part of our economy that creates and distributes goods and services that we rely on for everyday life, including health. It seeks to understand how public spend is linked with wellbeing of the region and can be considered through the lenses of people, place and procurement.

This work is further strengthened through activity within the South West Wales Regional Joint Committee (RJC) and the Regional Health Economy Subgroup, where a '4Ps' approach—people, place, procurement and partnership, has been embedded across the agreed programme of work. The programme is jointly led by the Directors of Public Health in Swansea Bay University Health Board and Hywel Dda University Health Board, ensuring strong alignment and a shared focus on prevention-led approaches.

PEOPLE: Foundational Economy aligned activity delivered this year includes:

- **Strengthening community access to fair and secure employment**, through continued cross-team collaboration on programmes including early identification of entry-level roles, and delivery of careers information sessions within local schools and community settings including sessions at local Special Educational Needs (SEN) Schools highlighting the wide range of careers in the NHS. This supports local people to access stable employment within a key foundational sector.
- **Creating supported pathways for individuals with additional learning needs**, expanding programmes that move students from long-term work experience placements into structured apprenticeship roles. This reinforces inclusive employment, reduces barriers to long-term labour market participation, and supports equitable access to public-sector opportunities.
- **Developing internal talent pipelines**, including the talent identification and partnership working with Workforce Planning to support retention, upskilling and progression for existing staff. This

aligns with the foundational principle of sustaining local jobs and strengthening long-term workforce capability; leading to recruitment of 2.0WTE Electrical apprentices in Estates.

- **Enhancing partnerships with regional employability providers and third-sector organisations**, enabling targeted support for individuals currently out of work, including pre-employment training, taster placements and work-readiness programmes. These partnerships help address wider social inequalities and promote economic participation across the region and new programmes within the Vocational Training team continue to provide this.
- **Expanding access to apprenticeship and widening-participation routes**, increasing Level 2 and Level 3 opportunities for young people, career changers and individuals experiencing barriers to employment. This supports long-term local workforce development and strengthens the public-sector contribution to the area's economic resilience; using apprenticeships as an alternative to like-for-like recruitment and looking at how roles can be redesigned to meet the organisational need.
- **Delivering employability and skills-focused workshops**, including CV and interview support linked to HB recruitment campaigns, ensuring that local communities can benefit directly from public-sector job creation and workforce demand.
- **Improving monitoring and evaluation of employment pathways**, introducing enhanced tracking of participation and outcomes to ensure that initiatives deliver measurable social and economic benefits aligned with Foundational Economy priorities as well as helping to meet retention goals internally.

PLACE: Our understanding of the 'Place' element of FE has developed significantly over 2025-26, which seeks to detail the benefits of co-location of services within the Health Board. Examples include care closer to home and understanding what services can be taken out of the acute sector and placed in town centres to enable accessibility and support regeneration of town centres. Two examples have been identified in this report, including:

- The Health Board continues to work collaboratively with Swansea and Neath Port Talbot Councils on the development of their Local Development Plans (LDPs) and have submitted formal responses during their respective 2025 consultation periods. The Health Board has supported the preparation of Health Impact Assessments (HIAs) and workshops to assess population health, wellbeing and infrastructure implications of the LDPs. To enable ongoing engagement a joint Technical Working Group has been established, chaired by the Health Board and activity to date, includes feedback to Neath Port Talbot Council on their planned residential developments and the impacts on GP practices.

- The Health Board previously operated a centralised dialysis service, requiring patients to travel long distances for vital treatment. To create a more patient-centred model, it partnered with Fresenius Medical Care to establish independent satellite dialysis units in Aberystwyth, Withybush, Carmarthen and Bridgend, with plans for Neath Port Talbot. These units bring care closer to home, improving patient experience and service sustainability. Benefits include major reductions in travel time, emissions and reliance on NHS transport; greater patient independence through improved accessibility; stronger family and social support; better workforce distribution across sites; and more sustainable infrastructure, including electric vehicle charging points.

PROCUREMENT: The Health Board's procurement process is managed through its NWSSP-based team, ensuring that work within procurement follows best practice across Wales. Examples of recent developments include the use of multi-quote to encourage collaboration with Welsh suppliers, an FE calculator to understand impacts of Welsh based contracts, and work with a key Welsh provisions' supplier, Castell Howell, where social value weighting was key. In 2025, the Health Board continued to demonstrate its commitment to supporting the Welsh economy, with **41.9% of total expenditure** directed to Welsh suppliers. This represents an investment of **£279.3 million** in local businesses over the year.

Climate change

Climate is one of the key areas within the WBFGA, with the Health Board's Climate Action Plan 2024-26 (CAP) focusing on five pivotal areas, progress made during 2024-25 includes:

Our Culture and Ways of Working: Considering leadership, training, communications, benchmarking, and reporting

- Extensive communications across the year, including a focus in November 2025 to coincide with United Nations Climate Change Conference of the Parties (COP)
- Integration of a 'Sustainability and Environment' section into the Staff Induction Handbook
- Development of the Climate Change Risk and Opportunity Assessment (CCROA) to support understanding of the impacts from climate on delivery of healthcare
- Collaboration with the two Public Services Boards around identifying and mitigating climate related risks

- In-person sustainability inductions and training for graduate nurses and medical students provided by the Sustainability Clinical Leads

Our Buildings and Estate: Understanding how our buildings and estate can support emissions reductions. Progress in 2025-26 includes:

- In 2025, the Health Board launched an energy reduction campaign aimed at encouraging staff to switch off lights and equipment when not in use. Inspired by the popular series Bridgerton, the initiative featured themed communications from 'Lady Turnitdown' to drive engagement. The campaign was sponsored by Vital Energy and was creatively developed and delivered in collaboration with students from Swansea University.
- Endotherm, a chemical additive used to enhance heat transfer efficiency within water systems, was successfully trialled at one site, delivering an 18% reduction in energy consumption. Following this positive outcome, the solution has been rolled out across all Health Board sites.

Our Procurement: Understanding and addressing impacts from our supply chain with NWSSP. Progress in 2025-26 includes:

- Programme in place to support better stock management to reduce expired items and associated waste, this includes Scan 4 Safety, Omnicells, and ward level inventory review.
- Investigation into opportunities for reuse has led to this becoming a contract consideration at the design phase of the procurement exercise. It has also supported the decision to return to reusable blood pressure cuffs and tourniquets.

Our Transport: Building sustainable transport and travel to/from and within the Health Board. Progress in 2025-26 includes:

- Provision of information to staff, patients, and visitors on travelling more sustainably to our sites. This includes Cycle2Work and salary sacrifice for Electric Vehicles for our staff, and travel planners to our sites on the Health Board website.
- Working with Public Transport Providers, including First Cymru and Transport for Wales, to improve access to sites and ensure times of services work for staff, as well as offering travel discounts
- Partnering with other public and third sector organisations across Swansea and Neath Port Talbot through the Healthy Travel Charter
- Building involvement through the Bike Users Group for staff and the Sustainable Travel Group, including site representatives, unions and corporate areas

- Engaging with the South West Wales Corporate committee to collaborate on sustainable journeys to health care setting for patient, visitors and workforce.
- Collaborating with the Local Authorities around their local development plans and shaping their active travel capital developments which includes links to health care settings for patient, visitors and workforce

Our Sustainable Healthcare: How we can deliver clinical services in a way that is mindful of environment, impacts on future generations and improving patient outcomes. Progress in 2025-26 includes:

- Integrating social value key performance indicators in third sector contractors, as part of the HB's recommissioning programme, to capture how contracts benefit and support the Well-Being of Future Generations Act (2015), Foundational Economy, and climate resilience
- Development of a repository of examples of what sustainability looks like in Quality Improvement to support integration in Health Board led courses
- Monthly sessions with guest speakers to inspire and support staff interested in becoming more sustainable, this has included:
 - Catrin Codd, Community & District Nursing: MinuteWound App
 - Annie Hill, Occupational Therapy: OT & Sustainability at Cefn Coed Hospital
 - Yvie Powe, GCG Dental Practice: Sustainability in Primary Care Dental
 - Daniel Greenwell, Pharmacy: Oral to IV Paracetamol Project and Pharmaceutical Waste Project
 - Obstetrics and Gynaecology: Obstetrics and Sustainability
- Achieving bronze and progressing to Silver in the Green ED scheme, led by Sue West-Jones one of the Sustainability Clinical Leads
- Assessment of waste items and opportunities for recycling and circular economy in the Jill Rowe Neurology Ambulatory Unit, led by Alex Strong one of the Sustainability Clinical Leads in collaboration with Swansea University's ARCS project
- Switching off nitrous oxide manifolds at Morriston Hospital and moving to cannisters to reduce accidental releases, lower emissions, and reduce costs led by Elana Owens one of the Sustainability Clinical Leads in collaboration with Estates
- Multiple workflows have been digitised including Hospital Initiated Referral (HIR) functionality in Welsh Clinical Portal went live for Neurology, with Dermatology, Respiratory, and Urology planned for July

- Hybrid Mail expanded to nine services, with a task and finish group overseeing adoption and financial efficiencies, saving money and reducing Health Board emissions
- Continued work with Primary Care to support move to lower emissions inhalers, with quarterly tracking and support offered to areas where uptake is lower
- Innovations moving from IV to oral paracetamol by the Pharmacy Team, reducing emissions, cost and waste, as well as improving patient experience
- Estates Technical Team led switch to 'offensive waste' or tiger bags, with the World Health Organisation estimating 'about 85% is general, non-hazardous waste³' but disposed as clinical waste, this saves money and reduces emissions
- Collaborative change between Sustainability Clinical Leads, Infection Prevention Control, and Procurement to enable a return to reusable blood pressure cuffs across the Health Board.

Adaptation planning: The Health Board completed its first Climate Change Risk and Opportunity Assessment (CCROA) in 2025 in response to new Welsh Government adaptation requirements. With climate change already affecting the region, through hotter summers, more intense storms, and more frequent and intense flooding. The HB assessed how current and future climate conditions threaten services, staff, infrastructure, and population health.

The assessment identified 135 risks, of which 33 are high, spanning workforce wellbeing, clinical equipment failure, building resilience, digital infrastructure, supply chains, transport disruption, and widening health inequalities. Heat is a major concern, affecting staff performance, patient safety, pharmaceuticals, and building functionality. Flooding, storms, and air quality deterioration also pose significant operational and health risks, particularly for vulnerable groups.

Eight areas require deeper investigation, including clinical specialties, population health, infection control, pharmaceuticals, buildings, and partner organisations. Opportunities were identified in the therapeutic use of nature, green prescribing, and outdoor spaces to support wellbeing.

The Health Board will integrate identified actions into the refreshed Climate Action Plan from 2026, focusing on risk treatments, evidence building, and collaboration across NHS Wales and regional partners. Adaptation will be embedded into routine planning, monitoring, and governance to build long-term resilience across the health system.

³ <https://www.who.int/news-room/fact-sheets/detail/health-care-waste>

All Wales collaboration via Adaptation Accelerator: Meeting with the other Climate Preparedness Leads on a regular basis leading to shared discussions and mapping of existing climate adaptation work being undertaken, development of an All-Wales proposal, and sharing resources and materials e.g. draft plans, questionnaires etc. Discussions have occurred with the wider system including, NWSSP Risk Pool, NHS Wales Performance and Improvement, Climate Health Surveillance Team, and All Wales Therapeutics and Toxicology Centre. This has been supported by working with Welsh Government, to commence an investigation into pharmaceuticals and heat.

Swansea Public Services Board – Climate and Nature Working Group (SC&N): The Health Board sits on the SC&N and is an active member. Currently the group is developing their climate adaptation action plan, which is largely focused on building community adaptive capacity with increased access and awareness to climate adaptation supporting materials, this includes emergency preparedness information for extreme weather events. The plan recognises and links with existing work occurring on food (Bwyd Abertawe) and biodiversity (Local Nature Partnership). The group is also seeking to build climate change awareness into the other 4 wellbeing objectives include:

- Early years - ensuring that children have the best start in life to be the best they can be.
- Live well, age well - building Swansea a great place to live at every stage of life.
- Strong communities - building cohesive and resilient communities with a sense of pride and belonging.
- Culture - fostering a vibrant culture and thriving Welsh language

During a workshop in 2025 it became evident the impacts from climate change were not considered across the wider group, but there were extensive impacts from climate change on each area.

Neath Port Talbot Public Services Board – Climate and Nature Working Group (NPTC&N): The Health Board sits on the NPTC&N and is an active member, with Marc Davies (Public Health Consultant) being Deputy Chair of the group. 2025-26 has seen procurement of a consultancy group to support development and run initial engagement across the NPT region around climate risk and adaptation. Due to be completed end of March 2026. Working with Miller Research UK there is now a pack for anyone to conduct engagement around climate risk and adaptation, with the intention to make accessible to groups across Neath Port Talbot to enable discussions. This could be utilised in the Health Board in the future.

Climate Action Plan (CAP) 2026-30: The Climate Action Plan (CAP) was refreshed in 2025–26 to reflect key national developments, including the revised NHS Wales Decarbonisation Strategic Delivery Plan, the Climate Adaptation Strategy for Wales, and the organisation’s updated Climate Change Risk and Opportunity Assessment. The new CAP integrates both climate mitigation and adaptation, strengthening organisational resilience by embedding decarbonisation actions alongside measures that build adaptive capacity and enhance the evidence base across services. It is also aligned with wider legislative and strategic frameworks, such as the Well-being of Future Generations Act and Net Zero Wales. The plan is submitted alongside the Health Board’s Annual Plan.

Task Force on Climate-related Financial Disclosures (TFCD) Statement

The Health Board is committed to action on climate change through reducing the emissions associated with service delivery and building a response to climate adaptation. This is being achieved through implementing the CAP 2024-26.

In 2025-26, public sector organisations in Wales have been requested to provide a TFCD Compliance Statement and the recommended disclosures for:

- Phase 1: Governance; and Metrics and Targets (b), only where available from existing reporting processes.

The following statements fulfil this requirement.

Governance Arrangements

The Health Board’s Senior Responsible Officer for Sustainability, which includes climate-related work, is Marie Davies (Executive Director of Planning and Partnerships). The core group overseeing work on sustainability is the Sustainable Swansea Bay Steering Group, chaired by Hannah Roan, the Assistant Director of Planning & Partnerships.

The governance structure is shown in Figure 1 whereby, Sustainable Swansea Bay Steering Group reports directly to the HB’s Management Board, with information shared through the Population Health Programme Board, as required. Implementation of the Climate Action Plan is managed through the action owner’s local governance arrangements, with assurance brought to Sustainable Swansea Bay Steering Group.

Figure 1 Organogram of Sustainability

During this period, four climate-related reports were approved by the Health Boards Management Board including:

- Combined report seeking approval of the annual emissions calculation and a move to reusable blood pressure cuffs and tourniquets, as well as an update on the climate change adaptation work
- Swansea Public Services Board Climate Adaptation Strategy: A Resilient Swansea
- Climate Change Risk and Opportunity Assessment Report
- Refreshed Climate Action Plan 2026-2030

These reports, alongside the Executive Director of Planning and Partnerships' bi-monthly updates to the Board, help to build awareness and strengthen support for the Health Board's climate change agenda. In addition, an Independent Member (IM) has now been appointed as a sustainability champion, providing further leadership and challenge in this area. During 2025-26, sustainability and climate-related priorities were embedded within the Annual Plan and strategic objectives, with carbon emissions introduced as a formal strategic indicator.

Climate change is a key area of focus within the Population Health Strategy which sets out the guiding principles by which the Health Board and its partners will seek to improve the overall health and well-being of the local population. It also seeks to tackle how to reduce the gap between our least and most deprived communities with a focus on prevention and tackling the 'causes of the causes' of ill-health. Climate change is most evident in:

- Objective 5: Creating healthy and sustainable places and communities

- Cross-cutting theme 2: Pursue environmental sustainability and health equity together

Swansea Public Services Board Climate Adaptation Strategy, A Resilient Swansea, was approved by Management Board on 17 September 2025. A supporting action plan is in development.

Neath Port Talbot Public Services Board is currently undertaking engagement across the region to understand perception of climate risk, existing climate impacts, and actions that could support climate resilience. The Health Board is supporting this work through the role in the Climate and Nature Working Group.

Metrics and Targets

The 2024-25 emissions assessment for the Health Board provided the most comprehensive data set across the three scopes. Emissions totalled 174,225.71 tCO₂e, 32,281.5 tCO₂e more than in 2023-24. The increase was driven by a change in supply chain emissions methodology, increase in f-gas use, increase in natural gas use, increase in oil use, increase in number of full-time equivalent staff which increases commuting estimates, and the inclusion of 'Homeworking' category (based on Welsh Government estimate equation). The 2025-26 data will be submitted in September 2026 and published by Welsh Government after this.

Aspect	2024-25 (tCO ₂ e)	Variance to 2023/24 (%)	Driver
SCOPE 1			
Natural gas	11,579.66	+5.55	• Increase in cold weather days compared to 23/24 resulting in increased heating
Gas oil	250.43	+87.93	• Refill tanks at Morriston Hospital
Kerosene	49.63	-30.86	• Reduced use
Fleet vehicles	372.45	-0.43	• Reduced fuel used
F-Gas	2,304.51	+971.04	• Increased due to release and refill at Morriston
Anaesthetic gases	2,426.22	-23.66	• Reduced use of all gases, first year of 'Penthrox recorded'
Scope 1 total	16,982.90	+13.65	
SCOPE 2			
Grid electricity	6,450.54	-0.78	• Reduced use –linked with battery storage and expansion of the solar farm
Scope 2 total	6,450.54	-0.78	
SCOPE 3			

Aspect	2024-25 (tCO ₂ e)	Variance to 2023/24 (%)	Driver
Supply chain	137,170.53	+27.20	• Change to Tier 1 SIC emissions factors by UK Gov
Commuting	5,251.17	+5.28	• Increased number of FTE staff
Homeworking	836.71	NEW	• New category
Business travel	1,004.24	-7.75	• Reduced total milage claimed by staff
Transmission and distribution (grid)	572.21	+1.37	• Linked to electricity use
Water	84.98	-6.07	• Reduced water use
Waste	725.63	-12.22	• Reduction in emissions factors for 6 categories of waste, including highest 'Commercial and Industrial waste' by combustion
Well to tank GHG emissions	5,146.80	+0.79	• Linked with increases in natural gas, gas oil, and commuting
Scope 3 total	150,792.80	+25.14	
Total	174,225.71	+22.74	

The Health Board supports the wider NHS Wales emissions reduction targets of:

- 16% reduction by 2025
- 34% reduction by 2030

The Health Board acknowledges that the 2025 target was not met across all three scopes, however, there has been success in Scope 1 and 2.

Scope		2018/19* (tCO ₂ e)	2024/25 (tCO ₂ e)	Difference (%)
1	Direct emissions from owned or controlled sources incl. natural gas, gas oil, kerosene, fleet, fluorinated gases, and anaesthetic gases	26,123.40	23,433.44	-10.30
	Indirect emissions from the purchase/use of electricity incl. grid electricity			
3	All other indirect emissions (up/downstream) incl. supply	110,063.30	150,792.27	+37.01

chain, commuting, business travel, water, waste, well to tank, and transmission and distribution (grid)			
Total	136,186.70	174,225.71	+27.93

*Based on Welsh Government reviewed baseline based on change in footprint

Note: Scope 1 and 2 emissions have reduced despite 3 additional categories to the baseline, including kerosene, F-gas and anaesthetic gases

Local Counter Fraud Services

The Local Counter Fraud Specialist (LCFS) is an accredited counter fraud professional who delivers both proactive work (e.g., raising fraud awareness, preventing, and deterring fraud) and reactive work to hold those who commit fraud to account (e.g., fraud investigations). The LCFS provides reports to Audit Committee and the Executive Leadership Team in relation to the quality and effectiveness of all counter fraud bribery and corruption work undertaken.

Counter fraud, bribery and corruption objectives are discussed and reviewed at a strategic level within the organisation. The Audit Committee is accountable for gaining assurance that sufficient control and management mechanisms in relation to counter fraud, bribery and corruption are present.

This is achieved through quarterly updates to the Committee from the LCFS, supported by an annual report on counter fraud, bribery and corruption work which complies with the NHS Counter Fraud Authority's guidance in relation to content regarding all applicable standards for fraud, bribery, and corruption; and provides a clear update on progress against work plan objectives.

The Committee must satisfy itself that the Health Board has adequate arrangements in place for countering internal fraud and reviews the outcomes of that work, and acknowledges work completed against presented risks and an agreed work plan. The Committee reviews and approves the internal counter fraud arrangements on an annual basis.

NHS Pensions

As an employer with staff entitled to membership of the NHS Pension Scheme, control measures are in place to ensure all employer obligations contained within the scheme regulations are complied with. This includes ensuring that deductions from salary, employer's contributions and payments are in accordance with the scheme rules, and that member records are accurately updated in accordance with the timescales detailed in the regulations.

Quality of Data

The Management Board, Performance and Finance Committee, and Digital, Data, Research and Innovation Committee receive regular reports setting out key performance and business intelligence information. This is supported by a comprehensive Business Intelligence Team, which provides analysis and oversight to support decision-making and performance management. Together, these arrangements provide assurance over the quality, integrity and use of organisational data. The Health Board also has a [Business Intelligence Strategy 2022–25](#) and is developing a new Business Intelligence delivery model to optimise staff skillsets and improve efficiency across the organisation

Nurse Staffing Levels (Wales) Act 2016

The Board reviews compliance with the Nurse Staffing Levels (Wales) Act 2016, with reports received twice a year – May and November. The most recent report was in November 2025

❖ Review of Effectiveness

As accountable officer, I have responsibility for reviewing effectiveness of the system of internal control. This is informed by the work of Internal Audit and Executive Directors who are responsible for the development and maintenance of the Internal Control Framework and comments made by External Auditors. Work has continued to improve the performance information provided to the board and its committees so that it can be assured on its accuracy and reliability as well as ensure the achievement of Organisational Objectives. As part of the implementation of the Board Assurance Framework, Committees now have delegated responsibilities to monitor developments in their areas, as the Board is accountable for maintaining a sound system of internal control which supports the delivery of the Organisation's Objectives, primarily through the Audit and Quality and Safety committees.

Internal Audit

Internal audit provide me as Accountable Officer and the Board through the Audit Committee with a flow of assurance on the system of internal control. I have commissioned a programme of audit work which has been delivered in accordance with Global Internal Audit Standards by the NHS Wales Shared Services Partnership. The scope of this work is agreed with the Audit Committee and is focused on significant risk areas and local improvement priorities.

The overall opinion by the Head of Internal Audit on governance, risk management and control is a function of this risk based audit programme and contributes to the picture of assurance available to the Board in reviewing effectiveness and supporting our drive for continuous improvement.

❖ Head of Internal Audit Opinion

The purpose of the annual Head of Internal Audit opinion is to contribute to the assurances available to the Chief Executive, in their role as Accountable Officer, and to the Board, which underpin the Board's own assessment of the effectiveness of the system of internal control.

The approved Internal Audit plan is focused on risk. Accordingly, the Board is required to integrate the results of internal audit work alongside other sources of assurance when forming its overall assessment of the effectiveness of internal control for the purposes of the Annual Governance Statement.

The overall Head of Internal Audit opinion for 2025–26 is:

Reasonable Assurance		The Board can take Reasonable Assurance that arrangements to secure governance, risk management and internal control, within those areas under review, are suitably designed and applied effectively. Some matters require management attention in control design or compliance with low to moderate impact on residual risk exposure until resolved.

❖ Delivery of the Internal Audit Plan

The Internal Audit Plan has been delivered substantially in accordance with the agreed schedule and any changes required during the year, as approved by the Audit Committee (the 'Committee'). Regular audit progress reports have been submitted to the Committee throughout the year.

While changes to the plan were required during the year, we can confirm that sufficient audit work has been undertaken to support the provision of an overall annual opinion, in line with the requirements of the Global Internal Audit Standards.

The Internal Audit Plan for 2025-26 was initially presented to the Committee in March 2025. Any subsequent changes to the plan were reported to, and approved by, the Audit Committee as part of our routine progress reporting.

As in previous years, audit work undertaken at NHS Wales Shared Services Partnership (NWSSP), Digital Health & Care Wales (DHCW), and the NHS Wales Joint Commissioning Committee (JCC), has contributed to,

and supports, the overall internal audit opinion for NHS Wales health bodies.

Our most recent External Quality Assessment (EQA), conducted by the Chartered Institute of Public Finance and Accountancy (CIPFA) in March 2023 and reported in April 2023, concluded that the service ‘Fully Conforms’ with professional standards. In addition, our annual Quality Assurance and Improvement Programme (QAIP) confirmed that internal audit activity continues to ‘generally conform’ to the requirements of the Global Internal Audit Standards (GIAS) during 2025/26. On this basis, we can state that the service ‘conforms to the Institute of Internal Auditors’ professional standards and to GIAS.’

❖ **Summary of Audit Assignments**

This section summarises the outcomes from internal audit work undertaken during the year. Audit coverage agreed with management was deliberately focused on areas of highest strategic and operational risk. As a result, individual reviews may identify control weaknesses which, due to the risk-based nature of the plan, have the potential to influence the overall assurance opinion.

Overall, Internal Audit is able to provide assurance to the Board that arrangements to support effective governance, risk management, and internal control are suitably designed and operating effectively in those areas where Substantial or Reasonable assurance has been provided.

Where Limited or Unsatisfactory Assurance opinions have been issued, management is aware of the specific issues identified and has agreed appropriate action plans to strengthen controls. These planned improvements should be referenced within the Annual Governance Statement where appropriate.

In addition to the formal assurance reviews, advisory and non-opinion work has also been undertaken during the year and has informed the Head of Internal Audit’s overall opinion. The audits undertaken during the year, together with their outcomes, are summarised in the table below.

Substantial Assurance	• Digital Benefits Realisation • Management of the Delivery of National Digital Systems
Reasonable Assurance	• Risk Management and Assurance • Budget Setting • Patient Experience • Management of National Reportable Incidents • Controlled Drugs

	- National Safety Standards for Invasive Procedures (NatSSIPs) and Local Safety Standards for Invasive Surgical Procedures (LocSSIPs) (draft) - Access to Primary Care: Community Pharmacy - Theatres Utilisation - Vaccination and Immunisation - Health Records Migration - Staff Retention - Medical Study Leave - Estates Assurance: Asbestos Management - Morriston Hospital Theatre 7 / Burns Intensive Care Unit (post completion review) (draft) - Singleton Hospital PET (positron emission tomography) and CT (computerised tomography) Scanning (draft)
Limited Assurance	- Service Group Governance Arrangements: Morriston - Escalation Status Action - Annual Plan / IMTP Delivery - Urgent and Emergency Care: Delivery Governance - Strategic Equity Plan (deferred from 2024/25)
Unsatisfactory Assurance	None
Advisory/ Non-Opinion	- Hywel Dda University Health Board and Swansea Bay University Health Board Regional Joint Committee (Advisory) - Follow Up of Internal Audit Recommendations (Not-rated)
Work in progress	- Medical Variable Pay - Capital Assurance: Capital Systems - Selection, Appointment and Contractual Arrangements (deferred from 2024/25)

❖ Overall Conclusion

Of the opinions issued during the year, two were allocated Substantial Assurance, fifteen were allocated Reasonable Assurance, and five were Limited Assurance. There were no Unsatisfactory assurance opinions. We have also issued two reports that are either advisory or no-opinion follow up reports. At the time of producing the Annual Report, two audits were still work in progress and the assurance ratings had not yet been

determined. It is anticipated that the majority of this work will be sufficiently progressed to inform the final Annual Report.

In forming the overall opinion, the Head of Internal Audit has considered:

- residual risk exposure in areas receiving Limited Assurance;
- the impact of audits originally planned but not progressed to full reviews following preliminary planning; and
- the cumulative effect of in-year changes to the approved audit plan.

All changes to the plan were reported to, and approved by, the Audit Committee. While the Annual Opinion is necessarily limited to those areas subject to audit review, the potential impact of plan amendments has been considered in determining the overall level of assurance.

Every internal audit review is reported to the Audit Committee. Where Limited Assurance opinions are issued, the relevant Executive Leads are required to attend Committee meetings to explain the findings and present agreed action plans. These reviews are also referred to the relevant Board committee to support ongoing monitoring and improvement.

An audit recommendation tracker in place to monitor the implementation of both internal and external audit recommendations. Progress against this tracker is reported regularly to the Audit Committee. Where recommendations are overdue, the responsible leads are required to attend the Committee to explain the reasons for delay and confirm next steps.

❖ External Audit

The organisation's financial planning and management arrangements, governance and assurance arrangements and progress on improvement issues identified in the previous year's structured assessment were examined by Audit Wales and it was concluded that:

" Overall, the Health Board has good governance arrangements that enable the Board and its committees to run effectively. High-quality information continues to support scrutiny, and there remains a continued commitment to hearing from patients, service users, and staff. However, we continue to find areas where Board transparency could be further enhanced.

External support is helping the Board develop and mature, and progress has been made to further strengthen arrangements for managing risk. The Health Board has recently agreed a revised long-term strategy, and work has started to ensure the organisation is set up to for success. But a revised performance management framework is not yet fully in place and audit recommendations are taking time to be addressed.

Of greatest concern however, is the Health Board's financial position. A substantial year-end deficit is forecast for 2025-26 with the Health Board's current savings plan considerably off track. Both the Board and Welsh Government were unable to approve the Health Board's Annual Plan due to the financial position. Additional support from Welsh Government as part of its escalation and intervention arrangements is starting to help. But savings schemes are short term and the ability to control the position in the remaining months of the financial year is a challenge. Without decisive and sustained action, the financial position risks further deterioration".

The Health Board responds to the structured assessment via a formal management response to Audit Wales. The Health Board in its management response committed to improving website content, implementing live streaming of Board meetings, improving visibility of speakers through new camera equipment, and revising the process for publication of Board and Committee papers, supported by staff training. Progress has also included publication of committee meeting dates on the website and changes to align committee and Board timetables to support more timely publication of papers.

The full Structured Assessment Report is available from [Audit Wales's website](#) and the management response is being monitored through the Audit Committee.

In addition to the Structured Assessment, the Health Board received the Annual Report from Audit Wales in which the Auditor General summarised:

"I received the draft accounts in line with the statutory deadline of 2 May 2025. The quality of the draft accounts and working papers was good.

In advance of the statutory deadline of 30 June 2025 I issued an unqualified true and fair opinion, and a qualified regularity opinion. I also issued a substantive report on the accounts. There were no uncorrected misstatements in the accounts. There were no other significant issues to report.

My performance audit work found that the Health Board has good governance arrangements, and the Board is continuing to develop and mature. However, its financial position remains a significant concern. A substantial year-end deficit is forecast and delivery of the savings plan is challenging, with the Health Board still unable to demonstrate financial balance in the short or medium term.

Progress is being made to reduce some of the longest elective waits but there is more to do. Urgent and emergency care performance continues

to be a concern and is adversely affected by delayed hospital discharges. My audit team made several recommendations to the Health Board which focus on strengthening service planning, management, financial controls, and transformation support, while enhancing operational efficiency and productivity to improve patient Care and system sustainability.

I concluded that the Health Board's accounts were properly prepared and materially accurate and issued an unqualified audit opinion on them. My work did not identify any material weaknesses in internal controls (as relevant to my audit), and I made no recommendations"

❖ **Conclusion**

As Accountable Officer, I am responsible for maintaining a sound system of governance, risk management and internal control that supports the achievement of the Health Board's objectives, safeguards public funds and assets, and ensures compliance with statutory and regulatory requirements.

Based on the processes outlined within this Annual Governance Statement, I have reviewed the evidence and assurances available in relation to the effectiveness of the system of internal control for the year ended 31 March 2026. This review has been informed by the work of Internal Audit, External Audit, the Health Board's committees, and executive management, alongside routine performance, risk and assurance reporting.

The Health Board has continued to operate in a highly challenging environment during 2025–26, with sustained operational pressures, ongoing escalation arrangements, and significant financial constraints. While these challenges remain similar to those reported in the previous year, there is evidence of improvement in governance arrangements and increased organisational grip, supported by strengthened assurance processes and clearer accountability.

Despite the significant pressures experienced during the year, some stability and progress have been achieved, including de-escalation from enhanced monitoring or targeted intervention in certain areas. This reflects the collective efforts of staff and leaders across the organisation.

Taking all sources of assurance into account, my review has concluded that the Health Board has a generally sound system of internal control that supports the delivery of its policies, aims and objectives. While there are areas requiring continued focus and improvement, appropriate plans are in place and are being actively monitored through the Health Board's governance framework.

Marie Davies	Director of Planning and Partnerships	N/A	• Health Board (Member) • Population Health Committee (in attendance) • Performance and Finance Committee (in attendance)	• Western Bay Partnership Board

Appendix Three – Members’ Attendance at Meetings

On occasions where an Executive was unable to attend, a Deputy was sent to ensure representation. Where attendance is not required by a board member at a committee, this is represented by a dash (-)*

The dates of Board and committee meetings held during 2025-26 are available on our website [here](#). Where meetings were not quorate, escalation arrangements were in place to ensure that any matters of significant concern that could not be brought to the attention of the committee could be raised with the Health Board Chair.

- Children Community Nursing report
- Progress against Right Care, Right Person report
- Mental Health Quality and Safety Workstream report
- Gorseinon update
- Infection Prevention Control to include a review on Increase in C diff rates in August and Referral from P&FC – Concern lack of progress
- Board Engagement Visits update
- Health Board Risk Register
- Public Service Ombudsman Annual Letter
- NHS Wales Individual Patient Funding Request Process (IPFR) Policy

- The Audit Committee referred a Limited Assurance report in relation to equality the Quality and Safety Committee; Findings to be discussed in more detail

8 January 2026

- Quality and Safety Group report; October 2025 and November 2025
- Perinatal Committee report
- Mental Health Transformation Programme
- Governance Structure covering the oversight and risk assessment process for Your Next Patient, Bed closure and Clinically Optimised Patients reduction plan
- Patient Story: Primary Care and Community Services
- Health and Safety Deep Dive including Estates and Capital
- Performance and Finance Committee to the Quality and Safety Committee: The decline in 30-day complaint turnaround performance and the escalation process for poor Friends and Family feedback
- Audit Committee to the Quality and Safety Committee: The finding regarding the lack of clinical engagement in the Theatre Quality and Safety Standards framework, together with the associated quality and safety concern of eight never events over two years
- Workforce and OD Committee to the Quality and Safety Committee: Minor Injuries Unit (MIU) report on staff feeling unsafe, security and overall patient safety to the Quality and Safety Committee for oversight and follow-up on patient safety concerns
- Workforce and OD Committee to Quality and Safety Committee: Gorseinon Staffing Update paper, there were concerns raised regarding patient safety and quality care audits following the wards transfer to Singleton Hospital.
- Patient Experience and Concerns Management

5 February 2026

- Committee Self-Assessment
- Tackling Diabetes Together
- Patient Story
- Perinatal Committee Report
- Highlight report: Prevention of Suicide
- Health Board Risk Register
- External Inspections Report
- Terms of Reference
- Quality and Safety Performance Report
- Patient Experience

- Organ Donation Committee 6 Month report
- A review of the 'Your Next Patient' policy in practice
- Audit Committee to the Quality and Safety Committee: The finding regarding the lack of clinical engagement in the Theatre Quality and Safety Standards framework, together with the associated quality and safety concern of eight never events over two years
- Joint Commissioning Committee Quality Safety and Outcomes Sub-Committee highlight report

Workforce and Organisational Development (OD) Committee

10 April 2025

- Workforce Metrics and Key Performance Indicators
- Workforce Recruitment and Retention
- Workforce Delivery Group report
- Medical Workforce Group update report
- Health Board's Workforce Planning
- Staff Story: Neurodiversity in the Workplace
- Supporting Attendance at Work and Reducing Sickness Absence – Mental Health and Learning Disabilities
- A verbal update on actions plans and timescales arising from the 2024 staff survey – Mental Health and Learning Disabilities
- Sickness Action Plan report
- Nursing and midwifery board update report
- Risk Register
- Workforce Improvement Plan for Maternity report
- A PowerPoint Presentation on Therapies & Audiology Workforce Planning
- Management of Professional Concerns report
- A revised action plan and the risks associated with the limited assurance internal audit report on Speaking Up Safely report
- Audit Wales Report on Workforce Challenges

12 June 2025

- Workforce Metrics and key performance indicators to include: An update on progress of the Healthy People Forum
- Workforce Delivery Group report
- Medical Workforce Group update report
- Therapies and Health Science Group report
- Staff Story: Estates

- Supporting attendance at work and reducing sickness absence: Primary, Community and Therapies Services
- An update on actions plans and timescales arising from the 2024 staff survey; Neath Port Talbot/Singleton and Primary, Community and Therapies Service Group
- A verbal update on the review of roster effectiveness and to address: The high levels of staff unavailability & Improving roster management
- Staff influenza vaccine uptake issues report
- Health Education and Improvement Wales Review, job planning, recruitment and performance in Obstetrics and Gynaecology
- Medical Workforce Efficiencies report
- The process for supporting overseas nurses report

1 July 2025 (Special)

- Health Care Support Workers - Band 2/3 Banding Issues report

14 August 2025

- Workforce Metrics and key performance indicators to include: PADR Compliance
- Workforce Delivery Group report
- Medical Workforce Group update report
- Therapies and Health Science Group report
- Workforce Recruitment and Retention to include: The retire and return position statement
- Staff Story: Internationally Recruited Nurse
- Service Group Assurance report on Sickness Absence Management including quantifiable benefits and the impact of a dedicated sickness absence management post: Morriston Service Group
- An update on actions plans and timescales arising from the 2024 staff survey; Morriston Service Group
- Speaking Up Safely and the Guardian Service End of Year report
- Job planning progress report
- Workforce and OD Risk Register and the Board Assurance Framework
- Staff health and wellbeing update report
- Human Resource Policy Compliance review including audits of key processes and overpayment/debt recovery procedures
- Leadership and management development report
- Revised Committee Work Programme

2 October 2025

- Medical Workforce Group report
- Therapies and Health Science Group report
- Director of Workforce and OD report
- Health Board strategic workforce plan overview and progress updates report
- Sickness absence action plan for Primary, Community and Therapies Services
- Strategic Risk Register
- Variable Pay Plan overview and progress report
- Effective Rostering of Nursing Workforce
- HEIW Quality Assurance Report and Action Plan for General Internal Medicine (GIM) and Gastroenterology
- Maternity staffing; Management of Sickness Absence update report
- Workforce Delivery Group report – terms of reference
- Risk Register
- Update on training provided to staff on Infection Control
- Workforce risks and issues affecting the Neath Port Talbot/Singleton Service Group overview report
- People Strategy report
- Digitally Ready Workforce
- Theatre Performance and Sickness Management

11 December 2025

- Therapies and Health Science Group report
- Nursing and Midwifery Board report
- Director of Workforce and OD Report
- Health Board strategic workforce plan overview and progress updates report
- Staff Story: Minor Injury Unit (MIU)
- Overview report of workforce risks and issues affecting the Mental Health and Learning Disabilities
- Strategic Risk Register including a referral from Audit Committee – Operational Risk: Workforce Shortages
- Variable Pay Plan overview and progress report
- Staff vaccination rates
- HEIW visit report for Obstetrics and Gynaecology report
- Annual Nurse Staffing Levels (Wales) Act 2016 report
- Gorseinon Staffing Issues update

23 February 2026

- Therapies and Health Science Group report
- Medical Workforce Group report
- Director of Workforce and OD Report
- Health Board strategic workforce plan overview and progress updates report
- Variable, pay plan overview and progress updates
- Staff Story: Community Nursing
- Overview report of workforce risks and issues affecting the Primary, Community and Therapies Service Group
- Strategic Risk Register
- People Strategy Progress
- Organise for Success progress update
- Digitally ready workforce report
- Speaking Up Safely
- Corporate Workforce and OD Risk Register
- Maternity staffing update
- A consultant job planning report, including an update on actions to address limited assurance audit report
- Committee Terms of Reference
- Committee Self-Assessment

Population Health and Partnership Committee**5 June 2025**

- Supplementary Service for People living with severe frailty in their own homes

3 March 2026

- Early evaluation of the impact of maternal RSV vaccinations on infant respiratory hospitalisations and associated costs
- State of Population report
- Director of Public Health Annual report
- Designed to Smile Scheme
- Public health strategy update
- Verbal update on the Diabetes Prevention Programme (DPP)
- Public Health Function: Resourcing, Funding Stability, and Long-Term Viability
- Committee self-assessment
- Risk register

- Public Health Wales Briefing: Recent increases in Measles cases in England (including in regions bordering Wales), and other countries

Performance and Finance Committee

29 April 2025

- Month Twelve Financial Position
- Recovery and Sustainability Update
- Escalation and Oversight Report and Integrated Performance Report (IPR) – Month Twelve
- Risk Register (including Unscheduled Care key actions)
- Service Group Financial Position PowerPoint Presentation – Primary, Community and Therapies
- Discharge Planning Internal Audit Report
- Speech and Language Therapy Performance
- Capital and Estates Task and Finish Group – Update Minutes

27 May 2025

- Month One Financial Position
- Recovery and Sustainability Update
- Escalation and Oversight Report and Integrated Performance Report (IPR) – Month One
- Month One Financial Monitoring Return
- Performance and Assurance Framework Report
- Stroke Performance
- Clinically Optimised Patients Performance
- Quarter Four Continuing Healthcare Performance Report
- Quarter Four Annual Plan 2024/25
- Estates Update Report
- Quarterly Estates Strategy Report (including Cefn Coed Hospital location and decision)

24 June 2025

- Month Two Financial Position
- Recovery and Sustainability Update
- Escalation and Oversight Report and Integrated Performance Report (IPR) – Month Two
- Month Two Financial Monitoring Return
- Service Group Financial Position – Mental Health and Learning Disabilities

- Capital Resource Plan Report
- Dan y Deri Development Report
- Update on Demand and Capacity Modelling Outputs
- JCC Planning, Performance and Finance Sub-Committee Highlight Report

29 July 2025

- Month Three Financial Position
- Recovery and Sustainability Update
- Escalation Report and Integrated Performance Report – Month Three
- Risk Register
- Month Three Financial Monitoring Return
- Service Group Financial Position – Morriston Hospital
- Procurement Savings 2025 (SBUHB)
- Planned External Commissioning of:
 - Insourcing Outpatient Activity
 - Mobile Endoscopy Service
 - Insourcing/Outsourcing Surgical and Diagnostic Activity
 - Contract for Atrial Fibrillation Ablation (Cryoablation)
- Stroke Performance Update (including allocation, usage, and impact of funding)
- Medicines Management Performance Update
- Auditor General Report – Cancer Services in Wales
- Audit Wales Report – Urgent and Emergency Care and Hospital Flow
- Urgent and Emergency Care Report (D2RA impact, Navigation Hub, consultant model, Anglesey Ward test of change)
- Centralisation of Continuing Healthcare Update and Transformation Programme

26 August 2025

- Month Four Financial Position
- Recovery and Sustainability Update

Staff and Remuneration Report 2025-26

Staff Report

❖ Pre-Employment

Swansea Bay University Health Board is a disability confident employer. This means that we support and encourage applications from a wide range of individuals including those who are disabled. The following provisions are built into the recruitment process for applicants with a disability:

- Option to receive an electronic or paper application upon request;
- Guidance for applicants with a disability included in the applicant guide, which is attached to all adverts;
- As a disability confident employer, applicants with a disability can request a guaranteed interview. (Applicants must meet the minimum essential criteria listed in the person specification to qualify for a guaranteed interview);
- Applications are anonymised during shortlisting, with a two-tick symbol visible if the applicant has requested a guaranteed interview;
- Applicant are asked in the interview invite if they require any reasonable adjustments prior to or during the interview and the recruitment system emails any requested adjustments requested to the manager for their consideration/action;
- Equal opportunities monitoring information is provided to the recruiting manager at any time;
- Equality Act, unconscious bias and disability confident training is part of the recruitment module in the managers' pathway;
- The above subjects are also included in the recruiting managers recruitment and selection e-learning available in ESR (electronic staff record).

❖ Managing Attendance

The Managing Attendance at Work Policy addresses the needs of staff with disabilities in a number of ways. The purpose of the Policy is to support the health and wellbeing of all employees in the workplace, support employees to return to work following a period of sickness absence safely and as quickly as possible and support employees to sustain their attendance at work.

The Policy ensures that all employees are treated according to their circumstances and needs, that there is fair treatment of employees with a disability, and that the obligations in respect of the Equality Act 2010 are met. The Health Board is under a legal duty to make reasonable adjustments to ensure employees with disabilities are not put at a disadvantage when doing their jobs. This also applies to job applicants (see above).

Throughout the Policy there are considerations in place for those staff who are, or who become disabled during the course of their employment:

- Where an employee is required to attend medical appointments as part of an ongoing treatment programme related to a disability or long-term health condition, their manager will discuss these appointments with them to plan any necessary support to be offered. Reasonable time off to attend such appointments as part of their programme of care and support will be given full consideration. This is regarded as disability / health and wellbeing condition leave and is not disability related sickness absence. It is a form of special leave and will usually be requested by the employee and approved by the manager in advance;
- Employees with hearing impairment are able to use a text phone to notify their manager of their absence;
- At every stage of the absence management process, managers will consider what reasonable adjustments may be required to support the disabled employee in attending work regularly;
- The same will apply when supporting a disabled employee to return to work after a period of long-term sickness;
- Where an employee has become disabled as a result of illness or injury, a therapeutic return may be used to support the employee to get back into the workplace with reasonable adjustments in place;
- A phased return to work may also be considered in supporting an employee back into work;
- Reasonable adjustments may also be put into place proactively to support a disabled employee to stay in work rather than go off sick, as it is recognised that remaining in work is beneficial for the health and wellbeing of staff.

❖ **Redeployment Policy**

Where it is not possible for an employee to return to work to their own role even with reasonable adjustments, then they will be placed on the redeployment register for a period of 12 weeks, during which time suitable alternative employment will be sought.

When considering if a role is suitable, consideration will be given to any reasonable adjustments that may be required. Where the employee is on the redeployment register for ill health amounting to a disability, if they meet the essential criteria for the role, they will be interviewed before others on the redeployment register.

❖ **Off Payroll Policy**

The Health Board has a clear and well established process in place since 2017 for ensuring there are no off payroll payments made where the HMRC IR35 regulations apply to services provided by individuals. All

invoices are routed through senior workforce staff prior to payment through payroll ensuring the correct tax deduction is made and no invoices for services submitted by individuals can be paid through. IR35 assessment are managed through senior workforce staff and HMRC has reviewed arrangements in previous audits.

Remuneration and Staff Report

REMUNERATION AND STAFF REPORT

This report provides information in relation to Executive Directors' and Independent Members' remuneration and outlines the arrangements which operate within the Health Board to determine this. It also includes information on staff numbers, composition, sickness absence data, staff policies applied during the year, expenditure on consultancy, off-payroll engagements and exit packages.

1. The Remuneration and Terms of Services Committee

This Committee considers the remuneration and performance of Executive Directors in accordance with the policy detailed below.

The norm is for Executive Directors and very senior managers' salaries (those outside of Agenda for Change) to be uplifted in accordance with the Welsh Government identified normal pay inflation percentage. For 2025/26 there was a 3.25%% consolidated pay award for Executive Directors and very senior managers, and 3.6% for A4C pay award agreed nationally for NHS staff. Medical and Dental staff were awarded a 4% pay award for 2025/26. The pay award for Executive Directors and very senior managers was not notified until Feb 26. As a result, the real increases in pension values during the financial year are likely to be higher than reported in the tables in this report, as the estimates would have been submitted to the Pensions Agency prior to any backdating of pay uplifts occurred.

There was a late uplift for NHS Wales Public Appointees at board level of between 4.7 and 4.9%. As this was notified in April 2026, relevant costs have been accrued within the Annual Accounts statements, but are not due to be paid until financial year 2026/27. This adjusting Post balance sheet event has been disclosed in Note 29, Post Balance sheet events within the Annual Accounts for 2025/26.

If there were to be an up-lift over and above this level, this would always be agreed as a result of changes in roles and responsibilities. The Remuneration and Terms of Services Committee would receive a detailed report in respect of issues to be considered in relation to any uplift to Executive Directors salaries (including advice from the Welsh

Government) and having considered all the advice and issues put before them, would report their recommendations to the Health Board for ratification.

The Committee also reviews objectives set for Executive Directors and assesses performance against those. It should be noted that Executive Directors are not on any form of performance related pay.

The Remuneration and Terms of Services Committee is chaired by the Health Board's Chair, and the membership comprises all independent members. The Committee meets quarterly to address business and formally reports in writing its recommendations to the Health Board, with special meetings called to discuss urgent matters as required. Meetings are minuted and decisions fully recorded.

The Committee also recommends to the Board annual pay uplifts in respect of Executive Directors and very senior managers in the Health Board who are not within the remit of Agenda for Change. For 2025/26, the only uplift recommended was a pay uplift of 3.25%.

2. Independent Members' Remuneration

Remuneration for Independent Members is decided by the Welsh Government, who also determine tenure of appointment.

3. Single Remuneration Report

The Single Total Remuneration for each Director and Independent Member for 2025/26 and 2024/25 are shown in the table below. Total remuneration includes salary, non-consolidated performance-related pay and benefits-in-kind. It does not include severance payments, employer pension contributions and the cash equivalent transfer value of pensions.

The salaries disclosed in the tables below (Tables A & B) reflect new appointments and leavers during the financial years 2025/26 and 2024/25. Whilst the salaries disclosed relate to the period in post during the year unless specified

in the tables, the NHS Pensions Agency is unable to attribute part year pension benefits to post holders and therefore, the full financial year Pension Benefits are shown.

The value of pension benefits is calculated as follows: (real increase in pension⁴ multiplied by 20) plus real increase in lump sum, less contributions made by the individual.

The pension calculation is based on information received from NHS BSA Pensions Agency included in the Disclosure of Senior Managers' Remuneration (Greenbury) 2022 report. Further details on the Single Total Remuneration and Salary allowances figure from Cabinet Office can be found at the Employer Pension Notices website: disclosure of salary pension and compensation information.

Table A – Single Remuneration Report 2025-26:

* This indicates that the pension benefits have been set to zero as the pension benefit calculation results in a negative figure. Where the calculation produces a negative figure the Greenbury Disclosure of Senior Managers Remuneration states that zero value should be disclosed.

C Morrell was not covered by the NHS Pension Arrangements in 2025/26. G Howells (to Aug 24), C Morrell and N Vaughan were not covered by the NHS Pension Arrangements in 2024/25.

The reason for the negative pension calculations for the 2025/26 and 2024/25 financial years are as follows:

*D Griffiths, M Davies and T Ricketts the real increase in pension is negative when applying an inflationary uplift of 1.7% to the value at 31st March 2025, and then compared with the value at 31st March 2026. D Griffiths also left the pension scheme when he left employment in Feb 26.

*R Krishnan – the real increase in pension is negative when applying an inflationary uplift of 6.7% to the value at 31st March 2024, and then compared with the value at 31st March 2025.

Pension Benefits have been reported in bands of £2.5k rather than to the nearest £1k, on request from Audit Wales. The financial year 2024-25 has been revised to accommodate this change.

The following notes provide explanations for either no salary or changes in salary or post between the financial years:

For 2025/26:

- D Griffiths , Director of Finance & Performance, left the Health Board on 16th February 2026.
- C Osmundsen-Little commenced as Interim Director of Finance on 9th March 2026, on secondment from Digital Health & Care Wales (DHCW). Due to not being possible to split out Greenbury pension benefits the whole of 2025/26 is shown. An indicative split between the two organisations would be 3/52ths for SBU and 49/52ths for DHCW.
- D Griffiths gross salary is in the range £165-£170k as at February 2026 before leaving the Health Board- the salary in the table is net of a salary sacrifice lease car deduction.
- D Lewis gross salary is in the range £160-£165k as at 31st March 2026 - the salary in the table is net of a salary sacrifice lease car deduction.
- M Davies gross salary is in the range £145-£150k as at 31st March 2026 - the salary in the table is net of a salary sacrifice lease car deduction.
- E Rix gross salary is in the range £170-£175k as at 31st March 2026 - the salary in the table is net of a salary sacrifice lease car deduction.

- E Rix commenced as Executive Director of Nursing & Patient Experience on 31st March 2025.
- T Ricketts commenced as Director of Workforce and Organisational Development on 1st May 2025.
- G Richardson commenced as Acting Director of Public Health on 1st April 2025.
- S Jenkins costs are included for April 25 only– she then took up a secondment opportunity with Velindre NHS Trust. However it is not possible to split the pension benefits for 1 month, so they are included for the whole of 2025/26.
- A Llewelyn, P Dunmore and H Annandale commenced as Associate members of the board, with J Vincent, A Griffiths and A Jarrett standing down as Associate members of the board during 2025/26. Associate board members are not remunerated.
- K Lloyd has declined remuneration in both financial years for his post as an Independent Member, and left his post in December 2025.
- C Rees-Sidhu has declined remuneration for her post as an Independent Member, and commenced in post in February 2026.
- J Davies is a full time employee of the Health Board and as such, has not received the remuneration that is normally paid to an Independent Member in both financial years. She stood down from her role as a non officer member in August 2025.
- M Lloyd is a full time employee of the Health Board and as such, has not received the remuneration that is normally paid to an Independent Member. He commenced in his role as a non officer member in August 2025.

For 2024/25:

- G Howells secondment from WG ceased on 31st August 2024.
- R Evans returned to Medical Director and Deputy Chief Executive on 28th October 2024 from Acting Chief Executive Officer, following commencement of A Harris as CEO.
- D Griffiths returned to Director of Finance & Performance on 28th October 2024 from Director of Finance & Performance & Deputy Chief Executive Officer, following commencement of A Harris as CEO.
- D Griffiths gross salary was in the range £165-£170k as at 31st March 2025- the salary in the table was net of a salary sacrifice lease car deduction, and included deputy chief executive role payments to 28th October 2024.

- A Mehta returned to Deputy Medical Director on 28th October 2024, from Acting Medical Director Post following Richard Evans' return to Medical Director in October 2024. Full year salary for acting and substantive roles and pension costs were included in the report.
- A Mehta gross salary was in the range £175-£180k as at 31st March 2025- the salary in the table was net of a salary sacrifice lease car deduction, and included deputy medical director payments to 28th October 2024.
- R Krishnan returned to Deputy Medical Director on 28th October 2024, from Acting Medical Director Post following Richard Evans' return to Medical Director in October 2024. Full year salary for acting and substantive roles and pension costs were included in the report.
- M Davies, Director of Planning & Partnerships commenced in post of 1st February 2025.
- N Vaughan, Interim Director of Strategy, within the salary range disclosed in the above table, there was an overpayment during 2024/25 of £2.5k, which was be recovered during 2025/26.
- N Vaughan, Interim Director of Strategy ceased this post in mid February 2025 when M Davies commenced in post on 1st February. Whilst N Vaughan continued to work for the organisation post February 2025, this was within a non Executive Director role.
- E Woollett left the role of Chair of the Health Board on 31st May 2024.
- J Williams commenced as Chair of the Health Board on 1st June 2024.
- A Griffiths, New Independent member started in post 1st January 2025.
- Professor T Crick left the role of Independent Member on 15th October 2024.
- M John (Director of Digital Services) & R Thomas (Director of Insight, Communication & Engagement) are non-voting members of the Board.

Reporting bodies are required to disclose the relationship between the remuneration of the highest-paid director in their organisation and the 25th percentile, median and 75th percentile remuneration of the organisation's workforce.

The highest paid director in the LHB in 2025/26 as in 2024/25 was the Chief Executive (A Harris in 2025/26, R Evans to 28th October 2024, and A Harris 28th October 2024 to March 25) and the tables below provide details on the relationship between the remuneration of the Chief Executive and the 25th percentile, median and 75th percentile remuneration of the organisation's workforce

	2025/26			2024/25		
	Chief Executive Salary (£)	Employee Salary (£)	Ratio	Chief Executive Salary (£)	Employee Salary (£)	Ratio
25th percentile pay ratio	227,390	26,156	8.69:1	227,265	28,240	8.11:1
Median pay	227,390	34,940	6.51:1	227,265	35,871	6.31:1
75th percentile pay ratio	227,390	43,272	5.25:1	227,265	49,254	4.63:1

There is a small increase in the ratio of the Chief Executive salary to the 25th percentile, median and 75% percentile when compared with the previous year due to the impact of varying pay awards, and the change mid year in 2024/25 of the Chief Executive. In 2024/25, 5% uplifts for VSM staff, 5.5% uplifts for A4C staff, and 6% uplifts for medical and dental staff were awarded. In 2025/26, VSM were awarded an increase of 3.25%, A4C staff 3.6% and Medical and Dental staff 4% in respect of Pay award uplifts.

In 2025/26, 31 (2024/25, 24) employees received remuneration in excess of the highest-paid director. The remuneration for those employees in 2025/26 and 2024/25 included payments in respect of waiting list initiatives, and additional sessions undertaken in addition to their normal salary. Remuneration for staff ranged from £23,875 to £218,519 during 2025/26 (2024/25 £23,970 to £323,663).

Total remuneration includes salary, non-consolidated performance-related pay, and benefits-in-kind. It does not include severance payments, employer pension contributions and the cash equivalent transfer value of pensions. Benefits in kind relate to benefits derived from the provision of a leased or salary sacrifice car.

The employees who received remuneration in excess of the highest paid director in 2025/26 and 2024/25 were all medical staff. None of these staff members were related to the Chair, Executive Directors or Independent Members.

The following table shows the percentage change in the remuneration of the highest paid director and the percentage change in the remuneration of the employees of the entity taken as a whole.

	2024/25 - 2025/26 (%)	2023/24- 2024/25 (%)
Percentage Change from previous year in respect of the Chief Executive		
Salary and Allowances	3.76	1.07
Performance Pay and Bonuses	0.00	0.00
Average % Change from previous financial year in respect of employees takes as a whole		
Salary and Allowances	(1.81)	5.51
Performance Pay and Bonuses	0.00	0.00

The increase in the average salary and allowances of employees taken as a whole in the financial years 2023/24-2024/25 is due to differing pay award across financial years. In 2023/4, all staff were awarded a 5% pay award, with an additional consolidated recovery payment. In 2024-25 all A4C staff were awarded a 5.5% pay award, VSM staff 5%, and Medical staff 6% (with Junior doctors and dentists also receiving a consolidated payment of £1000). In 2025/26, staff were awarded lower percentage pay awards, VSM staff 3.25%, A4C staff 3.6% and Medical and Dental staff 4%. There were no consolidated payments made in 2025-26.

4. Directors Pension Benefits

The NHS scheme requires that employees pay from 5.2% up to 12.5%, on a tiered scale, of their earnings, into the NHS Pension Scheme, with the employer contributing 23.78%. The employer's contribution to the NHS Pension Scheme is excluded from the salary figures shown for Executive Directors.

Cash Equivalent Transfer Value

A Cash Equivalent Transfer Value (CETV) is the actuarially assessed capital value of the pension scheme benefits accrued by a member at a particular point in time. The benefits valued are the member's accrued benefits and any contingent spouse's pension payable from the scheme. A CETV is a payment made by a pension scheme or arrangement to secure pension benefits in another pension scheme or arrangement when the member leaves a scheme and chooses to transfer the benefits accrued in their former scheme. The pension figures shown relate to the benefits that the individual has accrued as a consequence of

their total membership of the pension scheme, not just their service in a senior capacity to which disclosure applies. The CETV figures and the other pension details include the value of any pension benefits in another scheme or arrangement which the individual has transferred to the NHS pension scheme. They also include any additional pension benefit accrued to the member as a result of their purchasing additional years of pension service in the scheme at their own cost.

CETVs are calculated in accordance with The Occupational Pension Schemes (Transfer Values) (Amendment) Regulations 2008 and do not take account of any actual or potential reduction to benefits resulting from Lifetime Allowance Tax which may be due when pension benefits are taken.

Real Increase in CETV

This reflects the increase in CETV effectively funded by the employer. It takes account of the increase in accrued pension due to inflation, contributions paid by the employee (including the value of any benefits transferred from another scheme or arrangement) and uses common market valuation factors for the start and end of the period

The disclosures in the table below do not apply to independent members as they are not members of the NHS Pension Scheme and do not receive pensionable remuneration.

Name and Title	Accrued pension at pension age as at 31 March 2026 and related lump sum	Real Increase/ (Decrease) in pension and related lump sum at pension age	CETV at 31/03/2026	CETV at 31/03/2025	Real increase in CETV

M Davies	65-70	(2.5-5)	1,286	1,329	0*

Name and Title	Accrued pension at pension age as at 31 March 2026 and related lump sum	Real Increase/ (Decrease) in pension and related lump sum at pension age	CETV at 31/03/2026	CETV at 31/03/2025	Real increase in CETV
	(bands of £5,00) £'000	(bands of £2,500) £'000	£'000	£'000	£'000
Director of Planning & Partnerships	plus lump sum 70-75	plus lump sum (7.5-10)			
D Lewis COO and Executive Director of Primary Care and Mental Health	55-60 plus lump sum 120-125	2.5-5 plus lump sum (2.5-5)	1,283	1,201	62
S Jenkins Interim Director of workforce & OD (To Apr 25)	15-20 No lump sum	0-2.5 No lump sum			
H Lloyd Director of Corporate Governance/Board Secretary	45-50 plus lump sum of 105-110	2.5-5 plus lump sum of 0-2.5	1,007	927	65

* C Osmundsen-Little, G Richardson, E Rix, & T Ricketts were not executive directors in the prior year, therefore full year comparators are excluded. D Griffiths left the Health Board in February 2026. M Davies & D Griffiths real increases in CETV are

negative and therefore zero is shown. S Jenkins CETV are not shown at 31/3/26 as she left the organisation at the end of April 25 on a secondment to Velindre NHS Trust.

- C Morrell, Director of Therapies and Health Science chose not to be covered by the NHS Pension Arrangements during 2025/26.

CETV figures are calculated using the guidance on discount rates for calculating unfunded public service pension contribution rates that was extant at 31 March 2026 of 1.7%. HM Treasury published updated guidance in 2026 that will be used in the calculation of 2026-27 CETV figures of 3.8%.

5. Contracts of employment

With the exception of the Interim Director of Finance, (C Osmundsen-Little) who is on secondment from DHCW (Digital Health and Care Wales), all Executive Directors are on permanent Contracts of Employment with Swansea Bay University Local Health Board (however, G Richardson is on an interim Executive Director contract).. Executive Directors are required to give the Health Board three months' notice and are eligible to receive three months' notice from the Health Board. The policy on duration of contracts, notice period and termination periods is that set by the Welsh Government.

The only provisions for early termination are as allowed by the NHS Pension Scheme (compensation for premature retirement) regulations. In all other cases of early termination this will be as detailed in individuals' contract of employment.

6. Other information

There are no local pay bargaining initiatives within the Health Board. No payments have been made for Professional Indemnity Insurance for any Officer or Director.

7. Staff Report Section

This section of the report includes information on staff numbers, composition, sickness absence data, staff policies applied during the year, expenditure on consultancy, off-payroll engagements and exit packages.

7.1 Staff Numbers and Composition

The average number of employees by staff group for 2025/26 is set out in the table below, along with the comparison for 2024/25. The average is calculated as the whole time equivalent number of employees under contract of service at the end of each calendar month in the financial year, divided by the number of months in the financial year.

Staff Group	Permanent Staff	Staff on Inward Secondment	Agency Staff	Specialist Trainees (SLE)	Collaborative Bank	Other	Total 2025/26	Total 2024/25
Administration, Clerical & Board Members	2,379	9	3	0	0	0	2,391	2,444

Totals	12,928	28	110	481	0	59	13,606	13,637

Staff included as Specialist Trainees (SLE) in the table above are Medical, Dental and GP Trainees employed under the Single Lead Employer Arrangement by Velindre NHS Trust but who are placed for their training within the Health Board. Prior to

August 2020 these trainees were directly employed by the Health Board and as such would have been classified as permanent staff.

There were no collaborative Bank Staff in the Health Board during 2025/26.

Staff listed under the "Other" column in the table above are temporary staff sourced through the MEDACS managed service contract. These staff are paid through the NHS payroll.

As at 31st March 2026, the Health Board has 14,594 employees, of which 10 are Executive Directors. Of these staff, 3,347 are male, including 1 Executive Director, and 11,247 are female, including 9 female Executive Directors. There are also 9 Independent Members, of which 2 are male and 7 are female.

7.2 Sickness Absence Data

	2025/26	2024/25
Total days lost	342,204	393,602
Short Term Sickness (27 days or less)	90,816	111,265
Long Term Sickness (28 days or more)	251,389	282,337
Average working days lost	17	26
Total staff employed in period (headcount)	14,685	14,805
Total staff employed in period with no absence (headcount)	3,882	4,225
Percentage staff with no sick leave	27.15%	25.54%

7.3 Staff Policies applied during the year:

The staff policy on equality was applied during the year to address the following:

- For giving full and fair consideration to applications for employment by the Health Board made by disabled persons, having regard to their particular aptitudes and abilities.
- For continuing the employment of, and for arranging appropriate training for, employees of the Health board who have become disabled persons during the period when they were employed by the Health Board.
- Otherwise for the training, career development and promotion of disabled persons employed by the Health Board.

7.4 Expenditure on Consultancy

As disclosed in Note 3.3 of the Health Board's Accounts, the Health Board incurred expenditure of £3.447m on Consultancy Services in 2025/26, (£0.678m in 2024/25). Expenditure on Consultancy Services is incurred when outside expertise is required by the Health Board to support the Health Board in managing its services and functions on a day to day basis. Such examples for 2025/26 include:

- External Strategic Partner, supporting the Health Board in the identification and delivery of savings schemes for 2025/26 and 2026/27.
- Management Consultancy to support the Neath Port Talbot & Singleton Service Group with a review of Maternity & Neonatal Services.
- Management Consultancy to support the Health Board with Patient Discharges under the Homes First and Waiting well schemes.
- External advice and support for Staff & Patient Wellbeing.

7.5 Off-payroll Engagements

Table 1: For all off-payroll engagements as of 31 March 2026, for more than £245 per day and that last for longer than six months

Number of existing engagements as of 31 March 2026	0
Of which...	
Number that have existed for less than one year at time of reporting.	0
Number that have existed for between one and two years at time of reporting.	0
Number that have existed for between two and three years at time of reporting.	0
Number that have existed for between three and four years at time of reporting.	0
Number that have existed for four or more years at time of reporting.	0

Table 2: For all new off-payroll engagements, or those that reached six months in duration, between 1 April 2025 and 31 March 2026, for more than £245 per day and that last for longer than six months

Number of new engagements, or those that reached six months in duration, between 1 April 2023 and 31 March 2024	0
Number of these engagements which were assessed as caught by IR35	0
Number of these engagements which were assessed as not caught by IR35	0
Number of these engagements that were engaged directly (via PSC contracted to department) and are on the departmental payroll;	0
Number of these engagements that were reassessed for consistency/assurance purposes during the year whom assurance has been requested but not received;	0
Number that saw a change to IR35 status following the consistency review.	0

Table 3: For any off-payroll engagements of board members, and/or senior officials with significant financial responsibility, between 1 April 2025 and 31 March 2026

Number of off-payroll engagements of board members, and/or, senior officials with significant financial responsibility, during the financial year.	0
Details of the exceptional circumstances that led to each of these engagements.	Not Applicable
Details of the length of time each of these exceptional engagements lasted	Not Applicable
Total number of individuals both on and off-payroll that have been deemed "board members and/or senior officials with significant financial responsibility", during the financial year. This figure includes engagements which are ON PAYROLL as well as those off-payroll.	0

There were 0 off payroll engagements in place at the start of the 2025/26 financial year. There have been no new off payroll engagements during the year.

7.6 Exit packages

The figures disclosed relate to exit packages agreed in the year as per note 9.5. The actual date of departure might be in a subsequent period, and the expense in relation to the departure costs may have been accrued in a previous period. The data here is therefore presented on a different basis to other staff costs and expenditure noted in the Health Board's Annual Accounts.

	2025/26				2024/25
<u>Staff Numbers</u> Exit packages cost band (including any special payment element)	Number of compulsory redundancies	Number of other departures	Total number of exit packages	Number of departures where special payments have been made	Total number of exit packages
less than £10,000	0	0	0	0	5
£10,000 to £25,000	0	1	1	0	3
£25,000 to £50,000	0	3	3	0	6
£50,000 to £100,000	0	0	0	0	0
£100,000 to £150,000	0	1	1	0	0
£150,000 to £200,000	0	0	0	0	0

	2025/26				2024/25
more than £200,000	0	0	0	0	0
Total	0	5	5	0	14

	2025/26				2024/25
<u>Exit Packages Costs</u>				Cost of special element included in exit packages	
Exit packages cost band (including any special payment element)	Cost of compulsory redundancies	Cost of other departures	Total cost of exit packages		Total cost of exit packages
	£	£	£	£	£
less than £10,000	0	0	0	0	16,687
£10,000 to £25,000	0	21,262	21,262	0	45,832
£25,000 to £50,000	0	97,948	97,948	0	196,895
£50,000 to £100,000	0	0	0	0	0
£100,000 to £150,000	0	106,919	106,919	0	0
£150,000 to £200,000	0	0	0	0	0
more than £200,000	0	0	0	0	0

	2025/26				2024/25
Total	0	226,129	226,129	0	259,414

Where the LHB has agreed early retirements, the additional costs are met by the LHB and not by the NHS Pensions Scheme. Ill-health retirement costs are met by the NHS Pensions Scheme and are not included in the table.

£204,867 exit costs were paid in 2025/26 (2024/25, £229,863).

Parliamentary Accountability and Audit Report 2025-26

Senedd Cymru/Welsh Parliamentary Accountability Report

Swansea Bay University Health Board makes the following Parliamentary disclosures for 2025-26:

- **Regularity of expenditure** - public resources were used to deliver the intended objectives and expenditure was compliant with relevant legislation including EU legislation, delegated authorities and followed the guidance in Managing Welsh Public Money.
- **Fees and charges** - charges for services provided by public sector organisations normally pass on the full cost of providing those services. Public sector organisations may also supply commercial services on commercial terms designed to work in fair competition with private sector providers. The Welsh Government expects proper controls over how, when and at what level charges may be levied. This is not applicable to the Health Board – all items are charged at full cost recovery.
- The Health Board is compliant with the cost allocation and charging requirements set out in HM Treasury guidance.
- All remote contingent liabilities are disclosed under IAS37.

The Certificate and report of the Auditor General for Wales to the Senedd

Opinion on financial statements

I certify that I have audited the financial statements of Swansea Bay University Local Health Board for the year ended 31 March 2026 under Section 61 of the Public Audit (Wales) Act 2004.

These comprise the Statement of Comprehensive Net Expenditure, the Statement of Financial Position, the Cash Flow Statement and Statement of Changes in Taxpayers' Equity and related notes, including a summary of material accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards as interpreted and adapted by HM Treasury's Financial Reporting Manual.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the state of affairs of Swansea Bay University Local Health Board as at 31 March 2026 and of its net operating costs for the year then ended;
- have been properly prepared in accordance with UK adopted international accounting standards as interpreted and adapted by HM Treasury's Financial Reporting Manual; and
- have been properly prepared in accordance with the National Health Service (Wales) Act 2006 and directions made there under by Welsh Ministers.

Opinion on regularity

In my opinion, except for the matters described in the Basis for Qualified Regularity Opinion section of my report, in all material respects, the expenditure and income in the financial statements have been applied to the purposes intended by the Senedd and the financial transactions recorded in the financial statements conform to the authorities which govern them.

Basis for Qualified Opinion on regularity

I have qualified my opinion on the regularity of Swansea Bay University Local Health Board's financial statements because the Health Board has breached its resource limit by spending £112.428 million over the £4,055 million that it was authorised to spend in the three-year period 2023-24 to 2025-26. This spending constitutes irregular expenditure.

Further detail is set out in my attached Report.

Basis for opinions

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my certificate. My staff and I are independent of the Board in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinions.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the body's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this certificate.

The going concern basis of accounting for Swansea Bay University Local Health Board is adopted in consideration of the requirements set out in HM Treasury's Government Financial Reporting Manual, which require entities to adopt the going concern basis of accounting in the preparation of the financial statements where it anticipated that the services which they provide will continue into the future.

Other information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Chief Executive is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the

course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Opinion on other matters

In my opinion, the part of the remuneration report to be audited has been properly prepared in accordance with the National Health Service (Wales) Act 2006 and directions made there under by Welsh Ministers.

In my opinion, based on the work undertaken in the course of my audit:

- the parts of the Accountability Report subject to audit have been properly prepared in accordance with the National Health Service (Wales) Act 2006 and directions made there under by Welsh Ministers' directions; and;
- the information given in the Foreword, Accountability Report and Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with Welsh Ministers' guidance.

Matters on which I report by exception

In the light of the knowledge and understanding of the Board and its environment obtained in the course of the audit, I have not identified material misstatements in the Foreword and Accountability Report or the Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements and the audited part of the Accountability Report are not in agreement with the accounting records and returns;
- information specified by HM Treasury or Welsh Ministers regarding remuneration and other transactions is not disclosed;
- certain disclosures of remuneration specified by HM Treasury's Government Financial Reporting Manual are not made or parts of the Remuneration Report

to be audited are not in agreement with the accounting records and returns;
or

- the Governance Statement does not reflect compliance with HM Treasury's guidance.

Responsibilities of Directors and the Chief Executive for the financial statements

As explained more fully in the Statements of Directors' and Chief Executive's Responsibilities, the Directors and the Chief Executive are responsible for:

- maintaining adequate accounting records
- the preparation of financial statements and annual report in accordance with the applicable financial reporting framework and for being satisfied that they give a true and fair view;
- ensuring that the annual report and financial statements as a whole are fair, balanced and understandable;
- ensuring the regularity of financial transactions;
- internal controls as the Directors and Chief Executive determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; and
- assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors and Chief Executive anticipate that the services provided by the Board will not continue to be provided in the future.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit, certify and report on the financial statements in accordance with the National Health Service (Wales) Act 2006.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a certificate that includes my opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, the audited entity's head of internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to Swansea Bay University Local Health Board policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in the following areas: expenditure recognition, posting of unusual journals and biases in accounting estimates;
- Obtaining an understanding of Swansea Bay University Local Health Board's framework of authority as well as other legal and regulatory frameworks that the Swansea Bay University Local Health Board operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of Swansea Bay University Local Health Board;
- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, those charged with governance and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance and the Board; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Swansea Bay University Local Health Board controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other auditor's responsibilities

I am also required to obtain evidence sufficient to give reasonable assurance that the expenditure and income recorded in the financial statements have been applied to the purposes intended by the Senedd and the financial transactions recorded in the financial statements conform to the authorities which govern them.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report of the Auditor General to the Senedd

Introduction

Under the Public Audit Wales Act 2004, I am responsible for auditing, certifying and reporting on Swansea Bay University Local Health Board's (the LHB's) financial statements.

I am reporting on these financial statements for the year ended 31 March 2026 to draw attention to key matters for my audit, as follows:

- failure against the first financial duty and consequential qualification of my 'regularity' opinion; and
- the failure of the Health Board to achieve the second financial duty.

I have not qualified my 'true and fair' opinion in respect of any of these matters.

Financial duties

Local Health Boards (LHBs) are required to meet two statutory financial duties – known as the first and second financial duties.

For 2025-26, the LHB failed to meet both the first and the second financial duty.

Failure of the first financial duty

The **first financial duty** gives additional flexibility to LHBs by allowing them to balance their income with their expenditure over a three-year rolling period. The three-year period being measured under this duty this year is 2023-24 to 2025-26.

As shown in Note 2.1 to the Financial Statements, the LHB did not manage its revenue expenditure within its resource allocation over this three-year period, exceeding its cumulative revenue resource limit of £4,055 million by £112.428 million.

Where an LHB does not balance its books over a rolling three-year period, any expenditure over the resource allocation (ie spending limit) for those three years exceeds the LHB's authority to spend and is therefore 'irregular'. In such circumstances, I am required to qualify my 'regularity opinion' irrespective of the value of the excess spending.

Failure of the second financial duty

The **second financial duty** requires LHBs to prepare and have approved by the Welsh Ministers a rolling three-year integrated medium-term plan. This duty is an essential foundation to the delivery of sustainable quality health services. An LHB will be deemed to have met this duty for 2025-26 if it submitted a 2025-26 to 2027-28 plan approved by its Board to the Welsh Ministers, who were required to review and consider approval of the plan.

As shown in Note 2.3 to the Financial Statements, the LHB did not meet its second financial duty to have an approved three-year integrated medium-term plan in place for the period 2025-26 to 2027-28.

Adrian Crompton

Auditor General for Wales 26 June 2026

Long Term Expenditure Trends 2025-26

Long Term Expenditure Trends

1. Long Term Expenditure Trends

The Swansea Bay University Local Health Board was established on 1st April 2019 under statutory instrument 2019 No.349 (W.83), the Local Health Boards (Area Change) (Wales) (Miscellaneous Amendment) Order 2019.

This statutory instrument transferred the principal local government area of Bridgend from Abertawe Bro Morgannwg University Local Health Board to Cwm Taf University Local Health Board in addition confirmed that Abertawe Bro Morgannwg University Local Health Board would be renamed as Swansea Bay University Local Health Board.

Swansea Bay University Local Health Board is responsible for the provision of healthcare services for the populations falling under the local government areas of Swansea and Neath Port Talbot.

2025/26 presented a challenging financial year with the Health Board reporting an increased deficit position compared to 2024/25. The 2025/26 financial year continued to provide challenges for the health board in part due to the non delivery of recurrent savings from previous financial years plus operational pressures across planned care and urgent and emergency care resulting in the continued use of variable pay alongside growth in Continuing Health Care (CHC) costs, which can be seen within Note 3 of the Health Board Annual Accounts on Operating Costs.

The movements in expenditure for the financial years 2023/24 to 2025/26 are documented below by the main expenditure headings of:

- Expenditure on Primary Healthcare Services
- Expenditure on Healthcare from Other Providers
- Expenditure on Hospital and Community Services

In 2025/26 there has been a 6.7% increase in expenditure on Primary Care Services compared to 2024/25, and similarly an increase of 3.5% on Healthcare from Other Providers and 3.9% increase on Hospital & Community Services in 2025/26 when compared to 2024/25. However the distribution across the categories of expenditure remains consistent with that of 2024/25, as indicated in the chart below. The main increases in Primary Healthcare Services are attributable to General Medical Services, General Ophthalmic Services and Dental Services. For Healthcare from Other Providers, expenditure with JCC (Joint Commissioning Committee) and CHC are the primary drivers for the increases in this category. Within Hospital & Community Services, the main increases in expenditure in 2025/26 have been in respect of staffing costs and Clinical Supplies & Services.

	2023/24	2024/25	2025/26
	£000	£000	£000
Primary Healthcare Services	213,436	227,549	242,880
Healthcare from Other Providers	309,640	335,625	347,354
Hospital and Community Services	1,073,680	1,178,190	1,224,348

3.1 Expenditure on Primary Healthcare Services

Expenditure on Primary Healthcare Services comprises expenditure on the Primary Care contracts for General Medical Services, Pharmaceutical Services, General Dental Services, General Ophthalmic Services, Prescribed Drugs and Appliances and other Primary Health Care Expenditure.

In 2025/26, expenditure increased to £243m, an increase of 6.7%. The greatest increase was in General Medical Services £0.8m (33%) ,General Ophthalmic Services £1.4m (4%) and Dental Services £1.2m (13%). Prescribed drugs and appliances account for 36.8% of expenditure.

3.2 Expenditure on Healthcare from Other Providers

Expenditure on healthcare from other providers comprises expenditure with other NHS organisations, Local Authorities, Voluntary Organisations, private providers and for NHS funded nursing and continuing healthcare.

In 2024/25 expenditure on Healthcare from Other Providers increased by 3.3% to £347m. The main increases were in expenditure on CHC which increased by £8.25m (8.9%) and Funded Nursing Care which increased by £0.3m (2.6%) from 2024/25. A combination in increased growth in cases and process of packages rising with basic nursing packages increasing, impacted on by the growth in Real Living Wage has impacted significantly on expenditure.

There was a decrease in the costs of private providers in 2025/26 – a decrease of £1.8m (17%). This is due to reductions in patients waiting for long periods of time on the planned care waiting list. There was a large increase in expenditure on goods and services with JCC which increased by £10.1m (6.9%). This increase relates to the nationally agreed JCC plan, inflation and pay award funding for 2025/26. There was also a reduction in goods and

services from other NHS Wales Health Boards of £2.4m which primarily relates to the Cwm Taf Morgannwg Health Board.

3.3 Expenditure on Hospital and Community Health Services

This area represents the majority of the health board's expenditure and as such sees the biggest fluctuations over time.

In 2025/26 expenditure on Hospital & Community services increased by £46.2m (3.9%) to £1,224m. The largest increase was in staff costs of £50.1m (5.7%) which includes staff costs in respect of junior medical staff under the

Single Lead Employer (SLE) arrangement with Velindre NHS Trust. Of the increase £29.1m relates to the consolidated pay award of 3.6% for A4C staff, and 4% in general for medical staff. A cohort of staff were rebanded at an additional cost of £7m. There has also been a small increase of £1.7m on expenditure on Clinical supplies and services, £1.8m on General supplies and services and £2.7m on Consultancy costs.

Financial Statements and Notes 2025-26

SWANSEA BAY UNIVERSITY LOCAL HEALTH BOARD

FOREWORD

These accounts have been prepared by the Local Health Board under schedule 9 section 178 Para 3(1) of the National Health Service (Wales) Act 2006 (c.42) in the form in which the Welsh Ministers have, with the approval of the Treasury, directed.

Statutory background

The Local Health Board was established on 1st April 2019 under statutory instrument 2019 No.349 (W.83), the Local Health Boards (Area Change) (Wales) (Miscellaneous Amendment) Order 2019.

This statutory instrument transferred the principal local government area of Bridgend from Abertawe Bro Morgannwg University Local Health Board to Cwm Taf University Local Health Board in addition to confirming that Abertawe Bro Morgannwg University Local Health Board is renamed and is to be known as Swansea Bay University Local Health Board.

Swansea Bay University Local Health Board is responsible for the provision of healthcare services for the populations falling under the local government areas of Swansea and Neath Port Talbot.

On 1st April 2019 all staff property, assets and liabilities relating to services provided to the local government area of Bridgend transferred from Swansea Bay University Local Health Board to Cwm Taf Morgannwg Local Health Board. This transfer was undertaken in line with the Local Health Boards (Area Change) (transfer of Staff, Property and Liabilities) (Wales) Order 2019. The transfer was accounted for under absorption accounting rules.

The Health Board's predecessor organisation, Abertawe Bro Morgannwg University Health Board, was established on 1st October 2009 following the merger of the former Abertawe Bro Morgannwg University NHS Trust, Swansea Local Health Board, Neath Port Talbot Local Health Board and Bridgend Local Health Board, providing services to the local government areas of Swansea, Neath Port Talbot and Bridgend.

Performance Management and Financial Results

Welsh Health Circular WHC/2016/054 replaces WHC/2015/014 'Statutory and Administrative Financial Duties of NHS Trusts and Local Health Boards' and further clarifies the statutory financial duties of NHS Wales bodies and is effective for 2025-26. The annual financial duty has been revoked and the statutory breakeven duty has reverted to a three year duty, with the first assessment of this duty in 2016-17.

Local Health Boards in Wales must comply fully with the Treasury's Financial Reporting Manual to the extent that it is applicable to them. As a result, the primary statement of in-year income and expenditure is the Statement of Comprehensive Net Expenditure, which shows the net operating cost incurred by the Local Health Board which is funded by the Welsh Government. This funding is allocated on receipt directly to the General Fund in the Statement of Financial Position.

Under the National Health Services Finance (Wales) Act 2014, the annual requirement to achieve balance against Resource Limits has been replaced with a duty to ensure, in a rolling 3 year period, that its aggregate expenditure does not exceed its aggregate approved limits.

The Act came into effect from 1st April 2014 and under the Act the first assessment of the 3 year rolling financial duty took place at the end of 2016-17.

Statement of Comprehensive Net Expenditure for the year ended 31 March 2026

	Note	2025-26 £000	2024-25 £000
Expenditure on Primary Healthcare Services	3.1	242,880	227,549
Expenditure on healthcare from other providers	3.2	347,354	335,625
Expenditure on Hospital and Community Health Services	3.3	1,224,348	1,178,189
		1,814,582	1,741,363
Less: Miscellaneous Income	4	(353,190)	(330,267)
LHB net operating costs before interest and other gains and losses		1,461,392	1,411,096
Investment Revenue	5	0	0
Other (Gains) / Losses	6	34	103
Finance costs	7	6,382	9,077
Net operating costs for the financial year		1,467,808	1,420,276

Details of the Health Board's performance against its revenue and capital allocations over the last three financial periods are provided in Note 2 on page 27.

The notes on pages 8 to 76 form part of these accounts.

Other Comprehensive Net Expenditure

	2025-26 £000	2024-25 £000
Net (gain) / loss on revaluation of property, plant and equipment	(30,124)	(2,594)

Total recognised income and expense for 2025-26	(1,460,957)	23,272	(1,437,685)
Net Welsh Government funding	1,459,296		1,459,296
Notional Welsh Government Funding	55,041		55,041
Balance at 31 March 2026	412,330	92,239	504,569

Notional Welsh Government funding line includes 9.4% staff employer pension and Pensions Annual Allowance Charge Compensation Scheme (PAACCS) costs paid centrally by Welsh Government.

Notional Welsh Government funding split:

Notional 9.4% staff employer pension £55,016,000
Pensions Annual Allowance Charge Compensation Scheme (PAACCS) £24,500

The notes on pages 8 to 76 form part of these accounts.

Statement of Changes in Taxpayers' Equity

For the year ended 31 March 2025

	General Fund £000	Revaluation Reserve £000	Total Reserves £000
Changes in taxpayers' equity for 2024-25			
Balance at 31 March 2024	340,985	66,845	407,830
NHS Wales Transfer	0	0	0
RoU Asset Transitioning Adjustment	0	0	0
Impact of IFRS 16 on PPP/PFI Liability	0	0	0
Balance at 1 April 2024	340,985	66,845	407,830
Net operating cost for the year	(1,420,276)		(1,420,276)
Net gain/(loss) on revaluation of property, plant and equipment	0	2,594	2,594
Net gain/(loss) on revaluation of right of use assets	0	0	0
Net gain/(loss) on revaluation of intangible assets	0	0	0
Net gain/(loss) on revaluation of financial assets	0	0	0
Net gain/(loss) on revaluation of PPE and Intangible assets held for sale	0	(69)	(69)
Net gain/(loss) on revaluation of financial assets held for sale	0	0	0
Impairments and reversals	0	0	0
Net gain/(loss) on other reserve movements	0	0	0
Transfers between reserves	403	(403)	0
Release of reserves to SoCNE	0	0	0
Transfers (to) / from other NHS Wales bodies	0	0	0
Reclassification adjustment on disposal of available for sale financial assets	0	0	0
Total recognised income and expense for 2024-25	(1,419,873)	2,122	(1,417,751)
Net Welsh Government funding	1,385,684		1,385,684
Notional Welsh Government Funding	52,154		52,154
Balance at 31 March 2025	358,950	68,967	427,917

Notional Welsh Government funding line includes 9.4% staff employer pension and Pensions Annual Allowance Charge Compensation Scheme (PAACCS) costs paid centrally by Welsh Government.

The Department of Health and Social Care (DHSC) 2023-24 consultation on the NHS Pension Scheme confirmed that the transitional approach that has operated since 2019-20 for employer contributions will continue in 2024-25. From 1st April 2024 an employer rate of 23.7% (23.78% inclusive of the administration charge) will apply.

However, the NHS Business Services Authority will continue to only collect 14.38% from NHS Wales employers under their normal monthly payment process to the NHS Pension Scheme. This has resulted in an increase in the central payments made by Welsh Government from 6.3% to 9.4%.

Notional Welsh Government funding split:

Notional 9.4% staff employer pension £52,138,000

Pensions Annual Allowance Charge Compensation Scheme (PAACCS) £16,000

The notes on pages 8 to 76 form part of these accounts.

Cash and cash equivalents (and bank overdrafts) at 31 March 2026	2,751	3,444

The notes on pages 8 to 76 form part of these accounts.

Notes to the Accounts

1. Accounting policies

The Minister for Health and Social Services has directed that the financial statements of Local Health Boards (LHBs) in Wales shall meet the accounting requirements of the NHS Wales Manual for Accounts. Consequently, the following financial statements have been prepared in accordance with the 2025-26 Manual for Accounts. The accounting policies contained in that manual follow the 2025-26 Financial Reporting Manual (FReM) in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006, to the extent that they are meaningful and appropriate to the NHS in Wales.

Where the LHB Manual for Accounts permits a choice of accounting policy, the accounting policy which is judged to be most appropriate to the particular circumstances of the LHB for the purpose of giving a true and fair view has been selected. The particular policies adopted by the LHB are described below. They have been applied consistently in dealing with items considered material in relation to the accounts.

1.1. Accounting convention

These accounts have been prepared under the historical cost convention modified to account for the revaluation of property, plant and equipment, intangible assets and inventories.

1.2. Acquisitions and discontinued operations

Activities are considered to be 'acquired' only if they are taken on from outside the public sector. Activities are considered to be 'discontinued' only if they cease entirely. They are not considered to be 'discontinued' if they transfer from one public sector body to another.

1.3. Income and funding

The main source of funding for the LHBs are allocations (Welsh Government funding) from the Welsh Government within an approved cash limit, which is credited to the General Fund of the LHB. Welsh Government funding is recognised in the financial period in which the cash is received.

Non-discretionary funding outside the Revenue Resource Limit is allocated to match actual expenditure incurred for the provision of specific pharmaceutical, or ophthalmic services identified by the Welsh Government. Non-discretionary expenditure is disclosed in the accounts and deducted from operating costs charged against the Revenue Resource Limit.

Funding for the acquisition of fixed assets received from the Welsh Government is credited to the General Fund.

Miscellaneous income is income which relates directly to the operating activities of the LHB and is not funded directly by the Welsh Government. This includes payment for services uniquely provided by the LHB for the Welsh Government such as funding provided to agencies and non-activity costs incurred by the LHB in its provider role. Income received from LHBs transacting with other LHBs is always treated as miscellaneous income.

From 2018-19, IFRS 15 Revenue from Contracts with Customers has been applied, as interpreted and adapted for the public sector, in the FReM. It replaces the previous standards IAS 11 Construction Contracts and IAS 18 Revenue and related IFRIC and SIC interpretations. The potential amendments identified as a result of the adoption of IFRS 15 are significantly below materiality levels.

Income is accounted for applying the accruals convention. Income is recognised in the period in which services are provided. Where income had been received from third parties for a specific activity to be delivered in the following financial year, that income will be deferred. Only non-NHS income may be deferred.

1.4. Employee benefits

1.4.1. Short-term employee benefits

Salaries, wages and employment-related payments are recognised in the period in which the service is received from employees. The cost of leave earned but not taken by employees at the end of the period is not recognised in the financial statements to the extent that employees are not permitted to carry forward leave into the following period.

1.4.2. Retirement benefit costs

Past and present employees are covered by the provisions of the NHS Pensions Scheme. The scheme is an unfunded, defined benefit scheme that covers NHS employers, General Practices and other bodies, allowed under the direction of the Secretary of State, in England and Wales. The scheme is not designed to be run in a way that would enable NHS bodies to identify their share of the underlying scheme assets and liabilities. Therefore, the scheme is accounted for as if it were a defined contribution scheme: The cost to the NHS body of participating in the scheme is taken as equal to the contributions payable to the scheme for the accounting period.

The Department of Health and Social Care (DHSC) 2023-24 consultation on the NHS Pension Scheme confirmed that the transitional approach that has operated since 2019-20 for employer contributions will continue in 2025-26. From 1st April 2024 an employer rate of 23.7% (23.78% inclusive of the administration charge) will apply. However, the NHS Business Services Authority will continue to only collect 14.38% from NHS Wales employers under their normal monthly payment process to the NHS Pension Scheme. This has resulted in an increase in the central payments made by Welsh Government directly to the Pension Scheme administrator, the NHS Business Services Authority (BSA the NHS Pensions Agency) from 6.3% to 9.4%.

However, NHS Wales' organisations are required to account for their staff employer contributions of 23.78% in full and on a gross basis, in their annual accounts. Payments made on their behalf by Welsh Government are accounted for on a notional basis. For detailed information see the Other Note within these accounts.

For early retirements other than those due to ill health the additional pension liabilities are not funded by the scheme. The full amount of the liability for the additional costs is charged to expenditure at the time the NHS Wales organisation commits itself to the retirement, regardless of the method of payment.

Where employees are members of the Local Government Superannuation Scheme, which is a defined benefit pension scheme this is disclosed. The scheme assets and liabilities attributable to those employees can be identified and are recognised in the NHS Wales organisation's accounts. The assets are measured at fair value and the liabilities at the present value of the future obligations. The increase in the liability arising from pensionable service earned during the year is recognised within operating expenses. The expected gain during the year from scheme assets is recognised within finance income. The interest cost during the year arising from the unwinding of the discount on the scheme liabilities is recognised within finance costs.

1.4.3 PENSION COSTS

Past and present employees are covered by the provisions of the NHS Pension Schemes. Details of the benefits payable and rules of the schemes can be found on the NHS Pensions website at www.nhsbsa.nhs.uk/pensions. Both the 1995/2008 and 2015 schemes are accounted for, and the scheme liability valued, as a single combined scheme. Both are unfunded defined benefit schemes that cover NHS employers, GP practices and other bodies, allowed under the direction of the Secretary of State for Health and Social Care in England and Wales. They are not designed to be run in a way that would enable NHS bodies to identify their share of the underlying scheme assets and liabilities. Therefore, each scheme is accounted for as if it were a defined contribution scheme: the cost to the NHS body of participating in each scheme is taken as equal to the contributions payable to that scheme for the accounting period.

In order that the defined benefit obligations recognised in the financial statements do not differ materially from those that would be determined at the reporting date by a formal actuarial valuation, the FReM requires that "the period between formal valuations shall be four years, with approximate assessments in intervening years".

An outline of these follows:

a) Accounting valuation

A valuation of scheme liability is carried out annually by the scheme actuary (currently the Government Actuary's Department) as at the end of the reporting period. This utilises an actuarial assessment for the previous accounting period in conjunction with updated membership and financial data for the current reporting period, and is accepted as providing suitably robust figures for financial reporting purposes. The valuation of the scheme liability as at 31 March 2026, is based on valuation data as 31 March 2025, updated to 31 March 2026 with summary global member and accounting data. In undertaking this actuarial assessment, the methodology prescribed in IAS 19, relevant FReM interpretations, and the discount rate prescribed by HM Treasury have also been used.

The latest assessment of the liabilities of the scheme is contained in the Statement by the Actuary, which forms part of the annual NHS Pension Scheme Annual Report and Accounts. These accounts can be viewed on the NHS Pensions website and are published annually. Copies can also be obtained from The Stationery Office.

b) Full actuarial (funding) valuation

The purpose of this valuation is to assess the level of liability in respect of the benefits due under the schemes (taking into account recent demographic experience), and to recommend contribution rates payable by employees and employers.

The latest actuarial valuation undertaken for the NHS Pension Scheme was completed as at 31 March 2020. The results of this valuation set the employer contribution rate payable from 1 April 2024 to 23.7% of pensionable pay. The core cost cap cost of the scheme was calculated to be outside of the 3% cost cap corridor as at 31 March 2020. However, when the wider economic situation was taken into account through the economic cost cap cost of the scheme, the cost cap corridor was not similarly breached. As a result, there was no impact on the member benefit structure or contribution rates.

1.4.4. NEST Pension Scheme

An alternative pensions scheme for employees not eligible to join the NHS Pensions scheme has to be offered. The NEST (National Employment Savings Trust) Pension scheme is a defined contribution scheme and therefore the cost to the NHS body of participating in the scheme is equal to the contributions payable to the scheme for the accounting period.

1.5. Other expenses

Other operating expenses for goods or services are recognised when, and to the extent that, they have been received. They are measured at the fair value of the consideration payable.

1.6. Property, plant and equipment

1.6.1. Recognition

Property, plant and equipment is capitalised if:

- it is held for use in delivering services or for administrative purposes;
- it is probable that future economic benefits will flow to, or service potential will be supplied to, the NHS Wales organisation;
- it is expected to be used for more than one financial year;
- the cost of the item can be measured reliably; and
- the item has cost of at least £5,000; or
- Collectively, a number of items have a cost of at least £5,000 and individually have a cost of more than £250, where the assets are functionally interdependent, they had broadly simultaneous purchase dates, are anticipated to have simultaneous disposal dates and are under single managerial control; or
- Items form part of the initial equipping and setting-up cost of a new building, ward or unit, irrespective of their individual or collective cost.

Where a large asset, for example a building, includes a number of components with significantly different asset lives, the components are treated as separate assets and depreciated over their own useful economic lives.

1.6.2. Valuation

All property, plant and equipment are measured initially at cost, representing the cost directly attributable to acquiring or constructing the asset and bringing it to the location and condition necessary for it to be capable of operating in the manner intended by management.

Land and buildings used for services or for administrative purposes are stated in the Statement of Financial Position (SoFP) at their revalued amounts, being the fair value at the date of revaluation less any subsequent accumulated depreciation and impairment losses. Revaluations are performed with sufficient regularity to ensure that carrying amounts are not materially different from those that would be determined at the end of the reporting period. Fair values are determined as follows:

- Land and non-specialised buildings – market value for existing use

- Specialised buildings – depreciated replacement cost

HM Treasury has adopted a standard approach to depreciated replacement cost valuations based on modern equivalent assets and, where it would meet the location requirements of the service being provided, an alternative site can be valued. NHS Wales' organisations have applied these new valuation requirements from 1st April 2009.

Properties in the course of construction for service or administration purposes are carried at cost, less any impairment loss. Cost includes professional fees but not borrowing costs, which are recognised as expenses immediately, as allowed by IAS 23 for assets held at fair value. Assets are revalued and depreciation commences when they are brought into use.

In 2022-23 a formal revaluation exercise was applied to land and properties. The carrying value of existing assets at that date will be written off over their remaining useful lives and new fixtures and equipment are carried at depreciated historic cost as this is not considered to be materially different from fair value.

An increase arising on revaluation is taken to the revaluation reserve except when it reverses an impairment for the same asset previously recognised in expenditure, in which case it is credited to expenditure to the extent of the decrease previously charged there. A revaluation decrease that does not result from a loss of economic value or service potential is recognised as an impairment charged to the revaluation reserve to the extent that there is a balance on the reserve for the asset and, thereafter, to expenditure. Impairment losses that arise from a clear consumption of economic benefit should be taken to expenditure.

References in IAS 36 to the recognition of an impairment loss of a revalued asset being treated as a revaluation decrease to the extent that the impairment does not exceed the amount in the revaluation surplus for the same asset, are adapted such that only those impairment losses that do not result from a clear consumption of economic benefit or reduction of service potential (including as a result of loss or damage resulting from normal business operations) should be taken to the revaluation reserve. Impairment losses that arise from a clear consumption of economic benefit should be taken to the Statement of Comprehensive Net Expenditure (SoCNE).

From 2015-16, IFRS 13 Fair Value Measurement must be complied with in full. However, IAS 16 and IAS 38 have been adapted for the public sector context which limits the circumstances under which a valuation is prepared under IFRS 13. Assets which are held for their service potential and are in use should be measured at their current value in existing use. For specialised assets current value in existing use should be interpreted as the present value of the assets remaining service potential, which can be assumed to be at least equal to the cost of replacing that service potential. Where there is no single class of asset that falls within IFRS 13, disclosures should be for material items only.

In accordance with the adaptation of IAS 16 in table 6.2 of the FReM, for non-specialised assets in operational use, current value in existing use is interpreted as market value for existing use which is defined in the RICS Red Book as Existing Use Value (EUV).

Assets which were most recently held for their service potential but are surplus should be valued at current value in existing use, if there are restrictions on the NHS organisation or the asset which would prevent access to the market at the reporting date. If the NHS organisation could access the market then the surplus asset should be used at fair value using IFRS 13. In determining whether such an asset which is not in use is surplus, an assessment should be made on whether there is a clear plan to bring the asset back into use as an operational asset. Where there is a clear plan, the asset is not surplus and the current value in existing use should be maintained. Otherwise the asset should be assessed as being surplus and valued under IFRS13.

Assets which are not held for their service potential should be valued in accordance with IFRS 5 or IAS 40 depending on whether the asset is actively held for sale. Where an asset is not being used to deliver services and there is no plan to bring it back into use, with no restrictions on sale, and it does not meet the IAS 40 and IFRS 5 criteria, these assets are surplus and are valued at fair value using IFRS 13.

1.6.3. Subsequent expenditure

Where subsequent expenditure enhances an asset beyond its original specification, the directly attributable cost is capitalised. Where subsequent expenditure restores the asset to its original specification, the expenditure is capitalised and any carrying value of the item replaced is written-out and charged to the SoCNE. As highlighted in previous years the NHS in Wales does not have systems in place to ensure that all items being "replaced" can be identified and hence the cost involved to be quantified. The NHS in Wales has thus established a national protocol to ensure it complies with the standard as far as it is able to which is outlined in the capital accounting chapter of the Manual For Accounts. This dictates that to ensure that asset carrying values are not materially overstated, for All Wales Capital Schemes that are completed in a financial year, NHS Wales organisations are required to obtain a revaluation during that year (prior to them being brought into use) and also similar revaluations are needed for all Discretionary Building Schemes completed which have a spend greater than £0.5m. The write downs identified are then charged to operating expenses.

1.7. Intangible assets

1.7.1. Recognition

Intangible assets are non-monetary assets without physical substance, which are capable of sale separately from the rest of the business or which arise from contractual or other legal rights. They are recognised only when it is probable that future economic benefits will flow to, or service potential be provided to, the NHS Wales organisation; where the cost of the asset can be measured reliably, and where the cost is at least £5,000.

Intangible assets acquired separately are initially recognised at fair value. Software that is integral to the operating of hardware, for example an operating system, is capitalised as part of the relevant item of property, plant and equipment. Software that is not integral to the operation of hardware, for example application software, is capitalised as an intangible asset. Expenditure on research is not capitalised: it is recognised as an operating expense in the period in which it is incurred. Internally-generated assets are recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use.
- the intention to complete the intangible asset and use it.
- the ability to use the intangible asset.
- how the intangible asset will generate probable future economic benefits.
- the availability of adequate technical, financial and other resources to complete the intangible asset and use it.
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

1.7.2 Measurement

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the criteria above are initially met. Where no internally-generated intangible asset can be recognised, the expenditure is recognised in the period in which it is incurred.

Following initial recognition, intangible assets are carried at fair value by reference to an active market, or, where no active market exists, at amortised replacement cost (modern equivalent assets basis), indexed for relevant price increases, as a proxy for fair value. Internally-developed software is held at historic cost to reflect the opposing effects of increases in development costs and technological advances.

1.8. Depreciation, amortisation and impairments

Freehold land, assets under construction and assets held for sale are not depreciated.

Otherwise, depreciation and amortisation are charged to write off the costs or valuation of property, plant and equipment and intangible non-current assets, less any residual value, over their estimated useful lives, in a manner that reflects the consumption of economic benefits or service potential of the assets. The estimated useful life of an asset is the period over which the NHS Wales Organisation expects to obtain economic benefits or service potential from the asset. This is specific to the NHS Wales organisation and may be shorter than the physical life of the asset itself. Estimated useful lives and residual values are reviewed each year end, with the effect of any changes recognised on a prospective basis. Assets held under finance leases are depreciated over the shorter of the lease term and estimated useful lives.

At each reporting period end, the NHS Wales organisation checks whether there is any indication that any of its tangible or intangible non-current assets have suffered an impairment loss. If there is indication of an impairment loss, the recoverable amount of the asset is estimated to determine whether there has been a loss and, if so, its amount. Intangible assets not yet available for use are tested for impairment annually.

Impairment losses that do not result from a loss of economic value or service potential are taken to the revaluation reserve to the extent that there is a balance on the reserve for the asset and, thereafter, to the SoCNE. Impairment losses that arise from a clear consumption of economic benefit are taken to the SoCNE. The balance on any revaluation reserve (up to the level of the impairment) to which the impairment would have been charged under IAS 36 are transferred to retained earnings. Right of use (ROU) asset impairments are reflected in ROU liability.

1.9. Research and Development

Research and development expenditure is charged to operating costs in the year in which it is incurred, except insofar as it relates to a clearly defined project, which can be separated from patient care activity and benefits therefrom can reasonably be regarded as assured. Expenditure so deferred is limited to the value of future benefits expected and is amortised through the SoCNE on a systematic basis over the period expected to benefit from the project.

1.10 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met when the sale is highly probable, the asset is available for immediate sale in its present condition and management is committed to the sale, which is expected to qualify for recognition as a completed sale,

within one year from the date of classification. Non-current assets held for sale are measured at the lower of their previous carrying amount and fair value less costs to sell. Fair value is open market value including alternative uses.

The profit or loss arising on disposal of an asset is the difference between the sale proceeds and the carrying amount and is recognised in the SoCNE. On disposal, the balance for the asset on the revaluation reserve, is transferred to the General Fund.

Property, plant and equipment that is to be scrapped or demolished does not qualify for recognition as held for sale. Instead it is retained as an operational asset and its economic life adjusted. The asset is derecognised when it is scrapped or demolished.

1.11 Leases

A lease is a contract or part of a contract that conveys the right to use an asset for a period of time in exchange for consideration.

IFRS 16 leases is effective across public sector from 1st April 2022. The transition to IFRS 16 has been completed in accordance with paragraph C5 (b) of the Standard, applying IFRS 16 requirements retrospectively recognising the cumulative effects at the date of initial application.

In the transition to IFRS 16 a number of elections and practical expedients offered in the standard have been employed. These are as follows: The entity has applied the practical expedient offered in the standard per paragraph C3 to apply IFRS 16 to contracts or arrangements previously identified as containing a lease under the previous leasing standards IAS 17 leases and IFRIC 4 determining whether an arrangement contains a lease and not to those that were identified as not containing a lease under previous leasing standards.

On initial application Swansea Bay University LHB has measured the right of use assets for leases previously classified as operating leases per IFRS 16 C8 (b)(ii), at an amount equal to the lease liability adjusted for accrued or prepaid lease payments.

No adjustments have been made for operating leases in which the underlying asset is of low value per paragraph C9 (a) of the standard.

The transitional provisions have not been applied to operating leases whose terms end within 12 months of the date of initial application per paragraph C10 (c) of IFRS 16.

Hindsight is used to determine the lease term when contracts or arrangements contain options to extend or terminate the lease in accordance with C10 (e) of IFRS 16.

Due to transitional provisions employed the requirements for identifying a lease within paragraphs 9 to 11 of IFRS 16 are not employed for leases in existence at the initial date of application. Leases entered into on or after the 1st April 2022 will be assessed under the requirements of IFRS 16.

There are further expedients or election that have been employed by Swansea Bay University LHB in applying IFRS 16.

These include:

- the measurement requirements under IFRS 16 are not applied to leases with a term of 12 months or less under paragraph 5 (a) of IFRS 16
- the measurement requirements under IFRS 16 are not applied to leases where the underlying asset is of a low value which are identified as those assets of a value of less than £5,000, excluding any irrecoverable VAT, under paragraph 5 (b) of IFRS 16

Swansea Bay University LHB will not apply IFRS 16 to any new leases of intangible assets, applying the

List any other expedients employed by the entity (such as low value 5(b) or 15 on componentisation HM Treasury have adapted the public sector approach to IFRS 16 which impacts on the identification and measurement of leasing arrangements that will be accounted for under IFRS 16.

The LHB is required to apply IFRS 16 to lease like arrangements entered into with other public sector entities that are in substance akin to an enforceable contract, that in their formal legal form may not be enforceable. Prior to accounting for such arrangements under IFRS 16 Swansea Bay University LHB has assessed that in all other respects these arrangements meet the definition of a lease under the standard.

Swansea Bay University LHB is required to apply IFRS 16 to lease like arrangements entered into in which consideration exchanged is nil or nominal, therefore significantly below market value. These arrangements are described as peppercorn leases. Such arrangements are again required to meet the definition of a lease in every other respect prior to inclusion in the scope of IFRS 16. The accounting for peppercorn arrangements aligns to that identified for donated assets. Peppercorn leases are different in substance to arrangements in which consideration is below market value but not significantly below market value.

The nature of the accounting policy change for the lessee is more significant than for the lessor under IFRS 16. IFRS 16 introduces a singular lessee approach to measurement and classification in which lessees recognise a right of use asset.

For the lessor leases remain classified as finance leases when substantially all the risks and rewards incidental to ownership of an underlying asset are transferred to the lessee. When this transfer does not occur, leases are classified as operating leases.

1.11.1 Swansea Bay University LHB as lessee

At the commencement date for the leasing arrangement a lessee shall recognise a right of use asset and corresponding lease liability. The LHB employs a revaluation model for the subsequent measurement of its right of use assets unless cost is considered to be an appropriate proxy for current value in existing use or fair value in line with the accounting policy for owned assets. Where consideration exchanged is identified as below market value, cost is not considered to be an appropriate proxy to value the right of use asset.

Irrecoverable VAT is expensed in the period to which it relates and therefore not included in the measurement of the lease liability and consequently the value of the right of use asset.

The incremental borrowing rate of 0.95% has been applied to the lease liabilities recognised at the date of initial application of IFRS 16.

Where changes in future lease payments result from a change in an index or rate or rent review, the lease liabilities are remeasured using an unchanged discount rate.

Where there is a change in a lease term or an option to purchase the underlying asset the LHB applies a revised rate to the remaining lease liability.

Where existing leases are modified the LHB must determine whether the arrangement constitutes a separate lease and apply the standard accordingly.

Lease payments are recognised as an expense on a straight-line or another systematic basis over the lease term, where the lease term is in substance 12 months or less, or is elected as a lease containing low value underlying asset by the LHB.

1.11.2 Swansea Bay University LHB as lessor

A lessor shall classify each of its leases as an operating or finance lease. A lease is classified as finance lease when the lease substantially transfers all the risks and rewards incidental to ownership of an underlying asset. Where substantially all the risks and rewards are not transferred, a lease is classified as an operating lease.

Amounts due from lessees under finance leases are recorded as receivables at the amount of the LHB's net investment in the leases. Finance lease income is allocated to accounting periods to reflect a constant periodic rate of return on the LHB's net investment outstanding in respect of the leases.

Income from operating leases is recognised on a straight-line or another systematic basis over the term of the lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised as an expense on a straight-line basis over the lease term.

Where Swansea Bay University LHB is an intermediate lessor, being a lessor and a lessee regarding the same underlying asset, classification of the sublease is required to be made by the intermediate lessor considering the term of the arrangement and the nature of the right of use asset arising from the head lease.

On transition Swansea Bay University LHB has reassessed the classification of all of its continuing subleasing arrangements to include peppercorn leases.

1.12. Inventories

Whilst it is accounting convention for inventories to be valued at the lower of cost and net realisable value using the weighted average or "first-in first-out" cost formula, it should be recognised that the NHS is a special case in that inventories are not generally held for the intention of resale and indeed there is no market readily available where such items could be sold. Inventories are valued at cost and this is considered to be a reasonable approximation to fair value due to the high turnover of stocks. Work-in-progress comprises goods in intermediate stages of production. Partially completed contracts for patient services are not accounted for as work-in-progress.

1.13. Cash and cash equivalents

Cash is cash in hand and deposits with any financial institution repayable without penalty on notice of not more than 24 hours. Cash equivalents are investments that mature in three months or less from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value. In the Statement of Cash flows (SoCF), cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and that form an integral part of the cash management.

1.14. Provisions

Provisions are recognised when the LHB has a present legal or constructive obligation as a result of a past event, it is probable that the LHB will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the expenditure required to settle the obligation at the end of the reporting period, taking into account the risks and uncertainties. Where a provision is measured using the cash flows estimated to settle the obligation, its carrying amount is the present value of those cash flows using the discount rate supplied by HM Treasury.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Present obligations arising under onerous contracts are recognised and measured as a provision. An onerous contract is considered to exist where the LHB has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it.

A restructuring provision is recognised when the LHB has developed a detailed formal plan for the restructuring and has raised a valid expectation in those affected that it will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it. The measurement of a restructuring provision includes only the direct expenditures arising from the restructuring, which are those amounts that are both necessarily entailed by the restructuring and not associated with ongoing activities of the entity.

1.14.1. Clinical negligence and personal injury costs

The Welsh Risk Pool Services (WRPS) operates a risk pooling scheme which is co-funded by the Welsh Government with the option to access a risk sharing agreement funded by the participative NHS Wales bodies. The risk sharing option was implemented in both 2024-25 and 2025-26. The WRPS is hosted by Velindre University NHS Trust.

1.14.2. Future Liability Scheme (FLS) - General Medical Practice Indemnity (GMPI)

The FLS is a state backed scheme to provide clinical negligence General Medical Practice Indemnity (GMPI) for providers of GMP services in Wales.

In March 2019, the Minister issued a Direction to Velindre University NHS Trust to enable Legal and Risk Services to operate the Scheme. The GMPI is underpinned by new secondary legislation, The NHS (Clinical Negligence Scheme) (Wales) Regulations 2019 which came into force on 1st April 2019.

GMP Service Providers are not direct members of the GMPI FLS, their qualifying liabilities are the subject of an arrangement between them and their relevant LHB, which is a member of the scheme. The qualifying reimbursements to the LHB are not subject to the £25,000 excess.

1.15. Financial Instruments

From 2018-19 IFRS 9 Financial Instruments has applied, as interpreted and adapted for the public sector, in the FReM. The principal impact of IFRS 9 adoption by NHS Wales' organisations, was to change the calculation basis for bad debt provisions, changing from an incurred loss basis to a lifetime expected credit loss (ECL) basis.

All entities applying the FReM recognised the difference between previous carrying amount and the carrying amount at the beginning of the annual reporting period that included the date of initial application in the opening general fund within Taxpayer's equity.

1.16. Financial assets

Financial assets are recognised on the SoFP when the LHB becomes party to the financial instrument contract or, in the case of trade receivables, when the goods or services have been delivered. Financial assets are derecognised when the contractual rights have expired or the asset has been transferred.

The accounting policy choice allowed under IFRS 9 for long term trade receivables, contract assets which do contain a significant financing component (in accordance with IFRS 15), and lease receivables within the scope of IAS 17 has been withdrawn and entities should always recognise a loss allowance at an amount equal to lifetime Expected Credit Losses. All entities applying the FReM should utilise IFRS 9's simplified approach to impairment for relevant assets.

IFRS 9 requirements required a revised approach for the calculation of the bad debt provision, applying the principles of expected credit loss, using the practical expedients within IFRS 9 to construct a provision matrix.

1.16.1. Financial assets are initially recognised at fair value

Financial assets are classified into the following categories: financial assets 'at fair value through SoCNE'; 'held to maturity investments'; 'available for sale' financial assets, and 'loans and receivables'. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

1.16.2. Financial assets at fair value through SoCNE

Embedded derivatives that have different risks and characteristics to their host contracts, and contracts with embedded derivatives whose separate value cannot be ascertained, are treated as financial assets at fair value through SoCNE. They are held at fair value, with any resultant gain or loss recognised in the SoCNE. The net gain or loss incorporates any interest earned on the financial asset.

1.16.3 Held to maturity investments

Held to maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity, and there is a positive intention and ability to hold to maturity. After initial recognition, they are held at amortised cost using the effective interest method, less any impairment. Interest is recognised using the effective interest method.

1.16.4. Available for sale financial assets

Available for sale financial assets are non-derivative financial assets that are designated as available for sale or that do not fall within any of the other three financial asset classifications. They are measured at fair value with changes in value taken to the revaluation reserve, with the exception of impairment losses. Accumulated gains or losses are recycled to the SoCNE on de-recognition.

1.16.5. Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments which are not quoted in an active market. After initial recognition, they are measured at amortised cost using the effective interest method, less any impairment. Interest is recognised using the effective interest method.

Fair value is determined by reference to quoted market prices where possible, otherwise by valuation techniques.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to the net carrying amount of the financial asset.

At the SOFP date, Swansea Bay University LHB assesses whether any financial assets, other than those held at 'fair value through profit and loss' are impaired. Financial assets are impaired and impairment losses recognised if there is objective evidence of impairment as a result of one or more events which occurred after the initial recognition of the asset and which has an impact on the estimated future cash flows of the asset.

For financial assets carried at amortised cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the revised future cash flows discounted at the asset's original effective interest rate. The loss is recognised in the SoCNE and the carrying amount of the asset is reduced directly, or through a provision of impairment of receivables.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through the SoCNE to the extent that the carrying amount of the receivable at the date of the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

1.17. Financial liabilities

Financial liabilities are recognised on the SOFP when Swansea Bay University LHB becomes party to the contractual provisions of the financial instrument or, in the case of trade payables, when the goods or services have been received. Financial liabilities are de-recognised when the liability has been discharged, that is, the liability has been paid or has expired.

1.17.1. Financial liabilities are initially recognised at fair value

Financial liabilities are classified as either financial liabilities at fair value through the SoCNE or other financial liabilities.

1.17.2. Financial liabilities at fair value through the SoCNE

Embedded derivatives that have different risks and characteristics to their host contracts, and contracts with embedded derivatives whose separate value cannot be ascertained, are treated as financial liabilities at fair value through profit and loss. They are held at fair value, with any resultant gain or loss recognised in the SoCNE. The net gain or loss incorporates any interest earned on the financial asset.

1.17.3. Other financial liabilities

After initial recognition, all other financial liabilities are measured at amortised cost using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash payments through the life of the asset, to the net carrying amount of the financial liability. Interest is recognised using the effective interest method.

1.18. Value Added Tax (VAT)

Most of the activities of the NHS Wales organisation are outside the scope of VAT and, in general, output tax does not apply and input tax on purchases is not recoverable. Irrecoverable VAT is charged to the relevant expenditure category or included in the capitalised purchase cost of fixed assets. Where output tax is charged or input VAT is recoverable, the amounts are stated net of VAT.

1.19. Foreign currencies

Transactions denominated in a foreign currency are translated into sterling at the exchange rate ruling on the dates of the transactions. Resulting exchange gains and losses are taken to the SoCNE. At the SoFP date, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the reporting date.

1.20. Third party assets

Assets belonging to third parties (such as money held on behalf of patients) are not recognised in the accounts since the NHS Wales organisation has no beneficial interest in them. Details of third party assets are given in the Notes to the accounts.

1.21. Losses and Special Payments

Losses and special payments are items that the Welsh Government would not have contemplated when it agreed funds for the health service or passed legislation. By their nature they are items that ideally should not arise. They are therefore subject to special control procedures compared with the generality of payments. They are divided into different categories, which govern the way each individual case is handled.

Losses and special payments are charged to the relevant functional headings in the SoCNE on an accruals basis, including losses which would have been made good through insurance cover had the LHB not been bearing their own risks (with insurance premiums then being included as normal revenue expenditure). However, the note on losses and special payments is compiled directly from the losses register which is prepared on a cash basis.

Swansea Bay University LHB accounts for all losses and special payments gross (including assistance from the WRP).

Swansea Bay University LHB accrues or provides for the best estimate of future pay-outs for certain liabilities and discloses all other potential payments as contingent liabilities, unless the probability of the liabilities becoming payable is remote.

All claims for losses and special payments are provided for where the probability of settlement of an individual claim is over 50%. Where reliable estimates can be made, incidents of clinical negligence against which a claim has not, as yet, been received are provided in the same way. Expected reimbursements from the WRP are included in debtors. For those claims where the probability of settlement is between 5- 50%, the liability is disclosed as a contingent liability.

1.22. Pooled budgets

Swansea Bay University LHB has entered into pooled budgets with the City and County of Swansea and Neath Port Talbot County Borough Council Local Authorities. Under the arrangements funds are pooled in accordance with section 33 of the NHS (Wales) Act 2006 for specific activities defined in the Pooled budget Note.

The pool budget is hosted by the City and County of Swansea. Payments for services provided are accounted for as miscellaneous income. Swansea Bay University LHB accounts for its share of the assets, liabilities, income and expenditure from the activities of the pooled budget, in accordance with the pooled budget arrangement.

1.23. Critical Accounting Judgements and key sources of estimation uncertainty

In the application of the accounting policies, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates. The estimates and underlying assumptions are continually reviewed. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or the period of the revision and future periods if the revision affects both current and future periods.

1.24. Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the SoFP date, that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Significant estimations are made in relation to on-going clinical negligence and personal injury claims. Assumptions as to the likely outcome, the potential liabilities and the timings of these litigation claims are provided by independent legal advisors. Any material changes in liabilities associated with these claims would be recoverable through the Welsh Risk Pool.

Significant estimations are also made for continuing care costs resulting from claims post 1st April 2003. An assessment of likely outcomes, potential liabilities and timings of these claims are made on a case by case basis. Material changes associated with these claims would be adjusted in the period in which they are revised.

Estimates are also made for contracted primary care services. These estimates are based on the latest payment levels. Changes associated with these liabilities are adjusted in the following reporting period.

1.24.1. Provisions

Swansea Bay University LHB provides for legal or constructive obligations for clinical negligence, personal injury and defence costs that are of uncertain timing or amount at the balance sheet date on the basis of the best estimate of the expenditure required to settle the obligation.

Claims are funded via the Welsh Risk Pool Services (WRPS) which receives an annual allocation from Welsh Government to cover the cost of reimbursement requests submitted to the bi-monthly WRPS Committee. Following settlement to individual claimants by Swansea Bay University LHB, the full cost is recognised in year and matched to income (less a £25K excess) via a WRPS debtor, until reimbursement has been received from the WRPS Committee.

1.24.2. Probable & Certain Cases – Accounting Treatment

A provision for these cases is calculated in accordance with IAS 37. Cases are assessed and divided into four categories according to their probability of settlement;

Remote	Probability of Settlement	0 – 5%
	Accounting Treatment	Remote Contingent Liability.
Possible	Probability of Settlement	6% - 49%
	Accounting Treatment	Defence Fee - Provision * Contingent Liability for all other estimated expenditure
Probable	Probability of Settlement	50% - 94%
	Accounting Treatment	Full Provision
Certain	Probability of Settlement	95% - 100%
	Accounting Treatment	Full Provision

** Personal injury cases - Defence fee costs are provided for at 100%.*

The provision for probable and certain cases is based on case estimates of individual reported claims received by Legal & Risk Services within NHS Wales Shared Services Partnership.

The solicitor will estimate the case value including defence fees, using professional judgement and from obtaining counsel advice. Valuations are then discounted for the future loss elements using individual life expectancies and the Government Actuary's Department actuarial tables (Ogden tables) and Personal Injury Discount Rate of 0.5%.

Future liabilities for certain & probable cases with a probability of 95%-100% and 50%- 94% respectively are held as a provision on the balance sheet. Cases typically take a number of years to settle, particularly for high value cases where a period of development is necessary to establish the full extent of the injury

1.24.3 Primary Care Expenditure

As in previous years, due to the short timescale available to prepare the year end accounts, the primary care expenditure disclosed contains a number of significant estimates where the value of the actual liabilities was not available prior to the date for accounts submission, the most material areas being:

General Medical Services Quality and Assurance Improvement Framework (QAIF)

From 1st October 2019, QAIF was introduced as part of the 2019/20 GMS contract reform, replacing the quality and outcomes framework. Under both schemes, GP Practices achieve a certain level of points and these are multiplied by a financial value per point to establish the payments due.

Clinical QAIF domains transferred into Core contract from 1 October 2022, resulting in a transfer of funding into Global Sum (GSUM). This quantum represents full achievement in all indicators for all practices moving into total GSUM and then distributed to practices via the Carr-Hill formula. The removal of Assurance indicators from the framework means that QAIF has become QIF (Quality Improvement Framework).

The points that are remaining in the Quality Improvement domains, namely Access (100 pts) and the newly drafted mandatory QI projects (170 pts), were revalued at £206.96 per point for 2025/26.

This compares to the 2021/22 points of Access (125 pts) and QI projects (185 pts) and QA projects (382 pts).

An amount has therefore been accrued on the basis of the number of points achieved by each GP Practice in 2025/26 capped at 270 points payable at £206.96 per point.

1.24.4 Prescribing Costs

For 2025/26, the Health Board has used the accrual methodology used in previous years, and will accrue prescribing costs for the months of February and March 2026.

The costs are derived using the average daily charge for the 4 month period October to January to calculate an average weighted daily run rate for prescribing. This weighted daily run rate is based on 50% calendar days in the month and 50% prescribing days in the month. This average cost is then applied to the number of days in February and March to arrive at an amount for accrual.

As in previous years, this amount will then be reviewed to take into account the estimated impact of the growth factor that was seen previously at the latter end of 2024/25.

1.24.5 Pharmacy

As in prior years, the run rate for November to January will be used to accrue for February and March due to several changes to the fees and allowances within the pharmacy contract from April to October.

This approach will be used again for 2025-26 with estimated adjustments made for the increase in contract price per item for February and March 2026.

1.25 Discount Rates

Where discount is applied, a disclosure detailing the impact of the discounting on liabilities to be included for the relevant notes. The disclosure should include where possible undiscounted values to demonstrate the impact. An explanation of the source of the discount rate or how the discount rate has been determined to be included.

1.26 Private Finance Initiative (PFI) transactions

HM Treasury has determined that government bodies shall account for infrastructure PFI schemes where the government body controls the use of the infrastructure and the residual interest in the infrastructure at the end of the arrangement as service concession arrangements, following the principles of the requirements of IFRIC 12. The LHB therefore recognises the PFI asset as an item of property, plant and equipment together with a liability to pay for it. The services received under the contract are recorded as operating expenses.

The annual unitary payment is separated into the following component parts, using appropriate estimation techniques where necessary:

- a) Payment for the fair value of services received;
- b) Payment for the PFI asset, including finance costs; and
- c) Payment for the replacement of components of the asset during the contract 'lifecycle replacement'.

1.26.1. Services received

The fair value of services received in the year is recorded under the relevant expenditure headings within 'operating expenses'.

1.26.2. PFI asset

The PFI assets are recognised as property, plant and equipment, when they come into use. The assets are measured initially at fair value in accordance with the principles of IAS 17. Subsequently, the assets are measured at fair value, which is kept up to date in accordance with the LHB's approach for each relevant class of asset in accordance with the principles of IAS 16.

1.26.3. PFI liability

A PFI liability is recognised at the same time as the PFI assets are recognised.

Prior year treatment

It is measured initially at the same amount as the fair value of the PFI assets and is subsequently measured as a finance lease liability in accordance with IAS 17.

An annual finance cost is calculated by applying the implicit interest rate in the lease to the opening lease liability for the period, and is charged to 'Finance Costs' within the SoCNE.

The element of the annual unitary payment that is allocated as a finance lease rental is applied to meet the annual finance cost and to repay the lease liability over the contract term.

An element of the annual unitary payment increase due to cumulative indexation is allocated to the finance lease. In accordance with IAS 17, this amount is not included in the minimum lease payments, but is instead treated as contingent rent and is expensed as incurred. In substance, this amount is a finance cost in respect of the liability and the expense is presented as a contingent finance cost in the SoCNE.

1.26.4 Impact of IFRS 16 on on-balance sheet PFI/PPP Schemes as from 1st April 2023.

On-balance sheet PPP arrangements should be based on IFRS 16 accounting principles from 2023-24.

When measuring the liability for on-balance sheet PPP contracts containing capital payments linked to a price index IFRS 16 requires that a lessee shall remeasure the lease liability where there is a change in future lease payments resulting from a change in an index or a rate used to determine those payments. The lessee shall remeasure the lease liability to reflect those revised lease payments only when there is a change in the cash flows.

Initial remeasurement - the future PPP liability will need to be remeasured at 1st April 2023 to include the actual indexation-linked changes to payments for the capital/infrastructure element which have taken effect in the cash flows since the PPP agreement commenced. This should use a cumulative catch-up approach, where the cumulative effect is recognised as an adjustment to the opening balance of retained earnings.

Subsequent measurement - The PPP liability will continue to require remeasurements whenever cash payments change in response to indexation movements as set out in the individual PPP contract. The double entry for the subsequent liability remeasurement should be Debit Finance Cost, Credit PPP liability.

The liability does not include estimated future indexation linked increases.

1.26.5. Lifecycle replacement

Components of the asset replaced by the operator during the contract ('lifecycle replacement') are capitalised where they meet the LHB's criteria for capital expenditure. They are capitalised at the time they are provided by the operator and are measured initially at their fair value.

The element of the annual unitary payment allocated to lifecycle replacement is pre-determined for each year of the contract from the operator's planned programme of lifecycle replacement. Where the lifecycle component is provided earlier or later than expected, a short-term finance lease liability or prepayment is recognised respectively.

Where the fair value of the lifecycle component is less than the amount determined in the contract, the difference is recognised as an expense when the replacement is provided. If the fair value is greater than the amount determined in the contract, the difference is treated as a 'free' asset and a deferred income balance is recognised. The deferred income is released to the operating income over the shorter of the remaining contract period or the useful economic life of the replacement component.

1.26.6. Assets contributed by the LHB to the operator for use in the scheme

Assets contributed for use in the scheme continue to be recognised as items of property, plant and equipment in the LHB's SoFP.

1.26.7. Other assets contributed by the LHB to the operator

Assets contributed (e.g. cash payments, surplus property) by the LHB to the operator before the asset is brought into use, which are intended to defray the operator's capital costs, are recognised initially as prepayments during the construction phase of the contract. Subsequently, when the asset is made available to the LHB, the prepayment is treated as an initial payment towards the finance lease liability and is set against the carrying value of the liability.

A PFI liability is recognised at the same time as the PFI assets are recognised. It is measured at the present value of the minimum lease payments, discounted using the implicit interest rate. It is subsequently measured as a finance lease liability in accordance with IAS 17.

On initial recognition of the asset, the difference between the fair value of the asset and the initial liability is recognised as deferred income, representing the future service potential to be received by the NHS Wales organisation through the asset being made available to third party users.

1.27. Contingencies

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the LHB, or a present obligation that is not recognised because it is not probable that a payment will be required to settle the obligation or the amount of the obligation cannot be measured sufficiently reliably. A contingent liability is disclosed unless the possibility of a payment is remote.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the LHB. A contingent asset is disclosed where an inflow of economic benefits is probable.

Where the time value of money is material, contingencies are disclosed at their present value. Remote contingent liabilities are those that are disclosed under Parliamentary reporting requirements and not under IAS 37 and, where practical, an estimate of their financial effect is required.

1.28. Absorption accounting

Transfers of function are accounted for as either by merger or by absorption accounting dependent upon the treatment prescribed in the FReM. Absorption accounting requires that entities account for their transactions in the period in which they took place with no restatement of performance required.

Where transfer of function is between LHBs the gain or loss resulting from the assets and liabilities transferring is recognised in the SoCNE and is disclosed separately from the operating costs.

1.29. Accounting standards that have been issued but not yet been adopted

The following accounting standards have been issued and or amended by the IASB and IFRIC but have not been adopted because they are not yet required to be adopted by the FReM

IFRS14 Regulatory Deferral Accounts - Not UK endorsed. Applies to first time adopters of IFRS after 1st January 2016. Therefore not applicable.

IFRS 18 Presentation and Disclosure in Financial Statements - Application required for accounting periods beginning on or after 1st January 2027. Standard is not yet UK endorsed and not yet adopted by the FReM. Early adoption is not permitted.

IFRS 19 Subsidiaries without Public Accountability: Disclosures - Application required for accounting periods beginning on or after 1st January 2027. Standard is not yet UK endorsed and not yet adopted by the FReM. Early adoption is not permitted.

1.30. Accounting standards issued that have been adopted early

During 2025-26 there have been no accounting standards that have been adopted early. All early adoption of accounting standards will be led by HM Treasury.

1.31. Charities

Following Treasury's agreement to apply IAS 27 to NHS Charities from 1 April 2013, Swansea Bay University LHB has established that as it is the corporate trustee of the Swansea Bay University LHB NHS Charitable Fund, it is considered for accounting standards compliance to have control of the Swansea Bay University LHB NHS Charitable Fund as a subsidiary. The determination of control is an accounting standard test of control and there has been no change to the operation of the Swansea Bay University LHB NHS Charitable Fund or its independence in its management of charitable funds.

Whilst there is a requirement to consolidate the results of the Swansea Bay University LHB NHS Charitable Fund within the statutory accounts of the LHB, Swansea Bay University LHB has with the agreement of the Welsh Government adopted the IAS 27 (10) exemption to consolidate.

Welsh Government as the ultimate parent of the Local Health Boards will disclose the Charitable Accounts of Local Health Boards in the Welsh Government Consolidated Accounts.

Details of the transactions with the charity are included in the related parties' notes.

2. Financial Duties Performance

The National Health Service Finance (Wales) Act 2014 came into effect from 1st April 2014. The Act amended the financial duties of Local Health Boards under section 175 of the National Health Service (Wales) Act 2006. From 1st April 2014 section 175 of the National Health Service (Wales) Act places two financial duties on Local Health Boards:

- A duty under section 175 (1) to secure that its expenditure does not exceed the aggregate of the funding allotted to it over a period of 3 financial years;
- A duty under section 175 (2A) to prepare a plan in accordance with planning directions issued by the Welsh Ministers, to secure compliance with the duty under section 175 (1) while improving the health of the people for whom it is responsible, and the provision of health care to such people, and for that plan to be submitted to and approved by the Welsh Ministers.

The first assessment of performance against the 3 year statutory duty under section 175 (1) was at the end of 2016-17, being the first 3 year period of assessment.

Welsh Health Circular WHC/2016/054 "Statutory and Financial Duties of Local Health Boards and NHS Trusts" clarifies the statutory financial duties of NHS Wales bodies effective from 2016-17.

2.1 Revenue Resource Performance

	Annual financial performance			
	2023-24 £000	2024-25 £000	2025-26 £000	Total £000
Net operating costs for the year	1,282,337	1,420,276	1,467,808	4,170,421
Less general ophthalmic services expenditure and other non-cash limited expenditure	1,562	833	615	3,010
Less unfunded revenue consequences of bringing PFI schemes onto SoFP	(2,711)	(3,352)	261	(5,802)
Less any non funded revenue consequences of IFRS 16	0	0	0	0
Total operating expenses	1,281,188	1,417,757	1,468,684	4,167,629
Revenue Resource Allocation	1,264,375	1,375,303	1,415,523	4,055,201
Under /(over) spend against Allocation	(16,813)	(42,454)	(53,161)	(112,428)

Swansea Bay University LHB has not met its financial duty to break-even against its Revenue Resource Limit over the 3 years 2023-24 to 2025-26.

The Health Board received £55m Strategic cash support and £19.28m of Working Capital cash support from Welsh Government during 2025-26. This support has been provided by Welsh Government to assist the Health Board with making payments to staff and suppliers; there is no requirement for this funding to be repaid.

2.2 Capital Resource Performance

	2023-24 £000	2024-25 £000	2025-26 £000	Total £000
Gross capital expenditure	64,390	56,723	58,106	179,219
Add: Losses on disposal of donated assets	0	0	43	43
Less NBV on disposal of property, plant and equipment, right of use and intangible assets	(399)	(654)	(1,564)	(2,617)
Adjustment for transfers (to)/from NHS Trusts	0	0	0	0
Less capital grants received	0	(983)	(151)	(1,134)
Less donations received	(259)	(331)	(275)	(865)
Less IFRS16 Peppercorn income	0	0	0	0
Less initial recognition of RoU Asset Dilapidations	0	(852)	(255)	(1,107)
Charge against Capital Resource Allocation	63,732	53,903	55,904	173,539
Capital Resource Allocation	63,787	53,964	55,953	173,704
(Over) / Underspend against Capital Resource Allocation	55	61	49	165

Swansea Bay University LHB has met its financial duty to break-even against its Capital Resource Limit over the 3 years 2023-24 to 2025-26.

2.3 Duty to prepare a 3 year integrated plan

The NHS Wales Planning Framework for the period 2025-2028 issued to LHBs placed a requirement upon them to prepare and submit Integrated Medium Term Plans to the Welsh Government which sets out its strategy for securing that it complies with its 'break even' duty, whilst improving the health of the people for whom it is responsible and the provision of healthcare to such people.

The Swansea Bay LHB did not submit an Integrated Medium Term Plan for the period 2025-2028 in accordance with section 175(2) of the National Health Service (Wales) Act 2006 (as amended by NHS Finance (Wales) Act 2014) and the NHS Wales Planning Framework.

As the LHB was unable to submit a balanced integrated medium-term plan in accordance with NHS Wales Planning Framework the Board submitted an Annual Plan for 2025-26 on 31st March 2025. This plan did not include a break-even position. A response to the Annual Plan was published by Welsh Government on 11th April 2025. Through May, June and July the Health Board was in regular correspondence with Welsh Government on the Annual Plan.

With the support of Welsh Government, the Health Board commissioned External Strategic Support focusing on 9 key deliverables, but for 2025-26 the key focus was on the identification and delivery of savings. Throughout 2025-26 the LHB worked with WG and its external partner to identify options to address savings target set out within the annual plan and in September a formal update was provided to Welsh Government aligned to the paper presented at the Special Board on 11 September. Work continued throughout the remainder of 2025-26 on this issue of savings delivery. However, the LHB has been unable to meet its statutory duty to have an approved financial plan.

The Minister for Health and Social Services extant approval

Status	
Date	Not Approved

Swansea Bay LHB has not therefore met its statutory duty to have an approved financial plan.

2.4 Creditor payment

The LHB is required to pay 95% of the number of non-NHS bills within 30 days of receipt of goods or a valid invoice (whichever is the later). The LHB has achieved the following results:

	2025-26	2024-25
Total number of non-NHS bills paid	279,381	297,249
Total number of non-NHS bills paid within target	269,486	282,501
Percentage of non-NHS bills paid within target	96.5%	95.0%

The LHB has met the target.

3. Analysis of gross operating costs

3.1 Expenditure on Primary Healthcare Services

	Cash limited £000	Non-cash limited £000	2025-26 Total £000	2024-25 Total £000
General Medical Services	80,827		80,827	80,023

Charged to revenue	932,952	881,286
	933,998	882,077

Net movement in accrued employee benefits (untaken staff leave) 0 0

The employer contributions to the NHS Pension Scheme disclosed above include £55.016m (2024/25 £52.138m) of NHS Pension contributions paid by Welsh Government for the twelve month period, 1 April 2025 to 31 March 2026. This has been calculated from actual Welsh Government expenditure for the 9.4% staff employer pension contributions between April 2025 and February 2026 alongside Health Board data for March 2026.

This expenditure accounted for by the health board as notional expenditure paid to NHS BSA by Welsh Government has been covered off by notional funding provided to the health board. There is therefore no impact on the health board's Revenue Resource Performance as a result of the inclusion of these notional transactions. Further information is disclosed in Note 34.1.

Included within Note 9.1 above are £205k (2024/25 £230k) of final pay control charges relating to 5 (2024/25, 14+) individuals.

The £5,408k (2024/25 £5,691k) other staffing cost in Note 9.1 relates to the cost of temporary staff sourced through the MEDACS managed service contract

9.2 Average number of employees

	£	£
Exit costs paid in year	204,867	229,863
Total	204,867	229,863

This disclosure reports the number and value of exit packages agreed in the year. Note: the expense associated with these departures may have been recognised in part or in full in a previous period.

Redundancy and other departure costs have been paid in accordance with the provisions of the NHS Voluntary Early Release Scheme (VERS).

£204,867 exit costs were paid in 2025-26 (2024-25, £229,863).

Where the LHB has agreed early retirements, the additional costs are met by the LHB and not by the NHS Pensions Scheme. Ill-health retirement costs are met by the NHS Pensions Scheme and are not included in the table.

9.5 Reporting of other compensation schemes - exit packages continued

9.5.2 Analysis of other departures	2025-26	2025-26
	Agreements	Total value of
Type of other departures	Number	agreements
		£
Voluntary redundancies including early retirement contractual costs	5	226,129
Contractual payments in lieu of notice*	0	0
Exit payments following Employment Tribunals or court orders	0	0
Non-contractual payments requiring Welsh Government Approval**	0	0
Other please specify	0	0
Total	5	226,129

This disclosure provides detail for the number and value of exit packages agreed in the year.

As a single exit package can be made up of several components each of which will be counted separately in this Note, the total number above will not necessarily match the total numbers in Note 9.5.1 which will be the number of individuals.

There were no non-contractual severance payments made during 2025/26.

9.6 Fair Pay disclosures**9.6.1 Remuneration Relationship**

Reporting bodies are required to disclose the relationship between the remuneration of the highest-paid director/employee in their organisation and the 25th percentile, median and 75th percentile remuneration of the organisation's workforce.

Total Pay and benefits	£'000			£'000

75th percentile pay ratio	227,390	43,272		227,265	49,254	

In 2025-26, 31 (2024-25, 24) employees received remuneration in excess of the highest-paid director.

Remuneration for all staff ranged from £23,875 to £218,519 (2024-25, £23,970 to £323,663).

The all staff range includes directors with the exception of the highest paid CEO Director as appropriate and excludes the non-executive directors and excludes pension benefits of all employees

Financial Year Summary

The increase in the ratio of the Chief Executive salary to the 25th percentile, median and 75th percentile is due to differing pay awards - Very Senior Managers 3.25%, A4C 3.6% and Medical & Dental staff 4%. The change of Chief Executive Officer during 2024/25 has also impacted.

9.6.2 Percentage Changes	2024-25	2023-24
	to	to
	2025-26	2024-25
	%	%
% Change from previous financial year in respect of Chief Executive		
Salary and allowances	3.76%	1.07%
Performance pay and bonuses	0.00%	0.00%
% Change from previous financial year in respect of highest paid director		
Salary and allowances	3.76%	1.07%
Performance pay and bonuses	0.00%	0.00%
Average % Change from previous financial year in respect of employees taken as a whole		
Salary and allowances	-1.77%	5.51%
Performance pay and bonuses	0.00%	0.00%

The health board does not pay any performance pay or other bonuses.

9.7 Pension costs

Past and present employees are covered by the provisions of the NHS Pension Schemes. Details of the benefits payable and rules of the schemes can be found on the NHS Pensions website at www.nhsbsa.nhs.uk/pensions. Both the 1995/2008 and 2015 schemes are accounted for, and the scheme liability valued, as a single combined scheme. Both are unfunded defined benefit schemes that cover NHS employers, GP practices and other bodies, allowed under the direction of the Secretary of State for Health and Social Care in England and Wales. They are not designed to be run in a way that would enable NHS bodies to identify their share of the underlying scheme assets and liabilities. Therefore, each scheme is accounted for as if it were a defined contribution scheme: the cost to the NHS body of participating in each scheme is taken as equal to the contributions payable to that scheme for the accounting period.

In order that the defined benefit obligations recognised in the financial statements do not differ materially from those that would be determined at the reporting date by a formal actuarial valuation, the FReM requires that “the period between formal valuations shall be four years, with approximate assessments in intervening years”.

An outline of these follows:

a) Accounting valuation

A valuation of scheme liability is carried out annually by the scheme actuary (currently the Government Actuary's Department) as at the end of the reporting period. This utilises an actuarial assessment for the previous accounting period in conjunction with updated membership and financial data for the current reporting period and is accepted as providing suitably robust figures for financial reporting purposes. The valuation of the scheme liability as at 31 March 2026, is based on valuation data as at 31 March 2024, updated to 31 March 2026 with summary global member and accounting data. In undertaking this actuarial assessment, the methodology prescribed in IAS 19, relevant FReM interpretations, and the discount rate prescribed by HM Treasury have also been used.

The latest assessment of the liabilities of the scheme is contained in the Statement by the Actuary which forms part of the annual NHS Pension Scheme Annual Report and Accounts.

These accounts can be viewed on the NHS Pensions website and are published annually. Copies can also be obtained from The Stationery Office.

b) Full actuarial (funding) valuation

The purpose of this valuation is to assess the level of liability in respect of the benefits due under the schemes (considering recent demographic experience), and to recommend the contribution rate payable by employers.

The latest actuarial valuation undertaken for the NHS Pension Scheme was completed as at 31 March 2020. The results of this valuation set the employer contribution rate payable from 1 April 2024 to 23.7% of pensionable pay. The core cost cap cost of the scheme was calculated to be outside of the 3% cost cap corridor as at 31 March 2020. However, when the wider economic situation was taken into account through the economic cost cap cost of the scheme, the cost cap corridor was not similarly breached. As a result, there was no impact on the member benefit structure or contribution rates.

The 2024 actuarial valuation is currently being prepared and will be published before new

c) National Employment Savings Trust (NEST)

NEST is a workplace pension scheme, which was set up by legislation and is treated as a trust-based scheme. The Trustee responsible for running the scheme is NEST Corporation. It's a non-departmental public body (NDPB) that operates at arm's length from government and is accountable to Parliament through the Department for Work and Pensions (DWP).

NEST Corporation has agreed a loan with the Department for Work and Pensions (DWP). This has paid for the scheme to be set up and will cover expected shortfalls in scheme costs during the earlier years while membership is growing.

NEST Corporation aims for the scheme to become self-financing while providing consistently low charges to members.

Using qualifying earnings to calculate contributions, currently the legal minimum level of contributions is 8% of a jobholder's qualifying earnings, for employers whose legal duties have started. The employer must pay at least 3% of this.

The earnings band used to calculate minimum contributions under existing legislation is called qualifying earnings. Qualifying earnings are currently those between £6,240 and £50,270 for the 2025-26 tax year (2024-25 £6,240 and £50,270).

Restrictions on the annual contribution limits were removed on 1st April 2017.

10. Public Sector Payment Policy - Measure of Compliance

10.1 Prompt payment code - measure of compliance

The Welsh Government requires that Health Boards pay all their trade creditors in accordance with the CBI prompt payment code and Government Accounting rules. The Welsh Government has set as part of the Health Board financial targets a requirement to pay 95% of the number of non-NHS creditors within 30 days of delivery.

The land and buildings were revalued by the Valuation Office Agency with an effective date of 1st April 2022. The valuation has been prepared in accordance with the terms of the latest version of the Royal Institute of Chartered Surveyors' Valuation Standards. LHBs are required to apply the revaluation model set out in IAS 16 and value its capital assets to fair value. Fair value is defined by IAS 16 as the amount for which an asset could be exchanged between knowledgeable, willing parties in an arms length transaction. This has been undertaken on the assumption that the property is sold as part of the continuing enterprise in occupation.

11. Property, plant and equipment (continued)**Disclosures:****(i) Donated Assets**

The majority of donated assets were purchased from SBU Charitable funds.

(ii) Valuations

The LHBs land and Buildings were revalued by the Valuation Office Agency with an effective date of 1st April 2022. The valuation has been prepared in accordance with the terms of the latest version of the Royal Institute of Chartered Surveyors' Valuation Standards.

The LHB is required to apply the revaluation model set out in IAS 16 and value its capital assets to fair value. Fair value is defined by IAS 16 as the amount for which an asset could be exchanged between knowledgeable, willing parties in an arms length transaction. This has been undertaken on the assumption that the property is sold as part of the continuing enterprise in operation.

(iii) Asset Lives

Depreciated as follows:

- Land is not depreciated.
- Buildings asset lives are as determined by the Valuation Office Agency and range from 2 to 84.
- Equipment assets are allocated lives on based on the professional judgement and past experience of clinicians, finance staff and other Health Board professionals. The appropriateness of these lives is reviewed regularly.
- Medical Equipment range from 5 to 15 Years.
- Non-clinical Equipment - 5 Years.
- Vehicles - 7 Years.
- Furniture - 10 Years.
- IMT Hardware & Software - 5 years or reflects contract life for some software assets.

(iv) Compensation

There has not been any compensation received from third parties for assets impaired, lost or given up, that is included in the income statement.

(v) Write Downs

There have been six DEL impairments for the following schemes which are not continuing:

- Management Centre, Morriston - £0.039m
- Modular Theatres, Singleton - £0.459m
- Morriston Pharmacy Space Modifications - £0.006m
- Regional Pathology Services at Morriston - £2.259m
- RMHSS P7 Phillips Parade Westfa - £0.027m
- TOMs – Development & Roll Out - £0.630m

(vi) Open Market Value

Additional Disclosures re Intangible Assets**Disclosures:****(i) Donated Assets**

Swansea Bay University LHB has not received any donated intangible assets during the year.

(ii) Recognition

Intangible assets acquired separately are initially recognised at fair value. The amount recognised for internally-generated intangible assets is the sum of the expenditure incurred to date when the criteria for recognising internally generated assets has been met (see accounting policy 1.7 for criteria).

(iii) Asset Lives

The Useful Economic Lives (UEL) of intangible non-current assets are assigned on an individual asset basis. Software is generally assigned a 5 year UEL with the UEL of any internally generated software being based on the professional judgement of Health Board professionals and finance staff.

(iv) Additions during the period

Additions during 2025/26 relate to software

(v) Disposals during the period

There were no disposals during 2025/26.

vi) Transfers into other NHS Bodies

Swansea Bay University LHB has not received any intangible assets transferred from another NHS body.

The great majority of trade undertaken by the Health Board is with other NHS bodies. As NHS bodies are funded by Welsh Government, no credit scoring of them is considered necessary.

The value of trade receivables that are past their payment date but not impaired is £19.702m (£15.692m in 2024-25).

15. Trade and other Receivables (continued)**Receivables past their due date but not impaired**

	Number of on SoFP PFI contracts	Number of off SoFP PFI contracts
Number of PFI contracts	1	0
Number of PFI contracts which individually have a total commitment > £500m	0	0

25.5 Public Private Partnerships

The Health Board did not have any Public Private Partnerships during the year

26. Financial risk management

Financial reporting standard IFRS 7 requires disclosure of the role that financial instruments have had during the period in creating or changing the risks a body faces in undertaking its activities. The Health Board is not exposed to the degree of financial risk faced by business entities. Also financial instruments play a much more limited role in creating or changing risk than would be typical of listed companies, to which these standards mainly apply. The Health Board has limited powers to invest and financial assets and liabilities are generated by day-to-day operational activities rather than being held to change the risks facing the Health Board in undertaking its activities.

Currency risk

The Health Board is principally a domestic organisation with the great majority of transactions, assets and liabilities being in the United Kingdom and Sterling based. The Health Board does not have any overseas operations. The Health Board therefore has low exposure to currency rate fluctuations.

Interest rate risk

Health Boards are not permitted to borrow and the Health Board therefore has low exposure to interest rate fluctuations.

Credit risk

As the majority of the Health Board's funding derives from funds voted by the Welsh Government the Health Board has low exposure to credit risk.

Liquidity risk

The Health Board is required to operate within cash limits set by the Welsh Government for the financial year and draws down funds from the Welsh Government as the requirement arises. The Health Board is not, therefore, exposed to significant liquidity risks.

27. Movements in working capital

	2025-26	2024-25
	£000	£000
(Increase)/decrease in inventories	(82)	(622)
(Increase)/decrease in trade and other receivables - non-current	(32,999)	(6,096)
(Increase)/decrease in trade and other receivables - current	12,448	(2,045)
Increase/(decrease) in trade and other payables - non-current	(9,797)	751
Increase/(decrease) in trade and other payables - current	(3,332)	817
Total	(33,762)	(7,195)
Adjustment for accrual movements in fixed assets - creditors	4,954	(6,182)
Adjustment for accrual movements in fixed assets - debtors	0	0
Adjustment for accrual movements in right of use assets - creditors	(571)	(6,239)
Adjustment for accrual movements in right of use assets - debtors	0	0
Other adjustments	1,395	1,261
	(27,984)	(18,355)

Other adjustment is for the movement in the Capital (IFRS16) element of the PFI ROU

28. Other cash flow adjustments

	2025-26	2024-25
	£000	£000
Depreciation	42,262	38,793
Amortisation	952	1,433
(Gains)/Loss on Disposal	34	103
Impairments and reversals	(19,378)	8,840
Release of PFI deferred credits	0	0
NWSSP Covid assets issued debited to expenditure but non-cash	0	0
Covid assets received credited to revenue but non-cash	0	0
Donated assets received credited to revenue but non-cash	(274)	(332)
Government Grant assets received credited to revenue but non-cash	(151)	(983)
Right of Use Grant (Peppercorn Lease) credited to revenue but non cash	0	(175)
Non-cash movements in right of use assets	0	1
Non-cash movements in provisions	52,071	18,794
Other movements	55,041	52,154
Total	130,557	118,628

Other movements of £55.041m (2024-25 £52.154m) is made up of notional funding received for:

- LHB notional 9.4% Staff Employer Pension Contributions;
- the 2019-20 Pensions Annual Allowance Charge Compensation Scheme (PAACCS);

which are both funded directly to the NHSBA Pensions Division by Welsh Government.

29. Events after the Reporting Period

These financial statements were authorised for issue by the Chief Executive and Accountable Officer on 25th June 2026, and the financial statements were certified by the Auditor General for Wales on 26th June 2026.

The decision to increase remuneration rates relates to a wider review of the underlying Welsh Government Remuneration Scheme guidance, the scheme used to ensure the level of fees paid to public office holders (not just those in the Welsh NHS) is transparent and applied consistently. Updates on the review have been a regular topic discussed at CEO and Chair level forums hosted by the Welsh Government.

Agreement to increase the level of fees was made by the Cabinet Secretary for Finance and Welsh Language on 1 December. This was noted by CSHSC on 2 December.

The correspondence to the CEOs (in April 2026) confirmed that it had been agreed the Welsh Government Remuneration Scheme daily rates should increase from the 1 January 2026, a change relating to the 2025-26 pay cycle.

The Welsh Government does not propose to issue revised terms and conditions to those board roles impacted by this increase. However, the new rates will become part of any new terms and conditions issued. Costs must be met from existing organisational budgets.

As Ministerial approval was made to implement the change on 1 December 2025 the 2025-26 payment falls within the category of an adjusting post balance sheet event.

30. Related Party Transactions

A number of the HB's Board members have interests in related parties as follows:

Name	Details	Interests
Abigail Harris	Chief Executive	Husband is employed by the Competitions and Markets Authority which occasionally takes actions relating to health service provision. Husband is a board member of WCVA.
Alun Llewelyn	Associate Board Member	Member of Neath Port Talbot County Borough Council (from 1996)
Andrew Griffiths	Independent Member	CEO of FEDIP - professional standards organisation for people working in digital health, ongoing part-time paid employment. Chair on WIDI (ongoing, unpaid) which is a collaboration of two universities that are developing initiatives for staff development in digital health.
Charlotte Emma Rees-Sidhu	Independent Member	PVC & Executive Dean of the Faculty of Medicine, Health & Life Science at Swansea University
Darren Griffiths	Director of Finance and Performance (left Feb 2026)	Governor of Gower College Swansea. Wife is the Director of Health and Care for British Red Cross for all of UK
Deb Lewis	Chief Operating Officer/ Executive Director of Primary Care, Mental Health and Learning Disabilities	Husband is employed by SBU Health Board, Alan Lewis, Job planning manager for the Medical Director's office (Mar 2024- Feb 2026)
Elizabeth Rix	Executive Director of Nursing	Two children in NHS Wales - one in shared services, one in SBUHB. SBUHB not in position of power
Gillian Richardson	Interim Director for Public Health	Co Chair of Welsh Centre of International Affairs (5 yrs) - no financial benefit. Trustee of Guardian Ballers (2yrs) - no financial benefit
Hazel Lloyd	Head of Corporate Governance and Board Secretary	Spouse is Director of Llanharan Pharmacy Ltd (Oct 2020 - present)

Swansea University	7,179	949	454	321
Velindre NHS Trust	69,882	10,241	3,700	5,076

The Swansea Bay University Health Board Charity is the linked charity to the Swansea Bay University Health Board. During the financial year the Health Board for operational reasons may make payments on behalf of the NHS Charity and the NHS Charity may make payments on behalf of the Health Board. These payments are cleared monthly via an intercompany transfer within the financial ledgers. In 2025/26 the Health Board made cash payments of £1,413,438.19 on behalf of the NHS Charity and the NHS Charity made payments of £834,803.18 on behalf of the Health Board. As at 31st March 2026 the amount owed to the Health Board by the NHS Charity amounted to £277,751.05 with the Health Board owing the NHS Charity £241,940.08. These balances will be cleared in April 2026.

The Welsh Government is regarded as a related party of the Health Board. During the year the Health Board had a significant number of material revenue and capital transactions with either the Welsh Government or with other entities for which the Welsh Government is regarded as the parent body, namely:

Related Party	Expenditure to related party	Income from related party	Amounts owed to related party	Amounts due from related party
	£000	£000	£000	£000
Welsh Government	75	1,467,035	-	763

Welsh Ambulance Services NHS Trust	659	99	51	29
Total	279,561	1,782,296	11,582	22,229

31. Third Party assets

The LHB held £812,201 cash at bank and in hand at 31 March 2026 (31st March 2025, £995,938) which relates to monies held by the LHB on behalf of patients. This has been excluded from the Cash and Cash equivalents figure reported in the accounts.

Cash held in Patient's Investment Accounts amounted to £0.00 at 31st March 2026 (31st March 2025, £0).

In addition the LHB had located on its premises a significant quantity of consignment stock. This stock remains the property of the supplier until it is used. The value of consignment stock at 31 March 2026 amounted to £2,532,703 (£2,933,052 as at 31st March 2025).

32. Pooled budgets

Pooled budget scheme with Swansea County Borough Council & Neath Port Talbot County Borough Council where the Health Board is a member.

Other includes:

2025/26 - RIF Funding (£249k), HCF (£451k), In Year Reserve Draw (£400k).

2024/25 - RIF Funding (£249k), HCF (£671k)

Asset NBV of PPE @ 31st March 2026 = £2,767k (31st March 2025 - £2,699k)

West Glamorgan Community Equipment (Pooled Budget 1)

Expenditure		
Staff Costs	7132	6761
Equipment Purchases	0	0
Operating Expenditure	0	0
Non Operating Expenditure	0	0
Total Expenditure	7,132	6,761

No income has been received in relation to activities resulting from Pooled budget.

33. Operating segments

Accounting standard IFRS 8 defines an operating segment as a component of an entity:

Swansea Bay University Health Board has organised its operational services into 4 Service Groups.

Two of these service groups are centred on the Health Board's main hospital sites of Morriston, Neath Port Talbot, and Singleton. The remaining two SDU's cover Mental Health and Learning Disabilities Services and Primary Care Community and Therapy Services

The LHB has formed the view that the activities of its service groups are sufficiently similar for the results of their operations not to have to be disclosed separately. In reaching this decision the Health Board is satisfied that the following criteria are met:

1. Aggregation still allows users to evaluate the business and its operating environment
2. Service Groups have similar economic characteristics > The nature of the service provided
3. The Service Groups are similar in respect of all of the following :
 - > The Service Groups operate fundamentally similar processes
 - > The end customers (the patients) fall into broadly similar categories
 - > The Service Groups share a common regulatory environment

The LHB did operate as a home to 1 hosted body during 2025/26

The only hosted body is the Emergency Medical Retrieval and Transfer Service (EMRTS). This service provides pre-hospital critical care for all age groups and undertakes time critical life or limb threatening adult and paediatric transfers from Emergency Departments, Medical Assessment Units, Intensive Care Units and Minor Injury Units for patients requiring specialist intervention at the receiving hospital. The service is mainly funded directly by Welsh Government

During 2025/26 these accounts contain income of £0.418m (2024/25 £0.311m) and expenditure of £10.256m (2024/25 £9.835m) in respect of EMRTS.

The LHB does not consider the amounts involved to be sufficiently material to be reported as a separate segment.

34. Other Information

34.1. 9.4% Staff Employer Pension Contributions - Notional Element

The value of notional transactions is based on estimated costs for the twelve month period 1st April 2025 to 31st March 2026. This has been calculated from actual Welsh Government expenditure for the 9.4% staff employer pension contributions between April 2025 and February 2026 alongside Health Board data for March 2026.

Transactions include notional expenditure in relation to the 9.4% paid to NHSBSA by Welsh Government and notional funding to cover that expenditure as follows:

	2025-26 £000	2024-25 £000
Statement of Comprehensive Net Expenditure for the year ended 31 March 2026		
Expenditure on Primary Healthcare Services	0	0
Expenditure on healthcare from other providers	0	0
Expenditure on Hospital and Community Health Services	55,016	52,138

Statement of Changes in Taxpayers' Equity for the year ended 31 March 2026

Net operating cost for the year	55,016	52,138
Notional Welsh Government Funding	55,016	52,138

Statement of Cash Flows for year ended 31 March 2026

Net operating cost for the financial year	55,016	52,138
Other cash flow adjustments	55,016	52,138

2.1 Revenue Resource Performance

Revenue Resource Allocation	55,016	52,138

3. Analysis of gross operating costs

3.1 Expenditure on Primary Healthcare Services

General Medical Services	0	0
Pharmaceutical Services	0	0
General Dental Services	0	0
Other Primary Health Care expenditure	0	0

3.2 Expenditure on healthcare from other providers

	0	0
	0	0

3.3 Expenditure on Hospital and Community Health Services

Directors' costs	132	148
Staff costs	54,884	51,990
Single Lead Employer staff trainee costs	0	0

9.1 Employee costs

Permanent Staff

Employer contributions to NHS Pension Scheme	55,016	52,138
Charged to capital	85	64
Charged to revenue	55,101	52,201

18. Trade and other payables

Current

Pensions: staff	0	0

28. Other cash flow adjustments

Other movements	52,071	47,703

The Department of Health and Social Care (DHSC) 2023-24 consultation on the NHS Pension Scheme confirmed that the transitional approach that has operated since 2019-20 for employer contributions will continue in 2025-26. From 1 April 2024 an employer rate of 23.7% (23.78% inclusive of the administration charge) will apply. However, the NHS Business Services Authority will continue to only collect 14.38% from NHS Wales employers under their normal monthly payment process to the NHS Pension Scheme. This has resulted in an increase in the central payments made by Welsh Government from 6.3% to 9.4%.

Other

34.2 IFRS 17 - Insurance Contract Disclosures

The outcome of the annual contract review for a range of income contract types applicable to the orgar did not identify any insurance contracts that fall within the scope of IFRS 17.

risation,

THE NATIONAL HEALTH SERVICE IN WALES ACCOUNTS DIRECTION GIVEN BY WELSH MINISTERS IN ACCORDANCE WITH SCHEDULE 9 SECTION 178 PARA 3(1) OF THE NATIONAL HEALTH SERVICE (WALES) ACT 2006 (C.42) AND WITH THE APPROVAL OF TREASURY

LOCAL HEALTH BOARDS

1. Welsh Ministers direct that an account shall be prepared for the financial year ended 31 March 2011 and subsequent financial years in respect of the Local Health Boards (LHB)¹, in the form specified in paragraphs [2] to [7] below.

BASIS OF PREPARATION

2. The account of the LHB shall comply with:

(a) the accounting guidance of the Government Financial Reporting Manual (FReM), which is in force for the financial year in which the accounts are being prepared, and has been applied by the Welsh Government and detailed in the NHS Wales LHB Manual for Accounts;

(b) any other specific guidance or disclosures required by the Welsh Government.

FORM AND CONTENT

3. The account of the LHB for the year ended 31 March 2011 and subsequent years shall comprise a statement of comprehensive net expenditure, a statement of financial position, a statement of cash flows and a statement of changes in taxpayers' equity as long as these statements are required by the FReM and applied by the Welsh Assembly Government, including such notes as are necessary to ensure a proper understanding of the accounts.

4. For the financial year ended 31 March 2011 and subsequent years, the account of the LHB shall give a true and fair view of the state of affairs as at the end of the financial year and the operating costs, changes in taxpayers' equity and cash flows during the year.

5. The account shall be signed and dated by the Chief Executive of the LHB.

MISCELLANEOUS

6. The direction shall be reproduced as an appendix to the published accounts.

7. The notes to the accounts shall, inter alia, include details of the accounting policies adopted.

Signed by the authority of Welsh Ministers

Signed : Chris Hurst

Dated :

1. Please see regulation 3 of the 2009 No.1559 (W.154); NATIONAL HEALTH SERVICE, WALES; The Local Health Boards (Transfer of Staff, Property, Rights and Liabilities) (Wales) Order 2009.
