<b>Pharmacists</b>					
<b>Guidance notes:</b>					
<b>GPhC reforms:</b> From July 2021 GPhC will refer to the Pre-registration Training year as 'Foundation Pharmacist Training'. To differentiate between pre-reg and post reg novices during a period of transition, the terms <i>Pre-registration</i> Foundation Pharmacist, and <i>Post-Registration</i> Foundation Pharmacist, are used in Wales.					
<b>Pre-registration Foundation Pharmacists:</b> Allocation of placement hosting is agreed with training organisations via Oriol during Quarter 4. For planning purposes indicate the number of hospital placements (4 months in total) the organisation has capacity to host during 2022-23.					
<b>Post-registration Foundation Pharmacists:</b> Include anticipated number of newly qualified novice practitioners requiring support via a national Foundation Training Programme (in development for this transition period).
