I refer to your Freedom of Information Act Request acknowledged by ourselves on 10th July 2019. Your request sought information relating to palliative care services.

The figures below are for Specialist Palliative Care only. Community District Nursing Services will also provide some palliative care services to patients in the community, but this will not be their only role as district nurses, therefore this is difficult to quantify.

1. The number of nurses working in palliative care services, either employed directly by the health board or commissioned by the health board from Marie Curie or another provider;

15.3 wte

2. The number of healthcare assistants working in palliative care services, again employed directly by the health board or commissioned by the health board from Marie Curie or another provider.

8.27 wte

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.
