Dear [REDACTED],

I refer to your Freedom of Information Act Request acknowledged by ourselves on 8th December 2020. Your request sought information relating to procedure numbers.

I would like number of the following procedures done in your hospital between 1985 – 1989;

- a) Face Lift**
- b) Rhinoplasty**
- c) Liposuction**
- d) Abdominoplasty**

I can confirm that none of these procedures were carried out in our hospitals during the time period specified. This is because our Regional Burns and Plastics Unit at Morriston Hospital did not open until 1994 therefore no procedures would have been carried out prior to this date.

Please note however that the types of procedures listed would not routinely be performed by the NHS, however some of these procedures may be considered on a case by case basis in certain circumstances. The Welsh Health Specialised Services Committee (WHSSC) would manage this service and therefore you may find it useful to contact them for some advice in relation to your request:

WHSSC.generalenquiries@wales.nhs.uk.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to
