Dear [REDACTED],

I refer to your Freedom of Information Act Request acknowledged by ourselves on 5<sup>th</sup> January 2021. Your request sought information relating to deaths from COVID-19.

**How many people have died in your hospitals from Covid 19 alone? As in they died only due to Covid 19. I can see the figures that you publish online, but these are deaths within 28 days of a positive Covid test, so they could have died from other causes. I just want to know the exact figure from 1st February 2020 until the 20th December of people that have died due to Covid-19 and not anything else please.**

I can confirm that the information you are seeking is held on our Disclosure Log on our website. Under Section 21 of the Freedom of Information Act (information accessible by other means), we are not required to provide information in response to a request if the information is already reasonably accessible to you. May I therefore recommend that you look at this link to our disclosure log, which contains details of where you can obtain the information you require:

I hope this information is helpful. If you require anything further please contact us at [FOIA.Requests@wales.nhs.uk](mailto:FOIA.Requests@wales.nhs.uk).

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via [FOIA.Requests@wales.nhs.uk](mailto:FOIA.Requests@wales.nhs.uk).
