Dear [REDACTED]

I refer to your Freedom of Information Act Request acknowledged by ourselves on 5th January 2021. Your request sought information relating to staff deaths from COVID-19.

You referred to the Freedom of Information response 20-I-009 that we sent to you on the 12th October 2020.

You asked us;

In that response you indicated that there had been 3 member(s) of staff within your organisation who had sadly passed away from Covid 19. Could I ask you to clarify in which months the deaths occurred?

I can confirm that all three of the members of staff that were referred to in our previous response sadly passed away in April and May 2020.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
