I refer to your Freedom of Information Act Request acknowledged by ourselves on 30th January 2020. Your request sought information relating to ECT devices.

1. Could I please request for the last five years the calibration/service maintenance records for the ECT machine(s) at Cefn Coed ECT Suite, Cefn Coed Hospital.

This information is not held by Swansea Bay Health Board. Our ECT devices are on an annual service contract with Dantec, therefore device calibration and service maintenance records are all held by the company.

2. Additionally, the make and model of the ECT device used, date of manufacture.

We have two Thymatron System IV devices purchased in 2016. One is in use and the other is kept in the event of a breakdown.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.
