Dear ,

I refer to your Freedom of Information Act Request acknowledged by ourselves on 12<sup>th</sup> November 2020. Your request sought information relating to anti-VEGF treatments.

**1. Within your Health Board how many patients over the last 12 months (November 2019 to October 2020 or latest available) have received the following anti-VEGF treatments:**

To obtain this information would involve a manual trawl and search of patient records which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

However, we are able to provide usage figures for each medication for the period 01.11.19 to 31.10.20 as opposed to patient numbers.

- **Aflibercept** - 4940
- **Bevacizumab** - 0
- **Brolucizumab** - 0
