I refer to your Freedom of Information Act Request acknowledged by ourselves on 19th November 2020. Your request sought information relating to safeguarding and community reablement.

1. Would it be possible to know which people are on your quality and safeguarding adults board and which organisations they represent?

I can confirm that the information you are seeking is held on the West Glamorgan Safeguarding Board's website. Under Section 21 of the Freedom of Information Act (information accessible by other means), we are not required to provide information in response to a request if the information is already reasonably accessible to you. May I therefore recommend that you look at this link to their website, which contains the details you require;

2. I would also be interested to know if you have an integrated care team and/or reablement team and who the manager, deputy and director are that are responsible for this service.

If you are able to supply this with their contact details I would be very grateful.

You clarified on 19th November 2020 that you are referring to the Community Reablement service/team.
