Dear [REDACTED]

I refer to your Freedom of Information Act Request acknowledged by ourselves on 22nd October 2020. Your request sought information relating to depression.

Please provide data from 2015 and 2019, for the number of patients that are registered to have a diagnosis of depression in each of the primary care GP clusters within the health board. I would be grateful if the information displayed the number of cases for the specified year for each individual GP cluster.

The Health Board does not hold this information. GPs are independent contractors. Therefore information on a patient's diagnosis would be held on their systems and as a result you would need to contact each GP surgery independently to obtain this information.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.
