Dear [REDACTED],

I refer to your Freedom of Information Act Request acknowledged by ourselves on 17th September 2020. Your request sought information relating to staffing during COVID-19.

1. Please can you tell me how many extra medical, nursing and other staff were taken on because of the Covid pandemic?

In the period 1st March 2020 to 30th September 2020;

361 members of staff from all staff groups were employed on fixed term contracts
519 members of staff from all staff groups were employed on bank and locum contracts

2. What percentage of those staff have since left?

46.54% of the staff employed on fixed term contracts have left. Please note that these leavers are a mixture of medical and nurse students who were employed on fixed term contracts within the Health Board due to their clinical programmes being suspended as agreed by Welsh Government. These contracts have now come to an end and students have returned to their clinical studies.

10.02% of the staff employed on bank and locum contracts have left.
