Dear ,

I refer to your Freedom of Information Act Request acknowledged by ourselves on 22nd September 2020. Your request sought information relating to beds commissioned by the Children's Community Nursing team.

1. How many respite beds were commissioned for children by the Community Nursing team in the last 5 years? Please break down by individual years.

In the period 2015 to 2020, the Health Board Community Nursing team has accessed respite beds for 15 children, who on average access the beds up to 3 times per annum.

We are not able to split this data by year, as the children access the beds multiple times.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
