[Redacted]

I refer to your Freedom of Information Act Request acknowledged by ourselves on 6th July 2021. Your request sought information relating to Learning Management Systems.

1. Does the Health Board currently have a Learning Management System, or other forms of digital training delivery tools?

No. Mandatory and Statutory Training is available via e-learning but sits on the ESR [Electronic Staff Record] system rather than a learning management system. MS Teams is used to provide learning and development programmes virtually where applicable.

2. If so, what is the name of the product and vendor?

Not applicable.

3. If not, do you currently provide remote learning/training?

Yes, L&D programmes are delivered virtually where appropriate via MS Teams

4. If you currently have a digital learning platform in place, when does the contract end? (if applicable)

Not applicable.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain

about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.

Yours sincerely

Pam Wenger
Director of Corporate Governance
