I refer to your Freedom of Information Act Request acknowledged by ourselves on 19th March 2021. I apologise for the delay in responding. Your request sought information relating to services reviews.

1. Please release all reports resulting from an invited service review by any Royal College (eg Royal College of Surgeons) in the last five years.

I can confirm that the Health Board has a record of one invited service review carried out by the Royal College of Physicians within the period requested. This review was to examine the clinical management of 32 patients who had been listed, or considered for a cardiology Transcatheter Aortic Valve Implantation (TAVI) procedure.

The Health Board has been open and transparent in respect of this review and has made available to the public a clear summary of the review that has taken place, the actions taken by the Health Board to address the issues identified by the review and the recommendations applicable to them.

The Health Board submitted a report to the Board in March 2020 and a summary of the findings resulting from this review are published on our website:
<https://sbuhb.nhs.wales/about-us/key-documents-folder/board-papers/26th-march-2020-health-board/2-1-tavi-pdf/>

2. For each report please also indicate whether the Healthcare Inspectorate (HIW) was informed of the review and whether it received the resulting report.
