The session has improved my knowledge and understanding of fetal physiology and how important it is for CTG interpretation	
I feel my practice will be positively impacted by this session	
It was interesting and informative	
It was pitched at the right level (i.e. not too simple or not too advanced)	
I agree that the 'Learning Conversation' can positively encourage teamwork and communication	
My understanding of 'human factors' has improved…….(circle one) Not at all Moderately A lot In particular …….	
Is there any part of today's training remains unclear or 'muddy' still?	
State 3 key learning points: 1. 2. 3.	
Any suggestions for a focus on next year's training sessions? • •
