2. Of those who died of any cause for the year so far, how many had received any Covid-19 vaccine and how many were unvaccinated against Covid-19.

You clarified on 4th November 2021 that you were looking for the information on deaths of the patients listed in question 1.

Caution should be exercised in interpreting these figures since eligibility for vaccination has occurred in a phased approach over the course of the programme and the reason for non-vaccination status cannot be inferred.

Reasons for non-vaccination at time of death or admission may include: not eligible for vaccination at time of recording, death or admission, or eligible but not yet vaccinated, or eligible for vaccination but declined.
