I refer to your Freedom of Information Act Request acknowledged by ourselves on 9th September 2021. Your request sought information relating to Endometriosis.

1. How many patients are on the current waiting list for a first appointment for endometriosis investigation?

We are unable to provide this information as outpatient referrals are not coded. However as at 31st August 2021, there were 162 patients waiting for an outpatient appointment.

2. Timescales for 1st treatment after diagnosis.

The timescale depends on the level of urgency decided by the Consultant. However, due to the impact of the Covid-19 pandemic, routine patients can expect to wait over 2 years currently.

3. How many consultants/doctors are currently dealing with the waiting list?

Four.

4. Does Swansea Bay refer patients to the private sector for investigation/treatment to reduce NHS waiting lists? Is so, which private hospitals?

No, not at present.
