Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 22-I-039**

You asked:

For the first full week of September 2022, what was the % of the baseline recommendation of WTE consultants available to staff A&E department(s) within your health board area?

You clarified on 10th October 2022 that you require the information excluding locum staff.

The Health Board has one Emergency Department based at Morriston Hospital, Swansea.

We have 15.1 WTE substantive consultants in post. The RCEM model suggests that an Emergency Department of the same size should have 24 WTE.

The percentage of the baseline recommendation of WTE consultants is 63%, this is excluding locums.
