You asked:

Could you please provide me with the following:

1) I notice that ambulances and other vehicles can now been seen sporting 'rainbow' livery. How many vehicles have had the rainbow livery to date?

Please note that ambulances are managed and run by the Welsh Ambulance Services Trust (WAST). You can contact them for information relating to ambulances on FOI.amb@wales.nhs.uk

In regards to transport managed by the Health Board, I can confirm that none of our vehicles carry the "rainbow" livery.

2) What is the total cost of this to date?

Not applicable.

3) Is there a programme for more vehicles to be included? If so what is the estimated cost?

Not applicable.

4) Who made the decision to instruct the work to be carried out?

Not applicable.

5) What is the justification for the use of public money in this way, particularly with reference to the constant NHS complaints of underfunding?

Not applicable.
