You asked:

Please can you tell me the number of referrals to the NMC of nurses and midwives from 2018 - 2022 inclusive?

You clarified on 17th October 2022 that you are looking for the number of referrals made by the Health Board to the NMC – not third party or self-referrals.

I can confirm that there were 19 referrals to the NMC made by the Health Board in 2018 to 2022 inclusive.
