Dear

I am writing to inform you of changes to the way your anti-dementia medication will be prescribed.

Instead of your prescription being sent out by the Memory Clinic, your next prescription of **Memantine 20mg**, will be available for you to collect from your GP Surgery and therefore will not be sent by the Memory Clinic. This medication will then be available on repeat prescription from your GP.

Please contact your GP practice to order your next prescription, a week before it is due. Your prescription is next due 9th February 2023.

If you have any concerns regarding this, please contact me at the Memory Clinic on 01792 531202.

Yours sincerely

Dr Jaya Ramachandran
Consultant Old Age Psychiatrist
