## **Cais Rhyddid Gwybodaeth / Freedom of Information request** **Ein Cyf / Our Ref: 23-C-019**

### **You asked:**

For some time we have been working to identify the man whose skeletonised remains were found near Resolven on 9 December 1979. Due to the absence of a name and given where he was found, we refer to him as 'Glamorgan Man'.

I would therefore make a request to ask for the archived record of this unknown male, probably brought to the mortuary on 11 December 1979, so that we can continue the research into determining his final resting place.

### **Our response:**

I can confirm that the information you are seeking is held on our Disclosure Log on our website. Under Section 21 of the Freedom of Information Act (information accessible by other means), we are not required to provide information in response to a request if the information is already reasonably accessible to you. May I therefore recommend that you look at this link to our disclosure log, which contains details of where you can obtain the information you require:
