The Health Board sees the Third Sector / voluntary and community organisations as a crucial partners in both building community and individual resilience and in delivering services differently to support people's well-being and self-care as well as providing services contributing to the aims of the Social Services and Wellbeing (Wales) Act 2014 and the Well-being of Future Generations (Wales) Act 2015 in providing earlier interventions, more preventative services, accessing care closer to home and improving people's ability to manage their own well-being and health.

In addition, the Health Board are further looking at how we can shape future services in line with our Clinical Services Plan and Changing for the Future and to transfer care and services from the statutory to the voluntary sector in areas such as:

Helping patients avoid unnecessary hospital admissions

Reducing the length of time patients stay in hospital

Supporting patients waiting for operations

Developing a 7 day a week services

Reshaping adult and older people's mental health and learning disability services

We also want to ensure that we can explore commissioning in the future and these lots will also be included in the procurement;

Advocacy

Bereavement

Community Resilience

Health Inequalities

Housing

Out of Hospital Care

LGBTQ+

Safeguarding

Sustainability Agenda

In line with its Strategic Framework for the Voluntary Sector 2023-2027 the Health Board is now seeking to commence a procurement exercise for services provided by Third Sector / voluntary and community organisations. The Framework was co-developed and co-produced with the sector and outlines an ambitious programme of change.

Our ambition is that the Health Board and the Third Sector / voluntary and community organisations will further develop our existing strong and effective relationships, leading to more services being delivered jointly across both local authority areas, ensuring that partnership and funding arrangements are effective and efficient.

We would like to invite Third Sector / voluntary and community organisations who may be interested in providing any services fitting into the lots above to the first in a series of pre-procurement market engagement events to:

Understand the intentions of the market and identify any challenges or barriers

Enable the Health Board to understand how our current service needs can be shaped and delivered by the Sector Inform the Health Board of the current market position and possible options available
