

## END OF LIFE CARE PARASOL SERVICE

- We provide training sessions for all health professionals on End of Life Care and related topics e.g. Advance and Future Care Planning, DNACPR.
- Snap shot training in clinical areas on End of Life Care.
- We support health professionals with End of Life Care documentation including the Care Decision Guidance.
- Aim to provide support on general End of Life Care where there is no specialist and complex needs.
- Train and educate health board staff on our End of Life Care Champion programme **“it’s everyone’s business”**.

We are **NOT** the Specialist Palliative Care Team but we work closely alongside them.
