

# PUBLIC HEALTH WALES SURVEY

Public Health Wales  
wants your help in  
understanding health  
issues that affect young  
people aged 11 to 25.

This information will be  
used to support the  
development of  
information and resources  
about health issues for  
young people.

## HAVE YOUR SAY

Are you a young person  
aged 11-25?
